

January 23, 2020: Chaplain Wade Butler

The last month of the year 2019/5779 was one of the most intense warfare times most of the body (other than third world nations) have experienced in years. It was all out hand to hand combat; nothing nice about it. We all have been standing on promises waiting on GOD to do the miracles on our behalf. The truth of it all is HE ALREADY DID. Every day we battle for hope, direction and relief. Today I received these encouraging words to help all of us.

From MARSHA BURNS:

For those who feel lost and aimless this is a time to reevaluate your goals and direction. You may have to adjust your expectations. More importantly you cannot thrive without having a vital relationship with Me, says the Lord. I will give you the wisdom, insight, and the inspiration you need to succeed. Psalm 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil; for You are with me; Your rod and Your staff, they comfort me.

And from Pat Francis: God makes us lie in green pastures

"He makes me lie down in green pastures; He leads me beside quiet waters."
Ps. 23:2

God's promise is that His Glory will rise in you to flow through you. The good news is that what God wants you to do; He will "make" you, enable you, bless you, and glorify you to do it. God said to Abraham, "I will make you into a great nation and I will bless you; I will make your name great, and you will be a blessing." Gen. 12:2. "Then the LORD said to Moses, "See, I have made you like God to Pharaoh, and your brother Aaron will be your prophet." Ex. 7:1. To His disciples Jesus said, "Come, follow me, and I will make you fishers of men." Matt. 4:19.

God will make, position, and cause you to manifest His Glory in your life. As you learn to trust in God as your Shepherd King, He will lead you into green pastures of opportunities, favor, sponsorship, support, and strategic relationships to help you fulfill your destiny. He will make you and lead you into your path of prosperity.

When a sheep lies down it is usually a sign of contentedness, security and peace. David wrote, "I will lie down and sleep in peace, for you alone, O LORD, make me dwell in safety." Ps. 4:8. God was David's Strength when he was weak, His Provision when he was in need, His Comfort when he was alone, and his Hope amid despair. He

wrote, "You give me your shield of victory, and your right hand sustains me; you stoop down to make me great." Ps. 18:35.

David experienced the manifested Glory of God in His life He survived living in a cave; he won many battles in many areas; he conquered kingdoms and grew in wealth and great influence. He wrote in his psalm of thanksgiving, "Wealth and honor come from you; you are the ruler of all things. In your hands are strength and power to exalt and give strength to ALL." 1 Chron. 29:12. All those who trust in the LORD Jesus Christ as their Shepherd are heirs to the glory of David. The Bible calls him a witness to the peoples. (Is. 55:4). "He makes me lie down in green pastures; He leads me beside quiet waters." Ps. 23:2. That is where we need to be this month.

To everyone else this letter to those who are new at following the daily devotional and Calendar, I would like to share with you some of the reasoning of the publication and answer some questions that are posed to me each month.

Many people receive this who are not members of the Republic and probably will never become part of the "Patriot Movement" for many reasons, yet they are lovers of truth and followers of the LORD. The guide started out several years ago at the request of Roger Waters and President Jim Geiger in coalition with me. We prayed and HS gave me direction as to how to start a work. It has now become a work of passion and deliverance for me and the many who read it each month.

It is packed full of; prophesy, sermons, art and background material that most people will never take the time to research on their own nor have the resources of input to obtain as much of the truth as can be found. Often it goes against the grain of conventional churches and denominations because we follow the Hebrew calendar and the prophetic. He never changed HIS timing, we did. I would rather follow HIM and know what I was adopted into. Sometimes authors are used multiple times because they are in what we call the "zone" of the Holy Spirit. In other words they are hearing from the LORD!

We do not take donations or contributions other than an occasional donation to cover postage to those who need a hard copy. Keep it on your computer and read it daily.

Each month is packed with Revelation of what GOD is saying so; buckle up, hold on and take a journey with us, a day at a time. This month is about discerning, decreeing, declaring and COMMANDING the WORD spoken!!!! Go boldly into the Gates with thanksgiving and into Courts with PRAISE!

Be Blessed, Chaplain Wade Butler

Study and Prayer guide for Shevat 5780

The Fifth Month of the Spiritual New Year and the eleventh month of the twelve month of the Hebrew physical calendar. It begins on the evening of January 26th Shevat 1: (Monday) January 27, 2020 and goes to Shevat 30: 5780, (Tuesday) February 25, 2020.

Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.

In developing this calendar prayer guide prophets are used to bring current words from the LORD*. (See last page.) Many members of the Republic do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors which are included. 1 Thessalonians 5:20 Do not spurn the gifts and utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

The Biblical Month

Shevat is the 11th month of the Biblical Calendar; dates from 3761 BC.

Presumed the date of the Beginning of Creation, it is the month of dreams, bringing warfare strategies for the next few months; its GODS month of revelation!

This is the month that Righteous becomes your foundation. Alphabetically the word symbolizes the "Righteous One".

Shevat (Hebrew: ???) is the fifth month of the civil year starting in Tishre (or Tishri) and the eleventh month of the ecclesiastical year on the Hebrew calendar starting in Nisan. It is a winter month of 30 days. Shevat usually occurs in January–February on the Gregorian calendar. The name of the month was taken from the Akkadian language during the Babylonian Captivity. The assumed Akkadian origin of the month is Šabatu meaning strike that refers to the heavy rains of the season. In Jewish sources the month is first mentioned by this name in prophet, Zechariah (Zechariah 1).

Shevat in Jewish history and tradition

- 1 Shevat – Moses repeats the Torah (Deuteronomy 1:3)
- 2 Shevat (circa 1628 BC) – Asher born
- 24 Shevat (517 BC) – Zechariah's prophecy (Zechariah 1:7–16)
- 28 Shevat (circa 134 BC) – Antiochus V abandoned his siege of Jerusalem and his plans for the city's destruction.
- In ancient Israel, this was the time to consign one tenth of the product of the year, which was divided according to the seven-year cycle of the Hebrew calendar. Each year the first tenth of the total product was entirely delivered to the tribe of Levi, and then, one-tenth of what was left, was assigned according to the year of the cycle. In the years 3rd and 6th it was distributed to the poor, and in the years 1st, 2nd, 4th, 5th, it was held by the producer, who had to consume it personally in Jerusalem. The 7th year was a sabbatical year and the earth products were not collected.

The month is symbolized by the Tribe of Asher, the tribe of the rear guard. Asher was the tribe chosen to guard the tribes from the rear due to the fact that often the enemy would attack from the rear thinking it would be the area of weakness and give them an advantage. It is called the month of the trees as spring begins in Israel this month therefore it is the month of new blessings where roots run deep and a harvest is on the way.

Asher was born on 2 Shevat 2199 (1562 BCE). According to some accounts 2nd of Shevat is also the date of his death.

Asher's descendants in more than one regard deserved their name ("Asher" meaning "happiness"). The tribe of Asher was the one most blessed with male children; and its women were so beautiful that priests and princes sought them in marriage. The abundance of oil in the land possessed by Asher so enriched the tribe that none of them needed to hire a habitation. The soil was so fertile that in times of scarcity, and especially in the Sabbatical year, Asher provided all Israel with olive-oil. The Asherites were also renowned for wisdom.

Unfortunately Asher often took the time of new beginnings and prosperity and compromised many times falling from GODS grace, but still was quick to repent and find GODS mercy and would be restored. Deborah rebuked Asher for its failures in Judges 5:17 and they repented and were restored. When Gideon and King David

needed help Asher stepped up and sent mighty men of war to aid them. 1 Chronicles 7:40.

Asher and his four sons and daughter settled in Canaan. On his deathbed, Jacob blesses Asher by saying that "his bread shall be fat, and he shall yield royal dainties" (Gen. 49:20).

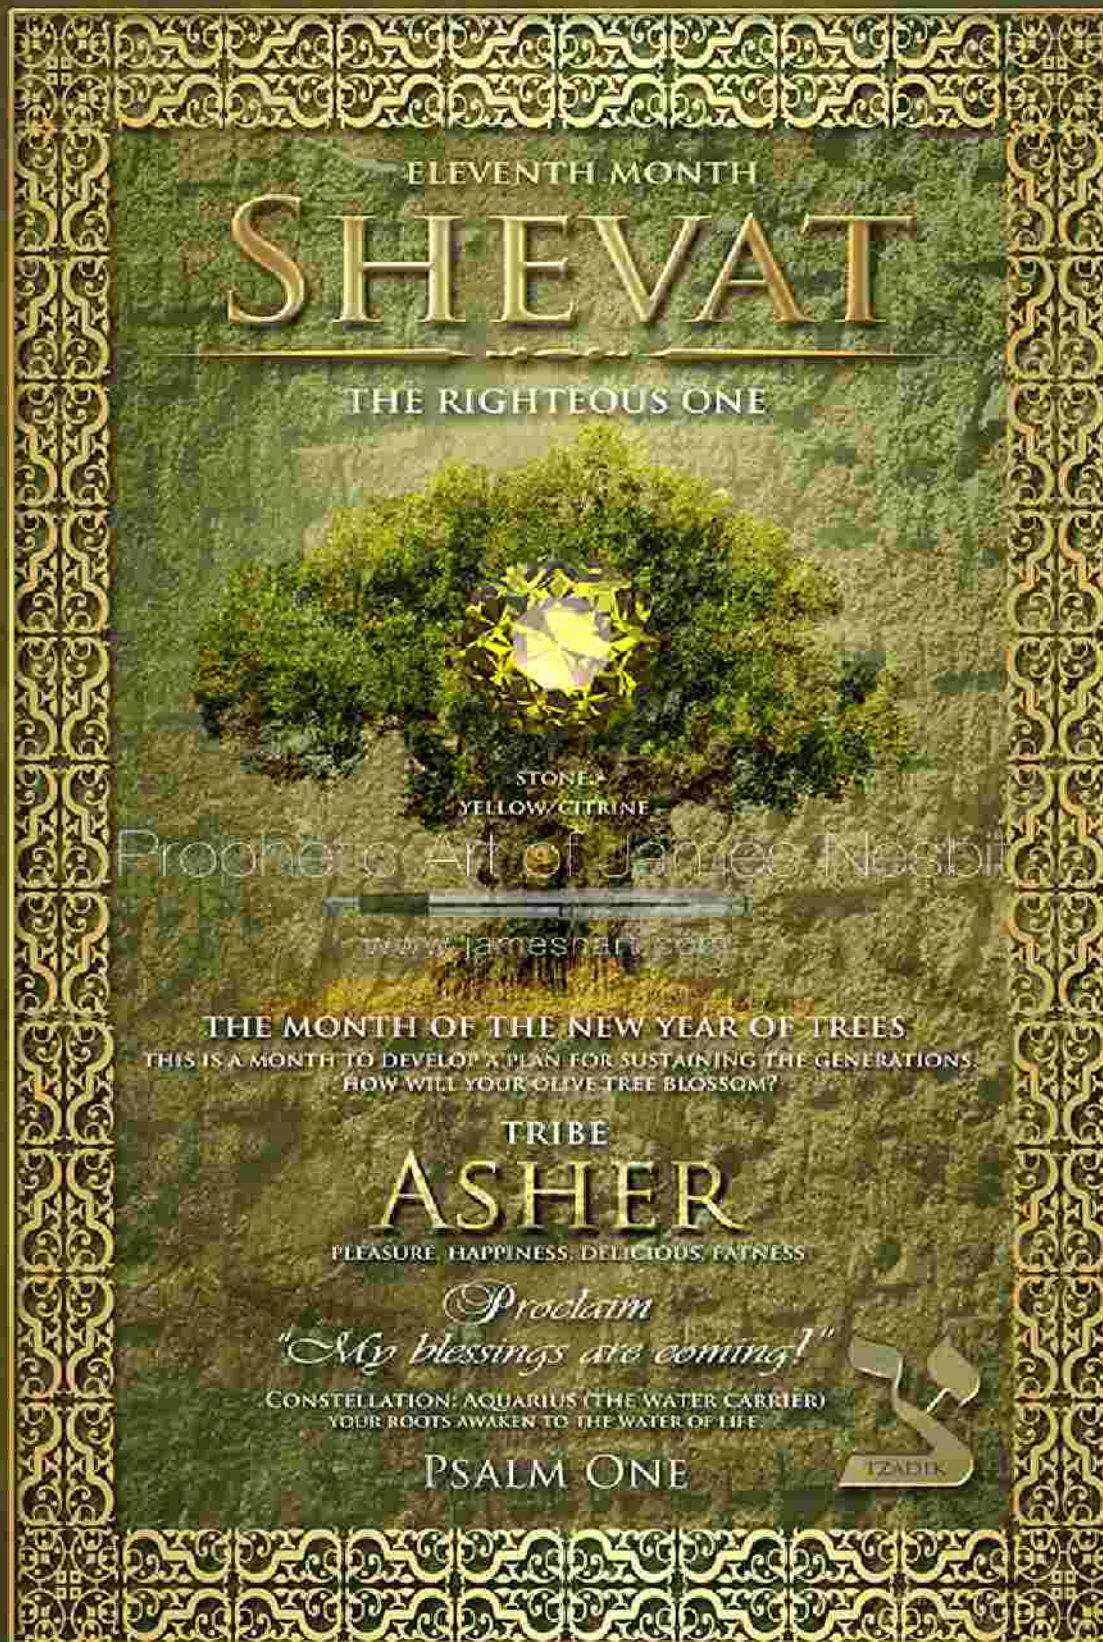

Moses said this of Asher: "May Asher be blessed above other sons; may he be esteemed by his brothers; may he bathe his feet in olive oil." (Deuteronomy 33:24).

Asher was the eighth son of the patriarch Jacob and the traditional progenitor of the tribe Asher. Some Biblical scholars view this as post diction, an eponymous metaphor providing an aetiology of the connectedness of the tribe to others in the Israelite confederation.

Asher is represented as the younger brother of Gad; these two being the sons of Zillah, the handmaid of Leah (Genesis 35:26). The Biblical account shows Zillah's status as a handmaid change to an actual wife of Jacob (Genesis 30:9). Her handmaid status is regarded by some biblical scholars as indicating that the authors saw the tribe of Asher as being not of entirely Israelite origin; scholars believe that Asher consisted of certain clans affiliated with portions of the Israelite tribal confederation, but which were never incorporated into the body politic.

1. Biblical Account of ASHER:

According to the Biblical account Asher was the eighth of Jacob's sons, the second borne to him by Zillah the handmaid of Leah. His uterine brother was Gad (Genesis 35:26). With four sons and one daughter he went down into Egypt (Genesis 46:17). At his birth Leah exclaimed, "Happy am I! For the daughters will call me happy: and she called his name Asher," i.e. Happy (Genesis 30:13). This foreshadowing of good fortune for him is repeated in the blessing of Jacob: "His bread shall be fat, and he shall yield royal dainties" (Genesis 49:20); and again in that of Moses: "Blessed be Asher with children; let him be acceptable unto his brethren, and let him dip his foot in oil" (Deuteronomy 33:24). His family prospered in Egypt, and at the Exodus the tribe of Asher is numbered at 41,500 adult males (Numbers 1:41). At the second census the number is given 53,400 (Numbers 26:47).

The tribe seems to have taken no important part in the subsequent history. It raised no hero, and gave no deliverer to the nation. In the time of David it was of so little consequence that the name is not found in the list of chief rulers (1 Chronicles 27:16). The rich land assigned to Asher sloped to the Phoenician seaboard, and brought him into touch with the Phoenicians who were already world-famous in trade and commerce. He probably soon became a partner in their profitable enterprises, and lost any desire he may ever have had to eject them from their cities (Judges 1:31). He cared not who ruled over him if he were free to pursue the ends of commerce. Zebulun might jeopardize their lives unto the death, and Naphtali upon the high places of the field, to break the power of the foreign oppressor, but Asher "sat still at the haven of the sea, and abode by his creeks" (Judges 5:17). He was probably soon largely absorbed by the people with whose interests his were so closely identified: nevertheless "divers of Asher," moved by the appeal of Hezekiah, "humbled themselves, repented and came to Jerusalem to worship at the Temple" (2 Chronicles 30:11 the King James Version). To this tribe belonged the prophetess Anna (Luke 2:36) who was the first in the temple to recognize the "baby Yeshua" as our LORD..

2. Territory of Asher:

The boundaries of the territory are given in considerable detail in Joshua 19:25 (compare Judges 1:31; Joshua 17:10). The lot of Asher formed a strip of land from 8 to 10 miles wide running northward along the shore to the neighborhood of Sidon, touching Issachar, Zebulun and Naphtali on the East Asher seems to have taken possession of the territory by a process of peaceful penetration, not by conquest, and as we have seen, he never drove out the Phoenicians from their cities. The rich plain of Acre and the fertile flats between the mountain and the sea near Tyre and Sidon therefore remained in Phoenician hands. But the valleys breaking down westward and opening on the plains have always yielded fine crops of grain. Remains of an ancient oak forest still stand to the North of Carmel. The vine, the fig, the lemon and the orange flourish. Olive trees abound, and the supplies of olive oil which to this day are exported from the district recall the word of the old-time blessing, "Let him dip his foot in oil." W. Ewing

Moses repeats the Torah (Deuteronomy 1:3-10)

Deuteronomy 1:3-10 Amplified Bible (AMP)

³ In the fortieth year, on the first day of the eleventh month, Moses spoke to the children of Israel in accordance with all that the LORD had commanded him *to say* to them, ⁴ after he had defeated Sihon the king of the Amorites, who lived in Heshbon, and Og the king of Bashan, who lived at Ashtaroth in Edrei. ⁵ Beyond (east of) the Jordan in the land of Moab, Moses began to explain this law, saying,

⁶ "The LORD our God spoke to us at Horeb, saying, 'You have stayed long enough on this mountain. ⁷ Turn and resume your journey, and go to the hill country of the Amorites, and to all their neighbors in the Arabah, in the hill country and in the lowland (the Shephelah), in the Negev (South country) and on the coast of the [Mediterranean] Sea, the land of the Canaanites, and Lebanon, as far as the great river, the river Euphrates. ⁸ Look, I have set the land before you; go in and take possession of the land which the LORD swore (solemnly promised) to your fathers, to Abraham, to Isaac, and to Jacob, to give to them and to their descendants after them.'

⁹ "I spoke to you at that time, saying, 'I am not able to bear the burden of you alone. ¹⁰ The LORD your God has multiplied you, and look, today you are as numerous as the stars of heaven.

Also.....Pat Francis: The Song of Moses

"And the Angels sang the song of Moses the servant of God and the song of the Lamb: 'Great and marvellous are your deeds, Lord God Almighty. Just and true are your ways, King of the ages.'" (Rev. 15:3).

The Angels sang the song of Moses, God's chosen deliverer for His people who were under the tyrannical rule and slavery under Pharaoh of Egypt. God uses ordinary people to demonstrate His power to save, deliver, and provide. God's salvation on earth is usually through willing people who hear His word, share in His burden, and trust in His saving grace.

Moses, not only delivered the people from slavery by the power of God, but he also negotiated so that they left a life of slavery with all their family, animals, possessions, and the wealth of the Egyptians.

Today we can also sing a song of deliverance for we too were delivered from the enemies of our soul by the Lamb that was slain, Jesus Christ. "The next day John saw Jesus coming toward him and said, "Look, the Lamb of God, who takes away the sin of the world!" (John 1:29). Jesus took away all our failure and sins. We too celebrate our freedom. We celebrate the songs of praise in Heaven and make them our songs of praise on earth.

"A Word God Gave Me at the Beginning of the Year About: The Divine Decade" Kat Kerr, Jacksonville, FL

God Speaks His Will His Way

At beginning of year, God was talking to me about the new decade we have entered: 2020–2030. He calls it "The Divine Decade," which will set up the way we will live for the next century. This year, He will begin to openly expose evil men, plans and places that are totally against what He desires and which belong to the darkness—they will be dealt with. He will also openly reveal the good people, plans and places, on this earth, which are just and represent the light and God's own plans—they will be blessed.

These things will begin soon, and we are not to be troubled or be in fear over them. The evil and darkness will FAIL again and again, as they are fighting against God. The just, the righteous and the light, will WIN again and again, as God will have His way in this time.

Look forward to another four years of President Trump in the White House; for even though the darkness has risen against him, the light and power of God is greater and Trump will WIN as He was chosen by God for this time!

Trust God and His Word

There were many things God showed me, not symbolical but literal things that will happen. Trust God and His Word, and don't trust "those bibles" which have been altered to show man's will. For instance, there are some that say everyone including satan will be forgiven, or that people can go to Heaven without repentance of sin through Jesus Christ. These words are FALSE and lead to corruption and Hell. Do not be

double-minded but stand for Christ, and do not believe a lie. Speak truth, life and hope to others and you will be blessed from Heaven.

Trust those who live holy and do not use profane language or sin, and who have kept themselves from false idols. Though some will lie, even in the pulpit, there will be NO POWER in their lives that comes from God. They will not be able to fool others as in the past. He will judge some quickly who do so, and their places and positions will be given to those who live for Him and the glory will be carried by them.

Push Back Darkness

Many will think it is the end, and Christ will return to rescue us, but God has assured me that is not for now. We will learn to push back darkness and rule with Christ and celebrate that we have been chosen as forerunners and precursors to the thousand year reign of Christ on this earth. God has many plans to have a time on this earth to show up and show off in us (the true Believers). He is going to erase the gray area (lie) that says, "There is no God."

Be sure to loose any fear, anger, confusion or offense from your soul and bind the life, love and God's plans and presence to your souls. Run after truth and not deception. These are exciting days for those who belong to Christ.

The end is not yet, so roll up your rapture rugs and get your crown on! Prepare to manifest the power of the living God because we will be living in the "More of God."

It's Time to Be Great!

Even now, Hell is trembling because we are finally finding out who we are and Whose image we are made in. These things must happen so that the generations coming after us will know how to run and who to follow. Signs and wonders are being released onto and into this earth which have been in travail for us, as the sons and daughters of God, to arise.

There are doors opening in the spirit that has never been opened before and NO man or devil can close them. If you are a Believer, alive and breathing right now, you have been chosen by God to be a part of these days. Do not allow your soul to be filled with doubt or lies, for the enemy would like to stop us. It is time to be GREAT for and with God and His Son, Jesus.

Choose wisely who you will vote for and stand with this year and remember God said to "Choose Life." There will be divine protection for many who choose God's plans and ways. Others, who fight against God openly and side with the darkness and death, will no longer have favor and some will sleep early.

This is an extraordinary but exciting time to be alive and to see the hand of God moving across this world. Even governments and nations will change; some will run into the light of God and some will choose the darkness. The destiny of nations that some have not considered important will witness mass changes in those lands and for their people.

God Will Qualify the Chosen

God will show Himself powerfully by the unexpected and unbelievable things He will do in this decade. He has said that He will take Hollywood and the entertainment industry for Himself. He will expose the fake news and lying media and replace them with those who will report the true news. He will give great inventions, cures for diseases and witty ideas to those whom man would consider "not qualified."

In these days, God will qualify the "chosen." Those who have remained faithful and who have praised their God, and who have even taken spiritual territory from the enemy, are about to be empowered and blessed greatly by their God.

Wealth that has been spoken of for many generations is about to be released in great measures. There will be mass salvations and instant changes in the souls of many youth, many homosexuals, and even those who follow false doctrines. This is not just talking about revivals, but a habitation of God on the earth.

God says: "REJOICE O EARTH, REJOICE. FOR I, THE GOD OF HEAVEN AND EARTH, AM ABOUT TO POUR OUT MY SPIRIT OVER ALL THE EARTH; AND YOU, WHO'VE CHOOSE MY SON, WILL NEVER BE NORMAL AGAIN, SAYS YOUR GOD!"

Prepare yourselves, know God more, spend time developing a relationship with the One who made you and sent you. Rise up and embrace the greatness waiting to be revealed in you.

I HEARD THE LORD SAY "MAJOR DELIVERANCE IS GOING TO TAKE PLACE IN THE CROSSOVER INTO 2020 – IT'S DELIVERANCE FOR THE NEW DECADE" by Lana Vawser Ministries

Last month in the morning I had an encounter with the Lord and He spoke "Major deliverance is going to take place in the crossover into 2020 - it's deliverance for the new decade"

I then heard the Lord say "Can you hear My ROAR OF REDEFINITION"

The Lord showed me that there have been many things that have "defined" the people of God in 2019 that are not part of their inheritance in Christ and the promises of God for their life. There has been such a battle for so many in 2019; it has been one of the hardest years for SO many. The Lord showed me that many have felt "redefined" by the things that have come against them. Many look in the mirror and see someone different to who was standing there at the beginning of 2019. Many have felt negatively 'redefined' by the battle of 2019.

But the Lord showed me He is coming as a mighty warrior and a mighty wind is blowing and will increase over the next few days as we enter into 2020 that is going to bring DEFINITIVE DELIVERANCE.

DEFINITIVE: done or reached decisively and with authority.

SYNONYMN: final

(Definition from Google)

In this encounter as the wind of His Spirit blew strongly and the Lord began to ROAR over His people I saw the mighty hand of God come down and REMOVE THE ROOTS! The Lord showed me that many have seen the ROOT of the issue/s that has been coming against them and He is coming in power to REMOVE THE ROOT.

This is the FINAL LAYER of deliverance that will BREAK the CYCLE, BREAK the CHAIN and SHIFT the season for many.

The Lord continued to speak "You will enter 2020 CHANGED"

We are entering into a decade unlike any other decade. This is the DEFINING MOMENT.

The Lord showed me that a He ROARS over His people in the crossover in 2020 and the ROOTS are UPROOTED, ALL of the labels, all of the ways that the battle has redefined the people of God, His ROAR is bringing MIGHTY deliverance from all of those wounds, lies, weariness, discouragement etc. and a DIVINE REDEFINITION will take place.

I heard the Lord say:

"EXPECT to SEE in the CROSSOVER like never before!!!"

As the Lord brings MAJOR deliverance in the crossover, there will be a powerful demonstration and revelation of the DIVINE REDEFINITION taking place God is going to give you such specific clarity for 2020, you will begin to see in greater ways why the battle was intense in 2019, because of what is ahead in 2020 and beyond. You will no longer live under the heavy yoke of redefinition from the battle but you will run in the divine redefinition of His Spirit revealing such deep TRUTH to you in Jesus name.

THE JUSTICE OF GOD WILL RESOUND LOUD

The Lord showed me in this mighty wind of deliverance and roar of redefinition, the JUSTICE OF GOD will resound loudly in the lives of His people.

In this encounter I saw a LARGE foot step over into 2020 and it also completely covered the lives of believers.

The Lord spoke to me that this foot represented two things.

1. The Lord is trampling the INJUSTICE that has taken place in the lives of His people. He is bringing forth a trampling of that injustice as HE STEPS IN. I could hear the sound of the Lord stepping in, in power. There will be powerful demonstrations in the deliverance of the JUSTICE OF GOD that manifests when HE steps in.

2. I heard the Lord say "My people as they walk close to Me will take great strides in 2020" - I then saw the Lord's large foot in the crossover into 2020 and upon His feet were little feet like a child's foot, it was the feet of His children. He spoke "Enter into 2020 with childlike faith, trusting Me and allowing Me to lead you and you will take great STRIDES in 2020"

I watched as the Lord walked through 2020 and His children standing on His feet as He walked and they were taking the biggest steps and taking the greatest amount of territory in their life.

A MIGHTY and POWERFUL alignment of the Lord's justice is going to be seen in the crossover into 2020 and beyond.

The Lord is calling His people to enter 2020 with great expectation. To move into 2020 abandoned to Jesus and following in the ways the Holy Spirit is leading with childlike faith.

"Don't you know that God, the true judge, will grant justice to all of his chosen ones who cry out to him night and day? He will pour out his Spirit upon them. He will not delay to answer you and give you what you ask for. 8 God will give swift justice to those who don't give up. So be ever praying, ever expecting, and just like the widow was with the judge. Yet when the Son of Man comes back, will he find this kind of persistent faithfulness in his people?" - Luke 18:7 (TPT)

Friends, this crossover into 2020 is SIGNIFICANT. Entering into this new decade is LIFE CHANGING!

Continue to ask! Continue to engage with the Lord! Continue to expect! God is moving and is about to move in power and bring forth the greatest deliverance of your life.

Raise your faith! Walk by faith (2 Corinthians 5:7). You will not enter 2020 the same as you STAND in faith!

FAVOUR IN THE FAST LANE STARTING IN JANUARY 2020

In this mighty deliverance that is taking place there is a shift into the acceleration of God that is going to take place. It is not living life in the fast lane of busyness or 'doing things' or 'trying to make things happen'; it is acceleration by the hand of God and the lanes He assigns His people to.

New lanes are going to suddenly open up starting in January 2020 for many; new avenues where you are going to find opportunities and assignments that will bring forth the greatest demonstration of the acceleration of God that you have ever seen. In these new lanes, you will see the favor of God on unprecedented levels.

As this major transition and shift took place I saw people and things in other lanes attempting to cause many to move from these new lanes. I heard the Lord say "STAY IN YOUR LANE"

No matter what others say, no matter what other amazing opportunities or assignments may be presented to you, STAY in the lane God has shown you that opens up to you and you will find GREAT FAVOR and increase. It is SO important to stay in your lane and stay true to what the Lord calls you to and not be swayed by other voices or opportunities.

I also heard the Lord say "DO NOT SHOUT "LOOK AT MY NEW LANE FROM THE MOUNTAINTOPS"

Ask the Lord for wisdom in the sharing of these 'new lanes'. Be wise and following the Lord's direction for the sharing of these 'new lanes'.

The Lord also spoke to me regarding social media and a warning He is releasing for this new era. I heard the Lord say "Be careful to not plaster everything over social media" for some of the new lanes and assignments the Lord will move His people into, some beginning in January 2020, the Lord will give you specific instructions on how to share it and steward it and one of those things for many will be to not plaster all over social media. Some of these new lanes are assignments from the Lord that must be kept in secret between you and the Lord and those directly involved. There will be a major purging of hearts that will take place concerning social media in this new era and the Lord inviting His people into a deeper place of learning how to steward His move with greater purity and integrity.

9 Things to Do When You're Waiting on God Waiting will help you trust in God's timing. By Lesli White

Most people don't like to wait. We often get frustrated when we have to wait because it makes us anxious and it inconveniences us. This hurriedness often works its ways into our spiritual lives causing us to rush into the next thing before calling on God for direction. While most of us feel the need to rush, God is not in a hurry. In fact, the Bible says He is slow at going about things. What we often forget is that God has a plan and a purpose for us according to His Will. On the road of life, crucial decisions are like intersections that call for us to choose which way to go. If we go through life without seeking Christ, the road we pick may lead to regret. However, when we seek Christ, things that didn't make sense before are revealed to us. Although the Lord is ready and willing to offer us clear direction, He doesn't always give it quickly. Here are nine things to do when you're waiting on God.

Think About the Good That Comes From Waiting

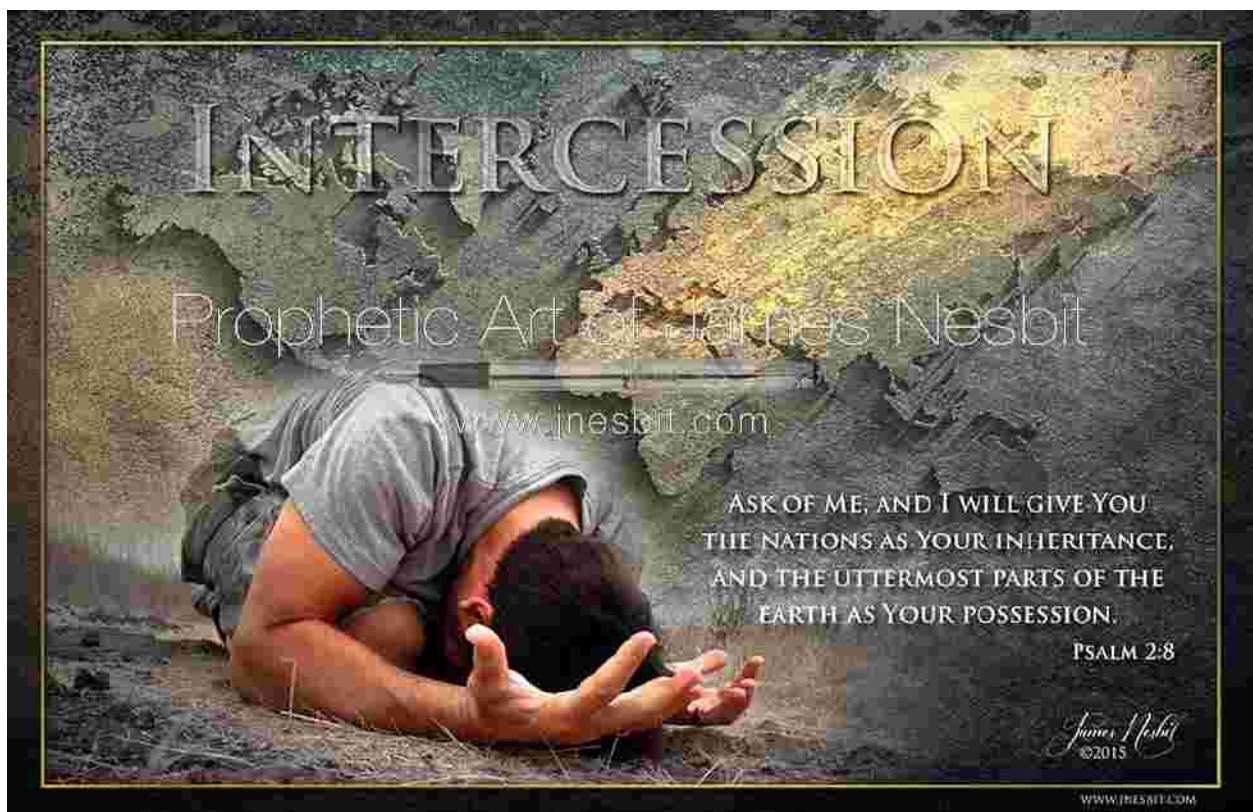

As difficult as waiting can be, it builds spiritual endurance in a unique way. Isaiah makes this truth clear: "But they who wait upon the Lord shall renew their strength; they shall mount with wings as eagles, they shall run and not grow weary, they shall walk and not faint" (Isaiah 40:31). This is a glorious promise but our discontented hearts find it difficult to wait. One great thing about waiting is that it allows us to pray without ceasing. When our thoughts turn to worry, fear, discouragement and anger, we are to consciously and quickly turn every thought to prayer and every prayer to thanksgiving. Another great thing about waiting is that it increases our faith. We wait and God works!

Listen Closely

There are times that will God will make you wait simply because He wants to get your attention. If you are waiting on God, listen closely to what He may be trying to reveal to you. He may be trying to reach you or speak to you about a certain situation in your life. When everything is running smoothly, we tend to forget the Lord. But uncertainty draws us back to Him like a magnet. By aligning our steps with His and walking in submission to the Spirit, we open our ears to hear His voice. Our waiting period is God's preparation time. He may put us on hold to coordinate events to line up with His Will.

Pray Fervently

When we're waiting on God, it may seem like our prayers are going unanswered. That's why it's important that when you're waiting on God, you pray fervently. Also, make sure your prayer is to the glory of God. One of the most important questions we face in prayer is whether our appeal is for our own selfish interest, pride or attainment, or whether it is really to the glory of God? Answers to prayer are supposed to honor God and bring glory to Him. This is one of the main reasons we offer prayer in the name of Christ. Jesus assured His disciples that if they remained in Him and His words remained in them, whatever they asked would be given to them. Prayer that is offered in the name of Christ and to the glory of Christ is prayer that God can answer.

Remember God May Be Answering a Bigger Prayer

Our God is a merciful God. Sometimes we forget this when we're waiting on God. We get so caught up in the pain we're experiencing, the people we've lost and the things we don't have. We start focusing on all the ways that God hasn't measured up to our standards and find ourselves disappointed time and time again. Instead of focusing on the blessings we've been given, we focus on what God hasn't done for us. This is human, but it doesn't mean it's right. It also doesn't mean that God has abandoned us. It means that what He wants for us is in His time. Not ours. And sometimes God's plans

are bigger than our own. You might pray for love to come into your life at a certain time, but if it had, God wouldn't have been able to make you more strong and independent. If things had fallen into place at the college you prayed for, you may not have attended the school that shaped so many of your future friendships and dreams. Just because God isn't granting the prayers in the way we want Him to doesn't mean He doesn't love us.

Find Spiritual Strength

Waiting on God helps strengthen us spiritually. By the mere term "spiritual strengthening" two things might be suggested to us. We might think of spiritual as distinguished from physical strengthening. We also might think of strengthening by the Spirit as distinguished from some earthly force. Sometimes the Lord has to work to accomplish in us before we are ready to handle what He's planned for our future. If we instantly received His direction, we would rarely have the opportunity to exercise our faith. Christian maturity becomes evident in the ability to wait in peaceful confidence. We'll know exactly what to do when we trust in His timing.

Be Patient

Sometimes God makes you wait because he is building patience in your life. Waiting on God means patiently looking to Him for what we need. David recognized why we had to wait on the Lord. First, His salvation came from Him (Psalm 62:1). He learned that no one else could deliver Him. His only hope was in God for God alone hears prayers. Our prayers often revolve around asking God to hurry up and bless what we want done or want to do. But what if God's answer to us is simply, "Be patient. Wait upon me"? We can pray with David: "Listen to my voice in the morning, Lord. Each morning I bring my requests to you and wait expectantly" (Psalm 5:3). We can trust His response, even if it doesn't come in the time we expect.

Trust His Will

It would be so helpful to know God's Will for our lives but we don't have the answers. That's why it's important to trust the direction God may be taking you in when you're lead by the Spirit. John 15:7 says, "If you abide in Me, and My words abide in you, ask whatever you wish and it will be done for you." So that means if we tell God what we want, He will give it to us, right? Well, not exactly. If you're wondering why things aren't going according to your plans, here's the short of it. We aren't aware of God's Will. It's important that we pay attention to the word abiding in this verse which means "to live in, dwell in and remain in." When you have an intimate

relationship with God, you begin to know His heart and have a clearer sense of the things you should pray for and what His Will truly is for you.

Depend on Him

Another reason God may be making you wait is because he is building your dependence on Him. When we are in an unhealthy condition either physically or emotionally, we tend to lack patience when it comes to our circumstances. We also begin to look for thrills in life. In our physical life, it leads to obsessions and to destruction; and in our spiritual life, if we insist on pursuing only thrills, on mounting up "with wings like eagles" (Isaiah 40:31), it will result in the destruction of us spiritually. Having the reality of God's presence is not dependent on our determinations to keep the Lord before us continually. Our problems arise when we refuse to place our trust in the reality of His presence.

Allow Your Character to Be Transformed

Maybe God is making you wait because He is transforming our character. Waiting builds and transforms our character. Moses became a great leader in his time and God worked through him to bring about many miracles for the children of Israel. Of course he had to go through a long period of processing in the desert for 40 years before God came to him. We know that when he was a young man, he was brash and impatient. Yet, when he was given a second chance, he opted to do it God's way and in God's time. Waiting has a way of humbling us and to rub off the tough edges of our lives so that the true Christ like character is revealed in us.

If impatience tempts you to jump ahead of the Lord's timing, you risk stepping outside of His Will and missing His blessings. But by waiting until He gives clear direction, you will walk in His peace and certainty, instead of stumbling around in anxiety and confusion.

Shevat 5: 5780, (Friday) January 31, 2020

Most people I talk to have gone through a very trying January and did not feel like they could take any more attacks. The fire is where we learn to rely on and trust in the LORD. No one said it would be easy. He simply said "Follow Me"! Chaplain Wade Butler

How to Walk in Deeper Trust" Lanny Swaim, Winnabow, NC.

"Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths."
(Proverbs 3:5-6)

"Though He slay me, yet will I trust in Him..." (Job 13:15)

There is a trust that goes deeper than exercising faith for specific things. It is a trust that cannot be shaken, even when the circumstances of our lives seem to go against the promises found in the Word of God. It is a trust that remains intact even when things we have prayed for, confessed and exercised faith for seem to remain elusive, stubbornly refusing to manifest in our lives.

So how can a Believer know if he/she possesses this deeper trust? Only when it is tested.

I am convinced that until we can say with Job, "Though He slays me, yet will I trust in Him," and really know the weight of it in our circumstances, we don't fully trust Him. And how can any of us make such a statement until we have been faced with the reality of it? In other words, until you have been there, faced with the possibility of never receiving the manifestation of what you are believing/praying/confessing, making such a statement is just an assumption and not something you know beyond any doubt.

Today, there is a remnant of Believers, chosen by God to be on the cutting edge of where He is taking the Church and the world, who must experientially know this deeper trust. God is requiring it of them, because it is only in possessing this deeper trust that they can be trusted with and walk in a much greater authority.

You can't have one without the other. If we are to truly reign with Christ, as the kingdoms (nations) of the world become the Kingdom of our Lord and His Christ (see Revelation 11:15), He has to be able to trust us with His authority, and we can only be trusted with the responsibility of walking in that authority when we have completely laid down our lives, becoming immersed in His life to the point that – not just positionally, but experientially – it is no longer "I that live, but Christ that lives within me" (see Galatians 2:20).

The Temptation

"But every man is tempted, when he is drawn away of his own lust, and enticed." (James 1:14)

In our modern way of thinking, lust has become a sexual word, but it relates to many temptations. Lust is birthed from pressure. When we are faced with adverse

circumstances in our lives, those circumstances can put pressure on us, resulting in various outcomes. We may be tempted to worry (a product of fear) which can lead to anxiety and stress. But on the other hand, we may also feel pressured to try and eliminate the adversity by applying faith principles we have learned. Either way, we are being pressured, or if we are not on our guard, lust can result from this, which will draw us away from the Lord, causing us to focus on the problem rather than the solution.

What Is the Solution?

The solution is a trust that goes so deep that it cannot be shaken, even if the desired outcome never manifests. That kind of trust only comes from complete surrender. Just giving lip service to surrender is not really surrendering.

Actually, if our desired outcome is to just eliminate the problem, we haven't completely surrendered. We must completely lay down our lives in order to receive them back again. But completely laying down our lives means that we may never receive them back again. And, yet, if we can come to that point, we will receive it back again, only it will not be our lives, but the Lord living His life in and through us.

"He that findeth his life shall lose it: and he that loseth his life for My sake shall find it." (Matthew 10:39)

Here are two examples from my own experience:

Several years ago, I was working away from home and staying with my mother in High Point, NC. I awoke one morning having chest pains. I have dealt with muscle pain for many years from too much physical labor, but I knew by the way it felt, and by the Spirit, that this was not muscle pain. I was having heart issues, and as you know, heart issues are usually serious.

I sat up on the side of the bed and did what I normally do when faced with physical problems. I took authority over my body and over the issue in the name of Jesus, telling my heart and bodily functions to get in line with the Word of God and be healed according to Isaiah 53:5 and 1 Peter 2:24.

I should point out that I didn't do this because I was under pressure to do so. I simply did it because, as a citizen of the Kingdom of God and as a Believer in the Word of God, I have a right and maybe even an obligation to do so.

I then told the Lord, "I have watched my mother and my brother go through heart issues, going to doctors and getting on medications with all kinds of side effects, and I'm not going to do that. I don't have the time or the money (*at that time I had no health insurance*). So, either heal me or kill me, right here, right now."

And I meant it. I had done all I could do to come against this issue, without turning to doctors and medication, and I really didn't care if I lived or died.

Now, I also should point out that I am not opposed to doctors or medicine, and I have used both at times. But this morning I simply chose a better way. And perhaps I should add that this choice was made easy because the gift of faith had manifested in my spirit and soul and, in a sense, took over in the situation.

Now think about it. If I had died that morning, I had nothing to lose and everything to gain. In fact, I no longer view my life as ever ending. I already live in eternity, and physical death would simply free me from the confines of the physical realm.

But, if my job is not finished, and if I am needed here in the physical realm, I don't want to go before my time. Still, by taking the stand I took that day, what I actually did was put the outcome entirely on God. My future was in His hands; it was up to Him. And I literally didn't care what the outcome might be.

I sat there about fifteen minutes until the pain eased off. I got up, got dressed, ate breakfast, and went to work. About 10:00 that morning I got a call from a friend of mine near home. He asked me what was going on with me and said that the Spirit had kept him praying for me all morning.

I had actually forgotten the entire episode that morning and told my friend that I didn't know what he was praying about but that I appreciated the prayer and to continue as long as the Spirit led him to do so. As soon as we got off the phone, I remembered. So that evening I called my friend and told him what he had been praying about, thanking him again.

That was several years ago, and I've had no more heart issues.

A few weeks later while staying with my mother, I had another issue, which I will not go into the details of here. But I will say that this issue was much more visible than the heart issue, leaving no doubt that something serious and life threatening was going on with my body.

I responded to this issue the same way I did to the heart issue, but this time the symptoms lasted for three days. Had the symptoms persisted, I probably wouldn't be writing this article now. But they didn't, and I have had no symptoms since.

The Faith of Jesus Christ

"I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave Himself for me." (Galatians 2:20)

When we completely lay down our lives, not caring what the outcome is, then we make room for Christ to be fully formed in us (see Galatians 4:19). As that occurs, then it is no longer our faith that accomplishes the promises of God in our lives, rather, it is His faith. As He lives His life in and through us, His faith keeps us on the journey into all truth and ultimately to our destinies.

As I walk more and more in this reality, I find that I no longer ask for much. It's not that I never ask, or that I don't speak the Word over the circumstances and situations of my life; rather, I realize that the outcome is dependent on His faith instead of on my faith. And however He chooses to manifest His promises in my life is okay with me.

Regardless of the outcome of the circumstances of my life, I am victorious because I completely trust in Him. In other words, the outcome of my circumstances doesn't determine whether or not I win. My trust in Him and Him alone determines that.

Saints of the remnant, we are being prepared and positioned to fulfill our destinies in the Kingdom of God, and while that process sometimes appears to be anything but success, we know that He will not fail, and our future is in His success and not our own.

Surely we were born for such a time as this! Amen.

Cindy Jacobs Prophecies Comfort to the Stressed

Recently, as I've talked to many people, I have seen that the stress levels seem to be off the charts right now.

And the Lord says, "I don't want you to get distressed in the time of stress, for there is pressure internally, and there's pressure externally. As you look to Me, understand I am your peace in the middle of the storm. I am the One that takes the pressure off of you because, if you come to Me, I'm going to start taking those levels of stress off you. Come unto Me, all you who are heavy laden and burdened."

The Lord says, "I don't want you to feel the burden; I don't want you to get into distress. I see every pain in your body, and I want to take it. I see the stress of your mind, the bombardment in your emotions. I want to give you peace in the midst of your brain-storm."

I see a storm of people's minds that are just swirling, swirling, swirling. Sometimes you have been in that condition so long; you just end up living with the swirl. But the Lord says, "I want to heal you. I want to heal your mind; I want to heal your emotions. I'm going to take the distress off of you, and I'm going to put peace on you."

I want to pray for you right now. Father, I just pray for peace. Lord, You promised us that you'd give us peace that passes understanding. And Lord, so many times, our understanding is overwhelming our peace. So, Father, I thank You for comfort; I thank You for peace; I thank You that we're going to be able to get centered on the Lord and who He is. And I thank You that You're going to take away the distress and bring us peace.

"From Breakthrough to Breathtaking"

Joe Joe Dawson, Texarkana, Texas

As I was praying recently, the Lord spoke to me and said, "I want to take people from breakthrough to breathtaking."

If you could understand what God is trying to do and what the end result will look like, you would keep going. If you could truly see even just a glimpse of what God has in store for you, you would not give up.

When your breakthrough happens, God does not want to just leave you there. God wants to take you from your breakthrough and into something truly breathtaking. When the favor of God rests upon you, it will be breathtaking what God will do in and through your life.

"The Good Fight of Faith"

I believe this is a season where many people are in a time of laboring. Many feel like this season of hard work and crying out to God will never end. But I want to encourage you; breakthrough is going to come to you. *It is inevitable*. However, as you wait, you must remember that you are not laboring in vain. Those that do not give up will reap a breathtaking harvest. As you endure through the hard

seasons, you will receive breakthrough and move into the breathtaking purpose God has for you.

Opposition will come to oppose your breakthrough but you must stay in the fight. Do not back up or give in. Don't give the enemy even an inch. Remember you are fighting for the breakthrough and the breathtaking. God will fight for you as long as you do not give up.

There is a reason that the Apostle Paul called "the good fight of faith." When you have a prophetic word or promise from God, you have a powerful weapon to fight the enemy.

If God says you can have something, you can have it. Fight for your breakthrough.

In this season, when your breakthrough comes it will not be like a small trickle of water. It will be like a dam busting open!

Some people cannot step into a breakthrough because of a limited mindset. Our mindsets are shifted when we enlarge our faith and believe what God has promised us. Then breakthrough is released. As the breakthrough is released, our faith grows, our endurance is strengthened and we are able to step into the breathtaking things of the Lord.

Expect your breakthrough! Expect for the breathtaking to follow the breakthrough.

Quill Scribes: New Prophetic Bird! Arise Fiery Falcons! Denise Sylvia Bekker

The Falcons are coming! They shall fly as 'wing mates' alongside The Royal Eagles. Aerial Warfare formations, behold. "The Rightwing and Rear seer watchers". This is the Era of amplified situation awareness. New strategies of Kingdom combat tactics.

Yahweh has formed a coalition, a Holy Company of Acute Seers. His Eagles shall lead, as Falcons remain close as 'kinsmen' to the Eagles. They warn of threats, as well as what is behind. Boaz is coming! He is Swift. Swift Angels have been assigned, now the Swift Falcon Seers have been released!

The fastest bird on the earth is the Peregrine Falcon. The Lord has shown me that He has released and ordained His Most Swift Seers. Aligned and assigned to His Eagles. Job 28:5-7 The path no bird of prey knows, Nor has the falcon's eye caught sight of it. It is hidden from the eyes of every living thing. Even the sharp eyed birds in the sky cannot discover it.

Job was speaking of God's Infinite Wisdom concluding that The Fear of the Lord is true wisdom. New Covenant 'sharp-eyed seers' are The Company of Seer Eagles. Significantly Job set apart 'the falcon's eye' from every other bird of prey. The wisdom of The Falcon's Eye is found in what this prophetic bird represents.

The swiftest bird of all..the Peregrine Falcon! Falco derived from flax - Latin word for Sickle! Characterized by its long pointed wings, its silhouette overshadows the land prophetically. Prophetic Wingmen to The Eagles, they carry a Harvest Mantle. Mark 4:29 But when the crop permits, he immediately puts in the sickle, because the harvest has come.

Boaz is The Lord of The Field. The final Great Harvest is now, His Sickle is about to reap multitudes, Fields of Nations!

Peregrine - Latin meaning traveler, foreign, engaged in pilgrim.

New Covenant Falcons, prophetic seers, swift on the Wings of The Spirit. The fastest in the animal kingdom, now the swiftest in Spirit to The Glory of the Father. The fastest in 'vision speed' in the animal kingdom, now New Era Prophetic Bird of 2020. Swift Seers, like The Royal Eagles they search out pathways, penetrate darkness and reveal hidden treasures Eagles and Falcons spiritually adapt to the prophetic climate enabling them to discern accurately. They manifest in a Holy unison, this is a New Movement of Prophetic Seers.

The Fire Falcons are sharp-eyed and their speed of wisdom allows them to combat foul 'birds of the air.' With clenched talons they deliver a knockout blow upon the enemy rendering them powerless. An interesting note is that in WW2 they were used as interceptors! Now swift on the wing, these wingmen accompany Eagles; Yahweh is positioning and activating His Marksmen of Mighty Interceptors. Behold His Flight Squadrons! Aerial combat companies manifesting in conjunction with the celestial realm, The Holy Swift Angels.

Prophetic Eagles - Royal Seers. Prophetic Falcons - Noble and Courageous. Double Mantles of Elijah and Elisha. Greater vision, double portion and deeper dimensions!

The Company of Falcons carries His Name upon their wings. Boaz! For His name is Swiftmess and BO -In Him / AZ - Strength! They are Kingdom establishes, Seers and Warfare warriors. Their strength is in The Word and The Spirit! Swiftmess in His Strength! Arise Falcons!

"How Jesus Is Healing Hearts in the Father's Garden"
Wendy Alec, London, UK

The Vision

In a vision, I saw a panoramic vista of literally thousands of men and women who had walked through the wilderness, the furnace, and deep waters. They were covered with something that looked like a massive net, similar to what a fishing trawler would use to catch fish. Many of them were struggling to break free but were oblivious to the net – not even knowing it was there.

I said to the Father, "Father, what is this net that is so hindering their freedom?" He answered, "My child, multitudes of these men and women have, in this past season, walked through so much Hell that in order to survive the pain and the trauma they experienced, many went into self-protection mode; many fell into trauma. And because of the seeming unrelenting pain, many people turned to that which became addictions in their lives, when the pain became TOO GREAT for them to handle."

"And they became overwhelmed," I said quietly.

The Lord replied, "Yes...you well know the depths that trauma and pain can take you."

I was quiet then; I knew well what He spoke of, for I, myself, had experienced so much prayer and deliverance, but at the darkest times pain would still trigger a desperate need for comfort that I knew only too well.

The Lord said, "You KNOW I am your comforter."

I replied, "Yes, Daddy. But when the excruciating trauma hits from an unexpected source I still get blindsided." I then cast my mind back to how many times I have cried out, in total desperation to the Lord, saying, "Father...NO MORE PAIN."

Mantles of Pain, Loss and Trauma

As I watched this panorama of countless warriors who had been through the fire, I saw that they were dressed in depressing gray mantles, and on these mantles was written clearly: "PAIN, LOSS, TRAUMA."

For many of these people, the pain had driven them to their knees, while others were fighting through to the best of their abilities but were losing strength. Still others were in so much agony of heart that they were desperately clutching for anything – literally ANYTHING – that would ease the pain in their hearts, for it was unbearable.

They clutched at meds that would soothe them; they clutched at love and relationships that would physically dull the pain. And I saw the word, "ADDICTION."

What Is This Net?

I then said to the Father, "But Abba, WHAT is this net that they are trying to claw their way out of that is wrapping themselves around them like a vice?"

The Father answered with SUCH grief in His voice, "It is the NET of UNRIGHTEOUS JUDGMENTS, the net of the Pharisees' and Sadducees' judgments, AND IT IS NOT OF ME!"

I could hear the grief in the almighty roar of the Lion. He said, "These people who have judged My sons and daughters have NEVER walked in the paths that this remnant has walked in, for these men and women that you see have, in this past season, been so marked by the enemy that they walk in pain, loss and bereavement unimaginable. The net that you see is the net of misrepresented judgments, of incorrectly weighted judgments, of religious judgments that say, 'Why are you not walking as I am? I have no need for crutches. Look, I AM STRONG.'

Then I could hear the Father's roar rise up again, and I could see the Lord Jesus rocking some of those still living with trauma so gently and stroking their heads.

The Father said, "Some of those men and women that you see here are My greatest warriors, and are called to do My greatest exploits in the end times. And yet, many have judged them, for they have not walked in

their shoes; they have not walked their path. The more they have experienced condemnation, the more the Pharisees and Sadducees have placed their spotlight on their flaws, the greater the condemnation they grapple with."

"Freedom"

I could see slime coming from the judgmental words; slime that covered the warriors who were at last trying to stand. Then the Father came in the form of the Lion of Judah and He roared. As He roared, He pulled off the oppressive net with one mighty movement! He blew the false judgments off the men and women, and many of the gray mantles turned into the most incredible iridescent colors. Then a great rushing wind came called "FREEDOM," and another that said, "Keep going...you are on the right track."

I could see the winding road to the Father's castle, and He said, "Not long now...not long now." And written above us were the words "Restoration," "Recompense," "Reparation," "Joy," "Hope," and "Goodness in the land of the living."

Then the entire scene changed and I knew that we had been transported to the Father's garden.

The Father's Garden

Now these weary ones were lying in the most beautiful soft grass that shimmered like emeralds. They lay basking under the soft shade and cool of the magnificent trees that bowed their branches as if to protect them. Then I saw the Lord Jesus start to wash their feet – oh so lovingly, oh so tenderly – washing away the dust and grime of the long, arduous road on which they had traveled. Ministering angels in multitudes appeared in the garden and so lovingly bound up the cuts and bruises on their feet.

Then I saw the most beautiful thing...the angels began to bind up the broken hearts. As each angel laid their hand on a man or woman's chest, I gasped in shock, for, literally, as their hearts were exposed, gaping, unhealed wounds could be seen. I saw many who had spears piercing right through their bleeding hearts. It was like a hospital scene on a battlefield after the ravages of war.

Then the King of Glory, JESUS Himself, walked in luminescent splendor among the wounded, stopping to draw out every spear. He would stroke their heads and whisper His living words of overwhelming love, life and comfort. Then I heard Him

saying "THANK YOU" to all who had gone through the most ferocious of battles and yet still loved Him, even though they were clinging by just a thread.

I realized that, while to others these men and women seemed so weak, to JESUS, they were His heroes, the recipients of the VICTOR'S CROWN. Then He stood majestic – oh so beautiful – and beyond description. He said, "I came to bind up the broken hearted, to set at liberty those who are bruised; to set free the captive, to deliver those in trauma, for they have paid a terrible price at the hands of the enemy of their souls, but they have passed the test."

I watched as the ministering angels poured a thick, healing balm, anointing their heads with oil. Jesus was triumphant. He spoke again, "Before they are released into the call sovereignly ordained for them by My Father before their conception, I decree REST, REST, REST for their souls."

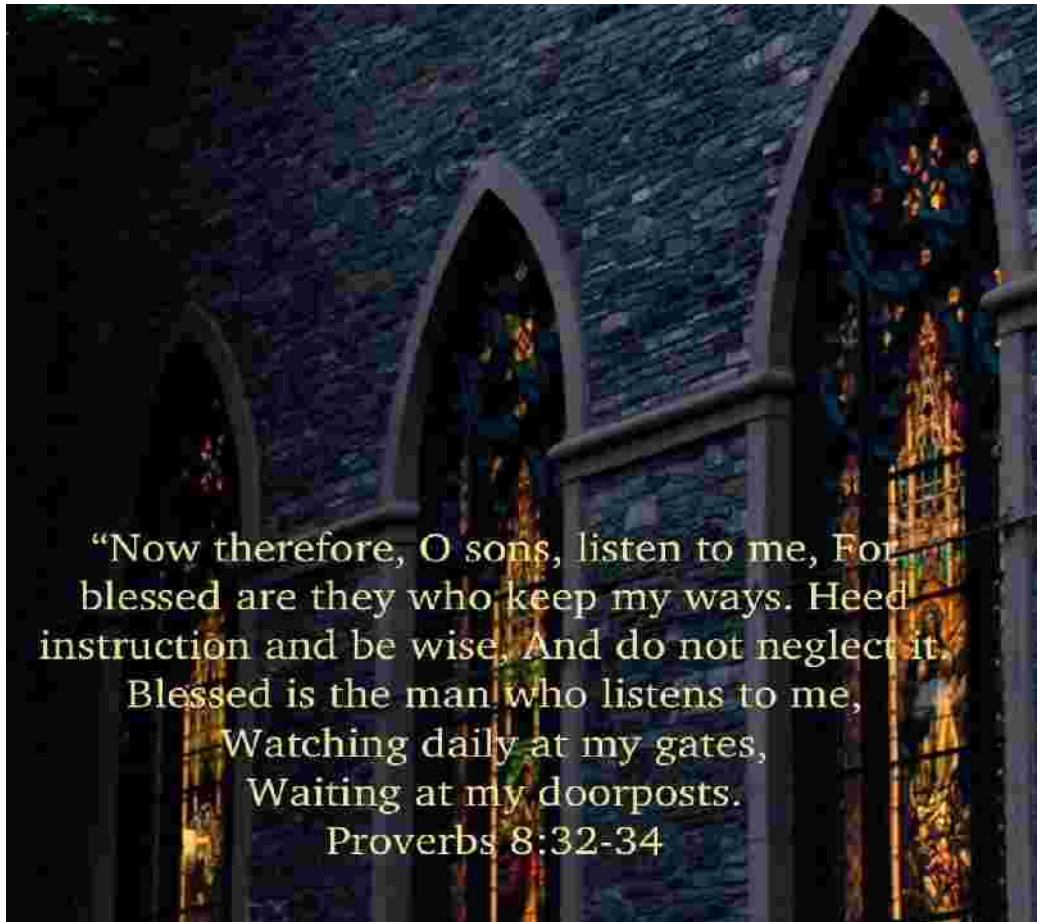

And I watched as more and more entered the Father's garden like a never ending throng, and the crying and muffled sobs were being replaced by laughter and tears of joy.

"ACPE (Apostolic Council of Prophetic Elders) Word of the Lord for 2020"
Cindy Jacobs, Red Oak, TX

Joyful Increase

2019 was the year for joyful increase. And many people told me they believed for that, and they did see an increase financially or an increase of blessing or a new job or a new house. We know, perhaps, it wasn't that way for everyone, but in general, we are still in that season of increase. The prophetic words continue to say the increase is coming, and it will be wonderful.

New Era

2020 is significant in that it is literally a new era. One of the words God has given is that we're going to *grow into our own skin*. What do I mean by that? We're going to grow into the purpose of God that He has for us. It's time to intentionally ask, "What is my purpose? Where am I going in life and how do I achieve that? And how do I do come into conversion (a place where our full gifts, our full abilities are used)?" It's a very exciting season.

Of course, it will be a challenging season as well. Any time you're going to a new level (we used to say, "New levels, new devils") there will be some resistance. Think about the Israelites and how there was resistance and giants that met them when they went into the Promised Land. If you've heard me speak very much, you know what I say: "If you're going into your Promised Land (your purpose, your destiny, what God has for you) and you're not having any push back (there are no giants in the land), then you're not going in the right direction."

There will be Jerichos to take, so there will be battles, but it's going to be exciting. When you're going the way the Lord has for you, there is that surety inside of you most of the time saying, "Wow, this is what I am made for. I'm just created to do this." And I believe that for you.

All of you who are listening to this, we want to give you hope for your future. Maybe you've gone through terrible times of loss or terrible times when you feel like you've had setbacks, but I want to say to you, *believe God*. Believe God that He does have something wonderful for you, no matter how many things have happened to you or how much loss you've experienced.

I think many of us in the past few years have lost family members; there are things that have happened to us that we didn't want to happen. Sometimes it can make us feel out of control. But this is a year where we are literally starting not only a new decade, but a new era.

Year of the Voice

This year, in the Hebrew calendar, is 5780. There's symbolism in this to help us understand what the Holy Spirit is saying. It's not only a new era, but it is a year of the voice. Now, what do we want to say about the year of the voice? 2 Chronicles 20:20 says:

"So they rose early in the morning and went out into the Wilderness of Tekoa; and as they went out, Jehoshaphat stood and said, 'Hear me, O Judah and you inhabitants of Jerusalem: Believe in the Lord your God, and you shall be established; believe His prophets, and you shall prosper.'"

Then it goes on to talk about something that is very critical for this season. It says:

"And when he had consulted with the people, he appointed those who should sing to the Lord, and who should praise the beauty of holiness, as they went out before the army and were saying: 'Praise the Lord, for His mercy endures forever.'" (2 Chronicles 20:21, NKJV)

So we say that this is a season where we're going to have to go to war if we're going to get into our Promised Land. Let's look at the biblical symbolism of taking your Promised Land. When the children of Israel crossed the Jordan, there were all kinds of tests and things they had to do. They didn't just stand in the Promised

Land and say, "Well, here I am!" and all the giants ran away and all the problems ran away. No, they had to fight for it.

This is a season where we're going to have to go to war to come into our reset and our blessings and our purpose. But don't let that make you afraid. Just learn how to go to war; it's very important. This is why, at Generals International, we teach on spiritual warfare. And we tell people how to navigate in prayer and [deal with] the powers of darkness coming against them. We need to go back and re-teach those things that we taught many years ago, because one of the things that my generation should do is teach the next generation what we know, because my generation knew how to go to war.

We need to understand that there are nations that need Jesus Christ. There's going to be a battle happening over this. There are people that need to be saved. There's going to be a battle for the souls of those people. It's time to establish war rooms once again. It's time to learn to war, and, in the passage mentioned above, we see one of the principles of warfare is worship.

We know in this 2020 season and from 2 Chronicles 20:20-21 that there is a connection. The prophets prophesied, and the people who believed the prophets prospered. And what did the prophets say to do that would bring this blessing? *It was worshipping the Lord* – an intense worship of the Lord and intentional worship of the Lord.

Coming Into Fullness

Another thing that we heard as we were meeting together is that this was the 20th year of the Apostolic Council of Prophetic Elders. We first began meeting in 1999, and in the 20th anniversary (which was at the end of 2019), the prophetic movement in the year 2020 is coming into fullness. Many are learning to prophesy around the world and learning how to cooperate with the Holy Spirit. They're learning when God is speaking to them and how to hear the voice of God. We especially see this in evangelism. It is so exciting.

Now, I do want to say, I know we are not the only prophets; there are many groups of prophets. But our particular group, that's met so long, felt we should give a cautionary word that we need to, once again, issue guidelines on prophesying – like not telling people who to marry, when to make a move and things like this, or saying, "Thus saith the Lord" as you're just beginning. We need to be teaching these things again.

My book, *The Voice of God*, is a good place for you to begin if you're just learning this. Many leaders, like Christian International leader, Bishop Bill Hamon, and many, many others have written books on the prophetic.

We also saw that the prophetic is going to rise up in many spheres of authority. There are going to be marketplace prophets. We were talking to one the other day, and he was telling us that when he's with a group of business people, he gets very detailed words. Some other people call it an "Issachar prophet," who knows the signs of the time. Chuck Pierce, I think, is certainly one of those, and there are others, as well, who are those kinds of prophets.

So look for some of these guidelines to come out and for more fleshing out of these [different] kinds of prophetic types. We know there are psalmists that will just sing the word of the Lord. It will be exactly what needs to be heard.

Another thing we heard in this year of the voice was that we need to let the Spirit's voice be heard around the world and be established. Here are some ways:

1. A voice of warning. Watchmen sounding the alarm. If you are feeling something coming that is dangerous to your nation or if you had a dream, many times that's God telling you to pray about that thing.
2. Another thing is being a voice of righteousness.
3. Increase in guidance given through the prophets to world leaders. There are governmental prophets rising up and it's very exciting. This is a really common occurrence for me to speak to world leaders, to give them prophetic counsel or to prophesy to them. That's one of the jobs of the prophet.
5. Another way the voice will be heard is through decrees and proclamations.
6. Another way is making wise choices in what we preach.

I saw a vision of the word "watch," and the Lord told me that He was going to confirm that we were going to have more intercessors. They're going to have more war rooms, and we'll be able to watch and be watchmen. At our Global Prophet Summit, the Lord actually gave us a sign of this.

The first night, a woman who was legally blind was completely healed and she was able to see. I always like to test this out for myself. She stood about 10 feet away, and she was legally blind; she couldn't see. I held up fingers and I moved further and further back, and she could still see the number of fingers I was

holding up. I really felt that was one confirmation, at least, of what God is going to do this year in the miracles that we see as we watch over the nations.

Words Concerning Nations

This is a time of very strong violence in the heavens. As we look at nations, we see there's violence in weather; there's violence in the earth – earthquakes (there was just an earthquake in Bogotá), volcanoes erupting, weather-related patterns, fires breaking out. Whether or not these things are natural, they do cause disturbance in people's lives.

In the next few years, we see that in the U.S. and other countries, there will be more and more clashes. There are going to be clashes that rise up again, and we need to pray about this. In fact, if we pray about them, we can quell them, and it doesn't necessarily have to happen. But I see people becoming very heated with one another.

I want to just say, from the Holy Spirit, that regardless of how you feel politically, there needs to be civility. The Holy Spirit can help us discuss issues; even disagree, without getting mad, without getting angry over it, or without using derogatory speech. I think that we can be Christ like in how we're sharing. We are in a Jesus People movement, and the love of the lost is breaking out in ways beyond what we can imagine.

This is the word the Lord gave me. Brexit will come to an exit, and the UK will not go back. After it happens, there'll be a season where, seemingly, the UK has to readjust economically. But depending on what they do with Israel – if the United Kingdom aligns with Israel, which will be historic, of course – we will see a tremendous blessing come upon them and even economic blessing in the middle of all this Brexit – and the same for the EU.

I see there's going to be some more fragmentation coming; the Apostolic Council of Prophetic Elders prophesied that this would happen before the Brexit vote, and it did happen. There's going to be some more fragmentation coming but the Holy Spirit wants to move in the EU. I want to encourage the Christians that are in government in the EU not to feel like this is against what you're trying to do, but that God is going to give you the move you have been praying for. I believe we're already seeing signs of that behind the scenes.

It's very interesting, as we look around the world, how many nations are having godly governments rise up in connection with Israel. I also want to say, prophetically, God is giving more and more of His people a love for the Middle East and the Middle Eastern people – people that are in the Muslim world, both Arabic and non-Arabic speaking, Egyptians and so forth. God is going to move and we're going to see millions come to the Lord – I mean, just millions.

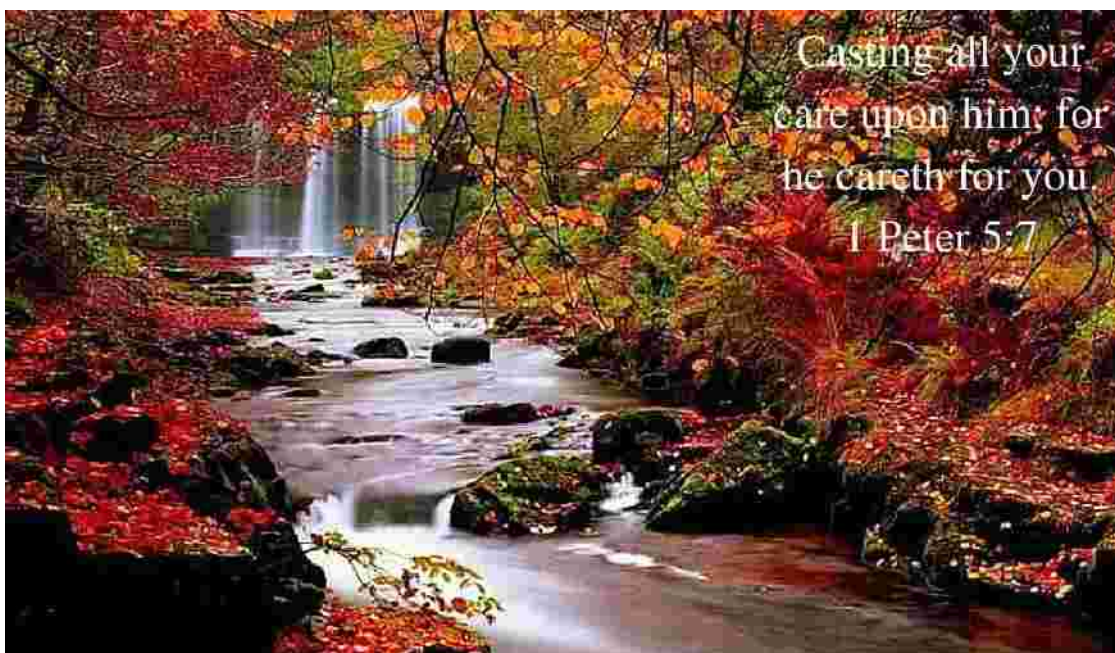

I'm sure many are saying this, but with Reinhard Bonnke recently going to be with the Lord, many mantles have fallen. There's going to be an increase of evangelism in a great way, greater than we can imagine, greater than we can dream.

Another thing the Lord showed us is that; of course, miracles are going to keep playing a greater and greater part. Even like when we saw our legally blind lady healed at the Global Prophetic Summit, there will be other miracles that happen as well.

Let me explain briefly. We met in 3 different groups: ACPE (our small group that has met since 1999), the Global Consultation (a larger by-invitation group), and then the Global Summit (which is an open group). These move through a model from Psalm 133 (the priests coming together in unity) to John 17 (the whole Body of Christ coming together).

During the Global Prophetic Consultation (GPC), as we were praying with the prophets from 42 nations, we felt like there was almost a roar; we heard this sound of many waters, like at Iguazu Falls in Argentina, or a place where the power of the waters are coming together strong. We are going to hear it in worship. We are going to hear it in more and more agreement as many prophetic streams come together. Great authority to make decrees is coming, and governments will change as a result of these decrees.

I also received an exhortation that the Lord has given to me really strongly: Do not simply prophesy the problems from the Earth, but if God gives you these warnings, see Heaven's solutions. In other words, prophesy from the throne of God. We are seated with Him in heavenly places. Prophesy God's solutions – what He wants to do and His heavenly perspective.

Year of Reset and Restitution

And finally, for now, it is a year of reset. This is the day when we will be anointed for reset. This reset will bring a breakthrough for relations, for families, and for the nations. God is going to turn impossible situations around. That's an exciting word for 2020, isn't it?

Now, there's something else connected with this reset. This reset is also going to bring restitution. Many people don't understand this word, but let's talk about this prophetically. Restitution was part of the Old Testament law. These were laws of recompense for people that were robbed. They included recompense for the loss of animals, bride price, money taken through defrauding the poor, and so forth.

This was also seen with Zacchaeus. You may remember Zacchaeus in Luke 19 when Jesus said, "...Zacchaeus, come down! I must stay at your house today." This appalled the Pharisees that Jesus would stay with such a sinner. But it so touched Zacchaeus' heart that he says to the Lord, "...Lord, half of my possessions I now give to the poor, and if I have cheated anyone of anything, I am paying back four times as much!"

In other words, God, through this word of the Lord to Zacchaeus, so moved upon Zacchaeus who had been such a sinner, such a thief, such a cheat and robber. He was the chief of the tax collectors and very rich. Just through Jesus reaching out to him, it convicted him, and he decided he wasn't going to just give some money

to the poor, he was going to give half of his possessions. And any way he had cheated people, he was going to restore more than he had taken.

So we see that God wants to re-establish what satan has robbed from you. I love this word. When God spoke this to me and to other prophets as well, I began to believe for restitution. We're now seeing restitution of relationships. I'm seeing some things happen in situations that were not of my will – different relationships that got broken, even in ministry. I didn't know what to do about it. I prayed and I forgave. Someone had spoken against me. But you know what? God is doing it, and He's doing it in such a way that it's just beautiful to see.

Now, let's believe for this, that God is going to give you restoration. Let's believe God will give you restitution. Why don't you make a list? Make a restitution list, a restoration list, and say, "Okay, this year I want my life in this new era to have a reset. I want my life in this new era to be changed." And you know what? God can do that for you. The Bible says in John 10:10 that the thief comes to steal and destroy, but Jesus came so that we may have life and may have it more abundantly. Are you living an abundant life?

You know, Mike and I had such a year of joyful increase, but we took that word seriously. In fact, Mike and I always do this. We sow into the Word; we give offerings. The Bible says that ministers are worthy of double honor, so we personally believed; we started giving cash offerings to different people we knew and we began to sow and sow. We cast our bread upon the waters and God just brought it back on every wave. It's amazing. I had spent some money and we were at a point where we needed a blessing to come; then the other night, I found some money I didn't even know I had. God is just wonderful to us.

We were talking about going into the Promised Land earlier in this message. This was a reset for the children of God; it was an alignment coming into their destiny as a people. When we heard this word, Mike and I knew we needed to reset. There were things that we owned that were broken and we were not able to get fixed.

Four years ago, I had an accident in my car (it is such a cute little car), and I said, "Lord, this is a year of reset for this car." We took it in and we got it fixed for way cheaper than they said. I am driving it now; we were able to work out the problems. And you know what? We had a reset. I mean, it is a little thing but, to me, it was something that was fun. It was something I really loved. So from four years ago I had a reset, and God wants to do that for your life.

Principles for Resetting and Restitution

I wrote some principles down to understand about resetting and restitution:

- Satan is the thief.

Don't be mad at God. Satan is a thief, and we have to understand that we need to rise up and say to him, "No, you cannot have my family. You cannot touch my finances. You cannot have these circumstances that are coming."

Imagine if you are in a relationship with someone and you have blessed them so much, and they're just mad at you because bad things happen. Well, you didn't cause those bad things to happen. It was someone else, maybe a thief or something. How foolish is that? This is what the Lord is trying to say to us: "Look, it is satan that is robbing you. I've come to give you life and life more abundantly."

- Jesus came to give us an abundant life.
- It's not automatic.
- We need to claim the provision.
- People do not despise a thief if he steals to satisfy himself when he's starving. Yet, when he's found, he must restore sevenfold. He may have to give up all the substance of his house. This is in Proverbs 6:30-31.

I want you to learn to be a fighter this year. Don't let satan run over you like a smooth road. Decree and declare: "This is my reset year. This is my year of restitution. This is my year of restoration. This is a year when I'm going to see a blessing come to my life."

You're going to have to fight for it, and you need to be right with God. Make sure that you're aligned with the Lord. Make sure you've forgiven anybody you need to forgive. If hurtful things happened to you last year, leave those things behind in forgiveness, okay? It works. Forgive. It'll make you feel so good to forgive. And those people that you haven't forgiven, usually they don't care if you're upset with them, for the most part.

Decide: "This is a year of complete realignment. I'm going to grow into my skin. I'm going to come into the purpose and destiny of God. I'm going to have restoration and restitution."

God bless you, and I want to wish you a happy 2020. I want you to use this word all year long. Let God anoint your voice. Watch and be a watchman. Learn to go

to war, and God is going to release a blessing to you. If satan robs from you, like the Scripture I've just read (Proverbs 6:30-31), tell satan, "You're going to have to give me back seven times what you stole."

Sometimes we become lazy Christians and we just think, "Well, that bad thing happened," or "That was taken from me, so I'll just let it happen; I'll roll with it." Or maybe you've gotten mad at God. I've been mad at God before. I didn't know I was mad at God, but I have been mad at God before, and I had to forgive and ask God to forgive me for being angry at Him.

This is a year of reset, this is a year of blessing, this is a year of roaring, this is a year of claiming and decreeing the promises. And if you do this, you are going to see that this will be a year of blessing. God bless you.

"Heroes of Holiness - Are You Ready to Get Radical?"

Robert Hotchkin, Maricopa, AZ

As we've move into the new era this New Year, God is inviting His people into something that He's been very intentionally leading up to for more than two decades.

For well over 20 years now, God has been pouring out a revelation of His Father's heart along with the tangible reality of His certain love. This has been one of the main messages and manifestations of charismatic Christianity since Heaven invaded the earth through the Toronto outpouring in early 1994.

It has led to a profound revelation of how radically loved and totally accepted we are in the Beloved (see Ephesians 1:6), as well as an epoch of miracles, signs and wonders as we press into and worship the One who loves us so. Bodies have been healed. Souls have been restored. Angelic feathers and heavenly gemstones have appeared. The dead have been raised. Revivals have broken out. It's been glorious.

It has also been building up to something that is strong on God's heart. Something that He is inviting you and all of His people into right now.

What God Has Been Up To

The heavenly agenda of these past 20 years goes well beyond our realizing how completely loved and accepted we are in Christ. God's desire has been that with this realization, the lies and burdens of religious performance would be torn down so that we can more fully and powerfully step into the reason that we are here.

Have you ever wondered why we don't go straight to Heaven as soon as we get saved? The answer is right there in Genesis 1:26-28.

Since day six, God's plan has been to have a people in relationship with Him, who operate as His agents of impact in the earth, stewarding creation on His behalf and to His glory. One of the main ways we do this is to realize that we are made in His image (see Genesis 1:26) – choosing to operate in His character and nature; choosing to be holy, for He is holy (see Isaiah 6:3, Revelation 4:8), and not trying to be righteous to earn favor, blessing or relationship from Him. That's the doomed "performance-pressure" and the striving of religious self-righteousness.

God desires for us to realize that through the *Love-Gift* of His Son, He has made us holy as He is holy; not only so that we can be restored to relationship with Him, but from within that relationship, we can be champions of righteousness on His behalf – *Heroes of Holiness* who positively impact all of creation with every righteous decision we make.

You Are So Much More Powerful Than You Realize

We are so much more powerful than we think. We see the proof of all this in Romans 5:18-19 (NLT):

"Yes, Adam's one sin brings condemnation for everyone, but Christ's one act of righteousness brings a right relationship with God and new life for everyone. Because one person disobeyed God, many became sinners. But because one other person obeyed God, many will be made righteous."

When Adam chose to disobey, it was not just him who was made unrighteous. It allowed unrighteousness to enter the earth and affect all. When Jesus chose to obey, it was not Him who was made righteous (He already was), it made righteousness available to all. Decisions made by those in relationship with God in the earth impact all of creation. You have the ability to operate in heroic holiness and make a real difference in the world every time you choose to embrace the power and potential of your righteousness in Christ.

The choices you make ripple throughout all creation. Your decisions not only affect your life, they affect the whole wide world. Choose sin and darkness, and sin and darkness will enter the world. But, and this is a HUGE *BUT*, choose to operate in the heroic holiness of who you truly are in Christ, and righteousness will ripple throughout the earth.

Choose love, peace, joy, generosity, fidelity, integrity, patience, faithfulness, mercy, kindness and forgiveness and they will be released out into all the world.

Transformed by Jesus

In John 8:1-11, we read the story of the woman who was caught in adultery. When this sinner encounters Jesus she is transformed. Not only because she is set free from the power of sin by the mercy of the Messiah, but also because she is launched into a revelation of her true identity in Christ that will continually transform her life as well as impact all of creation. This is why Jesus tells her, "Go and sin no more" (John 8:11b NKJV). He is not saying, "Sin no more so you will be forgiven." He already forgave her earlier in verse 11 when He declared that He would not condemn her.

When He invites her to "sin no more," He is inviting her into a ministry of heroic holiness; not to earn mercy, forgiveness, favor or blessing – she already has all of that in her born-again relationship with her Savior (see Ephesians 1:3, 2 Peter 1:3) – but to propel her into what has been God's plan for her since day six – to

operate as one of His "Dominion Stewards" in the earth, who shatters darkness by choosing to arise and shine as a *Hero of Holiness*!

Our True Born-Again Nature

Look at 1 Peter 1:15-16:

"But as He who called you is holy, you also be holy in all your conduct, because it is written, 'Be holy, for I am holy.'"

If we do not understand who God really is and what He is really like, we could easily misconstrue this passage of Scripture in 1 Peter. It is not a command to perform for acceptance. It is an invitation to step into our true, born-again identity of being made in God's image, and being about our Father's business in the earth at a level of effectiveness and impact we have yet to even come close to fully realizing or understanding.

As New Testament Believers, 1 Peter 1:15-16, and the Scriptures in Leviticus it echoes back to, are not some religious, quid-pro-quo burden of performance God is laying upon us while saying, "Hey, jump through My rule-hoops or I will smite thee!" No.

This is God reminding us who we really are in Him. This is God inviting us to step into our true, born-again character and nature. This is God helping us to a global ministry of radical impact in the earth through the decisions we make with our free will to look and sound and act just like our Father, in whose image we are made. This is how we co-labor with Him as His dominion stewards in the earth!

Keep My Commands

We are in a John 14:15 hour. God is reminding us that if we love Him we will keep His commands. This is not a demand to prove devotion, or a stipulation to earn favor and blessing. This is God helping us step into who we truly are and long to be. This is an opportunity for fulfillment of purpose, potential and identity at a level we barely comprehend.

For 20+ years, God has been going out of His way to help us see and know and feel that we are totally and completely loved by Him (see John 3:16). Loving God is not a way to get His love, it is the natural response to the certainty of His love (see 1 John 4:19). Obeying His commands is not an

offering or sacrifice for relationship, it is an embracing of powerful identity and purpose within that relationship.

Heroes of Holiness Will Arise!

A company of righteous radicals is arising. These Heroes of Holiness truly know who they are in Christ. They know how loved they are. They know in whose image they are made. They know all of creation has been longing for them to walk in the power, purpose and passion of their true identity.

These *Heroes of Holiness* are waking up to the incredible power they have to impact the world through the decisions they make. They know that when they choose to operate in righteousness, patience, honor, unity, mercy, kindness, goodness, faithfulness, forgiveness, love, peace, joy, gentleness, self-control – when they choose to be who they truly are in Christ – these divine attributes ripple throughout all creation.

The Kingdom comes. His will is done. Light shatters darkness. Territory is taken. Powers and principalities are torn down. Not with carnal weapons or natural strength, but with weapons that are mighty in God (see 2 Corinthians 10:4), wielded by the *Heroes of Holiness* who are powerfully aware of who they truly are.

Do you want to be one of His *Heroes of Holiness*? Tell Him today. Take a Joshua 3:5 moment and consecrate yourself anew, declaring that by His grace and through the leading of His Spirit you will walk in greater and greater fulfillment of who you truly are in Christ. He will work wonders in your midst!

Transition Into the New Threshold!"
Sanjna Mahtab, Lynnwood, WA

Why Is This Time Important?

Body of Christ, it is vitally important that we spend time in the secret place during this time of transition through a major threshold. This current time is a season of needed preparation to not only be properly positioned to receive all the blessings in our promised lands, but to also be prepared to steward those blessings and our

callings. It is imperative that we are positioned in full surrender and humility before God. He is scanning the Body of Christ, looking for His pure and righteous vessels, who will go forth without compromise in any way, shape or form.

There are major keys and strategies in the atmosphere that Heaven has released already in the wind of His glory. It is in our daily, intentional time spent in the secret place where we will receive what is extremely vital to the release of our callings, purposes, mantles and destinies, as well as the ability to steward every part of them.

Get in that daily time with God, tap into what He has for you, right now, and take what belongs to you. You will receive the answers you have been waiting for. This is a kairos time for your destiny that cannot be missed!

What Is God Releasing?

God is starting to not only highlight the problems around you that need to be solved in the cities and nations, but He is also releasing clear strategies on how to do it. Body of Christ, you have been crying out to God, asking Him to release the intricate details from the blueprints that He has for your unique callings, and He is releasing them now.

God is releasing the keys you need for your purpose. Also, the "camels" are on their way, which means that the provision for the vision He gave you is on its way to you.

Church, we have the answers to the world's problems by His Spirit, and if we don't go forth as proper representatives, as the true and pure ambassadors of Heaven, who will? Remember who you are and to *Whom* you belong, and don't forget the weight of the crown that lies on your head! Let's get ready to act on what God is speaking to us because He is bringing the "servant's heart" back to the Church.

It is absolutely imperative that we do not put our faith on vacation! We should always love the Lord with all of our heart, soul, strength and mind!

"The man answered, 'You must love the Lord your God with all your heart, all your soul, all your strength, and all your mind.' And, 'Love your neighbor as yourself.' 'Right!' Jesus told him. 'Do this and you will live!'" (Luke 10:27-28 NLT)

Why Do I Feel So Dry and Weary?

Have you been feeling like you are in a place of dryness? Have you been feeling like you just want to throw in the towel and cannot go any further? Have you been feeling like you are stagnant, unable to move even an inch further? In any season, it is important for you to identify what God is doing in order to respond correctly. If you do not know what is going on, you will be left frustrated, emotional and stagnant in your process due to lack of knowledge.

The new oil has been created from the pressing and crushing through your entire life up until now. You are transitioning into the new flow of the new wine and new oil.

Imagine yourself as a tall, handmade, clay vessel. Imagine you are in a tipping position with everything poured out, looking totally empty. Now, at the bottom is a layer of black build up. The only way that can come out is if it is scraped out. The only way for you, the vessel, to get filled back up with the new is to remove all that old crud out first. Once that crud is scraped out and the inside is rinsed and dried, then you will be ready for something new to be poured in you.

This is exactly where some of you are across the Body of Christ. This time, here and now, is the time to allow God to expose "you to you." Allow Him to show you what those things are that you need to let go of completely. Focus entirely on your relationship with Christ; He wants you and your heart in its entirety because He loves you.

"Search me, O God, and know my heart; test me and know my anxious thoughts. Point out anything in me that offends You, and lead me along the path of everlasting life." (Psalm 139:23-24 NLT)

He will point out everything in your character, attributes, way of thinking, speech, actions, sin, wounds, grudges, offenses, etc., that cannot stay. He is answering your prayers of deliverance and freedom. God loves you and He disciplines those He loves. Remain in Him and He shall remain in you, for apart from Him you cannot do anything (Read John 15). The reason God does this is because He wants to prune the branches that bear fruit, for He wants you to become more fruitful! This is a process of purification.

At a Threshold

Body of Christ, you are at a threshold. A threshold is a place of transition from one place to the next. It is the end of you being in the old land and

the beginning of you living in the new land, which is the Promised Land. Body of Christ, you are at that place where Pharaoh's army is right behind you; where the parted water ends and you cross into the new land. You are feeling that pressure from all directions; you are feeling weary from the journey, but be encouraged because God Most High, Elohim, the Great I AM, is going to show up on time without delay! You are standing right at the door of your breakthrough. Tsunami waves of glory are headed your way!

"But Moses told the people, 'Don't be afraid. Just stand still and watch the Lord rescue you today. The Egyptians you see today will never be seen again. The Lord Himself will fight for you. Just stay calm.'" (Exodus 14:13-14 NLT)

Important Instructions

Be careful not to dismiss things immediately. It is important that you take the time to first identify if what you are experiencing is warfare or if it is a part of your process to freedom or if it is a part of your obstacle course for training. Once you identify it, only then can you respond correctly.

I encourage you to ask God not only for His wisdom and discernment, but also for Him to place His lens upon your eyes so that you can see everything around you through His eyes.

Look for God's purpose in everything you are going through and live in the moment, moving forward in each step cautiously, and using His wisdom. This is an important key to practice so that you do not push away what God is doing in your life, so it can reach its fullness.

Be alert to all mirages and facades the enemy may send over – things headed your way. This means to be cautious of any doors, opportunities, alliances and anything related to your calling that looks good and sounds good but is not of God. Always talk to the Holy Spirit in everything you go through.

Be Encouraged

God will open doors that no man can shut. The doors and opportunities that God has been preparing for you, no power of darkness or man can stop. We are representatives of the Kingdom of Heaven, and the Lord is making us unstoppable!

Body of Christ, there is a "Kingdom DNA alliance" paradigm shift that is going to happen in the Church. Heed this, and be positioned for such a time as this. Get ready, exciting times are up ahead! *You've got this!*

"Enter through the narrow gate. For wide is the gate and broad and easy to travel is the path that leads the way to destruction and eternal loss, and there are many who enter through it. But small is the gate and narrow and difficult to travel is the path that leads the way to [everlasting] life, and there are few who find it." (Matthew 7:13-14 AMP) All the praise, honor and glory be unto our living God alone! Thank you, Jesus!

Pat Francis: Power for change

"Then Joshua son of Nun secretly sent two spies from Shittim. 'Go, look over the land,' he said, 'especially Jericho.' So they went and entered the house of a prostitute named Rahab and stayed there." (Josh. 2:1).

Rahab was a prostitute looking for a fresh start and a way out of her lifestyle. She chose God and became a CHAYIL woman with seven CHAYIL Pillars as her focused life and core values.

Her intentional growth in the seven Pillars of CHAYIL Glory:

- 1) Worship. She chose the God of Abraham and Moses as her source of salvation, service, and worship.
- 2) Wisdom. She heard about the powerful God of Moses and seized the opportunity for a new life with Him.
- 3) Power. She helped Joshua and the spies to conquer Jericho, and negotiated for the salvation of all her family. She was strategic, creative, and intentional.
- 4) Honor. Transformed by God, she grew in honor until her past reputation did not hold her back from marriage to a good man, a Jew called Salmon.
- 5) Favor. God favored and blessed her with a son named Boaz, a highly esteemed kinsman redeemer.
- 6) Wealth. She was blessed with the wealth of great relationships, a great family, resources, and fame as a godly woman.

7) Influence. After thousands of years Rahab remains influential as one of the women in the genealogy of Jesus Christ, Savior of the World.

It is never too late to call on God for a change of life. CHAYIL Glory is the manifested power and glory of our LORD Jesus Christ *in* and through His servants. Choose change and choose Jesus Christ as your personal Lord and Savior. He will transform your life for a greater future.

Kingdom Declaration:

I receive the power and glory of God to create my new world for a greater future.

6 Reasons Our Prayers Go Unanswered: God is listening By Lesli White

All of us have had experiences when our prayers seemed to go unanswered. Sometimes days, weeks, or even years will go by at a time and we still find ourselves wondering, when is God going to answer this prayer? The important thing to remember is that God

hasn't forgotten about you or abandoned you. The Bible tells us "The LORD Himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged" (Deuteronomy 31:8). God has also promised to answer every prayer according to His marvelous grace, His infinite powerful, and in keeping with His infinite love and faithfulness. Our attitude should be one of implicit confidence that He is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us. Here are six reasons our prayers may go unanswered and what to remember in the process.

Your Prayer isn't to the Glory of God

Is your prayer to the glory of God? One of the most important questions we face in prayer is whether our petition is for our own selfish interest, pride or attainment, or whether it is really to the glory of God? Answers to prayer are supposed to honor God and bring glory to Him. This is one of the main reasons we offer prayer in the name of Christ. Jesus assured His disciples that if they remained in Him and His words remained in them, whatever they wished would be given to them. Prayer that is offered in the name of Christ and to the glory of Christ is prayer that God can answer.

It isn't God's Will

John 15:7 says, "If you abide in Me, and My words abide in you, ask whatever you wish and it will be done for you." So that means if we tell God what we want, He will give it to us, right? Well, not exactly. If you're wondering why things aren't going according to your plans, here's the short of it. We aren't aware of God's Will. It's important that we pay attention to the word "abiding" in this verse which means "to live in, dwell in and remain in." When you have an intimate relationship with God, you begin to know His heart and have a clearer sense of the things you should pray for and what His will truly is for you.

You're Dwelling on Worry

One reason your prayer may not be answered is because you're dwelling on worry. Worry, feeling uneasy or troubled seems to plague multitudes of people in our world today. It's human nature to be concerned about the bad situations in our world and in our personal lives, but if we're not careful, the devil will cause us to worry beyond what's reasonable. While it's human nature to worry about the things that are going on in our personal lives and in the world around us, it's important that you don't dwell in worry. John 15:7 says, "If you abide in me, and my words abide in you, ask whatever you wish, and it will be done for you."

God Might be Answering a Bigger Prayer

Our God is a merciful God. Sometimes we forget this when we get so caught up in the pain we're experiencing, the people we've lost and the things we don't have. We start focusing on all the ways that God hasn't measured up to our standards and find ourselves disappointed time and time again. Instead of focusing on the blessings we've been given, we focus on what God hasn't done for us. This is human, but it doesn't mean it's right. It also doesn't mean that God has abandoned us. It means that what He wants for us is in His time. Not ours. And sometimes God's plans are bigger than our own. You might pray for love to come into your life at a certain time, but if it had, God wouldn't have been able to make you more strong and independent. If things had fallen into place at the college you prayed for, you may not have attended the school that shaped so many of your future friendships and dreams. Just because God isn't granting the prayers in the way we want Him to doesn't mean He doesn't love us.

You Are Only Focused on Receiving a Blessing

We often say, "I'm so blessed" when we're sharing pictures from our most recent vacation, updating everyone on a recent promotion or sharing our new relationship status. Without even thinking, we'll equate these happy moments or personal successes to God showering blessings on us. But these pleasures and successes are not God's highest priority. God wants us to be happy but the truth is, our happiness and success aren't God's end goals. While it's right and good to be thankful for the tangible blessings in your life, you shouldn't fail to see that blessings from God don't always make you want to shout "I'm so blessed." When you pray, acknowledge God for your blessings and not just those that make you feel good

God is Making You Wait

As difficult as waiting can be, it builds spiritual muscles in a unique way. Isaiah makes this truth clear: "But they who wait upon the Lord shall renew their strength; they shall mount with wings as eagles, they shall run and not grow weary, they shall walk and not faint" (Isaiah 40:31). This is a glorious promise but our discontented hearts find it difficult to wait. One great thing about waiting is that it allows us to pray without ceasing. When our thoughts turn to worry, fear, discouragement and anger, we are to consciously and quickly turn every thought to prayer and every prayer to thanksgiving. Another great thing about waiting is that it increases our faith. We wait and God works!

There's nothing wrong with being honest about your pain and frustration. David poured out his heart to God in the Psalms. Job expressed deep anguish in the midst of incredible grief and suffering. If you're confused and hurting, the Lord doesn't expect

you to cover it up with a smile. Tell Him what you're really thinking and feeling. Also, don't worry if you feel like your prayers are going unanswered. If we pray in the Will of God, we can be sure that God will answer. As we praise Him for His faithfulness, seek His Will and glory, pray faithfully and wait patiently until God's time, He will come.

"Decrees That Move Mountains in 2020 and Beyond"

Hakeem Collins, Wilmington DE

The other day as I was in prayer, the Lord spoke to me and said that 2020 will be a year and start of a new decade where our prophetic decrees will move impossible situations out of our way. The impossible will become the possible in the lives God's people.

It's Time to Speak to Your Mountains

In a vision, the Lord showed me demonic oppositions that looked like mountains towering over the people of God. These ridged mountains were standing between their breakthrough and prayers being answered.

This is the season to activate the Word of God over your life and see mountains move at your command. The Lord wants you to look your problems, circumstances, situations and issues in the face and command them in Jesus' name to be removed. 2020 will be the season and beginning of a new decade where the Lord's decrees will prevail against every obstacle, storm and challenge you face. It's time to speak to your mountains.

Always keep in mind that we all are fighting the same ancient archenemy – the devil! However, each of our battles is not the same. Turn your opposition (mountains) into opportunities (waters) of blessings. Furthermore, we may get the same opportunities but our opposition is not the same. You have to look your opposition in the eyes and command it to obey the Word of the Lord.

Again, it's time to speak to your mountains; they have to obey you in the authority that God has given you through the Holy Spirit. Someone one may ask or say, "Speak to my mountains? That sounds a little crazy, insane or off." Let me explain it more this for those who need help in understanding this allegorical, biblical language.

This is a hallmark Scripture I live by in Mark 11:23-24 (NKJV): "For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says. Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."

Jesus talked to things and taught that "whoever" could also speak to mountains. A mountain is primarily any obstacle that stands in the way of the Believer. We cannot see mountains flatten or become valleys in our lives if we pray, speak and decree with doubt or unbelief in our hearts. We have to speak and decree with faith. Faith activates the supernatural to happen! Faith has to match our lips and our belief systems! Jesus is basically saying, "Do less praying for mountains to move and start commanding them to."

We will be faced with many obstacles throughout our Christian journey. Oftentimes, most Believers pray to the Lord. However, Jesus commanded His disciples to speak directly to the obstacle and decree by command that it to be removed. There is nothing wrong with discussing things with God in your prayer time. We should as children of God. But when something is blocking your progress, advancement, breakthrough and blessing then Jesus said you should command (decree) it to get out of the way.

I love what Job 22:28 declares, "You shall also decree a thing, and it shall be established to you. Light shall shine on your ways." By use of the word "shall," this verse is actually commanding us to decree. It also comes with a promise that when we do, those things "shall" be established for us.

What mountain, demonic force, resistance or hindrance is standing or hanging in the balance of you receiving your breakthrough? It's time to unblock your blessings, today, by speaking the decrees of the Lord over your life and those you love.

Most Believers just speak to God about the mountains they are facing daily instead of following Jesus' directions and speaking directly to the mountains. Your mountains have ears and they will respond if you speak to them. Are you just speaking to the Lord concerning the day-to-day problems that occur in your life? In the power and authority that has been invested in you by the Holy Spirit, it is time to command the devil in Jesus' name to get lost once and for all. God is

radically increasing our faith to speak to the impossible and make it possible for us.

Oftentimes, we are waiting for God to do it for us, however, He put it in your mouth, and if you know God's will for your life, according to 1 John 5:14-15, "...[I]f we ask anything according to His will, He hears us. And if we know that He hears us in whatever we ask, we know that we already possess what we have asked of Him."

God Is Raising Up "Mountaineers"

You are armed and dangerous against the kingdom of darkness. Every demonic agenda, plot and plan of the enemy against your life, family, ministry, business, marriage, church, finances and health will fall to nothing and ruins. God is raising up righteous "mountaineers" that know how to become the place where God's presence dwells and lives. You are an "unshakable" mountain that God wants to use to speak, pray and decree His will to come to pass in your life.

Psalm 132:13-14, "For the LORD has chosen Zion; He has desired it for His habitation. 'This is My resting place forever; here I will dwell, for I have desired it.'"

Mount Zion symbolizes the place where God lives, not just visits. He wants you to become a place that He may inhabit. Psalm 22:3 (KJV) puts it like this: "But You are holy, enthroned in the praises of Israel." We crown Him (Christ) our King with our mouths through our praises.

Your mouth is a secret weapon against the enemy. Know your authority in Christ to decree and speak the will of God over everything God has put you in charge of or in authority over. The enemy is trying to shake the faith of God's people with fear. Fight back by speaking faith today to see mountains moved immediately!

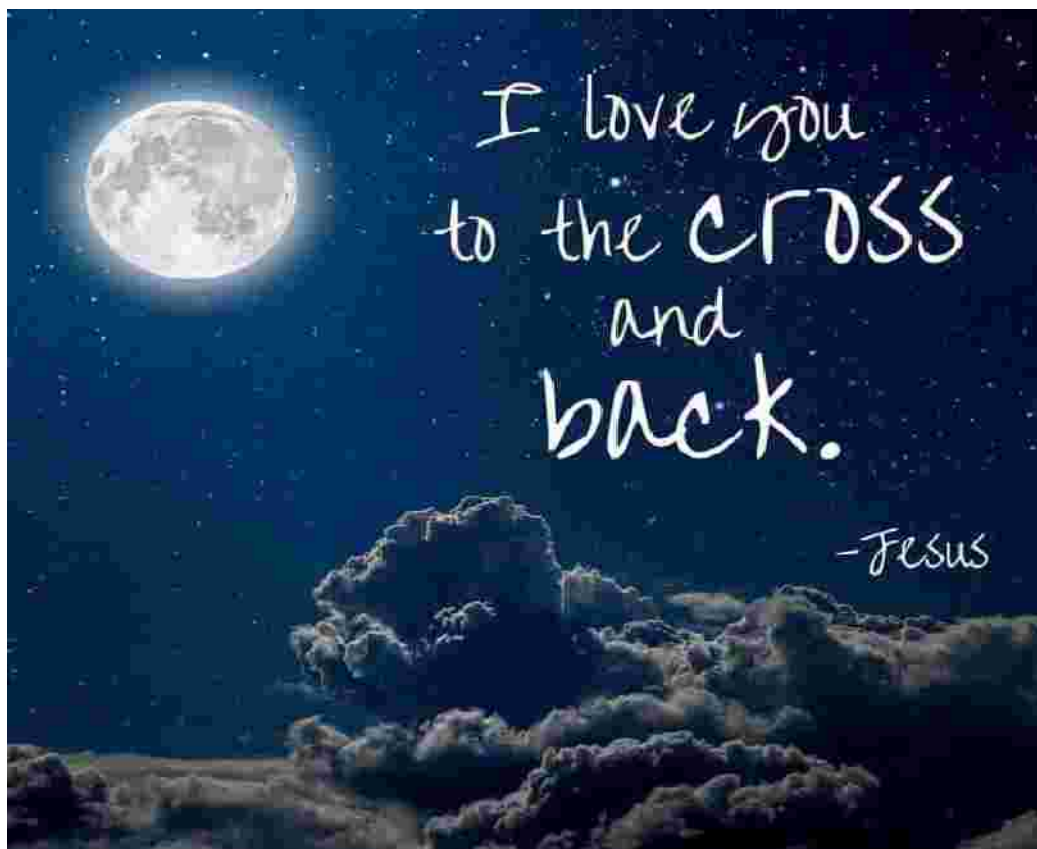

Jesus addressed the faith of those who doubted. In Matthew 17:20 it says, "And Jesus said unto them, 'Because of your unbelief: for verily I say unto you, if ye have faith as a grain of mustard seed, ye shall say unto this mountain, 'Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.'"

So Jesus basically says to them, "Because of your unbelief; for assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you."

Faith is being awakened in you today to see the supernatural become possibly natural every day in your life. You are the dwelling place of God so that your faith will be unshaken.

This is the prophetic word for you, for God is saying in Isaiah 52:1-2: "Awake, awake, clothe yourself in your strength, O Zion; clothe yourself in your beautiful garments, O Jerusalem, the holy city; for the uncircumcised and the unclean will no longer come into you. Shake yourself from the dust, rise up, O captive Jerusalem; loose yourself from the chains around your neck, O captive daughter of Zion."

Decree God's will in this new year, 2020, and watch and see your mountains flatten and the impossible obey the voice of the Lord on the inside of you.

Things Are Falling into Place - Get Ready for a Season of the Unimaginable, the Incredible and the Spontaneous! Lorilei Cooley

There is a sudden change of unexpected direction upon you as you follow the Lord in where He is leading. It will lead you to more than what you thought or anticipated. As you walk where He is leading, there will be restoration and joy that will fill your heart once again with the truth that the Lord is who He says He is and that He is good Father.

Don't rush the process or attempt to go ahead of the Lord. Stay in alignment and in sync with His leading and what the Lord is saying, for He is moving you into His perfect timing of seeing the manifestation of many things simultaneously coming together.

A few days ago, I heard this Scripture: Amos 9:13-15. Amplified Bible (AMP)

¹³ "Behold, the days are coming," says the LORD, "When the plowman shall overtake the one who gathers the harvest, And the one who treads the grapes [shall overtake] him who sows the seed [for the harvest continues until planting time]; When the mountains will drip sweet wine And all the hills shall melt [that is, everything that was once barren will overflow with streams of blessing].

¹⁴ "Also I shall bring back the exiles of My people Israel, And they will rebuild the deserted and ruined cities and inhabit them: They will also plant vineyards and drink their wine, And make gardens and eat their fruit.

¹⁵ "I will also plant them on their land, And they shall never again be uprooted from their land Which I have given them," Says the LORD your God.

It has been some time since I had heard this Scripture, and I knew when I heard it that things are falling into place and coming together. This is why the fight and battle have been so intense, with so much resistance. The enemy has been fighting against the timing of God, the manifestation of His promises and the land He has given you.

What the Lord is doing and bringing together is only happening by His hand. There is an acceleration happening right now where the Lord has been working and rearranging things that are now coming into the picture and into manifestation.

Last week the Lord gave me Joshua 3:5 for this season: "Joshua told the people, 'Consecrate yourselves, for tomorrow the Lord will do amazing things among you.'"

This is truly a season where the Lord is going to do the unimaginable, the incredible and the spontaneous. Many have been through the fire and are now coming out pure as gold!

Pat Francis: Hallowed Be Your Name

"In this manner, therefore, pray: Our Father in Heaven, Hallowed be your Name." Matt. 6:9.

The word 'Hallowed' means to regard as Holy, or to worship. With the intention to be like Jesus to represent Him in our world, there are seven CHAYIL Pillars (worship, wisdom, power, honor, favor, wealth, and influence) describing our focused values in life. Our Heavenly Father was intentional about the growth of His Son, "And Jesus grew in wisdom and stature, and in favor with God and men." Luke 2:52. Worship is our first CHAYIL Pillar as worshipping Jesus is our priority in life and taught by Jesus to be the first aspect of our prayer.

Worship is:

- 1) Focus. You turn your thoughts from yourself, problems, needs, and others and in the realm of the spirit, you focus on God. You imagine God in Heaven seated on His Throne, surrounded by His Holy Angels in an atmosphere of worship and adoration. You join in the worship of Heaven with your own praise and declarations of the awesomeness of God. In that moment, God hears your voice and your heart as if you are the only one in His presence. You are focused on God and He is focused on you.
- 2) Awareness. Acknowledge your Omnipresent God, who is not only in Heaven but also in your heart. Be aware of Christ in you, your hope of glory. Your heart is His secret place and He is in the secret place of your heart.
- 3) Renewal. In God's presence, your mind will be renewed to think right and speak right for right actions. "Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - His good, pleasing and perfect will." Rom. 12:2. In worship, God will cleanse your thoughts, heal your mind and empower your heart for greater achievements.
- 4) Connection. As you worship in God's presence, your heart becomes connected to your Source of Glory for you to receive His glory. Jesus worshipped, "And now, Father,

glorify me in your presence with the glory I had with you before the world began." John 17:5. Jesus received fresh glory from His Father.

Worship can also be described as reverence, adoration, devotion, honor, exaltation, and respect for God. God seeks for worship, "Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks" John 4:23. If God is seeking for worship, our response in love is to satisfy His desire, so that He can satisfy ours.

Kingdom Declaration:

I will worship the LORD in the beauty of His Holiness and ascribe to Him the Glory due His Name.

"Breakthrough! Use Your Voice and Release Powerful Decrees!"

Jesse Shamp, Nashville, TN

It's Time to Use Your Voice

As we enter into the new year, I believe we are entering into a new move of the Spirit, a new rhythm, and we are already seeing it. It is a prophetic awakening! God is gathering His remnant in the earth to release a prophetic sound – a harmonious sound – that releases the winds of change once again.

I want to give you a key to living in breakthrough for 2020: It's time to use your voice and release your sound, as it will be your sound that causes mountains to move and walls to come down! I want to encourage you to release powerful decrees over your family, business, and ministries.

As we release the sound of breakthrough, we will see things begin to shift in our lives, our regions, and our cities. Remember, it's the power of your words that releases change, that's why God gave you a voice!

What Is the Lord Doing?

What the Lord has put on my heart for the year 2020 is this: This is your year to breakout and to breakthrough!

2 Chronicles 20:20 says, "Believe in the Lord your God, and you shall be established; believe His prophets, and you shall prosper."

This word "prosper," in the Hebrew, means *to push forward, to go over, and to break out!* What are you breaking out of? You're breaking out of discouragement, lack, set back, being stuck, the spiritual prison of "never enough," and you're stepping into the breakthrough of the promise, the fullness of destiny!

This is the word of the Lord for you this season, saints!

"I will surely assemble all of you, O Jacob, I will surely gather the remnant of Israel; I will put them together like the sheep of the fold, like a flock in the midst of their pasture; they shall make a loud noise because of so many people. The one who breaks open will come up before them; they will breakout, pass through the gate, and go out by it; their King will pass before them, with the Lord at their head." (Micah 2:12-13 NKJV)

We know Jesus to be the Breaker that has gone before us!

Throughout the Bible, we can see that God always has a remnant preserved and prepared. God is making a way for the Church; He is making a way for us to advance. He is making a way for you to cross over into destiny!

I like how the KJV translation reads: "The breaker is come up before them..." (Micah 2:13). The Word of God tells us that the Lord is a breaker, the Lord is a fearsome warrior (Jeremiah 20:11). Let us be reminded that the Breaker is within us. It's His sound that is being released in the earth through a prophetic company; it's the sound of the breaker!

Anointing of the Ox Horn

David was a warrior in the natural as well as in the spirit. He carried a breaker anointing. David was just a young shepherd boy, and Saul was king of Israel at this time, but because of his disobedience, God looked for another that would be able to take Saul's place as king. The Lord then spoke to the prophet Samuel and said, "...Fill your horn with oil, and go; I am sending you to Jesse the Bethlehemite. For I have provided Myself a king among his sons" (1 Samuel 16:1 NKJV).

The prophet Samuel then anointed David with that oil, and even his garments were saturated with oil (we know that the oil is symbolic of the anointing). Saul

was anointed with a vial of oil, but young David was anointed with oil poured out of the ox horn!

Why the horn of the ox? I believe God anointed David with the horn of the ox because it symbolized the power and strength of that animal. David received both power and authority. He carried the anointing of a breaker!

"You have exalted my horn like that of a wild ox; fine oils have been poured on me." (Psalms 92:10)

The ox is a breaker; it plows the ground for the harvest. If we want long lasting breakthrough in our regions and cities we must have the strength of the ox! The anointing that was on David's life carried him throughout the changing seasons and into the fullness of promise – that he would be king over Israel. As David stepped into his rightful place as king, he brought unity to all the tribes of Israel.

The God Who Breaks Through

"Then all the tribes of Israel came to David at Hebron and spoke, saying, 'Indeed we are your bone and your flesh. Also, in time past, when Saul was king over us, you were the one who led Israel out and brought them in; and the Lord said to you, "You shall shepherd My people Israel, and be ruler over Israel."' (2 Samuel 5:1-2 NKJV)

It was after this that the Bible says, "...David took the stronghold of Zion (that is, the city of David)" (2 Samuel 5:7 NKJV). When the Philistines heard that David had taken the stronghold, they sought after him near the stronghold. The Lord spoke to David, saying that He would deliver the Philistines into his hand (2 Samuel 5:19). David then took his army to Baal Perazim to fight them.

"So David went to Baal Perazim, and David defeated them there; and he said, 'The Lord has broken through my enemies before me, like a breakthrough of water.' Therefore he called the name of that place Baal Perazim." (2 Samuel 5:20 NKJV)

Baal Perazim means "the Lord who bursts through"! There is a battle for every destiny, and we need the Lord of breakthrough.

I pray shalom over your storm and I pray that the Lord of the breakthrough would intervene in the midst of every battle you are currently facing. I also pray that the Lord of breakthrough would rise in you, as you are an overcomer, because Jesus has already overcome on our behalf!

We stand in the victory that He has already obtained and accomplished! I speak breakthrough in the name above all names, Jesus!

Shevat 19: 5780, (Friday) February 14, 2020

During 2019, the Lord spoke through Kenneth Copeland on several occasions about the year 2020. The following is part of what the Lord said. Take time to meditate on these powerful words.

"What about 2020? Many things will be said about vision in 2020 because of the natural nature of 20/20 eyesight. But you and I, and those who seek the face of God and know the voice of God...will have vision, insight, ideas and concepts."

And it will be a time of the fulfilling of the word that was spoken in My WORD that said, 'The young men and the old men shall have visions and dreams.' My dream, saith The LORD, is the continued rebirth of this nation. It has already begun, and it will continue. For you see, in these last days, I have taken over the politics of the United States. This is the only nation ever founded by a people specifically because they loved Me and wanted to worship Me. And I have never forgotten it, and I never will forget it...I am the God of this country.

And it will be reported far and wide, and people will come from far and wide, and they will say things and they will do things that they have no idea why they said them or why they did them. For, in 2020 the continued rebirth of this nation is a surety. It is a good thing. And you will see it come to a place...that is more than you have ever dreamed or wanted in a place. This is Mine. I promise you and I give you My solemn word, saith the Spirit of grace....

I knew what to do with the Pharaohs. And these little politicians of today, ha, ha, ha, oh, they are so easy to deal with compared to the Pharaohs of old. But I knew how to deal with them. I know how to deal with politicians today. Oh, there are those who think they know. They think they're doing what they're supposed to do, ha, ha, ha, all over the world. Oh yeah. I know them all. I understand them all. I have insight into their thinking....

You hear Me now. You understand what I'm saying. From the top of the world and all over the world, wherever there's a government, wherever there are people, wherever there's voting, wherever the people can't vote, I'm

there. Wherever people seek My Name, I am there. And those who don't think I hear, don't misunderstand a word I'm saying. I hear it, and I move in behalf of it whether you think I do or not, or whether they think I do or not. I hear the cries of My people. And there are certain things that are taking place today that would never have taken place had My people not prayed and cried out to Me. Oh, these are the days, saith The LORD.

These are the days of mighty grace. These are the days of wonder grace. Certain lines have been drawn. Certain things that can't be crossed. Certain things that cannot be changed. Other things that can be and will be changed. Certain lines have been attempted to be crossed, but they can't because they are established in My WORD, saith The LORD. And I know what I'm doing.

2020: The Year of New Visions

"The LORD is revealing new visions this coming year that will be absolutely stunning. They will include insights, ideas and concepts that have never been heard of before. Joel 2:28-29 (and Acts 2:16-18) tells us, 'It shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my Spirit.'"

2020: The Year of Change and Manifest Power

"2020 will be a year of great change. Wonderful and magnificent changes in the kingdom of God in the earth. Changes that will come because of insights, ideas and concepts directly from Jesus to His Church by His mighty Spirit. Glorious concepts of how His laws work; the laws governing increase and financial prosperity; the laws of the Spirit that release miracles and divine healings and manifestations of His Almighty power on the earth. New concepts of His love; His very person; for He is love. Insights into the true power and strength of His joy.

"It will be days of political change, great victories and great defeats. For the spiritual enemies of God and His people shall be crushed—spirits, not flesh and blood. But there are those on both sides of the political divide who refuse to listen to The LORD Advocate General of the Church. Their dreams shall be dashed, their desires shall be wounded, and they will be removed from their offices and replaced, some by the ballot, some by tragedy, and some who in despair will quit and go do something else."

This is My country, saith The LORD Jesus. It was founded by people who love Me for the sole purpose of their love and desire to worship Me and to worship the Almighty God, and I will never forget that. Change. 2020—the Year of Change and Manifested Power, saith The LORD.

2020: The Year of Removal of Politicians

Those politicians who refuse My call to unite and become the United States of America, and not just “America.” Those politicians who refuse to listen and those politicians who continue the pathway of hate, I will remove them from their places. I will remove their influence from the record books. I will remove their candle in their families. I will remove them from office and put someone in there who will.

YOUR SEASON OF THE COME-BACK & THE LAUNCH FORWARD (Reposting this word because I feel this is also for now). By Nate Johnston

“Nate, write this down” I heard the Lord say as I was asleep. These strange non visual dreams come from time to time but when they do I pay attention. “Write this down - tell them It’s time for the come-back!” I woke up and immediately wrote that simple sentence in my phone notes before writing the rest of what was on His mind. When I think of a comeback I think of two things. Either a remark made in response to someone or someone who is returning to their former glory after loss like a football team that unexpectedly begins to soar again after being at the bottom. So what was He saying? The definition of a come-back is;

- 1- to return to life or vitality
- 2- to return to memory/former state of being
- 3- to regain a former favorable condition or position
- 4- to recover from a deficit/loss
- 5- to return from exile
- 6- a sharp or witty reply

RESTORATION & RETRIBUTION

As I began writing in my phone notes I saw car registration and title slips in the spirit which to me represents mission, destiny, and ministry. I knew the comeback on the Lord's heart was speaking into those who have lost their deeds to their destiny and been robbed in many areas of their lives in the past season. Where many were sideswiped and taken out of by circumstances and situations that felt like tore the keys their destiny right out of their hands. Where there was loss from sickness, financial issues, family and marital chaos, betrayal, witchcraft, and demonic attack and oppression. It's time for God's comeback to be broadcasted to the enemy's camp. His response is "ENOUGH!" and this is where your vindication begins. I prophesy that divine retribution and vindication for every injustice come right now and that you would see restoration in Jesus name!

FULL CIRCLE

There is something so significant about TIME in this season. For many I sensed that this year was significant for the fulfillment of time and the completion of a cycle or season. Many this year will have those moments where God brings lost opportunities and familiar situations back around to you. I keep seeing clocks spinning around and around and it's also the Lord saying "Now this time don't let it pass you by". There are expiring wilderness seasons and those who have been in intense hiddenness and preparation will emerge. Pioneers you will find that something has shifted for you. This year you will see the fruit of what you were faithful with and embark on a new pioneering adventure.

YOUR RAW WILL TURN INTO YOUR NEW ROAR!

I feel so overcome by His presence writing what I sensed on His heart. I keep seeing hearts that have felt like doormats to others that God is picking up and breathing life into right now. I've felt such a fear of the Lord and Him saying "don't you touch my anointed! Don't treat my beloved that way!" It is the protective heart of God to bring strength and wholeness back to trampled hearts and restore them to full life. At the same time God is pouring out both the refiners' fire on us to prepare us for more. When my heart feels raw, it's only a sign of increase incoming so I'm speaking to those who have prayed for God to move in your life and you can't understand why you feel so tenderized right now. God is freeing up hard drive space in your heart for MORE in this season! I also heard the Lord say that the voiceless are getting back their voice. Where they have heard the enemies lies for a long time on repeat and have felt defenseless against them, this season God wants you to speak back and get the upper hand! Watch as your raw turns into a new hope, a new passion, a new fire, intimacy, and a brand new ROAR!

I pray for healing encounters for those who have been struggling with anything that has disabled their hearts from functioning properly. Grief and sorrow be lifted. Defilement and demonic imprints be removed NOW in Jesus name! This is your season of heart health!

PROMISES FULFILLED

This season has the words "promises fulfilled" written all over it. It's the inevitable goodness and kindness of God that He can't escape from producing when we keep in agreement with heaven. But as I was writing this down I was drawn to a scripture;

"God's promise to Joseph purged his character, until it was time for his dreams to come true" Psalm 105:19

When I read that God asked me "How bad do you want it?" and I knew in that moment that the intense fire of this past and present season is not only to produce US, but to produce promise THROUGH us. Watch as there is a comeback of old dreams and old promises you forgot you even had, because God has been forging them in secret and getting you ready to be able to handle them when they manifest. Say "Ok Lord get me ready for them and remind me of what you promised!"

ARE YOU READY FOR LAUNCH?

This is a season will we will see the lost come to Jesus in droves like never before and we will also see those who have been living short of their purpose return to the front lines with a renewed intimacy and fire, and right now God is freeing you up so He can launch you out. If any of this word resonated with you I want you to prophesy and declare with me "This is my season of the come-back in Jesus name! Lord I'm ready!"

Prophetic Word for 2020: Veronica West

In the morning of the first day of the year, I was soaking in the Presence of the Lord. His Glory fell like rain and a heaviness of Him filled my being. As I relaxed in this awesome Holy Presence, I asked Him if He had a word for the year that He wanted me to release over people. I was not anxious in any way to receive one, as all the words I was hearing were all sounding the same for the coming year. So what He showed me surprised me, because I had not in any way been contemplating this particular subject.

I promised to release the word if He put one on my spirit, which is what I am doing right now.

I saw in a closed vision, a single humped camel and as I looked closer I saw a man leading the camel. I heard, "THE CAMELS ARE COMING", and then very distinctly heard "DROMEDARY." I didn't know what that word meant, thinking it was the man leading the camel.

As I waited on Holy Spirit to reveal more, I heard again,

"A BENEFACTOR WILL LEAD THE DROMEDARY. BOXCARS OF PROVISION ARE HEADING YOUR WAY! PRAY FOR THE LORD OF THE HARVEST TO SEND THE BOXCARS MEANT FOR THE EVIL ONES TO BE REROUTED AND REDIRECTED YOUR WAY! THE BOXCARS ARE WRAPPED LIKE GIFTS. THEY ARE CONTAINING SURPRISES FROM THE LORD, PHYSICAL AND SPIRITUAL. AS YOU HAVED SOWED GENEROUSLY, SO YOU WILL REAP GENEROUSLY. THOSE WHO HAVE LAID IT ALL ON THE ALTAR OF SACRIFICE WILL REAP GREAT BLESSINGS, UNEXPECTED RESOURCES FROM UNEXPECTED SOURCES."

I saw a train of gift wrapped boxcars heading towards me. These cars were meant for evil, such as funding for evil things, but they were being rerouted and redirected as

people prayed for them to be turned around. The things meant for evil would be given out to God's righteous ones, those who have sacrificed things and laid up their treasures in heaven. They are the ones who have pressed in and not given up. They have dwelt in the secret place of His heart and listened to His voice. The boxcars are overflowing with treasures from the Father, both in the natural and in spiritual gifts.

Holy Spirit pointed out Psalm 37:4 "Make God the utmost delight and pleasure of your life and He will provide for you what you desire most." (TPT)

Later that evening as I closed my eyes once again to receive more from the Lord, I saw in a vision a boxcar overflowing with things. On top were golden treasures. The one treasure my eyes fell upon was a golden tray, with sides of elaborate lacy gold. In the center of the tray was a diamond shaped mirror. This tray represented the seer realm into the Glory and beyond the veil. To behold the face of God and reflect His Glory. I was to take it. This boxcar represented gifts and anointing's that had been given others but were discarded or misused. They were now going to be given out to those who deserved them. There were piles of treasure that will be redirected to His children this year as they pray into this word. Treasures of the wicked are now laid up for the just.

There are interesting facts about the word DROMEDARY. The dromedary is a single humped camel that has been bred for its swiftness and has not been naturally bred for 2000 years. It is a pack animal used by humans to transport materials on their back. It is the tallest of 3 camel species. Dromedary is from the Greek word "dromos" which translates to "runner". It is used in the Bible many places, one of which is in Isaiah 60:6. "Hearts of camels "(dromedaries) will cover your land, young camels of Median and Ephah. And all from Sheba will come, bearing gold and incense and proclaiming praise of the Lord."

Another important fact about this word that the Lord was emphasizing was that a BENEFACTOR will lead the camel bearing gifts. There will be people that will release these material gifts and spiritual gifts to us. These benefactors will be in most cases, a surprise and an unlikely looking source of income. It could be a person or it could be an inventive idea that will generate a generous source of income. It could also be someone most least likely expected who will release something from the Lord over you.

Be open and ready to receive what God has for you in this season and for this year. Surprises from above, both in the natural and in the spiritual, all supernaturally given out to those whose hearts are truly steadfast and found full of faith. Do not lose hope.

Your trainload is on its way. Pray that things get REDIRECTED and REROUTED your way! Justice is ready to be served for the just.

Blessings to you all for 2020 AND BEYOND!

"It's Time to Collide with Your Destiny!" Westley Roderick, Fort Mill, SC

The Beautiful Collision

In June 2018, I had an encounter where I saw an explosion take place right outside of the earth's atmosphere. I asked the Lord what I was seeing, to which He replied that it was the collision of Kairos time and Chronos time; the collision of God's divine time and the steps of man. He said that a "cataclysmic collision" would be the technical term.

At that time I was not exactly aware of what a cataclysmic collision was. Once I researched it, I learned it was the collision of 2 stars, and when they collided they create this magnetic pull around them, also creating precious metals and gemstones.

Fast forward a few months – from June 2018 to late fall of 2018. The Lord began to speak to me about how 2019 would be full of tension. The imagery was an ocean of God's people with frustration on their faces, not being able to move forward or backward but experiencing this tension of being finely adjusted into a specific position.

This is the conversation that took place:

The Lord said, "I am placing people in position with precision for a beautiful collision."

"What is a beautiful collision?" I asked.

"My people are being positioned and it is so important that they are in the exact spot so that they can collide with destiny," He so graciously explained.

So many people have been able to discern that change and transition are on the horizon, and there comes this angst of trying to prepare for it, but in this matter, being still is the greatest preparation we can take. When being fastened to a

specific place, it is natural for us to want to break free. However, in this moment, there is no need. *This is the Lord.*

Continuously, over the course of 2019, the Lord comforted me with His words: "You are not missing anything or missing out on anything. There will be no suddenly to catch you up for you will have all that is needed."

As we entered 2019, a ministry partner reached out to me with an interesting news article in response to the word I released earlier in 2018, regarding the cataclysmic collision. It was about how a collision of asteroids had taken place just outside the earth's atmosphere.

"God's splendor is a tale that is told; His testament is written in the stars. Space itself speaks His story every day through the marvels of the heavens. His truth is on tour in the starry vault of the sky, showing His skill in creation's craftsmanship.

"Each day gushes out its message to the next, night with night whispering its knowledge to all. Without a sound, without a word, without a voice being heard. Yet, all the world can see its story. Everywhere its gospel is clearly read so all may know." (Psalm 19:1-4 TPT)

The Reconciliation of Time

In late summer of this year, the Lord showed me that there was going to be a merging of three time lines. He referred to this merger as "Future-Past," as He is reconciling the time line behind humanity with the time line in front of humanity, and it is colliding with us in this very moment. He is merging the past, the present, and the future.

One of the moments that best illustrates the relevance of this message from the Lord, regarding time, is the miracle in John 2 as Jesus turns water into wine.

Initially, after Jesus' mother approached Him, He insisted that it was not yet time for Him to be doing such things. However, that is not how it ended. Within a breaths time, the present was the future, and Jesus was doing what it was said He would do. It was the merging of time to bring about reconciliation of all things.

It's interesting that milliseconds prior to what would be publicized as a journey of the miraculous, Jesus says that it is not time, but then all of a sudden, it is! What was done in the past brought Jesus' mother to the understanding that He could

do something about their situation. All of a sudden we see the "was, is, and is to come" together in that moment. The past was making sense.

"...When Mary realized it, she came to Him and asked, 'They have no wine, can't You do something about it?' Jesus replied, 'My dear one, don't you understand that if I do this, it won't change anything for you, but it will change everything for Me! My hour of unveiling My power has not yet come.'

"Mary then went to the servers and told them, 'Whatever Jesus tells you, make sure that you do it!'

"Now there were six stone water pots standing nearby. They were meant to be used for the Jewish washing rituals. Each one held about 20 gallons or more. Jesus came to the servers and told them, 'Fill the pots with water, right up to the very brim.' Then He said, 'Now fill your pitchers and take them to the master of ceremonies.'" (John 2:3-8)

Hindsight Is 2020

Over the last 5 to 7 years, we as a Church, and as individuals, have endured many things, and have questions to go with those events.

The Lord shared with me that this coming year will bring much understanding to His people regarding the events that occurred over the last 5 to 7 years. Whether it was hardship or a time of celebration, it served a greater purpose in the very moment that it existed. He told me that hindsight is 2020, and that it will all make sense, and that what is and what was has been preparation for what is to come. Nothing was in vain.

A verse that the Lord keeps highlighting to me for 2020 is Luke 17:32: "Don't forget the example of Lot's wife and what happened to her when she turned back."

While it is tempting to want to look back, it is imperative that we do not, but instead, like Paul, we keep our eyes on the prize, which is Him and the reward we have in Him.

There is a reason why what is behind is behind you and that the Lord has moved you from that place and those people. If what was there was meant to be with you, it would be with you, so keep looking and moving forward.

AN UNPRECEDENTED, ACCELERATED, DEMONSTRATION AND
MANIFESTATION OF THE LORD'S JUSTICE by Lana Vawser

Numerous times in the last few weeks I have been having dreams and encounters regarding the justice of the Lord.

The most recent dream I heard the Lord saying "There is an unprecedented demonstration and manifestation of My justice upon the Church in this new era"

We have moved into the era where we shall see the greatest demonstrations of the justice of the Lord being made manifest in the earth like we have never seen before. In my most recent dream the Lord continued to speak about the gavel to come to bring down injustice and to overturn.

Some of the greatest injustices' that have happened in the lives of believers and in the earth are going to be overturned in this new era. I heard the words "I am bringing down the GIANT OF INJUSTICE"

These giants of injustice in the lives of believers and in the earth have been making more noise than ever before and that is because the gavel of the Lord is coming down swiftly. The Lord showed me that this move of His Spirit bringing forth an unprecedented demonstration and manifestation of His justice is going with great acceleration.

The Lord will not just be dealing with 'one area' of injustice, the Lord showed me the domino effect of injustice that has taken place in the lives of believers and in the earth, the Lord is now about to demonstrate His power on a scale we have never seen before where there will be an accelerated demonstration of the JUSTICE of the Lord overturning the injustices all at once.

I heard the words "Lifelong injustices will be SUDDENLY overturned"

"There will be DAYBREAK DEMONSTRATIONS of My justice" – when the Lord spoke these words the sense surrounded me so strongly of MAJOR injustices in the lives of believers and in the earth being SUDDENLY overturned in a day. These major demonstrations of His power to overturn major injustices is going to restore the fear of God in the church and cause the earth to tremble at the Majesty and power of God. The

Lord is going to demonstrate in powerful ways that He is the One who sits on high and He is the name above all names. He is the Mighty Victor.

I AM LAUGHING AT INJUSTICE AND WILL RELEASE THE GREATEST JOY MY PEOPLE HAVE EVER KNOWN IN THE AREAS WHERE THE INJUSTICE STOLE

"The One who rules in heaven laughs. The Lord scoffs at them." (Psalm 2:4)

There is going to be mighty demonstrations of the justice and dealings of the Lord against those who stand against the Lord and breed injustice. There will be a mighty demonstration of His power and His justice that will usher in the greatest demonstration of the fear of God that has ever been seen. The Lord is going to demonstrate His power that no one stands against the Lord Almighty. He is the God of life, the God of justice, the God of hope, the God of freedom and He is the God who is the defender.

The Lord showed me that there are MANY in the body of Christ who have been dealing with great injustice that has been caused to them from fellow brothers and sisters in Christ. The Lord showed me how He has been drawing these ones close to His heart and leading them deeper into Luke 6:28 "Bless those who curse you, pray for those who abuse you, to the one who strikes you on the cheek, offer the other also, and from one who takes away your cloak, do not withhold tunic either." But many have been in the spirit living under and being affected by the "injustice" and the Lord now coming in as the Mighty Defender to deliver His people from these affects.

"The Lord is your mighty defender, perfect and just in all His ways, your God is faithful and true; he does what is right and fair" (Deuteronomy 32:4 – GNT)

The Lord is coming and standing in the injustice that was caused and laughing at the injustice. As the Lord laughed over the injustice, His laugh was a laugh of victory. I could feel the Lord's compassion and love for what His people had walked through in the injustice and in the pain, but at the same time His laugh was SO LOUD that it filled me with joy. His laugh declared "The enemy thought he could stop you and steal from you in this injustice but I am bringing you into a land of harvest like you have never known. I am moving powerfully in your midst now to bring forth the greatest overturning of injustice in your life. I am releasing My justice over the injustice that was caused to you and I am bringing forth a TENFOLD RESTORATION and a DOUBLE PORTION of JOY! I am establishing My government in your midst and you will now be set free from the shackles of

this injustice and you will RUN into all I have for you and know joy like you have never seen before."

His voice continued to surround me:

"I am turning the page on injustice"

I then saw a very large book in heaven and the page is being turned and on the new page was the gavel of the Lord and the strategies of the Lord to bring forth His justice upon the earth.

DIVINE INTEL TO OVERTURN INJUSTICE

In this vision I saw Jesus standing over this book and He spoke:

"Come and see"

I watched as many in the body of Christ heard His invitation and began to position themselves in that place of intimacy with Him to hear and see the divine strategies that He is implementing in their lives and in the earth to see the injustices overturned.

The sense surrounded me that not only was the Lord about to demonstrate His power in an unprecedented way in the lives of believers and in the earth but there was also an invitation upon the Church right now to position themselves close to His heart to receive the divine intel of heaven in specific strategies to pray, to decree, to implement, to build that will partner with Him to see these injustices overturned.

It was the place of the people of God taking their place in governing like never before. It was the place of the people of God being awoken to their authority.

The vision then shifted and Jesus turned to the Lion of Judah and He opened His mouth and He began to roar. As He roared and those positioned close to His heart and in the place of receiving what was written in this book in heaven, they began to ROAR. There was a SYNCHRONISED ROAR that was being released into the earth and as I listened closely I heard the sound in the ROAR was "I AM CHANGING HISTORY!!!!!!!"

This declaration was coming from the mouth of God that He was changing history in the lives of His people and in the earth. What has been will no longer be. The injustices will no longer remain. But then what struck me was the roar of "I AM CHANGING HISTORY" was flowing as a declaration from the people of God too.

In the partnering with Him in how He is changing history in the lives of believers and in the earth, the people of God were being positioned in Him to OVERTURN and to CHANGE AND SHAPE HISTORY like never before.

That is what is at stake! That is what is happening! God is OVERTURNING and He is CHANGING and SHAPING HISTORY and bringing down these injustices that have raised themselves up against the plans of God in the earth.

The battle for many has been over them taking their place with the Lord to see these injustices overturned by the power of the Spirit. This is where everything changes.

The urgency of the hour is loud. It is critical that we as God's people are living close to His heart and listening to His voice and stewarding well that which He is asking of us because where He invites you and I to partner with Him to see these injustices personally and in the earth, overturned, is the place in this new era where HISTORY CHANGES and you get to be part of it.

"Word of the Lord for 2020: The Decade of the Dynamo"

Jane Hamon, Santa Rosa Beach, FL

"The voice of the Lord will shatter the Assyrians [the enemy]." (Isaiah 30:31, emphasis mine)

From the very beginning of God's interactions with man, He has always desired that His people, whom He created, would hear His voice. Jesus said, "My sheep hear My voice." This is for many reasons: fellowship, intimate heart-to-heart relationship with Him, fulfillment of Kingdom plans and divine purposes, strategies for advancement, strategies to defeat our enemies, and that we might know God's times and seasons so we can properly position ourselves in prayer and decrees to effectively cooperate with Heaven.

This is why prophets, at different points of the year, press in to hear from Heaven regarding the times and seasons we are entering in to, so that our faith and expectation can be focused on accomplishing God's agenda.

Right now, we are receiving revelation for a new year and for a new decade. Truly, there has been a consensus among many prophets that we

are not only entering a new decade, but a new era of Christianity in the earth; one in which we will contend to see God's Kingdom come and His will be done on Earth as it is in Heaven like never before. We are going from survival to revival, so look out, world, here we come!

The Decade of the Dynamo

In early September 2019, I awakened from a sound sleep to the clear voice of God saying, "You are entering the Decade of the Dynamo!" When looking up the definition of the word "dynamo" in the Merriam-Webster's Dictionary, I found two different meanings. First, a dynamo is "a forceful energetic person" described as a "fireball" or a "live wire."

In this, I hear God declaring, "I am filling you full of energy, passion and zeal, and breaking off every spirit of weariness, heaviness and confusion. You will be anointed with supernatural strength to accomplish every assignment. You are a force to be reckoned with! You will run and not be weary; you will walk and not faint!"

What a promise! So right now, breathe in God's life, health, strength and vitality...receive His supernatural energy that comes by being filled with the Holy Spirit.

The second definition of dynamo is more scientific. A simplified definition of a dynamo is a generator that produces direct current for power or electricity. How does this possibly tie into our spiritual experience for a new season?

The word "dynamo" is derived from the Greek word "Dunamis," which is found throughout the New Testament in many forms.

In Acts 1:8 (emphasis mine), Jesus spoke to His disciples before ascending to Heaven saying, "But you will receive power (Dunamis) when the Holy Spirit has come upon you, and you will be My witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth." Jesus was, of course, speaking about the in-filling of the Holy Spirit with the evidence of speaking in other tongues as we see in Acts chapter 2, which would empower the early Church to change the world and bring in a harvest of souls from the nations. Then, as now, the Holy Spirit within us becomes a power generator that releases the supernatural, and the results are signs, wonders, miracles and a harvest of souls.

"Dunamis," in Greek, is defined as the following: "Force, might, strength, ability, miraculous power, miracles, abundance, the power and might of an army, excellence of soul." By examining this word throughout Scripture, we find the outpouring of the Dunamis of the Holy Spirit releases miracles, revelation, faith, healing of hearts, minds and bodies, dreams, visions and prophecy, breakthrough, strength and vitality.

All of this should be present in the life of a Believer who has been filled with the Holy Spirit and is actively engaging in spiritual activities. Our prayers, whether with our spirit language or our understanding, become a power generator which causes the impossible to become possible, the weak to become strong, the poor to become rich, and which activates angel armies to fight on our behalf. You can create an atmosphere of victory over your life by the words you speak with your mouth!

5780 – The Decade of the Mouth

We have entered a new decade on two different calendars, the Hebraic and the Gregorian. It is the year 5780 on the Hebraic calendar and the year 2020 on the Gregorian. The word "peh," in Hebrew, carries the value of 80 and translates into "mouth." Peh is the 17th letter of the Hebrew alphabet and symbolizes victory! As we enter this new decade we will realize more than ever that the victory is actually generated from what comes out of our mouths!

- Dunamis power is generated when we pray in the spirit. Blessings (or curses) are generated by the words we speak out loud (Proverbs 18:21).
- Heavenly answers are generated or produced when we lift our voices in prayer. Mark 11:24, "Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them."
- Reading the Scriptures out loud generates faith. Romans 10:17, "So then faith comes by hearing, and hearing by the Word of God."
- Prophesying generates breakthrough over our enemies. The voice of the Lord shatters the enemy (Isaiah 30:31).
- Praise and worship generates victory. Psalm 149:6 (emphasis mine), "Let the high praises of God be in [our] mouth [peh], and a two-edged sword in [our] hand."
- Spiritual battles are won by the words we speak. Isaiah 49:2, "He has made my mouth like a sharp sword..."

- Decrees generate light to shine on our way (Job 22:28).
- Your spoken testimony produces the power to overcome every foe (Revelation 12:11).

What we say matters. We must stop cursing our situation with complaining and words of negativity and doubt. These, too, can become generators of things we don't want present in our lives.

Moses was 80 years old (peh) when he encountered God and was commissioned to deliver a nation and a generation...the whole conversation was about his mouth. Exodus 4:12 (emphasis mine) says, "Now therefore, go, and I will be with your mouth (peh) and teach you what you shall say." In a time of great contention and a war with words happening every day in our nation – in the media and throughout the earth – we must be commissioned as those who speak life and change our world. This will be a time of fresh commissioning for many who desire to see Heaven invade Earth.

We must plant the heavens with our words! "And I have put My words in your mouth; I have covered you with the shadow of My hand, that I may plant the heavens, lay the foundations of the earth, and say to Zion, 'You are My people'" (Isaiah 51:16 NKJV).

Decree

Decree: I am a Dynamo, a Powerhouse for God's glory, generating light to light up my world. I will be bold and courageous to bring in the harvest of souls. I am a nation changer and will stand my ground under pressure. My testimony will release revival! My words will change my world because the dynamo is in my mouth!

The Lord decrees, "You have entered a decade of amped-up, dynamic power encounters as you pray in the Spirit, acting as a human dynamo, a generator of God's presence, power and potential which will result in a mighty harvest of souls for My Kingdom.

"Watch the Middle East and Northern Africa. Watch North Korea and Southeast Asia. The places of great contending will become My places of great harvest. In the midst of great chaos and contention in this decade, you will face darkness and persecution, but My glory will rise on you. Decide now not to bend your knee to the pressure to conform to this world. It's time for

awakening and revival which will come by My power! You will find My Dynamis will cause this to be your finest hour!"

New Era "Expect radical advancement of my kingdom purposes in the nations of the earth"..says God. Veronika West

Today while worshipping the king of glory I heard the spirit say this..."Daughter in this "New Era" there shall be a greater outpouring of my glory which will bring about a divine distinction within the nations of the earth, watch! As a great separation will take place, wheat and chaff shall be sifted as my kingdom advances with greater acceleration and momentum in the days ahead, for surely I tell you this new era shall turn the nations upside down and inside out...", as I heard those words I saw the letters era and I heard the spirit say, "Era...expect radical advancement of my kingdom purposes in the nations of the earth".. Then I heard the sound of the letter 'e' and then the spirit of revelation spoke to me saying, "my Ecclesia shall arise and shine with greater expectation which will bring to birth even greater manifestations of miracles, signs and wonders...watch and pray my beloved!...for this will be an era of the extreme, the extraordinary and even greater exploits, my kingdom shall expand and increase, many shall receive supernatural elevation, divine exchanges and deeper encounters with my glory. Ha! Get ready...for greater demonic exposures will be seen both in my house and the houses of government, sudden and severe earthquakes and eruptions both spiritually and naturally...shall take place that will shake and shift the nations and bring many to their knees...", then I heard the sound of the letter 'r' echo in the realm of the spirit, and I heard these words, "repentance and the returning of the prodigals, restoration, recompense and kingdom reformation shall be seen, even greater revelation and vision shall be released to the surrendered ones, greater riches and wealth transfer shall break the stranglehold of lack and a poverty mindset.

Watch! Beloved as a mighty remnant will rise in radical obedience and sacrifice prepared and empowered for such a time as this, watch and stay vigilant in this hour...as divine retribution and the rule and reign of my righteous judgements and justice is executed in the nations of the earth, but!

Fear not as reformation and revival springs forth and divine reversals and seven fold restitution comes to those who walk uprightly....” Then I saw the letter a in the realm of the spirit and the spirit of lord said, “listen! For the sound of my trumpet heralds a great awakening in the earth as my end-time army arises with greater apostolic and prophetic power and authority to shift and reshape many nations, see! For a divine acceleration will be upon the lips of my people as I take them higher and deeper, daughter...watch!

As the secret place becomes an even thinner place as many will begin to experience greater angelic visitations, and in awe their mouths shall be opened wide I shall fill them with royal announcements and decrees that will carry the weight of my glory upon them. Even now there is a holy hungering and thirsting that is invading the atmosphere creating a tipping point for greater breakthrough, setbacks shall become divine set ups, a launching pad to even greater kingdom adventures and new discoveries in the realm of the spirit. Yes! My hand now moves to bring forth divine connections and strategic appointments for a greater kingdom advancement is now taking place in the nations of the earth”...!

The “door” that leads to greater realms and deeper dimensions of his glory

The “door” that leads to greater realms and deeper dimensions of his glory...”But watch! For only those with clean hands and a pure heart can enter in”, says the spirit of god.”

Well today I was in a powerful meeting where I was gathered with some regional prophets and intercessors seeking the face of god for the year ahead....and during worship I was taken into the realm of the spirit where two doors appeared before me!

“Two doors...old and new...”!

The first door I saw was wooden and looked ram shackled and I knew by revelation that the wooden door represented an old era....and I watched as the door was dismantled and totally demolished...but as the door of the old season disintegrated before me so a new and greater door suddenly appeared in its place...a door which was made of solid gold, and above the door were the numbers ‘2020’...!

Now as I looked at the numbers (2020) immediately the spirit of god spoke to me saying, “a new era...behold the door that leads to the greater realms and deeper dimensions of my glory”..!

Door...!

As I heard the voice of the spirit of revelation speak those words, I saw the word 'door' come up before me and the letters of the word began to move and shift and the two 'Door's came together forming what looked like "two eyes" and then suddenly I heard these words, "come up higher and see....for even greater vision will be released to those who will come up higher"....and then I saw the letter 'd' stand before me and I heard these words, "double portion, divine encounters, the greater realms and deeper dimensions of my glory" ...then I saw the letter 'r' begin to spin...violently around and around and I heard these words, "and now an acceleration of kingdom restoration and reformation is taking place in the nations of the earth"..!

"2020"

As I heard those words my vision was shifted and again I found myself standing before the door of solid gold and the numbers "2020" were brought before me and as I looked at the numbers they too began to shift and change and the two zero's also became two eyes '00' and I heard the spirit say, "an new and greater era of revelation through vision, for eyes have not seen, ears have not heard and minds have not conceived what I have prepared for those who love me"..,then I saw both of two's coming together '22' and I heard these words, "a kiaros time, an appointed time of greater revealing, yes! For the deep and hidden mysteries of my glory shall be released to those who have eyes to see" ..!

From a mere glimpse to gazing...!

On hearing those words I looked again at the solid gold door which was slightly ajar, and (my eyes were able to catch but a glimpse of the glory which lay behind the heavy solid gold door) a bright, white and radiant light shone through the small crack in the door and as I stepped a little closer my right hand came up to touch the door and suddenly the spirit of revelation spoke to me saying, "behold the door of revelation...but only those with clean hands and a pure heart shall enter in.....for many have had a mere glimpse of my glory but now they shall gaze upon my glory....watch! For in this realm divine exchanges are taking place, supernatural change and transformation comes in the twinkling of an eye"..!

Clean hands...pure hearts..!

As the spirit spoke I immediately began to take inventory of my own heart....I cried out..."Father give me clean hands and purify my heart that I may enter in, take me higher, lead me deeper, I am not satisfied with a mere glimpse of your glory but my heart's desire is to gaze upon your glory, that I may be changed and fully transformed, father...take me higher, from one level of glory to another level of your glory, cleanse and purify me that I may enter in through the door of revelation to taste and see"..!

Carriers of the fires..of his glory..!

No sooner had I prayed those words, I saw a fire come before me, a consuming fire....and I heard the spirit say, "no longer will my people be satisfied with just seeing the fires of my glory, and feeling the fires of my glory but now they will step into the fires of my glory, for long enough they have been spectators of my glory, now I call them to be partakers of my glory, for a fresh baptism of fire shall fall and they shall become carriers of the fires of my glory to the ends of the earth"....!

2020s Will See Realigning of Nations, Political Parties and Churches
Jennifer LeClaire

We're in a new era—and not just in the church. The 2020s will see the beginning of what in some sense you could call a global realignment.

We'll start seeing the realigning of nations, political parties, and churches and that process will extend throughout the decade and even beyond. Some of those realignments will be marked by violence. Others will bring greater peace.

One of the first will be the realignment of Great Britain. I prophesied several times since 2016 that Brexit is the will of God for the United Kingdom. The UK will serve as a forerunner of national realignment as Brexit—the British Exit from the European Union—is completed.

Global political power will shift. The United States will wane in global influence unless the church in America rises up in prayer and restores the foundations of Christianity. Meanwhile, China will continue its rise in power in attempts to rival the U.S. and usurp our authority as the policeman of the world. Islamic nations will push for power through violence, which is nothing new, but more horrifying violence is planned.

All of this is positioning the world to see a fuller manifestation of Matthew 24:6-8, in which Jesus said:

“And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows.”

I'm not an end-times prophecy expert, but I can say with assurance that the global realignment of nations is setting us up for that those final days.

Political parties will also realign. You'll see Democrats jump ship to become Republicans. You'll see value shifting in party platforms. You'll see many unlikely candidates from societal mountains that have nothing to do with government politic for power. Some of those candidates are sent by God and others sent by the enemy to jump on the new era political bandwagon where anyone can and will run for office on various levels of government.

We will also see realignment in churches. Mega churches as we know them will start waning in popularity over the next decade as people look for greater connection. Those

who realign with a family focus that puts faces over numbers will survive and thrive and ultimately birth many smaller churches where true community can be sustained.

The church at large will see a clear line drawn between those who allow the Holy Spirit and in and those who shut Him out. Seeker-friendly churches will serve the purpose of drawing in the lost, but will not sustain revival with a robotic flow that leaves no room for the Spirit of God to move in power. As 1 Corinthians 4:20 says, "The Kingdom of God is not in word but in power." The Passion Translation puts it this way: "For the kingdom realm of God comes with power, not simply impressive words."

For All Who Are 60+...The Lord Has a Word for You! Kathi Pelton

Recently I was speaking to someone who is in his early 60s and I said to him (by the Spirit's prompting), "In 2020 your 60a will be like your 20s again!". (I guess that means those who are 70 will be like 30.. That will work for me, WB).

I literally saw his "youth renewed." As I spoke these words, the Spirit is the Lord landed on my words and showed me that this will come upon the 60+ year olds who are still "running with the Lord."

I saw that a weariness and fatigue of age was weighing them down, but suddenly the words from Isaiah 40:28-31 will come upon them and renew them!

"Have you not known? Have you not heard? The everlasting God, the Lord, the Creator of the ends of the earth, neither faints nor is weary. His understanding is unsearchable. He gives power to the weak, and to those who have no might He increases strength. Even the youths shall faint and be weary, and the young men shall utterly fall, but those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint."

You will have the wisdom, maturity and experience of your natural age but you shall run and not grow weary, walk and not faint! 2020 will restore the strength of your 20s while retaining the wisdom of your years. Many will say, "60 is the new 20!" It's the best of both!

God is breaking off the battle weariness and the soul weariness from years of plowing the ground. He is cutting off restraints from the past and giving new vision, new strength, new hope and new joy for the days ahead. The joy of the Lord will propel you further than any other thing. There is angelic help that will cause you to be able to do as much as the "twenty-year-old you." There is a rest in the Lord that will clear the way ahead of you and allow you to feel like you are walking on level ground, even while ascending a mountain. You are going up higher without effort.

Many of you have sacrificed your dreams and your youth to prepare the way for your children and your children's children. You have worked tirelessly! But watch how God causes it now to benefit you! You did it for them but you will now reap a great reward! It's not too late to dream!

Get ready for revitalization! You are not nearing an end but rather entering a new beginning, a new strength, a new wind and a new joy!

I HEARD THE LORD SAY "PEOPLE OF GOD IN THE UNITED STATES OF AMERICA, CAN YOU HEAR THE SOUND OF REFORM?" by Lana Vawser

Recently I heard the Lord say "People of God in the United States of America, can you hear the sound of reform?" As the Lord spoke this, there was a deep sense that surrounded me of the invitation upon the people of God in the United States to have their ears on His chest and listening to what the Lord is speaking and governing from their heavenly seat (Ephesians 2:6) and living in the reality of what the Lord is speaking right now (Matthew 4:4)

When the Lord spoke this I felt strongly to look up the word REFORM.

REFORM DEFINITION:

"To make changes in (something, especially an institution or practice) in order to improve it.

SYNONMNS: improve, make better, refine, mend, rectify, correct, alter, change, adjust, adapt, amend, revise, reshape, refashion, redesign, restyle,

revamp, renovate, rework, remake, make over, reorient ate, transform, convert, tailor, and reorganize. (Google)

I heard the Lord say:

“Can you hear the sound of REFORM? Do NOT CONFORM”

Romans 12:2 then resounded loudly around me:

“Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.” (ESV)

As I continued to seek the Lord on what He was saying, I heard the Lord say:

“People of God in the United States of America, this is the era of the UNEXPECTED. This is a time to be living close to My heart and listening to what I am saying for a move of My Spirit to bring forth mighty REFORM is coming. There is a mighty spiritual battle taking place right now attempting to bring My people into a place of conforming to things that are not in line with what I am saying and what I am doing in the United States of America right now. It is crucial right now to be aligned with My Word over the nation and to be listening to what I am saying. For the enemy is attempting to bring My people into a place of conforming and to a place of COMPLACENCY. There is a lure of the enemy right now over My people in the United States to CONFORM in COMPLACENCY and be lulled back to sleep, when I am calling My people to arise like never before in the heavenly strategies, blueprints and keys of divine insight that I am releasing in the body of Christ right now to see the greatest divine REFORM of the nation take place.”

A vision opened up before me and I saw a HUGE portal open up over the United States and the Lord spoke to me that it was the greatest invitation that has been opened up over the nation for God’s people to step into HIS WISDOM.

“If any of you lacks wisdom, let him ask God, who gives generously to all without reproach and it will be given to him.” (James 1:5)

I then saw Daniel 2:22 written in fire before my eyes:

“He reveals deep and hidden things; he knows what is in the darkness, and the light dwells with him”

As the Lord showed me this huge invitation for the people of God in the United States of America to step into a level of unprecedented revelation of His heart, His Word and His wisdom, the Lord spoke again:

"This is the posture of receiving and walking in the greatest realm of divine wisdom that I am releasing from My Word, to see the wave of My reform crash into the nation that will usher in the greatest demonstration and revelation of My Glory and power that has ever been seen."

THE PEOPLE OF GOD ON THEIR FACE

I then had a vision and I saw a mighty wind of the Spirit blowing across the body of Christ in the nation and in the sound of His wind I could hear the invitation of SURRENDER and SENSITIVITY.

I watched as many heard the sound of His wind and the invitation in His wind to surrender to Him, to seek Him and to cry out to hear what HE is doing in this new era, what HE is saying and to follow in HIS wisdom and agenda

Thousands, upon thousands, upon thousands of God's people fell to their knees and on their faces crying out to the Lord for His heart and His wisdom for their nation. There was such a strong sense in the spirit in this vision that it was a total surrender to the Lord's WAYS and how HE wanted to move in the United States of America. It was a laying down of agenda, it was a laying down of telling God HOW He was to move in the nation and a desperate cry to the Lord to reveal HIS WAYS in this new day and then partnering with Him in all He is doing in the nation. It was in that place that the people of God were living up higher and living above any attempt of the enemy to conform in ANY way to anything that was in contradiction to what the Lord was saying and doing.

In this vision I then began to see many in the body of Christ were also beginning to stand up across the nation, but this "standing up" wasn't a "standing up" that was pure and holy, it was a standing up of PRIDE. It was a standing up and almost standing against the ways of God and His wisdom in this new era. It was a stand against the Lord's wisdom by standing in 'man-made/earthly wisdom'.

I then heard the words:

"It's the time of AWE. It's time for My AWE to be displayed in the nation. I am going to bring forth My AWE in the United States of America in ways that have never been seen. I will cause the United States of America to tremble at My awe and My power. My people I am calling you to posture yourself face

down in surrender before Me and know My ways and live in sensitivity to Me and My Spirit through your surrender to Me. For the offense of the mind and heart will greatly increase in the body of Christ in this new era if you do not have eyes to see and ears to hear. I am bringing forth a RUMBLING and TUMBLING in the nation but My people you MUST be positioned in humility."

As I continued to seek the Lord's heart, I heard the Lord say:

"I have found great pride in the United States of America. I have found great pride of man standing against My wisdom and My ways and much of this pride I have found within My people. I am calling you My people to examine your hearts and your surrender to Me and My ways for this new era through your expectations and agenda. I am calling you to a place of deep humility and maturity where you will embrace My ways and My Word even if it doesn't fit your agenda, your expectation or your timing. For this is the era where I will deal with pride in the nation of the United States of America, and I will deal with the man-made wisdom that exalts itself against the knowledge of who I am. I have found this exaltation of man-made wisdom in the body of Christ in the United States of America, I have weighed you and found you wanting and I am calling My people to repent and to come up higher into My wisdom through surrender."

"The greatest days of AWE are upon the United States of America. I am going to move in power. These are the days of My MIGHTY ACTS to be demonstrated and displayed like never before. My mighty acts are going to leave mouths open, jaws dropped and there will be a mighty demonstration that I am the God who sits in the heavens and laughs at the plans and wisdom of man. Those who know Me and know My ways will rejoice in My mighty acts and the major demonstrations of My power but those who do not know Me and know My ways will be terrified by the mighty demonstrations of My power. I am the King of Glory! I am the King of Kings and the Lord of Lords. I am coming in power. I am coming to restore the awe. I am coming to restore the wonder. I am coming in power, and I am coming to bring forth the greatest reform in the nation of the United States and in the body of Christ in the nation. It's time for purification. It's time for deep purification. This deep move of My Spirit is coming in greater increase to purge, prepare and to separate.

I will bring a separation between what is of Me and what is not of Me. I am moving in power in the body of Christ in the United States of America to

bring purification. There is such a battle right now over the body of Christ in the nation to CONFORM and this ferocious attack and wave of deception that is attempting to blind many is taking ground in many areas because there is a pride in the heart of many that are standing against My wisdom and My ways and My agenda. There is complacency as to who I am and My ways and I am bringing a shaking to bring My people up higher. Judgment is beginning in My house. I am calling My people to lay face down. I am calling My people to lay face down in repentance of pride. Out of My love I am inviting My people to the place of repentance, humility and maturity in seeking Me and knowing Me and MY WAYS in the nation rather than exalting man-made opinions or wisdom. My Glory is coming that will cause the body of Christ to be facedown. To those who know My heart the RUMBLING and TUMBLING that is coming will be glorious, it will bring great joy to their hearts, but to those who do not know My ways and have pride filled hearts, the lack of understanding and revelation of who I am, in this new era will cause a terror upon their hearts."

MY WORD IS COMING LIKE A SWORD IN THE BODY OF CHRIST IN THE UNITED STATES OF AMERICA

In this vision I saw Hebrews 4:12 being branded over the body of Christ in the United States.

"For the Word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart." (ESV)

"The Sword of My Word is coming in greater force and power in this new era upon My people in the United States of America in this new era that is going to pierce and bring a divide of the soul and spirit. I am bringing and will continue to bring an exposure of the heart and of the intentions of the heart in many, because many of My people are being led by their soul and not living by My Spirit. They are being clothed in deception and a 'dullness' of hearing because they are being led by their soul and walking in pride. I am calling My people deeper into the Word of God in this new era and being in My Word, My Spirit will prepare you for all I am going to do in your life and through your life in this new era and prepare you to take your place in all I have called you to, in My plans for the United States of America. For the move of My Spirit in the nation will be of such power and in so many ways will seem so unexpected in the ways that I move for those who do not have

eyes to see and ears to hear, that I am calling you to prepare yourselves now. I am releasing an urgent call upon you My people to prepare yourselves NOW for I am about to move in such acceleration, I am coming whether you are ready or not, but I am calling you out of My love to BE READY to partner with Me in the greatest move of My Spirit that you have ever seen in the nation."

"Embrace My Sword that is coming. My Sword is coming out of My kindness to PREPARE YOU to carry all that I am going to release. These are the days of AWE upon you My people and upon the United States of America. It's time to arise in SURRENDER. It's time to embrace My Sword and embrace My wisdom and move with Me in obedience. I am exposing all things that are not in line with who I am and My plans for the nation. It's an urgent moment for the United States of America and I must correct My people to call you higher into all that I have for you and for the nation."

I AM CALLING YOU TO DECISION MY PEOPLE

I heard the words:

"It's time to decide My people. It is time to position yourselves in humility. It's time to be people who walk in My truth. It is time to embrace My Spirit in the dealing of the heart and allow Me to purge and bring forth purity. It's time to fall in love with My Word again and fall out of love with your own opinions and man-made ways. You have become dazzled by your own wisdom and it's time to move into the place of being AWED by MY WISDOM! It's time to seek Me and know Me like never before. For those who know Me deeply and intimately as My friends will recognize My move in the United States of America in the unexpected ways in this new era. Oh the Glory of My name that shall be revealed. Oh the signs, wonders and miracles that shall be displayed in this new day.

Oh My love that will be demonstrated and revealed. Oh the harvest that shall be! Oh the many, many, many souls that shall come to know Me. Oh how My name will be lifted high in the nation. Oh the demonstration of My justice that shall be seen. Oh the power of My name to bring down principalities and powers that shall be seen. Oh the glorious move of My Spirit that is upon the nation. But I am releasing the sound of warning upon you My people. Get serious! Come into My presence and allow Me to examine your hearts, allow

Me to bring you higher into My wisdom and allow me to teach you My ways and teach you to govern from your heavenly seat (Ephesians 2:6).

"Search me, O God, and know my heart! Try me and know my thoughts! And see if there be any grievous way in me, and lead me in the way everlasting." (Psalm 139:23-24 ESV)

"Where you have fallen in love with your own opinions and wisdom, there is a deeper issue that has taken place My people, you have forgotten your first love. It is time to RETURN! It's time to REPENT and RETURN!"

"But I have this against you, that you have left your first love." (Revelation 2:4 NASB)

"Many of you want to see change in your nation but you are not allowing My Spirit to change your hearts by laying down your pride, your love of your own opinions and agenda. Repent and lay it all down and come into your greatest days of knowing My wisdom, then you shall truly know what it is to govern from your heavenly seat in victory. Do not be like the Pharisees who were in love with their own ways and opinions and exaltation of their wisdom, or you will miss the move of My Spirit even when it is right before your eyes.

It's time to get serious. Allow the conviction of My Spirit to burn deep within you, repentance will bring you into alignment with what I am about to do and humility position you to be carried in this wave of unprecedented acceleration of My Spirit in the nation and bring you out of the deception that has tried to entangle you. The greatest days of AWE are upon the body of Christ and the United States of America. It's time to PREPARE and POSITION!"

Shevat 29: 5780, (Monday) February 24, 2020
(517 BC) – Zechariah's prophecy (Zechariah 1:7-16)

Zechariah 1:7-16 Amplified Bible (AMP)

Patrol of the Earth

⁷ On the twenty-fourth day of the eleventh month (Feb 15, 519 B.C.), which is the month of Shebat, in the second year of [the reign of] Darius, the word of the LORD came to Zechariah the prophet, the son of Berechiah, the son of Iddo, as follows: ⁸ In

the night I saw [a vision] and behold, a Man was riding on a red horse, and it stood among the myrtle trees that were in the ravine; and behind Him were horses: red, sorrel (reddish-brown), and white. ⁹ Then I said, "O my lord, what are these?" And the angel who was speaking with me said, "I will show you what these are." ¹⁰ And the Man who stood among the myrtle trees answered and said, "These are the ones whom the LORD has sent to go throughout the earth *and* patrol it." ¹¹ And the men on the horses answered the Angel of the LORD who stood among the myrtle trees and said, "We have gone throughout the earth [patrolling it] and behold, all the earth sits at rest [in peace and free from war]."

¹² Then the Angel of the LORD said, "O LORD of hosts, how long will You withhold mercy *and* compassion from Jerusalem and the cities of Judah, against which You have had indignation *and* anger these seventy years [of the Babylonian captivity]?" ¹³ And the LORD answered the angel who was speaking with me with gracious and comforting words. ¹⁴ So the angel who was speaking with me said to me, "Proclaim, 'Thus says the LORD of hosts, "I am jealous [with a burning, fiery passion] for Jerusalem and for Zion [demanding what is rightfully and uniquely mine] with a great jealousy. ¹⁵ But I am very angry with the nations who are at ease *and* feel secure; for while I was only a little angry, they furthered the disaster [against the people of Israel]."' ¹⁶ Therefore, thus says the LORD, "I have returned to Jerusalem with mercy *and* compassion. My house shall be built in it," says the LORD of hosts, "and a measuring line shall be stretched out over Jerusalem."'

ARE YOU FACING RESISTANCE CROSSING OVER? THIS IS YOUR BREAKER
MONTH NOT YOUR BREAKING! Nate Johnston, January 6, 2020

I have a word specifically for those who have come into 2020 feeling intense resistance and still needing some major things to shift and move into position, for doors to open, and for breakthrough to come especially in 11th-hour situations.

AWAKE, AWAKE, AND SHAKE OFF THE DUST!

A few days ago I felt a heaviness people were feeling. It was a spiritual assignment of lethargy, weariness, and even burnout from the past season. People have crossed over, eager to experience the new God has for them but are just straight up too tired to fight

and battle anymore and after already facing some significant setbacks and obstacles have been feeling defeated and some like they are headed for breakdown.

The Lord asked me to prophesy through Isaiah 52:1-2;

“Beautiful Zion put on your majestic strength! Put on your glory garments! Arise and shake-off your dust! Break off your shackles of bondage from your neck!” (Paraphrased)

Then I heard the Lord say “This is not their breaking month, this is their breaker month!” So I prophesy that over you right now – the weariness must lift off you right now and you are going to feel new strength come upon you! Jesus your breaker has gone before you to clear the road in this new season!

“The One who breaks open the way will go up before them; they will break through the gate and go out. Their King will pass through before them, the LORD at their head.” Micah 2:13

MOVING PIECES, CLOSED DOORS, & NEW PATHWAYS

I have been sensing the sudden merging and converging of many pieces, the old era and the new and where they cross-section and how many are anxiously trying to navigate this new season and wonder how it will all come together. I have also sensed that many have been experiencing closed doors in areas they never imagined would be blocked, which can be hard when you place a lot of hope and expectation on a particular door. But you need to know that God didn't lead you that way to tease you – He just has a better way of getting you there or a better door for you that may not be seeing right now. A week ago I received an email that was a closed-door for something I was banking on and instantly remembered Isaiah 43:19;

“I am making a way in the wilderness” Isaiah 43:19

Within a day that particular expectation turned around through another route. Many are facing closed doors right now and feeling crushed by disappointment but watch as God makes a way in the wilderness for you. A different route. A different door. An avenue or angle you didn't think of or expect. What if He is protecting you and preserving you so you can walk in a new pathway He has created for you?

I CAN HEAR THE SOUND OF HOOVES – THE REINFORCEMENTS ARE HERE!

I was in worship last night praying over my nation and the current fire crisis when I heard the thundering voice of the Holy Spirit tell me to stand to my feet (I was laying down worshipping previously) and as I did I began to feel a rumbling underneath my feet and heard the sound of a stampede. Then I saw in the spirit that down underneath my feet or just below me was a stampede of horses and chariots charging at such a high speed. I didn't know what I was seeing at first or why I was seeing it until I felt something suddenly break in the spirit as if something blocked had come unblocked and something that was in contention was suddenly released. I saw the prayers of those praying for our nation and the Lord was releasing angels to assist the situation.

But I knew that what I saw was not just for Australia, this was the horses and chariots of God's angel armies who were the reinforcements coming with the sole purpose to BREAKTHROUGH where there was TERRITORIAL RESISTANCE.

DO YOU SEE? THERE IS MORE FOR YOU THAN AGAINST YOU!

I was reminded of 2 Kings 6 where Elisha opens the eyes of his fearful servant and he saw the hills and mountains full of horses and chariots because it seemed like the battle was going to be lost – in the natural...

What can you see right now? Are you looking at the battle through the natural or in the spirit? I feel as though this month God is RECALIBRATING us for this new decade. We MUST see differently. We have to have different eyes. What 11th-hour problems do you face right now? What dire situation is looking like it could be your ruin? LISTEN for the hooves, LOOK for the chariots... you are not on your own! In fact, I ask the Holy Spirit to open your eyes in Jesus' name!

YOUR ROAR IS YOUR BREAKTHROUGH!

On New Year's Day I had a special moment with the Lord. I was on my porch talking to him and thanking Him – because a year ago I personally walked through one of my life's most painful experiences which almost took me out. Suddenly I heard (on the inside of me) a terrifying roar from the Lord. It was a roar of justice and vindication, of setting things right and redeeming what was lost.

The church is finding its roar in this decade and we will be a mighty voice and sound in the earth, roaring over every injustice we see and righting it. But I want to highlight that RIGHT NOW that roar is your weapon against the doubt, fears, and injustices you

see around you. There is a roar coming through you in this season that will DISARM every attack and cut off access to every violation trying to stunt your growth. This is the month you feel the breaker anointing of the roar of Judah burst out THROUGH you and stop the enemy in his tracks.

Watch as his roar BREAKS every hindrance and every obstacle this month. Watch as His roar pulls you into the new day we are in, and separates the old. Watch as it sets a new standard of outcome in your life where you have only seen loss and defeat because the Lord is breaking your ties with the past season and breaking through for you so you can break out! Watch this month as God BREAKS OPEN the way for you in ways you didn't expect in Jesus' name!

Again I want to give special thanks to all who contributed to this prayer guide: The Amplified, King James, New American Standard and Passion versions of the WORD of GOD were used in this study. Words of Prophecy from: Lana Vawser, Chuck Pierce with Robert and Linda Heidler, Bill and Marsha Burns, , Inspiration Ministries, Judaism 101, Lanny Swain, Joe Joe Dawson, Cindy Jacobs, Pat Francis, Kathi Pelton, Kat Kerr, Sylvia Bekker, Wendy Alec, Robert Hotchkin, Sanjna Maktob, Leslie White, Hakeem Collins, Larilei Cooley, Jessie Swamp, Kenneth Copeland, Nate Johnston, Veronika West, Westley Roderick, Jane Hamon, Jennifer LeClaire, The Elijah List, art by James Nesbit, John Rockwell, and myself with additional quotes from sermons and the book "A Time To Advance" by Chuck Pierce with Robert and Linda Heidler.

I encourage everyone to go to the Elijah List website as well as each author to see a complete list of the works of each contributor. The Republic Prayer Guide is just that, a daily devotional consisting of the WORD OF GOD as well as prophetic insight from multiple contributors reposted for HIS Glory. The Republic and Chaplain Wade Butler do not make or receive and remuneration for this publication as this work is just passing on the great insight of so many contributors.

Blessings and enjoy,

Dr. Wade Butler, Chaplain
