

The Biblical Month of Kislev 5781: Chaplain Wade K. Butler

Each new month is packed with Revelation, Wisdom, and our LORD showing us things we did not know. Jeremiah 33:3 'Call to Me and I will answer you, and tell you [and even show you] great and mighty things, [things which have been confined and hidden], which you do not know and understand and cannot distinguish.'

Every month I research the scriptures, new authors, text, and art for the month. Every time I am amazed. This month the celebration is "Chanukah" or Hanukkah as we would say it. I don't generally push new resources separately but I feel compelled to mention several of those who are featured. Menachem Posner is the Hebrew author this month. His writing on Kislev and the twelve key points is excellent. As always Chuck Pierce, Dutch Sheets, Lana Vawser, the Johnston's, Veronica West and many more are included.

Pat Frances: Powerful Peace

"And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Yeshua." (Phil. 4:7).

Peace is powerful and because it is powerful there can be resistance that requires a battle to obtain peace. In King Arthur's story of the First Knight, the king had fallen in love, was about to marry, and was looking forward to enjoying a season of peace and celebration in Camelot. He was suddenly threatened by an enemy who was seeking a violent overthrow of Camelot. When the King was asked if he would go to battle, he replied, "Sometimes to have peace you must first fight a war."

Powerful Peace:

- 1) Has a Prince and King. "For to us a child is born, to us a son is given, and the government will be on His shoulders. And He will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace." (Is. 9:6). Yeshua Christ rules in His Kingdom of Glory and Peace.
- 2) Is a gift to you. "Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27).
- 3) Is always with you. Yeshua ministered and encouraged His disciples after His resurrection, "Again Yeshua said, "Peace be with you! As the Father has sent me, I am sending you." (John 20:21).
- 4) Will guard and protect you. "And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Yeshua." (Phil. 4:7).

Yeshua fought for and won your peace. You have Powerful Peace in and with you. Guard it and preserve it even as God is guarding and preserving you.

Kingdom Declaration:

I have God's Powerful Peace in me to guard my heart, my mind and my life.

Read the Bible in One Year: Isaiah 37-38; Colossians 3.

Lana Vawser Ministries

The bible tells us in Daniel 2: 21 that God changes time and the seasons: he removes kings, and sets up kings. Get ready for a DIVINE REPOSITIONING. God is turning things around for you and your position is changing. The enemy and those who has been sitting on top of your promotion and success can no longer stand against you. God is about catapulting you to positions where you will have to be listened to. Yes, the

same God who turned Joseph's life around, who repositioned an orphan like Esther to a position of a Queen and who promoted a shepherd boy like David to a position of a king says you are the NEXT in line for a PROMOTION. Beloved, your time and season has come and no weapon formed against it shall prosper in Yeshua name. Amen and amen.

The Last of November and all of December are going to be troubled times so we need to be at peace and rest while at the same time we need to be Ferocious and Focused in our faith. Reports by Q, X22 and more importantly the Men and Women of God are all saying be prepared physically and most importantly spiritually. The war waged by our enemy is only going to get more heated through his minions in the media. The Prophets have declared it and God has confirmed it, Trump is our Cyrus. He will be re-elected and the deep-state is going to sink in their own swamp. Sit back and see the Mighty Hand of our LORD at work! Get ready for the Harvest; it is getting ripe and ready to be brought in.

The Third Month of the Spiritual New Year and the ninth of the twelve months of the Hebrew physical calendar.

Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.

In developing this calendar prophets are used to bring current words from the LORD. Additionally publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors are included. 1 Thessalonians 5:20 Do not spurn the gifts and utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

The Hebrew Month of Kislev

Kislev is best known for the holiday of Chanukah and the New Year of Chassidism.

Last Night of Chanukah - By David Asher Brook

Kislev (or Chislev) is the ninth month on the Jewish calendar, counting from Nisan. It is best known for the holiday of Chanukah, which begins on 25 Kislev. The message of Chanukah is the eternal power of light over darkness—good over evil. Aside from commemorating the miraculous victory of the small Jewish army over the mighty Syrian-Greek empire, Chanukah celebrates the miracle of the oil. When the Jews sought

to light the Temple menorah after the war, they found only one small jug of pure oil. Miraculously, the one-day supply burned for eight days, and the sages instituted the eight-day festival of Chanukah during which we kindle the menorah nightly.

Kislev is the month of Hanukah, called the festival of lights.

Divine Light

The light that comes from fire is dependent on the burning and destroying of something else. Divine light, however is self-derived. At the Burning Bush, Moses encounters Divine light. It shines like a fire, and yet the bush is not consumed. This light doesn't necessarily take away the darkness—it somehow shines within the darkness. This is the "*Ohr HaGanuz*", the 'Hidden Light', the Divine light that burns within the darkness of Creation, yet doesn't consume Creation. It is the light of Hanukkah revealed in the darkest nights of the year and the darkest times of exile. Thus, the small jug of oil lit by the kohanim didn't consume any oil.

When people are inspired they can rise to meet great challenges. These are times when the pure "oil" of a person's soul shines brightly. Sadly, however, such peak experiences of inspiration wane, and most people return to the comfort of darkness.

The "miracle" of Hanukkah was that the Jews were able to shine brightly for eight nights, extending beyond the natural cycle of a week. If Hanukkah began on a Sunday, the last night was also Sunday again, and yet they were illumined as if it were the first night. The brilliance actually filled them throughout the whole year, and therefore they established that the inspiration and illumination of Hanukkah would continue to manifest every year, for all generations.

The name Kislev derives from the Hebrew word for "security" and "trust."

Both are found in the month of Kislev. Hanukah reflects the active, in the war of liberation led by the Hashmonaim (Maccabees). This small group of guerilla warriors stood up to the mightiest nation of the time, Greece. They did not fight for independence; they did not fight to avoid the tribute demanded by the Greeks. They fought for religious freedom. Unlike the terrorists who struck in Mumbai, who fight to inflict their perverted views on others, the Hashmonaim fought only for the right to worship in our own way. See more below!

Kislev is also a month of rest.

It is the month in which the days are shortest and the nights are longest and there is a sense of sleep. In much of the USA the earth rests under a blanket of snow. Good rest reflects an intrinsic trust, trust in Hashem. Our morning blessings begin with the words "Thanks (G) for returning my soul!" We wake with a gentle acknowledgement of the trust that allows us to drift into soulful rest.

In this month of tranquility and peace; even in the midst of warfare, you will have peace. Many people do not understand this aspect of warfare. This simply means that in the midst of the warfare, you are on the offensive so that you have peace in the midst of conflict. When we get tangled up and get out of our abiding place, we get into trouble.

This is the month of dreams and night visions. Through the year the Lord has been pouring things into you, then all of the sudden He draws them out through dreams. Sometimes that is the only way He can communicate with you. You have pressed through and then you fall asleep. This is when He can begin to stir up revelation. This is also a month to review your sleeping patterns so that you will be healthier in the year ahead.

This month is a time to let the river of God flow from your innermost being. There is a great relationship between tranquility and fullness. If we don't relate to our inner being correctly, we cannot enter into fullness. When your river starts flowing, you can enter into your next measure.

The sense attributed to Kislev is sleep. Kislev is the month in which the shortest days and longest nights occur. It is not unreasonable therefore that the sense attributed would be sleep. The sense of sleep is the tranquility and restfulness that comes with the security that comes from faith. It is written in the blessings at the end of Leviticus (26:5-6): "And you shall dwell securely in your land. And I shall give peace in the land, and you shall lie down without fear...." This is the dream and hope that we carry even in the darkest of months, the darkest of times.

When one releases the tensions of the material world in trust, good dreams follow. Good dreams at night reflect good thoughts throughout the day, especially the optimistic attitude and consciousness, reflected in the maxim found in Hassidut and in so many like-minded, hope filled, faith paths: "Think good, it will be good."

Mental and Physical Health are a part of rest and security and so are attached to the month of Kislev. Turn the Hebrew root *halam* and it becomes

hahlama, or general "health" (meaning both mental and physical) as well as "recovery". In thanking God after being sick and recovering, King Hizkiyahu prays (Isaiah 38:16), "restore me (from the root haham) and make me live." Some compare the dream to sweat. In each case there is a process of recovery. The dream brings from the unconscious to the conscious. Sweat brings from inside the body to the outside. Each can be viewed as a part of the process of recovery. The physical sweat signals the beginning of recovery from an illness. The spiritual dream signals something deep inside that needs to be recovered, revealed and, perhaps healed.

12 Facts About the Month of Kislev You Should Know By Menachem Posner

1. It's the Month #9 and #3

The Jewish year has (at least¹) two "heads," Nissan in the spring and Tishrei in the fall. Counting from Nissan, this is the ninth month, and counting from Tishrei—when we observe the High Holidays and the joyous festival of Sukkot—it is the third.

2. Kislev Can Have 29 or 30 Days

The Hebrew months generally alternate in length. One has 29 days, the next has 30, etc. The exceptions are Kislev and the preceding month of Cheshvan, which can (a) both have 29; (b) both have 30; or (c) have 29 and 30 respectively, allowing for the Jewish months to be calibrated just so.

3. It Never Starts on Shabbat

Most dates in the Jewish calendar can occur on four out of seven days of the week. Since Cheshvan can have either 29 or 30 days, there are two more possible days for every date in Kislev. Thus, this month can begin on every day of the week aside from Shabbat.

4. The Great Deluge Ended on 27 Kislev

The rains of the Great Flood in the time of Noah began on 17 Cheshvan and continued for 40 days. Thus, the lion's share of the rain took place in Kislev, ending on the 27th of the month.

5. The Month Ends in the Middle of Chanukah

Chanukah, the Festival of Lights, begins on the evening preceding 25 Kislev and ends 8 days later, which means Kislev departs as the Chanukah lights spread their ever-increasing brightness in the winter dusk.

6. It's Associated With the Supportive Letter Samach

The ancient mystical work of Sefer Yetzirah tells us regarding this month that G-d "produced the letter *samech*, predominant in sleep, crowned, combined, and formed the bow in the world and Kislev in the year..." The previous month, Cheshvan, has been

associated with the biting scorpion and the letter *nun*, which stands for *nofel*, fall. This month, we are thus uplifted with the letter *samech*, which means "support."

7. Its Astrological Sign is the Bow (Sagittarius)

As noted in the Sefer Yetzirah, this month's Hebrew sign (*mazal*) is the bow (*keshet*). According to the rabbis of the Midrash, this tells us that even if a person's sins are like the poisonous bite of the scorpion, through prayer they can be catapulted to a better place.

Some associate this bow with the rainbow shown to Noah after the flood.

8. Kislev Has Many Meanings

Some associate the word *Kislev* with the word *kesel*, which means "flank," implying the innate and intuitive desire in G-d. Others connect it with the word *ksil*, "fool," showing how G-d even cares for those who have acted foolishly.

9. Ezra Presided Over a Mass Gathering in this Month

In the early years of the Second Temple era, Ezra called the Jewish people to a special meeting in the courtyard of the Temple. As they shivered under the harsh rain, the people agreed to divorce the idolatrous spouses they had married.

10. It's Rife With Important Days in Chabad History

Kislev 19, the day the first Chabad rebbe was released from Tsarist prison in 1798, is celebrated as the Rosh Hashanah of Chassidism. But there are many other significant days for Chabad in this month. Here are some:

11. The Mishkan Was Completed in This Month

The sages tell us that the construction of the Mishkan (Tabernacle) was completed during this month. Moses delayed the inauguration, however, until the springtime month of Nissan, the month in which Isaac was born. Kislev was recompensed when, nearly a thousand years later, the Temple was rededicated on Kislev 25 during the Chanukah events.

12. The Second Temple Was Founded in this Month

We read in the prophecy of Haggai (Haggai 2:18): "Pay attention now, from this day and before—from the twenty-fourth [day] of the ninth [month]—from the day that the Temple of the Lord was founded, pay attention." According to Rashi, this means that "they began to add to the first foundation that they had built in the days of Cyrus."

Before the destruction of the First Temple, Jeremiah had famously prophesized (Jeremiah 29:10), "For so said G-d: For at the completion of seventy years of Babylon I will remember you, and I will fulfill My good word toward you, to restore you to this place."

And indeed, that is what happened. A little more than fifty years after the destruction of the First Temple, the Babylonians, who had destroyed the First Temple, were vanquished by the rising Persian Empire. The Persian king, Cyrus the Great, soon authorized the Jews to rebuild the Temple, but construction ground to a halt due to interference by the Samaritans. In 353 BCE, exactly seventy years after the destruction of the First Temple, the Jews began building again—at first independently, but King Darius soon ratified their effort. The Second Temple was completed in 349 BCE. Under the leadership of Ezra and Nehemiah, the community in Judea became vibrant and secure.

The Second Temple era spanned 420 years, ending with the Romans' destruction of the Holy Temple in 70 CE. For much of this period, Judea was under foreign domination. First the Jews were ruled by the Persians, and then, after the conquests of Alexander the Great, they were ruled by the Greeks. The Hasmonean revolt in 140 BCE brought about a period of Jewish monarchy. But the Hasmoneans did not rule for long.

The astrological sign or Mazal is the "keshet" (Sagittarius—bow). The bow has its double meaning, its own Yin and Yang, Netzah and Hod. On the one hand it is the bow of war, the bow of the fight for freedom characterized by the Maccabees. On the other hand the word Keshet (bow) refers to the rainbow, the first and most visible sign of peace and promise.

The tribe ascribed to Kislev is Benjamin. It is a Month to Uncover Your True Identity!

We can make a further connection with the Bow. Kislev is associated with the constellation Sagittarius (the archer). This month is a time to fight against empires and cultures. This is a month to shoot straight and move quickly. Think of the archer. Cut

your losses and move on. The 'art of the bow' is ascribed to the tribe of Benjamin which is attached to the month of Kislev. The Hashmonaem were of the tribe of Levi, the tribe without land holdings. They were the keepers of the Temple; they were the keepers of ritual. Rituals from their time resonate through our modern services. The Temple in which they served was located in Jerusalem which is located within the borders of the tribe of Benjamin, the bowman.

As mentioned above, Benjamin is the tribe most gifted with the "art" of the bow. In the land given to Benjamin is the Temple in Jerusalem. The blessing of Moses to Benjamin in the end of Torah: "To Benjamin he said: the beloved of G-d, He shall dwell in trust over him, He hovers over him all the day, and between his shoulders He rests"

Kislev & Hanukkah

The connections between the month and the holiday

By Rabbi DovBer Pinson

Hanukkah is one of the most widely known and celebrated holidays of the year. It is festive, joyous, and family-oriented. It begins on the 24th of the Hebrew month of

: a significant time of year—at least in the Northern Hemisphere—when the days are the shortest, and the climate the coldest.

In the summer months, people are generally more outgoing and in brighter moods. As the sunlight begins to decrease, people tend to become more introspective. The autumnal Hebrew month of Tishrei (occurring around September and October) is saturated with holy days such as Rosh Hashanah, Yom Kippur, and the festival of Sukkot. The next month, Cheshvan, has no holidays at all, and it is typically rainy and cold.

This is when people are drawn further inward, and many desire to spend time alone. Kislev continues becoming darker and colder. People tend to retreat into their warm homes, and due to a subtle hibernation instinct in humans, we may actually sleep more than usual. Kislev culminates with the Winter Solstice, the longest night of the year. The following night is therefore minutely shorter—the first glimmer of light begins to re-awaken. At this season there's a natural desire to join with family and friends and celebrate.

Every *yom tov* (Jewish holy day) has a natural, seasonal explanation, as well as a historical and spiritual story that gives rise to the celebration. When the Torah speaks of Pesah (Passover), for example, it defines the celebration as a commemoration of the story of the Exodus from Egypt. However, the Torah also says Pesah is to be celebrated in "the month of Aviv" (the first month of Spring), when harvesting begins. Thus, the content of the day—the narrative—is understood within a particular context, a specific season, with all its physical and psychological qualities. Before exploring the depths of the content of

, let's first delve more into the context, and the intricate interconnection between Hanukkah and its month and season.

Re-awakening Light

When in Tractate Shabbat, begins to discuss Hanukkah, it first mentions the story: one small jug of oil, intended to burn for one night, lasted eight nights. Then it says, "On the following year they—our sages—established these days as holy days for singing praise and offering thanks." In other words, the sages didn't celebrate the miracles of Hanukkah right away. Only when the season came around again, did they perceive the nature of the previous year's events. They sensed that the energies of these miracles were 'established'—the miracles re-manifested, in a spiritual way, on the same dates of a following year.

By confirming the fact of this reappearance, our sages empowered us also to tap into the miraculous energy of Hanukkah that appears each year.

Why do we celebrate the miracles of Hanukkah and not other miracles? Why is there no holiday commemorating the manna or the miraculous well of Miriam? The answer is, we only celebrate past events when they can be re-experienced in the present.

It would seem that the annual re-appearance of the miraculous energy of Hanukkah is due simply to the cyclical patterns of time—there are certain patterns that rotate and return each year at the same time. However, in Jewish spirituality, we sense a linear movement of time as well.

Time is always progressing forward towards a spiritual culmination. Therefore, unlike the natural patterns of the year, the energies of Hanukkah progress toward a culmination, revealing something completely new each year. This linear movement joins the cyclical movement of nature to form an upward-spiraling, reawakening, ever-new light of Hanukkah.

The Name of the Month—Trust and Hope

Kislev is the ninth month of the year, counting from Nisan. In the Torah we find that the root of the word Kislev means 'trust' and 'hope': "Did I place my *kili* (my hope) in gold...?" (Job, 31:24) "...And they placed in Hashem their *kislam* (their trust)." (Psalms, 78:7)

Kislev therefore illustrates the issue of trust. When you make an appointment to meet someone, and they haven't yet arrived, you can't see them or know for certain that they'll arrive on time. You can only see or envision their arrival by means of trust. When our days are dark and cold, we may not see the light and warmth of life clearly. Many

people struggle with “seasonal affective disorder”, a form of depression attributed to the diminished sunlight of winter. After the Winter Solstice, the glimmer of light that arrives really does spark in us a trust in a brighter future.

In terms of the historical narrative of Hanukkah, the Hasmoneans had tremendous *bitahon* to stand up to their Roman oppressors. Despite the darkness of their time, they trusted in the miraculous. This inspired them to look at a defiled Temple and envision its re-purification. Because of this trust, their eyes were open enough to find a small measure of oil with which to kindle the lights of the lamps.

Writing some two hundred years after the re-dedication of the Temple, Josephus calls Hanukkah “the Festival of Lights”. Although his historical accuracy is debatable, and he doesn’t even mention the miraculous oil, we can learn about Hanukkah’s theme of trust and hope from his account: “Perhaps the reason (for the name “Festival of Lights”) is that a freedom beyond our hopes appeared to us, and so this was the name given to the festival.” (Antiquities VII:7)

The Letter of the Month

Every point in the calendar has a unique energy, symbology, and opportunity for growth. The ancient text, *Sefer Yetzirah*, teaches that the month of Kislev corresponds to the letter *Sameh*, the astrological sign of *Keshet* or Sagittarius, and the rectification of “sleep”. What can we learn from these correspondences?

The letter Sameh literally means ‘to support or uphold’. When people have a deep trust that they are supported, even if they fall into darkness, they are able to bounce back.

The Sign of the Month

Sagittarius is a centaur with a drawn bow. A drawn bow is similar to the above image of ‘bouncing back’. The arrow is drawn backwards, and great tension is created. The bowsman trusts, however, that the deeper the arrow regresses, the further it will fly when released.

The Sense of the Month

Sleep, also, involves ‘descending’ into unconsciousness and vulnerability. An environment that is not trustworthy may keep a person from falling asleep. We tend to sleep only when we can trust that we will awaken.

When Sefer Yetzirah mentions “sleep”, it categorizes it as one of several *hushim*, ‘senses’—as in the senses of smell and sight. What does this mean? Some people have a *chush*—a refined ‘sense’ or taste for the art of sleeping. In contrast, others have a utilitarian relationship with sleep; they sleep because they’re tired or they seek an escape from the waking state. A ‘gourmet’ sleeper has deeper trust in Divine support, as the Book of Mishlei says, “If you rest, you will not worry; you will lie down and your sleep will be pleasant..., for you will trust Hashem.” (Mishlei 2)

When we lack trust, our minds are filled with self-centered worries, doubts, and the unfinished business of the day. This prevents deep, pleasant rest, and we may not ‘bounce back’ or awaken with energy for the next day. Therefore, to rectify the ‘sense’ of sleep, to make our sleep more God-centered and “pleasant”, we must refine our faculty of trust.

Prophetic Visions of Hanukkah

A few hundred years before the Hanukkah story, the First Temple fell and Jewish sovereignty was stripped from the Land of Israel. One 24th of Kislev during this dark time, the prophet Chagai spoke to his broken People. His words inspired them to expect and envision the magnificent rebuilding of the Temple.

Chagai spoke to the priests of the laws of purity—a prophetic hint, perhaps, to the pure jug of oil that would be found in the future, on the same date. Despite the bleakness of Winter, and the trauma and opposition they had survived, the People were filled with so much Divine trust, that they immediately began to rebuild the Temple.

Another prophet of those difficult times, Zechariah, transmitted to the People an image of purity and grandeur: he prophesied about a menorah of pure gold, flowing continuously with holy oil. Thus, long before the Hanukkah story, the menorah became a symbol of hope and light. Many centuries later too, the menorah became the symbol of the Jewish People, and a major theme in synagogue art and architecture.

A Primordial Hanukkah

The Talmud (Avodah Zarah) tells of a celebration of light during the time of year that would later become Hanukkah.

“When Adam—who was created in the beginning of the year, on the first day of Tishrei—noticed that during the first three months of his life, the days were getting gradually shorter, he said, ‘Woe is to me! Because I’ve sinned, the world around me is being

darkened and is returning to its state of chaos and confusion; this must be the kind of death which has been sentenced to me from Heaven!' He took upon himself to pray, fast, and look within. After eight days, he noticed the Winter Equinox (the *Tekufat Tevet*, the season of the month of Tevet), and saw that indeed the days were beginning to lengthen again. "So this is the way of the world!" he exclaimed, and he celebrated for eight days."

The Darkest Night

The Winter Solstice generally occurs during the last week of Kislev. Therefore, not only does the week of Hanukkah contain the longest night of the year, but at the end of a lunar month the nights have virtually no moonlight.

A student of the Baal Shem Tov named Rabbi Yakov Yosef determined, through complex calculations, that the night of the Hanukkah victory and the re-lighting of the Menorah was precisely the longest night of the year. This deepest darkness sets the stage for the greatest possible revelation of light.

Divine Light

The light that comes from fire is dependent on the burning and destroying of something else. Divine light, however is self-derived. At the Burning Bush, Moses encounters Divine light. It shines like a fire, and yet the bush is not consumed. This light doesn't necessarily take away the darkness—it somehow shines within the darkness. This is the "*Ohr HaGanuz*", the 'Hidden Light', the Divine light that burns within the darkness of Creation, yet doesn't consume Creation. It is the light of Hanukkah revealed in the darkest nights of the year and the darkest times of exile. Thus, the small jug of oil lit by the kohanim didn't consume any oil.

When people are inspired they can rise to meet great challenges. These are times when the pure "oil" of a person's soul shines brightly. Sadly, however, such peak experiences of inspiration wane, and most people return to the comfort of darkness.

The "miracle" of Hanukkah was that the Jews were able to shine brightly for eight nights, extending beyond the natural cycle of a week. If Hanukkah began on a Sunday, the last night was also Sunday again, and yet they were illumined as if it were the first night. The brilliance actually filled them throughout the whole year, and therefore they established that the inspiration and illumination of Hanukkah would continue to manifest every year, for all generations.

Every Hanukkah is a special time for revealing the Hidden Light. Unlike all the Torah-based holidays, however, at the end of the Rabbinic holiday of Hanukkah there is no havdalah, or ritual of separation. May we never separate from the timeless light of Hanukkah. May it permeate every moment of our lives.

Deuteronomy 33:12). Here we see that Benjamin symbolizes both trust and rest, the sense of the month of Kislev.

Last month was the month of the flood, so this is the month of the rainbow. The BOW back to back... Examine what you have warred through in the past year to come into a place of peace this year, the two BOWS... God makes a covenant with us so that we will not have to war with those things again, which was the symbolism of the rainbow. There are certain things every year that you want to make a spiritual locator and say, "I am not going through that again."

2 Chronicles 14:8 Now Asa had an army of 300,000 men from Judah, who carried large shields and spears, and 280,000 from Benjamin, who carried shields and drew bows, all courageous men. As you develop your warfare strategies this month, you can tap in prophetically to gain revelation concerning the war season ahead. This connects with Head of the Year so that you can start the year right.

In the land given to Benjamin is the Temple in Jerusalem. The blessing of Moses to Benjamin in the end of Torah: "To Benjamin he said: the beloved of G-d, He shall dwell in trust over him, He hovers over him all the day, and between his shoulders He rests" (Deuteronomy 33:12). Here we see that Benjamin symbolizes both trust and rest, the sense of the month of Kislev.

Benjamin was also the only child born in the land of promise, so this is a month to watch Israel. Things happen during this month, which change the course of Israel.

The holiday found in Kislev is Hanukah, the festival of lights. May this Hanukah bring healing to our spirit, good dreams of hope to our souls and deeds that will bring rest and security to a troubled world.

Kislev: United Colors of the Rainbow

by Rebbetzin Tziporah Heller

Each of us has to fight off darkness in his or her own way.

The long, silent white nights of winter have an almost mystic quality. They make us occasionally consider ending the day early and opening a book, or writing a journal or maybe just listening. The silence lets us hear our hearts speak loud enough for us to hear without the static of day-to-day living.

We tend to deaden the impact of living with seasons by killing their message with the intrusion (and blessing) of electricity. We turn summer into spring with air conditioning. We heat our homes and experience winter by looking out the window and feeling the frost if we actually touch the panes. We lengthen the day by keeping the lights on. All of this, of course, is a great piece of good fortune. After all, no one really misses the sort of summer that left us exhausted, tense and drenched in sweat, or the kind of winter that imprisoned us in our badly heated homes yearning for the sun. Nonetheless, it's good to once in a while take the time to let the world speak to us.

Each month has its own message. The Arizal, a great mystic, tells us that the spiritual force of each of the 12 months parallels one of the 12 tribes (for the month of Kislev, it is the tribe Benjamin, who was known for his unwavering faith in God and his ferocious ability to battle evil) and the astral sign of the month (for this month, it is the bow). All of this lets us map out something of the nature of the month, and perhaps how to find a part of ourselves (since each Jew is a composite of all 12 tribes).

As the days get longer and blacker, we can intuitively sense that place within us that is dark, hopeless and vulnerable is closer to the surface than it is during the summer. In fact, there is scientific evidence that there is a biological basis for this feeling. What escapes us is the precious nature of coming in contact with this part of ourselves.

There are two events that took place in this month that give us insight to the turf we enter. The first is God presenting the rainbow as a covenantal sign after the destruction of the Flood. We hardly associate rainbows with the shortest days of the year, but the rainbow is indeed very much part of the picture. Noah left the safety of the ark and re-entered the world on the 28th of Cheshvan (the previous month on the Jewish calendar). He saw vast, unspeakable, total desolation. We can't begin to envision the barren, silent world that he faced. He recognized that it was up to him to chart a course that will lead him and his descendants to redefining the world. He offered sacrifices to symbolize his commitment to uplift the world and everything in it to its Divine source.

The spark of eternity within us can never totally disappear, no matter how well we disguise it by adapting animalistic behaviors.

On the first day of Kislev, God responded to this act by blessing Noah and his family. He set down new rules for them. From now on man will be permitted to eat meat. He will be accountable for shedding human blood. The world is meant to be a place where the fact that we were made in God's image is relevant. We are not just a more developed sort of animal, but an entirely unique species. The spark of eternity within us can never totally disappear, no matter how well we disguise it by adapting animalistic behaviors. We cannot "convert" to becoming an animal any more than a doorknob can become a canary. Animals may be killed and eaten; no human being is an animal. God promised never to bring a flood again, sealing his covenant to continue existence with a sign – the rainbow.

Why a rainbow?

There were always rainbows, even before the flood. What changed is its message. What does the multicolored luminescent rainbow tell us about the territory we walk? It maps our future. After the flood, humankind will now develop differently. Until that point, there was no concept of nationhood or of divergent cultures. From now on, different peoples will become progressively more variegated. The rainbow is a living statement (a map) of what that really means (the territory). A rainbow is formed when pure white light refracts into seven shades. Red is nearest the original beam, and violet is the furthest away from the pure white light.

This has a human parallel. Some people are close to God, and live lives that reveal their intimacy with the Creator. Other people are much further away from their Source, and nothing about their lives gives any external evidence of having any sort of relationship with Him. The fact is that both people come from one source, in the same way that red and violet are both caused by the same pure light.

All the hues of our existence stem from one single source of Light, even if we are not always wise enough to see it.

In our individual lives, we also experience the entire spectrum of light, going from bright to dark. Three in the afternoon may be an ideal time – work is great, the sky is blue, and everything seems perfect. Three in the morning is an entirely different story. You lie in bed and can't sleep. Nothing you do seems significant; nothing seems likely to change either. Sometimes black moments are spurred by external factors – rejection, failure or perceived rejection or failure – but there are also black moments that are just part life's ebb and flow. At both times, we can recognize that God made us with an inner rhythm that moves the light within us from "red" luminosity to "violet" despair, and that our souls are still eternal and life still has meaning. Each human soul is and always will be attached to life, which is God Himself. All the hues of our existence stem from one single source of Light, even if we are not always wise enough to see it.

THE LIGHT OF CHANUKAH

The second event that hallmarks Kislev is Chanukah. It was one of the darkest times in our history. We had somehow lost track of everything real and enduring. A significant percentage of our people defined themselves as Hellenists, lovers of everything Greek. The Greeks knew the map better than any nation that preceded them. They saw the hills and valleys; the mind and the body. They were gifted with uncanny accuracy and portrayed what they saw with unparalleled beauty and power.

But they didn't know the territory. Morality, Godliness, spirituality were beyond their grasp. What's worse, they found the very concept of spirituality to be threatening and dangerous to their human-centered world. They outlawed Torah because it took the mind to places unknown. They outlawed Shabbos because it invited anyone who kept it to see themselves as part of a created world with accountability to its Creator, rather a member of a human-centered world in which morality is irrelevant. They outlawed circumcision because it implied that the human body was not perfect as is, but rather an imperfect instrument left for humans to perfect.

In the midst of all of this, we experienced national rebirth and self-discovery. Then the miracle happened. The Greeks had defiled the Menorah, which is a symbol of the spirit just as they defiled everything else in the Temple. When the Temple was recaptured one of the first things that the Hasmonean (meaning coming from a family of Kohanim whose name was Hashmonai) fighters did was to try to rekindle the Menorah. Why was that so important to them? The reason is that they were not fighting for political independence. They were fighting for spiritual renewal. Lighting the Menorah was their response to darkness.

One day's worth of oil lasted eight days.

Each of us has to fight off darkness in our own way. None of us are alike; each one of us is an entire world. Let us use this time to see the rainbows that are the natural result of rain and sun meeting. Let us use this time to light the Menorah that is always there within our hearts.

Hanukkah in front of the Old City walls in Jerusalem.

The first rainbow, observed after the Flood, was seen in Kislev. "And G-d said: 'This is the sign of the covenant which I set between Me, and yourselves, and between every living being that is with you, unto eternal generations. I have placed my bow in the cloud, and it shall be a sign of a covenant between Me and the Earth.' " "This is the sign of the covenant" – G-d showed Noah the bow and said to Him: "This is the sign of which I spoke".

Rosh Chodesh Kislev, which refers to the transition day or days between months, consists at times of one day, and at times of two. The preceding month of Cheshvan sometimes consists of twenty nine days, and sometimes of thirty days. In the former instance Rosh Chodesh Kislev consists of one day, which is the first of Kislev; in the latter, of two, with the first day of Rosh Chodesh counting also as the 30th day of Cheshvan, and the second day of Rosh Chodesh counting as the first day of Kislev.

From the days of the Hasmoneans, as long as the Beit Din, also known as the Sanhedrin, or Jewish Supreme Court, sanctified the month through the testimony of witnesses, who testified as to when they had seen the New Moon, where in the sky they had seen the New Moon, and exactly what it looked like, messengers of the Beit Din went out to places distant from Jerusalem, to make known when the new month had been sanctified.

The Beit Din needed to do this only during months in which festivals occurred, so that people knew on which day to observe the festival. Therefore, when the month of Kislev was sanctified, messengers were sent out, so that people living far from Jerusalem would know when Chanukah was to begin. Chanukah has the status of a festival, although it is Rabbinic in origin, and not directly mentioned in the Torah.

Chuck Pierce

This election is playing out the way the Lord spoke. Below is the word that I gave in Chattanooga, Tennessee on October 11, 2018. When you listen to this word, the Lord gave us clear instruction saying the next two years and four months would be like walking through a swamp.

Walking through a swamp can be very challenging. You must walk very slowly and use some sort of projectile structure to test the depth in front of you before stepping forward. I know this because I used to work on pipelines during my college years, and one of my jobs was to walk through certain swamps. You have to know that you have a destination through the swamp or you get disoriented. Every decision or step you take has great effect on the environment around you. Swamps create a different type of root system. Therefore, you must understand that the root structure you are dealing with is very different than the originating root structure. The swamp has created its own root structure because roots have to adapt to swamp life. If you drain the swamp, most of these roots would not survive.

There are ways to drain a swamp. First of all, you have to find out the source of the water that is creating the swamp, and then you have to block that source. As the swamp dries up, you will have to deal with each level of the swamp elements. In other words, as it dries you will see a whole different world emerge. This world has many dangerous creatures, fragile vegetation and an unsure soil structure, for the future. The purpose of draining the swamp is to create a direct way to get to a new destination. Swamps are not insurmountable. However, they are very dangerous. They also have many resources that have been covered over that need to be used for the future. This is a parallel of how we are having to walk in this nation. God said we would have to walk very cautiously through the third week of January.

Sapphire Throne Ministries: TIME'S UP WICKED ONES, Robin Main

Time's up, Wicked Ones! The Lord Himself is revealing hidden corruption, lies and schemes of the enemy. Seek the Lord while He can be found. Seek Him, worship and pray. Repent for your sins, the sins of our nation, and for all of humanity (the world).

They will get away with nothing. All is laid bare before the One that everyone will have to give an account. In their arrogance, they are assuming that their wicked deeds are cloaked in darkness. Surprise! Now, it appears that the wicked ones can only do things in the light, so that their evil deeds are exposed. The technology built to enslave is being turned on the enslavers and their minions; because little do they know that nothing is hidden.

Be encouraged. It has been reported that the AP has been holding a story that there was a Department of Homeland Security (DHS) sting operation executed during our recent election. This federal government background audit sting was done to determine the margin of fraud in the U.S. election system without the knowledge of either President Trump or Candidate Biden. Unbeknownst to most everyone, legal paper ballots were watermarked. With the confusion in the election results as it is, the amount of fraud identifiers found in this sting is staggering. According to a debrief from the Election Countermeasure from DHS, "the highest frequency of these non-marked ballots is coming from Arizona and Michigan, where over 48% of counted ballots did not contain this special watermark."

James Goll shared yesterday (2020-11-04): "It's not over. God is not in heaven wringing His hands with sweaty palms. It's not over till it's over and it's not over yet. I keep having the phrase come to me this morning, 'And on the THIRD DAY.' And watch what happens on the THIRD DAY."

Even Satan thought he had won until three days later. It's resurrection time y'all! This battle for truth, justice and the American way is fierce and requires everyone's participation worldwide. We must pray, and we must stand for truth, righteousness and justice founded in God's Kingdom. We all have a part to play in the exposure of what is hidden. Tap into God's backbone and stand. When you have done everything to stand; then stand, record anything sketchy, and speak up if you do. And remember above all, Mighty Ones of Valor, our orders come from the Headquarters of Messiah Yeshua (Yeshua Christ) - the King of Kings.

Give em heaven!!!

GOD HAS PUT IN TRUMP'S HAND THE MASTER'S KEY TO BREAKTHROUGH:
AMERICA, GOD'S GOOD PLANS FOR YOU WILL NOT BE ABORTED!
CHARLIE SHAMP, NASHVILLE, TN"

I entrust to you this command, which is in accordance with the words of prophecy spoken in the past about you. Use those words as weapons in order to wage a good warfare!" (see 1 Timothy 1:18). "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds" (2 Corinthians 10:4).

I decree by fire from Heaven that every evil power, occult manipulation, divination, enchantment, demonic charm, satanic curse, witch doctor--even charismatic witchcraft--that is speaking against President Trump is broken now in Yeshua name! All demonic negotiations happening in the spirit realm against him and his family are broken now. The Lord is releasing confusion in the encampment of darkness. Those who have plotted against him will stumble and fall into their own entrapments.

Every pit that has been dug for him will backfire upon them. The enemy attempted to slander, but God had singled him out for favor and promotion. The enemy pointed accusations, but God had determined to exult him and set him once again into the presidency.

I release the Sword of the Lord to scatter all demonic operations assigned to his life; the light of God is arising in his heart. I decree a powerful prophetic declaration over his life; I speak over him the power to break all boundaries and excel in all places. Every demonic power that wants to limit him is broken now, every spirit working against his destiny is condemned today.

God has put in his hand the Master's key to breakthrough; the Kingdom keys of advancement, upgrade and achievement will be delivered into his hands in the mighty name of Yeshua.

I prophesy that he will be elected to a second term! I prophesy everything is being realigned for this nation's favor right now. I can see everything turning around for good; businesses in this nation will prosper. Closed doors/closed states will be opened to enter once again. This plague is finished. America will swim in wealth and feed others from its table.

The Almighty God is giving America a new song and placing us on a new path in life. The door of abundance stands before us and God will shut out the past for good. Our access code to greatness will not be hacked by the enemy. I speak this into America in the mighty name of Yeshua Christ.

I see divine help from above coming to this nation. I see Heaven's mighty rushing wind blowing increase across this country. Bank accounts will overflow with blessings, business will overflow with contracts, and finances will overflow with Heaven's blessing. Today is a day of total liberty. From this day forward I decree and declare this nation is moving from glory to glory. America's dream will not die, its plans will not fail, its destiny will not be aborted in Yeshua mighty name.

My call to War

Chaplain Wade K. Butler 9/30/2010, REVISED 11/10/2020

Throughout the Word the name of the Lord is translated God or Lord in modern english. He has shown me that He prefers the formal use of His Names for the Father, Son, and Holy Spirit. Ha Shem Adonai the Father, Yeshua the Son, and Ruach HaKodesh the Holy Spirit. The prayer is written

to be able to pray singularly or for you, your family, or as a group. Though this prayer seems long, you will learn to pray it in a flowing manner with ease or the portions that you need. Be blessed and may the Lord, Adonai be Glorified, (Ephesians 6:10-18).

HIS NAME

Heavenly Father (Adonai Gen. 2:4), I (We) come before you in the name of (Yeshua Matt. 1:21) Christ Your Son, my Savior and King, and (Ruach HaKodesh Isaiah 63:10) the Holy Spirit. I (We) bow in worship and praise before You. I (We) beseech thee for a washing of the water of the word and cover myself and my family (us), with the blood of the Lord Yeshua Christ Your Son, from my (our) very inner being, mentally, physically, spiritually, emotionally, and financially as my (our) protection. I (We) surrender (myself and my family) completely and unreservedly in every area of our lives to You. I (We) beseech You to forgive my (our) transgressions, sins, and inequities. I thank you, Father that you heal us that we may be healed. Let our names bring joy to you. I thank You for granting us that goodness, mercy, loving kindness and prosperity follow us all the days of our lives.

PRAISE AND THANKSGIVING

Heavenly Father, (Adonai), I (We) worship You and give You praise. I (We) recognize that You are worthy to receive all glory and honor and praise. I (We) renew my (our) allegiance to You and in prayer thank You that the blessed Holy Spirit would empower me (us) in this time of prayer. I (We) invite you Holy Spirit to fill me (us) without measure, to direct my (our) prayers and guide me (us) in all truth and righteousness, and for showing me (us) what is to come and how I (We) should address that knowledge.

I (We are) am thankful, Heavenly Father, (Adonai), that You have loved me (us) from past eternity and that You sent Your Son, the Lord Yeshua Christ Your Son into the world to die as my (our) substitute. I (We are) am thankful that the Lord Yeshua Christ, Your Son came as my (our) representative and that through Him You have completely forgiven me (us) of all of our sins. I (We) thank You for filling us with Your Holy Spirit, Ruach HaKodesh. I thank You that You have adopted me (us) into Your family; You have assumed all responsibility for me (us); You have given me (us) eternal life; You have given me (us) the perfect righteousness of the Lord Yeshua Christ Your Son so I (we are) am now justified.

I (We are) am thankful that in Him You have made me (us) complete, and that You have offered Yourself to me (us) to be my (our) daily help and strength. I thank You

Heavenly Father, (Adonai), for opening my (our) eyes that I (we) might see how great You are and how complete Your provision is for this day. I (We are) am thankful that , the victory the Lord Yeshua Christ Your Son won for me (us) on the Cross and in His resurrection has been given to me (us) and that I (We are) am seated with the Lord Yeshua Christ Your Son in the heavenlies. I (We) take my (our) place with and in Him in the heavenlies and recognize by faith that you have given me (us) all authority and dominion over every wicked spirit, power and principality and Satan himself are under my (our) feet. I (We) declare and rejoice, that our names are written in the Lambs book of life therefore, the enemy is under our feet as a defeated foe (us) in the Name of the Lord Yeshua Christ.

HIS ARMOR

(The Lord revealed to me in September of 2009 that there was armor available for us I was unaware of. It was forged in Heaven in the Blood of the Lamb. There are weapons we have not known before are ready for our use.)

I (We are) am thankful for the Armor You have provided. I (We) put on the full armor of God. I (We) ask that you place on us garments of praise, for we praise You. Father we ask that like Joshua, the high priest, YOU wash us with a washing of the water of

the word and the BLOOD of the LAMB. We ask that YOU put on us clean garments woven in heaven of fine silk and linen like you did Joshua the high priest. Around our shoulders place Robes of Righteousness, for only You are Righteous. Place upon us the fullness of YOUR Armor which is our Savior and our Lord (Yeshua). I (We) girdle my (our) loins with the Truth of Your Word. I (We) shod my (our) feet with boots of war and cover our legs with armor which is the preparation of the Gospel of Peace to protect my (our) walk with You. I (We) ask that You place upon me (us) the Breastplate of Righteousness, for I (We) have none of my (our) own, only the Blood of Yeshua Christ Your Son gives me (us) righteousness. Through faith, I (We) thank You that the blood that flows through my (our) body (ies) be that of Yeshua. I (We) place upon my head(s) the Helmet of Salvation of a living hope in you to protect my (our) mind(s) will and emotions. My (our) helmet(s) is adorned with the plumage of the colors of the tribes and callings in our lives my (our) position(s), authority and whom I (We) belong too.

I (We) lift up the Saving Shield of Faith that has been forged in the Water of the Word of God and tempered in the Blood of the Lamb against all the fiery darts, arrows, accusations and insinuations of the enemy. Its handle is a bow with twelve arrows representing the twelve tribes and three darts of mass destruction representing the Father Son and Holy Spirit. (In Roman times the shield was made from oak staves, crisscrossing covered with seven layers of full animal skins, representing the seven spirits of God and the sacrifice Yeshua made for us on the cross.) When entering into battle the soldiers would wet the outer layer of leather to extinguish fire arrows. Officers shields were often bronze and bronze shields have been found throughout the former empire that were also used by legionnaires.

I (We) take in my (our) hand(s) the Sword of the Spirit, the Word of God, a weapon of warfare able to separate spirit and soul. On our backs are battle axes able to break down doors of adversity, the walls of the enemy, and remove the heads of strongmen. I (We) bow before you for the Cloak of Humility and choose to humble myself (ourselves) and my (our) family (ies) before You this day my Lord and Savior and I (We) choose to use Your Word against all the forces of evil in our lives, and take my (our) position(s) as a warrior(s) of God and stand ready for your command. I (We) thank You for Robes of Righteousness and the Garments of Praise to stand before you Armored and ready for battle. I (We) thank You for the host of heaven, ministering and warring Angels to watch over me (us) and my (our) family (ies). I (We) put on this Armor and live and pray in complete dependence upon You, Adonai through Your blessed Holy Spirit. (John 14:26)

OUR AUTHORITY

I (We are) am grateful, Heavenly Father, (Adonai), that the Lord Yeshua Christ Your Son spoiled all principalities and powers and made a show of them openly and triumphed over them in Himself. I (We) claim all that victory of the shed blood of Yeshua for our lives today. I (We are) am thankful, Heavenly Father, (Adonai), that the weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds, to the casting down of imaginations and every high thing that exalteth itself against the knowledge of God, and to bring every thought into obedience to the Lord Yeshua Christ. Therefore, in my (our) own life (lives) today I (We) tear down the strongholds of the enemy and smash the plans that have been formed against me (us). I (We) tear down the strongholds of the enemy against my (our) mind(s), and I (We) surrender my (our) mind(s) to You, blessed Holy Spirit.

I (We) affirm, Heavenly Father, (Adonai), that You have not given me (us) the spirit of fear, but of power, love and a sound mind. I (We) break and smash the strongholds of the enemy formed against my (our) emotions today and I (We) give my emotions to You. I (We) smash the strongholds of the enemy formed against my (our) will today; I (We) give my will to You, and choose to make the right decisions of faith. I (We) smash the strongholds of the enemy formed against my (our) body(ies) today; I (We) give my body to You recognizing that I (We are) am Your temple. I (We) rejoice In Your mercy and goodness. (2 Timothy 1:7)

OUR RESPONSIBILITY IN WAR

(Our Lord told me that we need to treat the enemy as he would treat us as captives to a king for we are KINGS AND PRIEST UNTO HIM. The enemy shows us no mercy and we are to show none in battle.)

You said that for every area that the enemy came against me (us) he would flee in seven and that every weapon formed against me (us) would not prosper but be destroyed. I (We) destroy ever work of the enemy and bind every demon, power and principality and out of body spirit that rises up against me (us). I (We) bind the enemy with Your Word and the Blood of the Lamb. I (We) blind our enemy that they may not see us, make deaf that our enemy that they may not hear me (us), cut off the tongues of our enemy and make them dumb, that our enemy may not speak against me (us), cut off the toes of our enemy that they may not run against me (us), cut off the thumbs of our enemy that they may not raise a weapon against me, (us) and with the battle axe and break down every wall and door placed against us and remove the heads of the strongman in the name of Yeshua Christ Your Son by the blood of Yeshua and cast them into the pit to be dealt with by our Lord at His return. (Matthew 16:19)

OUR AFFIRMATION

I (We) affirm that the Word of God is true and I (we) choose to live today in the light of God's Word. I (We) choose, Heavenly Father, (Adonai), to live in obedience to You and in fellowship with Yourself. I (we) thank You for opening my (our) eyes and show me (us) the areas of our lives that do not please You. Work in me (us) to cleanse me (us) from all ground that would give Satan a foothold against me (us). I (We) do in every way stand into all that it means to be Your adopted child and I (we) welcome all the ministry of the Holy Spirit.

By faith and in dependence upon you I (we) put off the fleshly works of the old man and stand into all the victory of the crucifixion where the Lord Yeshua Christ Your Son provided cleansing from the old nature. I (We) put on the new man and stand into all the victory of the resurrection and the provision He has made for me (us) to live above sin. We cancel all ancestral curses that would bind us and ask forgiveness for all generations back of all iniquities that hinder us from walking in the light of your word, way and will. You have said that our blessings would go on for one thousand generations and we are in agreement with Your Word for the fulfillment of Your Promises.

Therefore, today I (We) put off all forms of selfishness and put on the new nature with its love. I (We) put off all forms of fear and put on the new nature with its courage. I (We) put off all forms of weakness and put on the new nature with its strength. I (We) put off all forms of lust and put on the new nature with its righteousness, purity, and honesty. I (We are) am trusting You to show me (us) how to make this practical in my (our) daily life. (Colossians 3:10-16)

OUR PLACE

In every way I (We) stand in the victory of the ascension and glorification of the Lord Yeshua Christ, whereby all the principalities and powers were made subject to Him. I (We) claim my place in Christ as victorious with Him over all the enemies of my soul. Blessed Holy Spirit, I (we) thank You for filling me (us). I (We) thank You for coming into our lives, for breaking down every idol and casting out every foe.

HIS WILL

I (We are) am thankful, Heavenly Father, (Adonai), for the expression of Your will for my (our) daily life as You have shown me (us) in Your Word. I (We), therefore, claim all the will of God for today. I (We are) am thankful that You have blessed me (us) with all spiritual blessings in heavenly places in Christ Yeshua. I (We are) am thankful that You have begotten me (us) unto a living hope by the resurrection of Yeshua Christ Your Son from the dead. I (We are) am thankful that You have made a provision so that

today I (we) can live filled with the Spirit of God with love and joy and peace, with longsuffering, gentleness, and goodness, with meekness, faithfulness and self-control In our lives. I (We) recognize that this is Your will for me (us) and I (We) therefore reject and resist all the endeavors of the enemy to rob me of the will of God. I (We) refuse this day to believe feelings and I (we) hold up the Shield of Faith against all the accusations, distortion and insinuations that the enemy would put into my (our) mind(s); I (we) claim the fullness of the will of God for our lives today.

OUR SURRENDER

In the Name of the Lord Yeshua Christ, I (we) completely surrender myself (ourselves) and my family to You, Heavenly Father, (Adonai), as a living sacrifice. I (We) choose not to be conformed to this world. I (We) choose to be transformed by the renewing of my mind, and I (we) pray that You would show me (us) Your will and enable me (us) to walk In all the fullness of Your will today.

Heavenly Father, (Adonai), I (we) pray that now and through this day You would strengthen and enlighten me (us), show me (us) the way the enemy is hindering and tempting and lying and distorting the truth In our lives. I thank You for enabling me (us) to be the kind of person that would please You. Enable me (us) to be aggressive in prayer and faith. Enable me (us) to be aggressive mentally, to think about and practice Your Word, and to give You Your rightful place In our lives. I (We) ask for the fullness of the manifestation of YOUR SPIRIT be within me (us) that I (we) walk in the all wisdom, revelation, understanding and knowledge in righteous.

THE BLOOD

Again, I (WE)cover myself and my (our) family(ies) with the blood of the Lord Yeshua Christ Your Son and pray that You, blessed Holy Spirit, would bring all the work of the crucifixion, all the work of the resurrection, all the work of the glorification, and all the work of Pentecost Into my (our) life (lives) today. I (WE) surrender (myself and my family) to You. I (We) refuse to be discouraged. You are the God of all hope. You have proven Your power by resurrecting Yeshua Christ Your Son from the dead, and I (we) claim In every way this victory over all satanic forces In our lives. I (WE) thank You Lord and I (we) praise Your Holy Name. I (we) lift this prayer up to You for me and my family and for all those for whom I (we) pray. In the name of the Lord Yeshua Christ, Your Son and by His precious blood I (we) pray with thanksgiving and a grateful heart.

Amen, So be it. Dr. Wade K. Butler Chaplain

"TAKEN UP IN THE SPIRIT"
VISITATION AND LET YOU KNOW MANY THINGS GOD IS DOING
AND SAYING - Carolyn Weaver- SC

First vision, I saw myself go into the courts, and I was overcome with the presence of the Lord and went face down. I heard Him command me to stand up, but I didn't have the strength. Then I was picked up on my feet. I knew I was there to intercede. I heard, "What is your request?"

Then, I said, "For the children, and the daughters and the sons, For them to be rescued, for justice to come, for vindication, for the abuse to stop." I was particularly praying for sex trafficking and also for the Chinese church.

I saw what looked like a clock. I heard, "All will be accomplished in due time." Then He said He was with those who were wounded and abused, but the time for full vindication had not come yet. Others must be added. His timing is perfect. I asked was there anything I was lacking or needed. I heard "Patience." Then I saw myself fall on my face again.

Then I saw the ship, "The Constitution", and I saw the same big wave Kathie Walter's had seen come over the ship, (Kathie saw Trump tie himself to the steering wheel because the ship was tossing) but it's like it completely changed our course as a nation ran the ship into a safe harbor.

A little bit later, I was just soaking. I heard again, "Come with Me. I have something I want you to do with Me."

I saw Yeshua as the Lion of the Tribe of Judah. He was fierce looking. I saw myself beside Him, sometimes like a lioness, sometimes like a little girl. It kept changing depended on what we were doing. He immediately took me to the Great Wall of China. He said, "You were once a slave, just as the slaves who built this wall, and you have forgiven. You are to roar with me now. Their vindication has come." I saw both of us roaring towards the wall. His roar obviously way was more powerful than mine. I felt more like little Simba in the Lion King. But as we roared, the Wall of China began to quake and crumble like a wave.

Then I saw the ground begin to swell like a pregnant belly about to burst open, and I saw all these people under the ground pushing, like thousands and of thousands. It was like the ground was like a thin film, and then all of a sudden a swell, and then all of these people burst forth, like it had just given birth somehow.

I heard, "This is time of the underground church in China to birth forth." I saw the face of the current president of China, and I heard the Lord say that this was the last wave of persecution the Chinese church will face, and it will be quickly over, and their time had come. He said that He wasn't done showing me things yet. We went to the emperor's palace. He jumped over the outer wall. And then began to roar, Xi Jinping and all the ruling party came out and bowed their faces towards the ground. Then the Lion grabbed Xi Jinping by the scruff of his neck, like cats do, and shook him really hard and tossed him to the side.

Then, I saw the Chinese flag come down, and I heard, "It's time for a new flag. It's the time of the Chinese church to rise and rule." I saw a new flag that looked like a Chinese flag but it had a golden cross across the middle. It was raised up the flag pole.

Then Yeshua said, "I'm not done yet." I then saw a very large Buddha in front of the lion. I heard, "Buddha has consumed the children, and it's belly is full." I saw the Lion roar again, and the belly of Buddha broke open. All these children ran out and into Yeshua's arms. The rest of the Buddha crumbled away.

I heard again, "I'm not done yet." I saw the Hindu idol, Shiva? He just went up and bit its head off.

Again, I heard, "I'm not done yet." I saw a map of the Middle East, and I heard, "Brothers, put down your weapons. It's time to come home." Then, I saw many men with weapons, begin to make tools out them, and I saw others link arms together. Again, "I'm not done yet." I saw Him walk into the EU chamber in Europe, and all the Euro leaders were there, men of great power around the table. But when the Lion entered the room, they all just stood like statues and shook. I saw the Lion put both paws up on a large oval table in the middle, and as He did, the entire table top just flipped complete over. "I heard the tables are turned on them."

Again, I heard, "I'm not done yet." I saw the Russian flag. I saw the sickle and the hammer come apart. The hammer pounded on the sickle till it was like a straight line, like it turned into a measuring rod. Then Yeshua took the hammer to Lenin's tomb and pounded it to dust. And then it hit the top of their governmental building in Moscow,

like at the top steeple in the middle. I saw the leaders rushing out, and looking up. I heard, "Justice has come for the church in Russia."

I asked Yeshua about Africa. I'm finally getting a clue, right? I heard, "I'm not done yet." Then I see the Lion off the coast of Africa at the top, and I feel great compassion in His heart. I see an image of Heidi Baker and many other leaders of the church in Africa. He takes His paw swipes it across the water and a tidal wave of water rushes over all of Africa beginning at the top down, but it's more like golden glory. I was concerned at first for more flooding in the natural, but as this water went over the land, the land become lush green, and full of life. I saw South Africa highlighted in gold especially, Then I saw glory lights all over Africa, and it all joined together and became one great light.

Of course, I'm wondering about America and Israel. He had kept telling me, "Wait. I'm not done yet." J

So, we end up in front of the White House. And as we stand there, it's like the whole top of the house is laid bare and you can see everyone and everything, even down into the lowest basement. I hear, "I'm exposing everything." I see people running for cover, some afraid. But then I see President Trump, come out and stand in front of the Lion of the Tribe of Judah. He then goes down on both knees and is weeping, His face to the ground. I hear, "Rise up my son, and rule well." It wasn't like He was a king

though, I saw Him then in a crown and robe. It was more like Him in His sonship authority.

President Trump turned around to face the White House. I heard Yeshua tell Him, "Set the Captives Free and bring justice." In his right hand was placed keys, and in the other a gavel. But then this was funny, Yeshua also laughed and said "Clean House." And I saw President Trump and all of His cabinet and staff with mop buckets, mops, and gloves on. They all looked like a cleaning service, like maids. Very funny. Then the Lion went to the center of the mall. Again, He said, "I'm not done yet." He began licking up the water in the pool in the middle, and then He thumped His paws on the ground. When He did the ground began to quake, and surge like an earthquake.

The monuments began to shake, like everything to the foundations, and things were breaking and falling, but the structures still held. He again said, I'm not done yet, and He went to the Capitol, and He walked into Congress. I saw what looked like a Spirit of Jezebel, but I also saw Nancy P. and others in the Congress. He just walked in and interrupted the session. Nancy P. was defiant and others standing around were scared. He again, He just picked her up and shook her like a ragdoll, and very powerful men were around and they just shook and began to run away. Then I saw that same wave that hit the U.S. Constitution began to flow all over our nation, and destroy major strongholds across our nation.

Honestly, at this point, I got so excited, and felt like we were done. Plus, my throat was hurting really badly, so I got up and took some stuff. Totally forgot about Israel until I sat down to write this. Then again, I heard with a laugh, "I wasn't done yet. You forgot something." Immediately, I saw us standing at the Dome of the Rock. Again, I saw the Lion first lick all around the base of the Dome, and then I saw where He licked, He began clawing at the ground, then all of a sudden with one paw, He lifted the entire structure of the Dome of the Rock up and placed it in a nearby land. He said, "I'm reestablishing My Kingdom here."

I kept expecting to see some kind of new temple come down from heaven of something, but then I heard, "This is not an earthly establishment, nor anything like what you have seen before." Instead I saw like a golden shaft of light from heaven hit the freshly dug up ground, and I saw a huge golden cross in the middle of the shaft. As it shone, people began running and flocking to it. Then I saw the Wailing Wall, and I saw in golden graffiti across it, "Yeshua".

I also asked Him about the timing of Antichrist, like the mark of the beast etc.. Of course, He didn't answer me directly, but I saw a large clock again. And I heard, "The enemy has been trying to push the time forward." The clock hands were at ten til midnight. Then I saw two large hands come and hold the clock hands in place. I heard, "It's not His time yet. It's mine."

Then, that was it. Carolyn Weaver

Excerpts from "The Marks of a True Prophet: A Call to Come up Higher"
Hank Kunneman, Omaha, NE

"After this I looked, and, behold, a door was opened in Heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter." (Revelation 4:1)

On the night I was filled with the Holy Spirit in 1984, I had a spiritual encounter that deeply impacted my walk with the Lord and changed me forever. This encounter began my journey into knowing and communicating the heart of the One who is seated on the throne.

In June of 1984, I had given my life to the Lord in my parents' basement after my high school graduation. I was so on fire for the Lord, and I knew in my heart what I had with my salvation was real. I was so hungry to know God and to be used of Him. I can honestly say that that zeal has never left me in over thirty-five years of serving Him. On the night I was gloriously filled with the Holy Spirit, I spoke in other tongues as the Spirit gave me the utterance, and I had a miraculous, heavenly encounter.

I had been asked to come to a church service and, after the service, to be baptized in the Holy Ghost. I had no knowledge of such a thing, nor had I had any teaching about it. I just figured if it was of the Lord, then I wanted it!

There was an older woman there who became my spiritual mother in that season, mentoring me in the Scriptures and the things of God three to four times a week for several years. She lived to be a hundred years of age and just got promoted to Heaven a few years ago. When the service ended that night, she and a few others joined her by laying their hands upon me and said, "Receive the Holy Spirit."

I immediately began to speak in other tongues like a fluent river. It was not just one word but sentences and paragraphs it seemed. I felt lit up on the inside and so very full of His Spirit, with a sense of supernatural power in me. I couldn't stop this unction of praying in this awesome, unknown heavenly language.

I went home and looked in the mirror and my countenance was lit up. I laid down on my bed and continued to let it flow. I can honestly say I prayed in my new heavenly language the whole night, and it was then that the most amazing thing happened. I was caught up to what I believe was a small glimpse of the throne room. I immediately was in a room—not my bedroom, but another room. I heard the most beautiful voices singing and the light, oh the glorious light I saw and experienced all around me! The light initially was so bright that it didn't allow me to see but only to hear and feel such an amazing presence that I'd never felt before.

As this experience continued, I could then see multitudes gathered around me as I was part of a massive crowd, a choir you could say, that was part of this brilliant light. I could see a river that reflected this bright light, but the amazing part was having the feeling of being pulled into something that was drawing me closer to what I believe was the One who sits upon the throne, God Himself! I could see a figure seated on something big and magnificent, but I could not see the figure's face or what He was sitting on clearly, just His form, because of the brilliant light that caused me to hide my face.

I am not sure how long I was there; it really didn't matter as far as natural time was concerned. I awakened from this experience hearing my mom's voice at the top of the stairs yelling my name, and that's when I suddenly realized it was morning. I'd spent the entire night in the presence of the Lord, and I had been changed!

A Call to the Throne Room

I realized that the spiritual experience I had the night I was filled with the Holy Spirit was a call to the throne room. It has marked my life ever since with a strong passion to intimately know the Lord and the awesome responsibility of being entrusted with what He reveals to me to share with others. I also believe that this experience is where I received from Him the call to be one of His throne room prophetic vessels in the earth. This is important, as no prophetic gifting or office can come by self-calling or choosing; it only comes by His choosing.

This kind of throne room experience is what happened to the apostle John in Revelation 4: "...Come up hither, and I will shew thee things which must be hereafter" (Revelation 4:1). John was being called to the throne room. This same call is upon us, especially those who stand in the land to be His throne room prophets. In fact, three powerful words that John heard are still being echoed today: "Come up here!" This is an invitation by the Lord to be taken in the Spirit into the presence of God, so He can deepen our relationship with Him and also show us prophetic things that must come hereafter.

Like John, though not as dramatic, in my spiritual experience I was being called to "Come up here!" I have come to realize how important that experience was and is, as a call to come up higher and to know the One seated on the throne. I must know Him so He can entrust me with things He wants to say or reveal.

How is this done? It happens through the gift of prophecy, the office of the prophet, as well as through other ministry gifts and functions. This is why answering the call to come up higher to the throne room must be treated with a reverent fear, honor, and respect of not only the place we are being summoned to but, most importantly, the Holy One Himself—the Lord.

It is not hard to discern those who carry the heart of God because they are in a constant state of fellowship with Him and only want to do things that please Him. They model His heart, His character, and His ways. You can sense they have been with God, and what they minister carries the presence of having been in the throne room. Their words are filled with power, their character reflects Him, they have His moral standards, and they are jealous with what makes Him jealous. As they speak for Him and minister for Him, it will be said of them as it was of the disciples that these men have spent time with the Lord.

It is from this call to the throne room that true throne room prophets and prophecy are born and maintained. It is not a one-time pursuit but a lifestyle where everything they desire to speak, to minister, and to reveal has been a result of this call to the throne room with Him.

This call to come up higher to the throne room is to summon God's people—sons, daughters, men, women, young, and old—to go another level in hearing and speaking for the Lord. This can only be done if we choose to respond to Him. It is especially necessary that we answer the call to the throne room so we can effectively discern what are right words, wrong words, wishful words, and false words.

When one spends quality time with God, it is not hard to discern if they are speaking from Heaven or not. Those who have been in the throne room speak words that carry the sound and weight of Heaven. It cannot be stressed enough that the call to the throne room is about spending time with God and learning His ways. Our desire must be to know the One who sits on the throne. Intimacy and relationship must be first and foremost if we are to be entrusted with the sacred heart and words of the Lord.

When throne room prophets and prophecy fall short is when the focus is on the prophetic words given rather than on Him. This is why there is a lack of accuracy and even character among those who say they have heard from the Lord. A life committed to knowing Him and spending time with Him in the throne room is imperative, especially if we want to be effective ministers for Him.

Come Up Higher

There is a call to come up higher in true throne room prophecy. It is as if Heaven is asking, "Who will answer the call to the throne room? Who will answer the call to come up higher, to be shown things the Lord wants to tell us to come hereafter?" If we choose to answer like John did, it will require us to raise a higher standard in our lives and in the prophetic words we receive and share.

In addition, it will require from us a deeper, consistent pursuit and a passionate desire to know Him greater and to be used of Him at a higher level. How do we do this? We need to once again consider the apostle John. He had already been in the Spirit since Revelation 1—the beginning of his encounter with Yeshua. This example is the same for anyone who is called as a throne room prophet, as well as for all who desire to deliver throne room prophecy.

We can see that the Lord wanted John to come up even higher, meaning there are deeper levels and standards that we are being summoned to. We must also keep in mind that John was being called to a higher place as a result of decisions he made while he walked with the Lord on Earth. Leaning his head upon Yeshua's breast was the foundation that preceded him now being called higher.

That same call is going out from the throne room in this day, and it is being offered to those who, like John, want the heart of the Lord first and foremost in their daily walk. In this call, God wants the standard, the precision, the revelation, and the demonstration of what we receive from Him to come to another level so that the world will know we are speaking and representing Him.

We must not lower the bar of His call by careless prophetic delivery or undisciplined prophets or prophetic ministers. We cannot afford bad pulpit manners or bad manners in general, prophesying words that are wrong, wishful, false, or flaky. A call to come up higher is a call to raise our expectations, our discipline, and our desire to have a sure word of prophecy in our mouths and lives. It is a call to speak words that are filled with the Spirit of Truth, that would never ever want to bring reproach to Him or the gift and giftings He has given us.

God summoned John higher so He could show him things that were to come at a higher level and so John could accurately share them. God's heart or pulse requires a voice, a spokesman to release it in the earth. Remember, the Lord does nothing in the earth without revealing it to His servants the prophets (see Amos 3:7).

As I mentioned, John was already in the Spirit on the Lord's day, but this was another level of spiritual revelation, manifestation, and experience. John had already had a definitive experience of walking with Yeshua on the earth, representing our walk with the Lord in this natural realm. It was thereafter that his experiences deepened with this visitation and manifestation of Yeshua in the power of His resurrection, which opened his spiritual eyes to see and experience Him on another level.

This, again, was a higher place, dimension, and manifestation of a spiritual experience that comes through the Holy Spirit and His power. It was from this place in the throne room that a higher level of responsibility, revelation, and spiritual manifestation took place.

This is where the throne room prophets must spend most of their time. It is not so much just ministering and experiencing the Lord on Earth or the manifestations of the anointing; it's not so much the Spirit of resurrection power, though all these things are absolutely vital. This call is to come up higher to a throne room life of encounters with Him and should be the passionate desire of every Believer and prophetic vessel.

We can clearly see this as Yeshua sat in various places, like on a rock and in the boat for example. It was not the only place of authority that He was speaking from or representing, but rather, He was speaking from a position of heavenly authority and backing at the same time!

Remember, Yeshua was able to speak from this higher place of authority and accuracy because of the time He spent with the Father. He was consistently found in prayer—morning, noon, and night. He answered the call to come up higher, the call to the throne room, and so must we!

For example, he could splash in ankle-deep water without much skill or understanding. However, to enter the deep water where he could only swim would require more skill, technique, and understanding due to the level of the water. It is the same way when it comes to throne room prophecy and going deeper with the Lord and the spiritual words and encounters. It will require less flesh and a more focused understanding of the depth you are being taken into.

In other words, they are disciplined, trained by the Lord, and they don't have to prove anything because they have been changed by Him and are yielded to Him. They aren't sloppy with the prophetic, always having to pull someone aside with a word or push to be seen and heard. The character and the maturity of gifting is revealed in their discipline of holding on to the Word of the Lord and knowing

when, how, if, and with whom to share their experiences. They are content in not being the focus of attention or being measured as a deep prophet or prophetic minister by the level of their revelations or experiences.

When Peter, James and John were being taken to a higher level or depth in the things of the Lord, they were overcome with the fear of the Lord.

"While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud, which said, This is My beloved Son, in whom I am well pleased; hear ye Him. And when the disciples heard it, they fell on their face, and were sore afraid." (Matthew 17:5-6)

They were also instructed by Yeshua not to share their experience of seeing the Lord transfigured in glory.

"And as they came down from the mountain, Yeshua charged them, saying, Tell the vision to no man, until the Son of man be risen again from the dead." (Matthew 17:9)

Being in His presence, like they were at Yeshua's transfiguration and when John was in the Spirit in the throne room, will change you, making you more effective in hearing and delivering throne room prophecy. His powerful presence is the result of answering this call to come up higher and will reveal areas where we are undone and even areas that we need to improve.

Spending time in God's presence is what marks a true throne room prophet and throne room prophecy. They have allowed the Lord to make them, mold them, change them and use them. It is evident not so much in their prophecies or revelation but in the fruit of their ministry, revealed in character and the manifestation of their gifting's.

We can learn a valuable lesson from Isaiah about the importance of allowing God to change and shape us. Isaiah realized his human frailty needed the help of God in order to correctly speak for the Lord and minister as His representative.

Speaking the Lord's words comes with a price, especially when called to stand as a throne room prophet. Not everyone who prophesies is a prophet as described in Ephesians 4:11. This verse tells us Yeshua gave some to be prophets, not all. Yet if you are called to be a throne room prophet, you must allow the Lord to make and take you through the process of becoming His mouthpiece and spokesman.

When I hear people identify themselves as prophets, I often take a moment and wonder if they really know the journey, the price of what they identify with. It is no joke, no status symbol, or anything to treat lightly. It should come with a holy fear, awe, and strong desire to have a sure word of prophecy in our mouths that is coupled with the Spirit of Truth. We should rather say nothing than to be wrong or misrepresent the Lord and what He is revealing. Yet, at the same time, we are to be faithful to open our mouths when He speaks and listen to what He tells us, and do it with honor and obedience to Him as servants unto the people to whom He sends us.

Like with Isaiah who saw the Lord high and lifted up in Isaiah 6:1, this needs to be our focus—to see the Lord high and lifted up, not ourselves. We must realize that the things we are being entrusted to receive, whether seen, heard, or perceived, are to glorify Him who sits on the throne. The testimony of Yeshua is the spirit of prophecy, meaning that glorifying God and testifying of Him are the real motives behind the throne room prophet. It isn't about taking the credit for healings, fulfilled prophecies, or any other wonderful thing the Lord does.

A throne room prophet is unique in character and gifting because they exemplify the heart of God and what He has given them to share with others. It is those who never allow Him to mold them, humble them, and bring them through the often-lonely journey required to represent Him who wind up not lasting long in ministry. This refusal to be shaped by God also often leads to self-promotion, immaturity, an unteachable spirit, lack of accountability, and pride. If these things take center stage, they become the focal points rather than the Lord, and we cannot accurately reflect Him in gifting and character.

The apostle Paul is another example of what happens when we are summoned higher to the throne room. When he was caught up to the third Heaven, it revealed areas in him that required growth. Notice how he speaks about his weakness and his desire, not wanting to be prideful or draw attention to himself, his message, or his experience. He was even reluctant to tell anyone his visions or revelations.

This is always a must for those who want to be trusted with a higher level of throne room prophecy. Not every experience is meant to be shared, and out of respect to the Lord we must wait for His leading. A great self-test is not to be too quick to share every vision, dream, and prophecy to every person or audience. Ask yourself, "Does the Lord want me to speak this? How is this going to affect those with whom I share it? What is my motive in sharing what I receive?" In doing so, you will fine tune your ear and skill to operate at an even

higher level of prophetic things. It is an example for us who desire to go to another level as a throne room prophet or one who ministers throne room prophecy.

It is important that we are yielded to the Lord in areas where we need adjustment and growth. As we can see with Paul, his weakness was brought out to change him, grow him, and keep him in the right spirit during his time in the throne room.

Whether I was in my body or out of my body, I don't know—only God knows. But I do know that I was caught up to paradise and heard things so astounding that they cannot be expressed in words, things no human is allowed to tell.

"That experience is worth boasting about, but I'm not going to do it. I will boast only about my weaknesses. If I wanted to boast, I would be no fool in doing so, because I would be telling the truth. But I won't do it, because I don't want anyone to give me credit beyond what they can see in my life or hear in my message, even though I have received such wonderful revelations from God. So to keep me from becoming proud..." (2 Corinthians 12:1-7 NLT)

When one allows God to take them through the necessary process and preparation to be His prophet or a Believer who prophesies, it should not be hard to discern those who are true throne room prophets or if a prophecy is from the Lord. It becomes easier to discern both what we receive from the Lord and those who deliver a prophetic word. How do we know? We can discern by their fruit, by whether their time with God reflects in their character and not just in their gifting.

When a person is changed by the throne room, instead of pride, conceit, selfish ambition, or a need to be the center of attention, they display qualities like vulnerability, humility, and especially a strong fear of the Lord with a strong reliance upon Him. This will help you to discern the ones ministering as well as the prophetic words given. Those who spend genuine time with God will manifest the fruit and character of having been with Him. Their agenda will not be to impress man or have the most followers on their social media platforms but to glorify, honor, and minister with the fear of the Lord in their hearts. As they stand in awe of Him, the fear of the Lord spills over onto the ones they're ministering to.

I believe we can often tell if a person is spending quality time in the throne room by, first, the focus: is it the Lord or ourselves? Second, what is more important, my gifting, anointing, or how God uses me; or is it ministering effectively to others, making them

the priority? Third, what kind of character do we display, as well as the power manifested?

"Ask Me and I will tell you remarkable secrets you do not know about things to come." (Jeremiah 33:3 NLT)

Their time with the One who is seated upon the throne as the Lord of all is what sets apart prophets and those who prophesy in the earth. They are changed, trained, and developed in His presence. This is not a one-time glorious experience but a habit that should span our whole lifetime of serving the Lord. It also will be what causes others to trust that the words we are prophesying are truly coming from the Lord.

I want to encourage you to make it your strong daily discipline to walk with the Lord and spend time with Him. Desire for Him to take you higher in the things of His Spirit, to get a true glimpse of who He really is as the One seated on the throne. Ask Him to take you higher in Him and in what He chooses to show you. Then be ready, because He will begin to show you more in-depth things that will not only bless you and others, but He will set you on a journey to be a vessel of honor with true throne room prophecy in your mouth!

The Great Battle for the Land, a vision about the war for the nation.
September 2, 2009 Wade Butler

As a seer I often see things six to ten years in advance. I seldom share what I see knowing that they are a distance in the future. In March of this year I wrote Chuck Pierce that the greatest battle for the nation was to happen beginning Tabernacles of this year we would be divided as a nation, North, South, East and West as the enemy of our soul fought to Kill, Steal and destroy the nation as the ground shakes over the awakening.

At our House of Zion Meeting on August 25, 2009 I had an open vision which I shared with those present. I shared it with Chuck Pierce at that time. Several days later I was up praying during the last watch while recovering from shoulder surgery and the vision reappeared with greater emphasis and detail.

A terrible storm of darkness was bellowing from the east faster than any storm I had ever experienced over a large field. I asked the Lord to explain

the vision in greater detail. At that moment the Spirit of the Lord told me it was the powers of darkness coming to try to disrupt the work to be done on the land but to fear not, His Army was arising to meet the storm.

I looked and instantly the Army of the Lord appeared to the west. The formation looked like tens of thousands on white horses. There were three forward points, a center point, one to the north and a point to the south. In the center the Lord stood out more brilliant than anything in the skies. He was magnificent in robes of purple, royal blue, silver gold and red with a crown that cannot be described in words. He was fearsome yet love flowed like honey beneath His horses' hooves. On either side were twelve elders on horses and at the end of the southern point was Moses and on the northern point Elisha.

I fell before Him and asked, "Lord what must I do"? He said to turn and face the enemy. I replied Lord I am weak and my left arm is injured and I am unable to hold a shield, but give me a sword and I will fight. He said; "The faith of many has been attacked this year and has been weakened due to hope deferred from the dreams and visions received but not yet fulfilled. Arise and be fitted with new armor, the work is yet to be done."

As I arose and turned I saw angels fitting multitudes with new armor. They were coming from all nations filling the land. Everyone appeared to be wearing peasant garments of linen pants and shirts. Each was being fitted with the new armor that

looked like matted or dulled stainless steel, but the metal was not from the earth. It was made in heaven, forged and tempered in the Blood of the Lamb.

My heart raced as an angel approached me and put on boots that extended to the thighs and buckled on the outside of the legs. Next was a skirt in layers, with a wide belt and buckle, then breast plates that surrounded the chest and back and strapped on the sides. A helmet was placed on each person's head that had a plume of camel's hair like paint brushes down the center extending from the front to the back of the head. The plumes were brilliant in color, representing the different tribes. Many were multi-color signifying the calls on each person's life. A cape was placed on our shoulders representing humility.

A shield was given each man, women, and child that was unusual in that it sat out ten inches from the arm. An adult's shield was forty inches tall and thirty six inches wide. On the handles inside the shields were bows of bronze with quivers carrying twelve arrows and behind the bow were three short spears or darts. There was no weight to the apparatus and all my infirmities were instantly healed. As my thoughts questioned what each item represented* the Spirit would answer before I could speak. "The arrows represent the twelve apostles and my word they brought forth, the darts Father, Son, and Holy Spirit." A sword of the word was placed over our shoulders as well as a battle axe and the Lord said, "Turn and face your enemy, draw an arrow and release it into the darkness."

Arrows filled the air penetrating the darkness, as each struck lightning exploded exposing the hideousness of the enemy. We instinctively turned once again to our Lord and He said; "Each arrow delivers a word to destroy the enemy's works. Your arrows only run out if your faith diminishes." "Turn again and attack the enemy with a sound of joy for the battle is yours and the field will be redeemed if you do not turn back." We turned again with swords drawn to battle as the shofar's sounded and we charged across the field into the darkness. When we had reached the center of the field the Glory of the Lord filled the land and our armor shown with a brightness that has never been seen on earth dispersing the darkness. We stood in silence and wonder at what had just taken place and turned again to our Lord for further instructions.

The Spirit spoke and said; "The land has been redeemed and a great work to heal the nations shall be birthed. Storms will come again but this land shall be a garden of rest. Stand ready, you have new armor, hear the sound of war, give no ground when the enemy comes."

The vision ended. I asked the Lord, "Where is this battle to take place?"

The field was the land of GOZ! It sets at the joining of Interstate 35E and 35W. It is the dividing line of the nation. The battle was the day of first fruits.

*Many more details were given during the second visitation as to the significance of each piece of armor and the names of those with the Lord and printed in "My Call to War" published in 2010. Everything was made of a metal not found on earth but forged and tempered in heaven that when exposed to the Glory of God illuminated a light too great to look upon. The swords were so sharp they would penetrate even the shields. The darts when thrown exploded on contact in multiple burst causing great havoc in the enemy's camps. The buckle on our belts was like an Alaskan Ule knife for very close contact fighting. Our shields interlocked to our brethren, the plumes on our helmets represented different tribes, callings, and sounds. There was no weight to the armor and each piece was fitted perfectly according to the person. We were never to take off our armor again for many more battles were yet to be fought. All shouted and sang in the spirit in unison a new song I had never heard.

PROPHETIC TIMELINE REVEALED; A GREAT SHAKING...SEPARATING AND A
DIVINE SHIFT, WATCH! FOR THE NEXT 40 DAYS ARE SIGNIFICANT FOR
SPIRITUAL BREAKTHROUGHS...! Veronika West

Watch! For the great eagle is shaking...and the great owl is “now” separating watch and pray, and fear not! For the black snakes shall be shaken loose from their hiding places...and the rot in the roots that have defiled the fruits will be exposed and cut down with the sharp axe of my truth...but watch! For after a season of great shaking and divine separating will come a visitation of the white dove...and just like the turtle dove that Noah released from the safety of the ark after 40 days, so shall the white dove be released from the heavens upon the nation and this shall be a sign that a new day and a new era has dawned upon the nations of the earth”!

A POWERFUL VISION CONCERNING THE UNITED STATES OF AMERICA AND
THE NATION OF ISRAEL....“A GREAT SHAKING, TWO TREES...THE GREAT
EAGLE...THE GREAT OWL AND...THE WHITE DOVE...;

I heard the Spirit Say, “WATCH! FOR A GREAT SHAKING, SEPARATION AND
SHIFTING IS NOW TAKING PLACE ACROSS THIS NATION”...!

THE VISION...!

I am led today by the Holy Spirit to share a very powerful vision encounter I had at the beginning of Rosh Hashanah (Jewish New Year) concerning the Nation of America...this vision encounter took place during a time of early morning prayer and worship when suddenly I was caught up in the realm of the Spirit...,and I found myself standing before a large and beautiful Olive Tree...,and it's branches were heavy laden with ripe fruit....,now as I looked at the Olive Tree it was quickened to me by the Spirit of Revelation that what I was looking at was the 'NATION OF AMERICA'....and As I looked again in the vision at the beautiful Olive Tree....,I heard these words, “WATCH! FOR A GREAT SHAKING, SEPARATION AND SHIFTING IS NOW TAKING PLACE ACROSS THIS NATION”...!

GET READY...!

And As I heard those words, my eyes were drawn back to the large plump Olives which hung from the branches of the Olive Tree...and I could smell the beautiful fragrance of the very ripe Olives...and the Spiritual atmosphere in the vision was filled with such an expectation and an anticipation that something highly significant was about to take place....then suddenly I heard the Spirit Say, "GET READY, ITS HARVEST TIME, THE TIME OF HARVEST IS NOW AT HAND"...and as those words echoed in the realm of the Spirit, suddenly a loud and piercing sound filled the atmosphere in the vision....it was a sound that was instantly familiar to me, yet it caused me to tremble with the Fear of the Lord....it was the loud and piercing sound of the cry of a Great Eagle....and as I heard its piercing cry...I felt a strong wind blow round about me as the Wings of the Mighty Great Eagle passed over me...!

A GREAT SHAKING...!

Now With my eyes fixed upon the Great Eagle in the vision, I watched as the Great Eagle began to circle high above the Olive Tree....,round and round the Great Eagle flew....it's powerful wings moving up and down as if in slow motion...,then suddenly I saw the Great Eagle begin to fly down towards the heavy laden Olive Tree...,and I watched as the Great Eagle came to rest upon the top branches of the Tree....but as the feet of the Great Eagle touched the branches of the Olive Tree suddenly the whole Tree began to shake violently....and then I heard these words, "A TIME OF GREATER SHAKING HAS NOW BEGUN TO TAKE PLACE IN THIS LAND"....now the shaking was so great that I was unable to stand upon my feet, for the ground beneath my me shook with such force that I was brought to my knees.

A SEPERATION AND DIVINE EXPOSURES OF DARKNESS...!

Now As I knelt upon the ground, with my eyes still fixed upon the Great Eagle....,suddenly I saw that in the midst of the great shaking that was taking place, the heavy laden fruit on the branches of the Olive Tree were being shaken off the tree and the fruit was falling to the ground....and then I heard these words, "WATCH! FOR A TIME OF GREATER SHAKING WILL NOW BRING FORTH THE GREATEST HARVEST THE EARTH HAS EVER SEEN"..., and as I heard those words, suddenly the vision shifted and day turned to night and deep darkness surrounded the Olive Tree...and as I watched the Olive Tree continuing to shake violently,...suddenly I saw two large, bright yellow eyes appear in the night sky...and as I looked a little closer in the vision....the face of AN OWL came up before me.....and as I looked at the bright yellow eyes of the Owl...

I heard these words, "THE EYES OF THE GREAT OWL WILL SEE WHAT PROWL, FOR EVEN DARKNESS IS LIGHT TO HIM",...and as I heard those words...suddenly I saw SNAKES....big black snakes beginning to fall out of the branches of the olive tree...and I watched as both the....ripe fruit of the olive tree and the big black snakes fell simultaneously to the ground in the midst of the great shaking that was taking place....,and then I saw the Great Owl begin to swoop down upon the big black snakes that were falling to the ground and the Owl began to pick up and devour the black snakes....and then I heard these words, "WATCH! FOR IN THE MIDST OF A GREATER SHAKING....A GREAT HARVEST SHALL COME FORTH AND EVERY HIDDEN AND EVIL THING SHALL BE EXPOSED AND DESTROYED"...!

A NEW MOVEMENT IS BEING BIRTHED IN THE EARTH...!

As those words went forth in the realm of the Spirit...I watched as the Olive Tree continued to be shaken violently....every big black snake was shaken from its hiding place and the beautiful ripe fruit on the branches of the tree were shaken to the ground, and as I watched, I kept hearing these words, "ITS HARVEST TIME, THE TIME OF HARVEST IS NOW AT HAND AND EVERY HIDDEN THING SHALL BE EXPOSED AND DESTROYED"...then suddenly the vision shifted once again, and I saw a multitude of people beginning to appear roundabout the Olive Tree that was still being violently shaken...but then I heard the sound of many voices, as the multitude that were gathering around the Olive Tree began to sing with one loud voice...and they sang, "HOLY, HOLY, HOLY IS THE LORD GOD ALMIGHTY"...and as the sound of their voices filled the atmosphere....,so I watched as their feet began to move in time and in rhythm with the sound of the great shaking that was taking place.... and then I heard these words, "WATCH! FOR A NEW MOVEMENT OF RIGHTEOUSNESS, HOLINESS AND JUSTICE IS RISING IN THE EARTH"...and as I heard those words, I saw the feet of the multitude moving together as one and they began to march around and around the Olive Tree, and as they marched in Unity,....I heard these words, "A GREAT AWAKENING HAS BEGUN, AS THE ARMY OF THE LORD RISES IN THE MIDST OF A GREAT SHAKING, WATCH! FOR RIVERS OF REVIVAL AND RESTORATION SHALL RISE AND FLOW FORTH UPON THE LAND".... A RIVER OF REVIVAL AND RESTORATION: THEIR HEELS WILL CRUSH THE HEAD OF THE SERPENT SPIRITS...!

And as I heard those words my eyes were drawn back again to the marching feet of the Army of the Lord and I saw that as they marched....many of the large black snakes that were still falling to the ground and the ripe Olives that were still falling from the branches of the Tree were being crushed beneath their feet...and i watched as

oil....thick oil from the ripe olives began to cover all their feet....and as they continued to march round and round the Olive Tree so the thick oil from the crushed olives continued to come forth...and i watched as the thick oil began to rise like a mighty river....at first only their feet were covered with oil....but as the River of Oil rose quickly, the oil came up to their ankles, higher and higher the River rose until I saw the Army of the Lord begin to swim waist deep in the River of Oil...I watched in utter amazement at the acceleration of rising River which then began to flow forth across the whole land, and then

I heard these words, "RIVERS OF REVIVAL AND RESTORATION SHALL RISE IN THE MIDST OF GREAT SHAKING AND A GREAT HARVEST SHALL BE GATHERED UP AND THE HEAD OF THE SERPENT SHALL BE CRUSHED UNDER THEIR HEELS"!

A TIME OF SHIFTING BEGINS....!

As I heard the Spirit say those words, suddenly the vision shifted once again and I saw that the Great Owl that had devoured many of the big black snakes had now gone....but as I looked up again to the top of the Olive Tree, I saw the Great Eagle stretch forth his mighty Wings over the River of Oil....and then I watched as the Great Eagle flew down from the Olive Tree towards the River which was now flowing with great power....and I saw the tips of his mighty Wings touching the top of the River of Oil and as I watched the River flow forth upon the land it brought resurrection life and supernatural healing to everything the River touched....!

PEACE AND VICTORY COMES ON THE WINGS OF A DOVE...!

But then suddenly....,A PURE WHITE DOVE APPEARED BEFORE ME IN THE VISION....and I saw the White Dove fly straight towards the Olive Tree and I watched as it came to rest on the same place where the Great Eagle had been sitting and as the feet of the White Dove touched the branches of the Olive Tree suddenly the VIOLENT SHAKING CEASED....and A GREAT PEACE AND STILLNESS CAME UPON THE OLIVE TREE....and then I heard the sound of a soft "coo-oo", followed by another two or three louder coos as the Pure White Dove sat high upon the branches of the Olive Tree....,and as the atmosphere was filled with the coo-ooing sound of the White Dove suddenly the darkness of the night turned to the brightness of a NEW DAY....

and then I heard these words, "WATCH AND PRAY! FOR A GREAT SHAKING COMES ON THE WINGS OF THE GREAT EAGLE...AND A GREAT SEPARATION COMES ON THE WINGS OF THE GREAT OWL...AND A GREAT SHIFTING COMES ON THE WINGS OF A DOVE"...as those words deeply penetrated my heart, I saw the Pure White Dove BREAK OFF AN OLIVE BRANCH FROM THE TOP OF THE OLIVE TREE and I watched as the White Dove flew down towards the River of Oil that was flowing forth upon the land and I watched as the Olive Branch was dipped into the River of Oil....and thick oil covered the Olive Branch and its leaves....and then I saw the Dove fly up once again with the Olive Branch in its beak...

HIS COVENANT WILL BE RESTORED....!

...When suddenly a second beautiful Olive Tree appeared in the Vision and as I looked at the Olive Tree immediately the Spirit of Revelation spoke to me saying, "BEHOLD, THE NATION OF ISRAEL"....now as I looked at the Nation of Israel (the Olive Tree) my eyes were drawn to the deep roots of the olive tree and i was shown (3) three roots of the olive tree, and as I looked at the roots beneath the ground....I heard these words "FOR I AM THE GOD OF ABRAHAM, ISSAC AND JACOB"...and then I saw the Beautiful White Dove with the Olive Branch in its mouth fly towards the Olive Tree (The Nation of Israel) and it came to rest upon the branches of the Tree and then I heard these words, "THE OLIVE BRANCH OF PEACE AND VICTORY WILL BE GIVEN AND THE COVENANT OF ABRAHAM, ISSAC AND JACOB SHALL BE RESTORED, FOR EVERYONE WHO CALLS ON MY NAME SHALL BE SAVED"..

Then I saw the ROOTS OF THE TWO OLIVE TREES (The Nation of America and the Nation of Israel) BECOMING INTERTWINED. (The Vision suddenly lifted)

Note; I submit the Above Vision for prayerful consideration, currently I am writing some of the interpretation that the Lord has given me concerning the significance of a number of things within the Vision.

The Great Eagle, the Great Owl and the White Dove are highly symbolic of how the Spirit of the Lord is moving in this hour in the Nation of America.

I believe the Vision speaks powerfully to a SUPERNATURAL AND SIMULTANEOUS MOVE OF GOD THAT WILL TAKE PLACE IN THE MIDST OF THIS GREAT SHAKING...

A Time of Great Harvest and yet it will be a Time of Divine Exposures as a Sifting and Separation of the Goats and the Sheep take place within the Nation of America...there is Battle between LIFE AND DEATH THAT WILL UNFOLD....In this hour we will see

Gods Governmental hand of Righteousness and Justice moving swiftly to EXPOSE THE WORKS OF DARKNESS AND REVEAL EVERY HIDDEN OF WORK OF WITCHCRAFT..., DEMONIC STRONGHOLDS OF SATAN WILL BE TORN DOWN AND UPROOTED IN THE MIDST OF THE GREAT SHAKING...!

I see a Remnant of Radical Reformers that will Arise in the midst of the Great Shaking, the TRUE ECCLESIA WILL TAKE HER PLACE....I hear the words, "A NEW MOVEMENT IS BEING BIRTHED IN THE EARTH, WATCH! AS THE RIVERS OF MY GLORY....GO FORTH TO IGNITE THE FIRES OF REVIVAL ONCE AGAIN, WATCH! AS THE RIVERS OF MY GLORY BRING RESTORATION AND HEALING UPON THE LAND" ...!

Just after midnight I was woken very suddenly after a short dream (will share soon) to these words; "WATCH AND PRAY, FOR DEMONIC ILLUSIONS WILL CREATE FEAR-FILLED CONCLUSIONS AND DISARM YOUR FAITH"...!

"This Is a Tipping Point"
Wendy Alec, London, UK

Recently one morning, the Father had a message: "This is the tipping point. The bowls are full. I have issued a divine stay. I have issued a heavenly writ in My courts of justice, against the trading floors of the enemy.

"The cries and the incessant intercession of My sons and daughters have been collected, by My angelic host, into the mighty bowls of the intercession of My saints, and have reached a tipping point on My scales of justice and judgment on My altar. I am tipping the bowls. I am tipping the bowls. I have issued a divine stay."

"Daddy, Abba, what is going on? It's like we're all living in a surreal movie. Daddy, what do You want me to say?" I asked.

This Is Not That

Our wonderful Father said, "Beloved daughter, tell My beloveds, firstly, that this is not that. *This* is not *that*. This is not the tribulation. This is not the time of the anti-Christ, but it is the precursor. Tell My beloveds, alert My sons and daughters that My Church has now entered the outskirts; the trembling's of the end of the age.

"The enemy has endeavored to preempt My divine timeline, but he will fail just as he has failed so many times before. His last all-out attempt was in the times of Hitler. I not only circumvented it, but through the cries and prayers of My saints, the enemy's plans to destroy My people through the Holocaust were turned on their head and the nation of Israel was born in a day.

"The cries and the incessant intercession of My sons and daughters have reached a tipping point on My scales of justice and judgment on My altar. They are being poured out at this very moment as judgment against the enemy and as judgment on the enemy's world systems.

"I have issued a heavenly writ in My courts of justice and against the trading floors of the enemy. I have issued a divine stay from the destruction the enemy has intended, against the preemptive strike to destroy, kill and usher in the end of the age.

"So do not fear, beloved. Do not fear. The situation is not going to pan out as the enemy's victory, but I tell you that even as the Israelites stood at the Red Sea, the waters will part. Know this: I am your God. I am your mighty God. I am your omnipresent, omnipotent, omniscient, mighty, mighty God.

"So put your hand in Mine this day. Know that My protection is yours. Plead

My Son's powerful Blood over your households and watch. Watch and pray, expectantly...expectantly...expectantly, beloved, for the enemy to be routed.

"As the tipping point occurs, inch by inch, foot by foot, yard by yard and mile by mile, fear will be routed. My peace will start to rain down from heavenly portals as My justice invades the earth. My peace will rain down like a divine mantle.

"Hold on. Hold on. Hold on. For surely you will see My hand in this coming hour, for by next spring, beloved, the earth will be swept with the renewal and health of My divine justice, and My divine mantle. Hold on. Hold on. Hold on. You are Mine."

"Prepare for the Time of Restart and Relaunch!"
Katie Barker, Tweed Coast, Australia

Recently I heard the Lord say, "My faithful remnant is preparing for the time of restart and relaunch that is coming. They have embraced the time of reset and have come into closer alignment with My heart, Word and ways during this time.

Relaunch from Strengthened Foundations

"In the time of reset, the foundations of many of My people have been strengthened and fortified, and they will be relaunched from a position of greater strength, power and alignment. They pressed into Me in the time of reset. They allowed My Spirit to highlight areas that needed to be brought into submission to Me. Their humility and willingness to be molded by Me has allowed Me to position and prepare them for the restart that is coming.

"What the enemy meant for harm I have turned for good. Their foundation of faith and trust in Me has been strengthened in this time, and they stand securely on the truth of My Word and their knowledge of who I am, as their foundation is one of intimacy with Me.

Relaunch with Renewed Purpose and Vision

"Those who have embraced the time of reset will restart with renewed purpose and vision, for they will be given divine keys of revelation on My strategies for them in this hour. They will step out with increased clarity and honed purpose as I release detailed information on the plans and purposes I have for them.

"The enemy has attempted to bring confusion and discouragement, but as My people look to Me and the opposition against them breaks, they will receive wisdom and revelation of the path ahead. A time of renewed purpose is coming to My people as pieces of revelation are given to them on the unfolding of the next level of their destiny in Me.

Relaunch with Greater Alignment

"Those who embraced the reset will restart from a place of greater alignment with My Word, heart and ways, for in the time of shaking I highlighted that which was not if Me and brought My people to a place of repentance and deeper surrender. They allowed Me to bring a recalibration to them through greater alignment with My heart, Word and ways. They had eyes to see the time as one of preparation and purification for the great unveiling and relaunch that is to come.

Relaunch with a Greater Area of Influence

"I search the hearts of My people, and those who have cried out to Me from a heart position of Psalm 139:23-24 will see Me relaunch them into a greater area of influence in Me, as I can trust them to carry My message and truth with purity as they carry My heart and love.

"Their hearts' cry is to be closely aligned with Me and to walk to the beat of My heart and the rhythm of My Spirit. They desire to walk in My ways, and many will encounter My heart and ways through them. Those who burn with love for Me will ignite the hearts of others, as they are vessels through which others encounter the power of My love."

Psalm 139:23-24 (TPT), "God, I invite Your searching gaze into my heart. Examine me through and through; find out everything that may be hidden within me. Put me to the test and sift through all my anxious cares. See if there is any path of pain I'm walking on, and lead me back to Your glorious, everlasting ways – the path that brings me back to You."

Relaunch Purified in the Fire

"Many are arising who have been purified in My fire and will be sent out carrying My fire. This is the era of the sending, and in the time of relaunch I will send out My remnant with power and boldness, baptizing them with My Spirit and fire."

"Those who embraced My refining in the time of reset are those who humbled themselves before Me, hungered for closer intimacy with Me and desired to be transformed in My presence. Those who desired to be pure vessels through which I could impact others will restart with a greater voice and influence for Me, as they will steward the increase from a position of purity of heart. My fire is coming to purify and ignite My people, and through them, regions will be set ablaze."

Luke 3:16 (ESV), "John answered them all, saying, 'I baptize you with water, but He who is mightier than I is coming, the strap of whose sandals I am not worthy to untie. He will baptize you with the Holy Spirit and fire.'"

Relaunch with Greater Spiritual Sight of the Battle

"My faithful remnant knows the hour and season and has ears positioned to hear My call to relaunch and advance. A great call to arms has resounded from Heaven as My people take their place and prepare and position for the relaunch. A great spiritual battle is raging in this hour over the unfolding of the greater plans I have for individuals, families, ministries, regions and nations."

"Now is not the time to shrink back but to stand. Now is the time to speak forth My Word and decrees on the leading of My Spirit. Now is the time to look at the battle with spiritual sight and to wage war with the full arsenal you have been given."

"My remnant will be relaunched with greater understanding of the significance of the hour and with greater spiritual sight and authority. The battle is shifting as My warriors of light arise and stand united."

Relaunch Will Bring Course Correction

"The time of relaunch will see course correction come to the lives of many as they partner with Me in faith, obedience and Spirit led prayer and intercession. I desire to bring course correction not only to individuals but to regions and nations. This is the era of divine intervention, and I am coming to overturn injustices and bring restoration and recompense to My people as they rise up and partner with Me."

"The enemy has tried to bring delay, diversion and distortion to My plans and purposes, but course corrections will be seen as My people speak and step out on the leading of My Spirit. It will be important for My people to only say and do as the Spirit leads them.

Relaunch, United as One

"The relaunch will see My remnant unite in a greater way, for they will arise and restart as a company of one voice, one heart and one purpose as they have their eyes fixed on Me.

"They have a variety of expressions, as I have made each one unique, but they will arise as one – in unity, not competition – as they will carry My heart, message and vision. They will be a voice of truth, preparing the way. They will hold the vision of My plans and purposes and will partner with Me to see My will established. They will lead others to Me and will live to see My name glorified and My Kingdom advance. They will relaunch from a place of greater unity as they understand the power of My Body working together as one. They have humble servant hearts and will be a light in the darkness. They will take up their Kingdom assignments and lay down their own agendas, knowing the significance of the hour.

Relaunch Will Highlight What Is Genuine

"In the time of reset that which is false, fake or distorted is being exposed and an invitation for submission, repentance and alignment has been extended to My people. In the time of restart, that which is real and genuine will be highlighted and exalted. The separated ones, My faithful remnant, who have been found ready, will walk in real love, displaying what it means to be a true disciple of Christ. Those who truly burn with love for Me will see Me open wide the path before them. Those who walk in humility and fear of the Lord will be raised up by My hand."

Matthew 23:12 (ESV), "Whoever exalts himself will be humbled and whoever humbles himself will be exalted."

"I am extending a caution and invitation in this hour for those who are lukewarm to return to their first love and to come into alignment with My heart. I am also cautioning and inviting those who have distorted My Word to come into alignment with My truth. I am exposing false and distorted doctrines and calling My people to allow the Holy Spirit to guide them into all truth."

John 16:13 (ESV), "When the Spirit of truth comes, He will guide you into all the truth, for He will not speak on His own authority, but whatever He hears He will speak, and He will declare to you the things that are yet to come."

"Now is the hour in which the raw and the real will arise – those who put My Word into action; those who put their faith into action and are vessels through which the power of My love, truth and Spirit brings transformation to their spheres of influence."

John 13:35 (ESV), "By this all people will know that you are My disciples, if you have love for one another."

Matthew 4:16 (ESV), "...[L]et your light shine before others, so that they may see your good works and give glory to your Father who is in Heaven."

Allow the Lord to prepare and position you for the time of restart and relaunch that is ahead.

"How to Navigate This New Season & Partner with What God Is Doing"
Anne Ballard, Bedford, TX

In this season, God is emphasizing that all things are being worked together for our good. He is shifting our focus from lack to the abundance He is reestablishing in the earth. It is a necessary time to celebrate the faithfulness and goodness of God. Our focus and the fruit of our lives will determine what spirit we are aligned with, and God is charging His people to come up higher and partner with the spirit of reconciliation. God's anthem is family and He is calling us to protect and fight for children who can't defend themselves. He is inviting His people to live with a "Heaven to Earth" mindset and choose to be a part of His redemptive solution.

Heaven to Earth

"Then Samuel took a stone and set it up between Mizpah and Shen. He named it Ebenezer, saying, 'Thus far the Lord has helped us.'" (1 Samuel 7:12)

Surrounded (Fight My Battles) by Elyssa Smith:

In the valley, I know that You're with me And surely Your goodness and mercy follow me So my weapons are praise and thanksgiving This is how I fight my battles And I believe You've overcome And I will lift my song of praise for what You've done...

Some of you may have been feeling lately like things are challenging, what you're trying isn't working, or like you're missing each other when you communicate. In times like these, it can be tempting to focus on what is not working rather than the things that are. Whenever we become fixated on what we feel like God is not, or what seems to not be working, it is in those times that we lose sight of His focus.

If we believe Romans 8:28, which tells us that God is working all things together for our good, then we can trust in the fact that even when it feels like so much is not prospering, there are things that are. We must shift our focus to what we know God is doing.

This is an excellent time to celebrate the testimony of God's faithfulness and provision in other people's lives. It is always good to make testimonies a priority, but especially when you're struggling to see how God is moving. We want to stay focused on hosting a Heaven to Earth mindset rather than an Earth to Heaven mindset.

It is so easy to get caught up in the negative things happening all around us, especially when we watch the news. Maintaining a Heaven to Earth mindset is like a muscle that has to be developed and it takes time and discipline in order to hone your senses to focus on what God is doing.

Our words are powerful, and it's helpful to remember that our thoughts become words, and what we focus on (or give attention to) becomes thoughts.

What is God doing? He is warring on our behalf and sending angels to fight for us. He has a plan for our good, and when we keep our focus from Heaven to Earth we get to be a part of it. When we focus on Earth to Heaven (lack and unanswered prayers) we are working against Him.

It's time to get on board or get out of the way. We are in the midst of a spiritual battle and we need all hands on deck. We have to keep our minds focused on the testimonies of answered prayers so that we don't get caught up in a whirlwind of negativity.

People who are feeling discouraged, or like they don't see a way out (for things to get better), are sure to be encouraged when they focus on the testimonies of God's

goodness. Share testimonies often! This time that we are in will be a very telling time; we will see if what we *think we believe* about God is what we *actually believe* about God.

Led by the Spirit

"The acts of the flesh are obvious: sexual immorality, impurity, and debauchery; idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions, and envy; drunkenness, orgies, and the like. I warn you, as I did before, that those who live like this will not inherit the Kingdom of God.

"But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control. Against such things, there is no law." (Galatians 5:19-23)

We have all been around or seen (in the public eye) charismatic, winsome smooth talkers who are easy to like. If we're not careful, we can align ourselves with or become influenced by someone who doesn't share our values. It is so easy to unintentionally be affected by people with opposite values when we don't examine their fruit. The fruit in our lives is a good indicator of what spirit we are aligned with.

Do they have healthy relationships? Are they kind? Do they carry peace? Do they speak well of others or bash others? Do they stir up dissension or cultivate unity? Do you feel loved by them or judged? Are they critical or generous?

You may be faced with situations where you need to decide what you believe about something or someone. You may, in fact, come face to face with a situation where you need wisdom and discernment.

If you've been feeling confused, if you are seeking the truth, or if you are at a fork in the road, pay attention as God reminds you that He's given you the tools you need to discern someone's heart motive. If your measuring stick is the fruit of the Spirit, it will be very clear if the fruit comes from the Spirit or from the sinful nature.

Discernment is the ability to judge well. This is not about judging someone according to your own preferences or opinions, but rather, judging them according to the Spirit. Ask yourself telling questions: After being around this person

or hearing from them, do you feel that there is love present, that peace is coming from them? If not, there's a chance that this person is not aligned with the Spirit of God.

If you feel like this word is for you, do your own research. If you're able to, go directly to the source that is the topic of discussion. For example, if the person you follow is being critical of something or someone, go to the source to do your own research and develop your own Spirit-led conclusions. Be familiar with the fruit of the Spirit and take the time necessary to examine the fruit, rather than being influenced and tossed back and forth by the emotion of the situation. Calmly examine the fruit.

Authenticity is when we are aligned in our thoughts, our beliefs, and our actions. What is your authentic heart motivation? Is it condemnation? To be right? Or simply to seek out the truth?

A Spotless Bride

"[S]o that He may present the Church to Himself as glorious—not having a stain or wrinkle, or any such blemish, but holy and blameless." (Ephesians 5:27)

God is calling us to reconciliation among the Body of Christ. There is a shaking coming where we will be given a choice in what we do or believe. People will be challenged to choose between partnering with God in unity or divisiveness. Some of you will experience a shaking because a leader you looked up to is compromised. A leader or situation may be shown to be different than you originally believed or thought. We are called to be a spotless Bride. When we are faced with disappointment, we can choose to unite with other Believers (even across denominational lines) or we can divide. This shaking CAN bring us closer, but it will take intentional acts of reconciliation.

God is charging His people to come up higher and walk in their true identity as His spotless Bride. He's calling us to come together in unity and love because that is the true desire of His heart and nature. We are a reflection of our Father and it's time for us to shine.

2 Corinthians 5:18-20 talks about the ministry of reconciliation: "All this is from God, who reconciled us to Himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to Himself in Christ, not counting people's sins against them. And He has committed to us the message of reconciliation. We

are therefore Christ's ambassadors, as though God were making His appeal through us. We implore you on Christ's behalf: Be reconciled to God."

In order to be Christ's ambassadors during this time, we must commit to the process and consistently choose to seek out God's redemptive solution.

This word is for two groups of people: people that God is stirring in their hearts the need and the call for reconciliation in the Church and people that have found themselves really shaken by a situation in their lives (disillusioned, disappointed, and devastated). If this is you, it is key for you to receive what Christ has done for you.

Stand boldly in the truth that you are forgiven and loved just as you are. Take part in receiving Christ through communion. Focus on receiving what Christ paid for in your life. If you don't already know, ask God to show you how to take a step towards unity. Ask Him to show you a glimpse of the spotless Bride, His Body, and to reveal your part to play in bringing unity in the earth.

Blessed Are the Children

"Children are a gift from the Lord; they are a reward from Him." (Psalm 127:3)

There is a movement in the earth right now to destroy family by harming and devaluing children. Society tells us that children don't know how to think. We have been conditioned to believe it's easier for us to tell them to stop doing something that bothers us rather than to teach them. We have been taught to judge large families for their family unit size as being irresponsible.

This movement to destroy family also sounds like normalizing pedophilia by making it a sexual preference. It sounds like normalizing abortion so that we don't think about the fact that we are killing God's precious babes. It looks like selling aborted baby body parts to the highest bidder. It looks like turning a blind eye to the enormous problem of human trafficking.

All of these movements are targeted, focused attacks to silence, dehumanize and devalue children. In Matthew 18:6 the Bible is clear on what God thinks about this: "But if anyone abuses one of these little ones who believe in Me, it would be better for him to have a heavy boulder tied around his neck and be hurled into the deepest sea than to face the punishment he deserves!" (The Passion Translation). The truth is that children often are more sensitive to the Spirit than adults, and their purity is beloved by God. This is a war on the family, but more specifically on children.

God is waking people up to the truth of what's been happening. He is sounding the alarm saying, "Wake up! Look what's happening to families and to My beloved children." He's calling us to see what's happening and to partner with Him to change it. God is revealing His heart for children.

This word is for people whose anthem is family. It is for those who have been awakened to the truth; people that have been praying for God to reveal strategy for their own family and the Body as a whole. He's exposing lies that people have been believing and waking people up to the truth that has been hidden by society to further their own evil agenda. He's exposing the lies that children are less than, that children are incapable of thinking on their own, that it's just easier to do things for children than teach them, and that children are a burden rather than a blessing from the Lord.

If this pricks your heart, this word is likely for you. If you don't already know, search the Scriptures to find out what God actually says about family and children. Ask God to reveal to you the sanctity and blessing of children and to pray in a way that aligns with God's heart for them. It is time to rise up, champion God's truth, and fight for the little ones who can't defend themselves!

Declarations for this season:

1. My words bring Heaven to Earth.
2. My senses are trained to recognize good fruit.
3. I am a minister of reconciliation in the Body of Christ.
4. Blessed are the children.
5. I am a part of God's redemptive solution.

Dawn Baker; Gods Heart Carriers

For days I've heard the word "Avalanche." By: William Cuccia

The sound of the voice of God is going to cause the seven mountains to crumble into one large rubble that will become a mighty mounting where the Body of Christ will infiltrate empowered by the grace of the Spirit of God.

Spirit empowered Grace will go out into the marketplace, Spirit filled business leaders will take over many large corporations. God will send out Spirit filled believers into the fields of education and science. Not only teachers but administrators in some of the largest school districts in the United States. Entertainment and Politics will be the most effected by this infiltration of the Spirit.

Prophetically anointed people will direct, produce and write movie scripts, songs and plays. They will also win political seats in National, State and Local Government.

This avalanche will have the most effect on the church as a structure. The Spirit of God will take over church government.

There will be much resistance in every institution and the greatest resistance will be from the church itself.

But, God's grace is greater, his mercy endures and he is ready to take on the resistance. There is a move of the Spirit that will usher in the Prophetic and it will be clear and precise. It will reveal the schemes of the enemy and the plans of God.

Much favor will come to institutions that will recognize the move of the Spirit. They will prosper because they will be willing to give God the glory for the successes they experience.

Each of these institutions will not look anything like they look today. The sound of God's voice is the source of the power that will release the Spirit of God to move.

Yeshua stands on this mighty mountain, it is a type of Zion where the name of Yeshua will be lifted high, the Spirit will move in power and the Lord God Almighty will take down the evil with justice and truth.

The truth of God will expose those who are the resistance of the Spirit having his way.

Yeshua sweeps his hand across his body and the Spirit moves, the sound of his voice becomes operational, evil will be blown away like dust. A wonderful hunger is growing in the Body of Christ for the Spirit, for the love of God and for intimacy with our Lord Yeshua Christ. Our assignment is to lay it all down and ask, seek and knock more of God Almighty.

Yeshua calls, "Samuel, Samuel, Samuel." Our response is, "Speak Lord your servant listens." The key is in hearing the sound of His Voice which will release the authority of the voice God has given you.

Anytime there is an avalanche, there is collateral damage and destruction; many will be called to remove the old ways and usher in the new structure empowered by the Spirit of God, His Voice, His Word and His power.

An avalanche also creates a great shaking.

"Hold on, kneel down and trust me."

"All our direction and ministries will flow from Christ and lead us deeper into him, the anointed Head of his body, the church."

Finally I heard, "The Mainstream Media will be decimated and smothered, there will be a complete new way for news to be distributed to communicate truth."

TRUMP; THE BURNING BUSH, THE MANTLE OF GRACE AND THE
GOVERNMENT OF THE HOUSE OF DAVID LAID UPON HIS SHOULDERS TO
DELIVER A NATION FROM BONDAGE

Veronika West

Two days ago while praying for President Donald Trump and the future of America! I was suddenly caught up in a powerful vision where I saw President Trump standing on a what looked like a podium, he had his right hand in the air, it looked as if he was taking an oath. Now as I looked at him I could see that he was wearing what looked like a very expensive suit which was dark blue in color and he also wore a red silk tie around his neck.

Now as I looked again at President Trump, suddenly I noticed that he was NOT WEARING ANY SHOES ... HE WAS STANDING BAREFOOT ON THE PODIUM now as I looked again at his bare feet, I immediately began to inquire of the Lord as to why he was barefoot.

DONALD TRUMP AND THE BURNING BUSH!

When suddenly the vision shifted, and I saw DONALD TRUMP NOT "PRESIDENT" TRUMP ... (As he had not yet been elected as the President of America) and he was standing before a burning Bush on the mountain of the Lord and as I looked at him in the vision, I saw that he was wearing a smart suit and he had a pair of shiny black shoes on his feet ... and as I looked at him standing before the burning bush suddenly the Lord showed me MOSES and God anointed and appointed him to go into the Land of Egypt to bring the Nation of Israel out of bondage, it was there at the burning bush that the very nature of Moses was changed and his destiny was revealed, Moses was mantled by God as a Mighty Deliverer that would carry a mandate to set the captives free!

A NATURE CHANGED AND A DESTINY REVEALED!

Now As the Spirit of God showed me Moses, suddenly I began to see a powerful prophetic parallel unfolding before me ... where I saw how God was now raising up Donald Trump like Moses, I saw that this Deliverer 'Donald Trump' would not only have his nature changed, but that the Destiny of Donald Trump that was being revealed in the vision was that he would to be used mightily and strategically by God to bring Freedom and Liberty to a Nation but that was held captive by the powers of the enemy.

THE FORTUNES OF ZION WILL BE RESTORED!

Now as this powerful parallel unfolded before me, suddenly I heard the Spirit of the Lord speak to Donald Trump saying, "TAKE OFF YOUR SHOES FOR THE GROUND YOU ARE STANDING ON IS HOL Y", and as Donald Trump bent down to take off his shoes, I saw two archangels of the Lord appear beside him, one to his left and one to his right, and as I looked at the two Archangels I saw two flaming swords of fire being lifted up over the head of Donald Trump and the tips of the two flaming swords came together to create what looked like an archway over Trumps head, and as I looked at the archway I heard the word, "TRI UMPH" ... and saw what looked like small tongues of fire begin to fall upon his head like soft rain ... ! And as I watched Donald Trump standing barefoot under the fiery archway of Triumph before the burning bush, I knew by revelation that the Glory of the Lord was falling upon him, he was being divinely empowered, enabled and commissioned by God to go forth into the land to restore the fortunes of Zion.

A CLOUD OF WITNESSES MAKING INTERCESSION AND PROPHETIC PROCLAMATION!

Now as I watched this taking place suddenly the vision shifted again .. , and I saw now ... "PRESIDENT TRUMP" ... STANDING FOR A SECOND TIME BEFORE THE MOUNTAIN OF THE LORD ... and he was still BAREFOOT with both Archangels still Standing beside him, one to his right and one to his left, and as I looked at President Trump I saw that his head was tilted down and he looked as if he was standing waiting as if he was about to receive a knighthood ... the atmosphere in the vision was HEAVY.

I FELT THE GLORY OF THE LORD IN THAT PLACE ... and I could tangibly feel the WEIGHTINESS OF THE SPIRIT OF THE FEAR OF THE LORD And as I looked again at President Trump suddenly the Spirit of the Lord brought Moses up before me once again, and I saw how Moses had also come for a second time before the Mountain of the Lord after he had delivered the Israelites out of the land of Egypt, and how Moses had ascended the Mountain where he was given the LAW OF 10 COMMANDMENTS, and as I was being shown Moses again, suddenly A CLOUD OF WITNESSES APPEARED IN THE SKY ABOVE PRESIDENT TRUMP. As I looked at the Cloud of Witnesses I saw the late and Great Kim Clement. .. and the late and Great Billy Graham looking down upon the President and I saw that Kim Clement had a rod in his hand which lifted high into the air and I heard these words, "MY COURTS IN SESSION", and then, "WATCH! FOR A GREAT CLOUD OF WITNESSES NOW STANDS TO MAKE INTERCESSION AND PROPHETIC PROCLAMATION IN THIS HOUR FOR A NATION THAT IS BEING WEIGHED IN THE BALANCE"!

GRACE, GRACE TRIUMPHS OVER LAW AND JUDGEMENT !

As I heard those words, suddenly I saw the tip of a Silver Sword appear in the vision and as I looked at the sword I heard these words, "And the key of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open and as those words echoed loudly in the realm of the Spirit I saw the tip of the sword touch President Trump first on his right shoulder and as the tip of the sword touched him THE NUMBER (5) APPEARED ABOVE HIS SHOULDER and then I saw the tip of the sword touch his left shoulder and suddenly another NUMBER (5) APPEARED ON HIS LEFT SHOULDER and as I looked at the TWO FIVES {5}. I heard these words, "GRACE, GRACE. FOR THE GOVERNMENT OF THE HOUSE OF DAVID SHALL BE LAID UPON HIS SHOULDERS" and then I heard these words. "GRACE TRIUMPHS OVER THE LAW AND JUDGEMENT!"

THE GOLDEN ALTAR RISES IN THE LAND!

As I heard those words, suddenly the vision shifted slightly and I was taken to the foot of the Mountain of the Lord, where I saw a large multitude of people who looked like they were celebrating, a sense of great Victory was in the air. I could hear the sound of laughing, shouting and cheering ... but as I drew closer in the visio , I saw a huge raging bonfire and many were dancing around the fire with their hands lifted high into the air and in a ritualistic way it looked as if they were worshipping ... but as I stood in that place I could feel the spiritual atmosphere was heavy with demonic oppression and satanic witchcraft , and as I looked again at the people, suddenly I saw what looked like a massive boiling pot which was sitting at the center of the bonfire and I watched as vast amounts of gold coins and precious jeweler was being thrown into the boiling pot by those that were dancing around the fire and I heard these words, "watch and pray!.., for billionaires and millionaires have thrown their gold and precious silver into the boiling pot of perversion and corruption that they may build a golden altar to the gods of baal and molek".

I heard those words, suddenly I saw the faces of GEORGE SOROS, BILL GATES AND THE FACES OF JOE BIDEN AND KAMALA HARRIS come up before me and I knew by the Spirit of Revelation that what I was being shown was A POWERFUL DEMONIC PLAN AND PLOT OF THE ENEMY TO BUILD AND ESTABLISH AN ALTAR OF THE ANTICHRIST IN THE NATION OF AMERICA IN THIS HOUR. As I looked at this taking place, I began to cry out to the Lord to have MERCY, MERCY ON THE NATION OF AMERICA.

A REMNANT RISES WITH A ROAR !

As I cried out to the Lord, suddenly the Vision shifted again and I saw what looked like a CIRCLE OF WHITE LIGHT THAT SURROUNDED THE PEOPLE THAT WERE DANCING AROUND THE BONFIRE. As I looked at the circle of white light, I heard these words, "WATCH! FOR MY RADIANT REMNANT SHALL ARISE AND SHINE IN THE MIDST OF THE DARKNESS' and as I heard those words, suddenly I could hear the sound of the prayers of the remnant begin to rise ... and as I listened the sound of the cries of the remnant turned to a roar that got louder and louder that the mountain of the lord began to shake and tremble and then I saw the great cloud of witnesses appear once again over the mountain of the lord and I heard these words, "watch! As a divine convergence is now beginning to take place as heaven touches earth for the scales of justice will be shifted as the sound of the roar of the remnant rises to touch the prayers and the prophetic proclamations of the late and great reformers !

A DIVINE CONVERGENCE; OUR APOSTOLIC AND PROPHETIC AGREEMENT SHIFTS THE SCALES IN THE COURTS!

Then I heard the Spirit of Revelation speak to me saying, "In this hour and Season I am calling for the Apostolic and the Prophetic Council in the earth to come into ALIGNMENT AND INTO AGREEMENT with the Prayers and the Prophetic Proclamations of the Apostolic and the Prophetic Council in Heaven For the power of this Agreement and Unity will SHIFT THE SCALES OF JUSTICE in the courts of heaven, for the Nation is now at a divine tipping point'!

LOOK TO THE HILLS TO WHERE YOUR HELP COMES FROM!

Now as I heard those words, my eyes were drawn back to the circle of white light and I saw the Remnant begin to Rise and Shine in the midst of the darkness and as I looked at the faces of the Remnant I saw that their eyes were fixed .. , looking up to the Mountain of the Lord. I heard these words, "I lift up my eyes to the mountains-where does my help come from? My help comes from the Lord, the Maker of' heaven and earth", and as those words deeply penetrated my heart ,suddenly I was Standing again on the Mountain of' the Lord and I saw a mantle of Gold falling upon the shoulders of' President Trump and as the Mantle of Gold fell upon him, I heard these words, "DOUBLE PORTION ANOINTING, GRACE, GRACE SHALL TRIUMPH OVER JUDGEMENT' .

And then I saw President Trump turn and begin to descend the Mountain of the Lord. Then I saw him stop and looked down at the multitudes that were gathered at the foot of the Mountain, and he could see that a Golden Altar had been erected and that those that had built the altar were cheering and shouting, and suddenly I saw President Trump take hold of the heavy Mantle of Grace that was upon his shoulders and he threw the heavy gold mantle at the golden altar that had been erected and I watched as the golden Altar was smashed in two and then I heard these words, "MY GRACE AND MERCY SHALL TRIUMPH OVER JUDGEMENT, FOR MY LOVE COVERS A MULTITUDE OF SINS, and then I heard, "Who are you, O great mountain? Before Zerubbabel for you shall become a plain! And he shall bring forth the capstone with shouts of" "Grace, grace to it", and as those words went forth across the Nation, I saw the gold Mantle of Grace cover the Nation like a thick heavy blanket and I watched as satanic strongholds and demonic altars were being dismantled, demolished and overthrown under the heavy weight of' the Mantle of' Grace that was now resting upon the land. And then I saw the Remnant begin to dance upon the blanket of Grace and as they danced I saw the gold mantle/blanket turn to a River of Gold that began to flow forth upon the land and I heard these words, "RIVERS OF MY GLORY SHALL FLOW FORTH UPON THIS LAND BRINGING REVIVAL, RESTORATION AND REFORMATION' !

GODS NOT FINISHED WITH PRESIDENT TRUMP YET!

As I heard those words, suddenly I saw President Trump again just as I had seen him in the first vision, where he was standing barefoot upon a podium with his right hand lifted, and as I looked at his bare-feet again, I knew by revelation that he was Standing on Holy Ground and that God was NOT YET FINISHED WITH PRESIDENT TRUMP and that the Assignment and Destiny of Donald Trump was still being fulfilled!

Believers Are Reluctant to Use The Term "Law"

Fred Mosely

In fact, we prefer to use the term "principles" instead of "law" and are offended when reference is made to the fact that we are still under the laws of God. There is a difference between a spiritual law and a spiritual principle. In this article, I will be discussing spiritual laws, (also known as The Laws of Life) and in later articles I will focus on spiritual principles and the Mosaic law.

A law- God's laws not man's law - is an absolute rule. A law comprises of a body of established principles. Now God's natural, physical, and spiritual laws are based upon

principles established by God. Law may emanate from principles, but they are more than principles.

A principle is not an absolute rule, but it is general or fundamental truth. As we proceed we shall touch on some of the many principles in the Bible. The mere fact, however, that something is a principle does not cause it to automatically rise to the level of being a law. In order for a principle to rise to the level of being a law, it has to be an absolute rule.

Before I became law-oriented, I would pass by a huge building in the downtown area of a city, especially in the New York area, not giving any thought to the laws that had to be employed in order for those buildings to continue to stand. Whenever I saw boats float along the lake or along the ocean, or if I observed someone swimming or an airplane in the sky, listened to a musical instrument, or operated a computer or a camera, a radio or television set, I gave no thought to the fact that numerous laws had to be employed in order for those objects to function properly.

Today, not only am I constantly aware of the laws at work in those areas, but I sometimes ask someone to jump up and remain airborne for as long as possible, knowing full well that their time off the surface was going to be limited. This is to demonstrate the influence of a law we all know but take for granted, the "Law of Gravity". Another simple law I have asked my students to demonstrate with me is the one dealing with space. I ask one person to sit on a chair, and another to go sit on the same chair. One of the two would sit on the lap of the other, demonstrating that two bodies cannot occupy the same space at the same time.

These are not principles but laws. A principle is not bound to operate 100% of the time, and it is often relative to circumstances. Laws, however, are absolute, unfailing and true 100% of the time. They are reflective of the character of God and do not depend on circumstances.

Immutable Laws

"Yeshua Christ the same yesterday, and today, and forever" (Hebrews 13:8)

Yeshua does not change. Divine laws are the same. They are the same yesterday, today and forever and they do not change. There is no variableness, neither shadow of turning in God. He is the same in every season. So are His laws. Whether you and I believe them or not, they are "settled in heaven". we can only violate or ignore them to our own peril. Whether we can have knowledge of them or not they remain immutable.

Forever, O LORD, thy world is settled in heaven. (Psalm 119:89 in bold)

Consider a hypothetical individual, who has been out in the wilderness for years, has never been in a city setting, never seen a skyscraper building, and somehow, on his first day in a modern downtown area wanders up to the top of a 50 or 60 story building. He has never heard of a thing called the law of gravity either, and he wanders up there and falls off. Does the Law of Gravity excuse his ignorance? Of course not! Neither are we excused from the consequences of violating any spiritual law because of ignorance (except by the Law of Mercy which will be covered later in this series).

"Law of Gravity"

Athletes instinctively understand the "Law of Gravity". Basketball players, for instance, understand that they have only so much hang time. They know that once they go up to make a shot, they have a certain length of time to stay up there, because there is a law in place; there is a law in motion that affects every one of them. It does not matter what their contract amounts are, to how many millions they are making or the length of their contract; it does not matter how many all-star or championship games they may have been in, or how tall they may be, that same "Law of Gravity" affects each of these ball players the same way. They are all going to come down once they go up, because there is a law in place and that is the "Law of Gravity", which is not a respecter of persons.

What man makes is never totally accurate, but what God creates is always accurate. Yet there are lessons to be learned from things that man has made. For example if we fail to put oil in the engine of an automobile, the engine burns up. It does not matter

who owns the car. It could be any car, yours or the pastor's. The result is the same. If you fail to put gasoline in a car, it does not matter how spiritual you are, you may have just left a prayer meeting, or you may be a pastor who just finished preaching a great sermon, unless a miracle takes place whereas God overrides His natural and physical laws, your car stops. If you fail to inflate your tires your car will not function properly. There are certain laws that God has established that automatically take over. All we can do as it relates to natural and physical laws is to follow what God has already established. You or I cannot alter the "Law of Gravity" and, by the same token we cannot change the "Laws of Life". Man does not create anything. Man only applies what God has already created.

Spiritual laws do not discriminate; they are absolute for all persons. Whether I am in the United States, or in England, on the continent of Africa, down in the Caribbean, or someplace else, these laws affect me the same way regardless of geographical location. We have language barriers as we go from country to country, but there are no barriers where the laws of God are concerned. They are the same all over the earth.

Every planet is held in place by law. Billions of planets are in motion out there in space but they are not crashing into one another because of specific laws. The length of days and the weather are controlled by law. God set this universe in motion and it works perfectly. He ordained the course of the stars, the sun, the moon and all the galaxies and their components. You can set your clock by the heavens. It is ludicrous to think that God has laws for all the creation and has none to govern mankind. We readily accept certain natural and physical laws. Anytime water reaches zero degrees centigrade, or 32 degrees Fahrenheit, the water automatically freezes. The law that controls freezing is in operation and it is absolute. It works the same way every time because it is a law and not a principle.

Nothing happens by chance or accident. At 100 degrees centigrade, or 212 degrees Fahrenheit water will turn to steam. You do not have to do anything to stimulate it, or cause it to turn to steam. When it reaches that particular temperature, it will automatically turn to steam. Every time two components of hydrogen and one of oxygen are put together you get water. You will not get anything else and you are going to get the same thing every time you put those elements together. The law governing that operation is absolute.

"Law of Buoyancy"

Consider the "Law of Buoyancy". If you are a swimmer, you have no choice but to operate under this law. More spectacularly, you can take a cork, down to the bottom of the ocean, and if nothing is done to anchor it there nothing can hinder or interfere with

that cork being able to rise to the surface; The "Law of Buoyancy", will come into effect and that cork, being thousands of feet down will rise to the surface of the water.

"Law of Kindling Temperature"

There is a "Law of Kindling Temperature". Anytime a body reaches a certain temperature it will automatically burst into flames. There are economic laws like the "Law of Supply and Demand. We deal with that law quite a bit in a market economy, and feel the pinch during most oil shortages. When there is a shortfall in supply the prices increase. There is a corresponding relationship between supply and demand. These are laws.

Spiritual Laws often appear to be the opposite of the wisdom of man.

"But the natural man receiveth not the things of the Spirit of God; for they are foolish unto him; neither can he know them, because they are spiritually discerned." (1 Corinthians 2:14)

It is foolish to the natural man to die to oneself in order to live, to be broken in order to be made whole, to give in order to receive, to empty in order to be made full, to humble oneself in order to be exalted, to lose in order to gain, to be buried in order to be resurrected, to follow in order to lead, to become weak in order to become strong.

The Visible and the Invisible

Mankind, and more tragically even the Body of Christ, has become to be influenced by the natural and physical realm, by those things that we can make contact with through our physical realm, by those things that we can make contact with through our physical senses, that we can totally have lost a real understanding of the fact that there are other laws out there. God in His infinite wisdom allows us to use some things that we can see, in order to help us to better understand the things we cannot see. For instance, I can take a seed, cultivate the ground, and plant that seed in the ground. Well of course the seed is tangible. I can see that seed, I can touch it in some instances I can smell the seed. If I were to put that seed in my mouth, perhaps I would taste the seed. I can then put that seed into the ground and cover it up with top soil. Now for a while certain things take place under the ground that I cannot see. After a while and in due course, something springs from the ground. A stem comes up, then some leaves come up and finally, I have in this natural realm that which I desired to have from the seed. I can see with the natural eye most of this process. When we get into the "Law of Sowing and Reaping", (one of the first publications in this series) just as we can see that seed in the natural, the same is true in the spirit

realm as it relates to the "Laws of Life". In everything we do and say, we are constantly planting seeds. We should not be misled or deceived if, for a while, we cannot see what is taking place with that seed that we planted.

We plant seeds with our words and deeds. That seed is similar to the seed that we planted in the ground. Something springs up and grows from that seed. Something matures from it and it is either positive or negative. The body of Christ has come to be, in many instances, just as the world is; we have come to be "TWO" dimensional. We only see the natural and the physical. We do not have a discernment of what is taking place in the spirit realm.

I prayed that the spiritual eyes of your people will be open to the unseen world in the name of Yeshua.

Pat Francis: God's Sovereign Control

"To Him belong strength and victory; both deceived and deceiver are His."
(Job 12:16).

When we ask Yeshua to be our Savior and Lord, He assumes Sovereign control. He knows that we will face challenges but He assures us of His Sovereign control. "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world." John 16:33. No matter what you may be facing - God is in control.

His Word says that He is in control of both the deceived and the deceiver. He is in control of our mess and miracles; our trials and triumphs; our valleys and victories; our problems and provision - God is in control. You can therefore confidently say, "No weapon that is formed against me shall prosper!" Job, a man who revered God, went through many trials. He faced financial loss; he lost some of his family members; he lost his health through a deadly disease; he lost the trust of his friends; and finally, the enemy tried to make him lose his soul to eternal death. His wife's advice to him during this difficult time was to, "Curse God and die." Job 2:9.

During all his trials, God was there, in absolute control. After much suffering and confusion about his problems, God finally spoke to Job and confirmed that his suffering was not because of a sinful life but in God's sovereignty He allowed His beloved servant

to experience trials that would lead him to a greater triumphant life. It is a complex issue to understand why God allow bad things to happen to good people. His promise, however, is: "And we know that in all things God works for the good of those who love Him, who have been called according to His purpose." (Rom. 8:28).

When you feel like you are out of control remember that God is in control.

Kingdom Declaration:

My God is in Sovereign control of my life and I therefore have His peace.

"The Year of Divine Rollovers"

Holly Watson, Costa Mesa, CA

(Prophetic word sent to the Elijah List on November 6, 2020 at 7:17 AM, Pacific Time):

"Thus says the LORD, 'Stand in the court of the LORD'S house, and speak to all the cities of Judah who have come to worship in the LORD'S house all the words that I have commanded you to speak to them. Do not omit a word!'"
{Jeremiah 26:2}

While our nation stands in faith believing for the will of God to move through our presidential election process, I have a few pieces of revelation that I believe are relevant for praying into. I believe this will be a word of hope and encouragement as we navigate the storms ahead.

Over the past several months as I've prayed into the interpretation of this word, Holy Spirit pressed me, repeatedly, to exhort the Church by telling you that this is not a time to roll over and give up! In fact, I woke up out of my sleep several times on election night and heard the words from Isaiah 45 resounding in my spirit. Among the promises in Isaiah 45-God anointing and setting in place His chosen kings, rulers, candidates, and leaders-it also says that God is the One who subdues nations, who makes every crooked place straight; and Isaiah 45 clearly tells us, God makes peace and permits calamity (Isaiah 45:7).

But before I go any further, I sense Holy Spirit nudging us to rehearse some of what's been spoken through our ministry. Remember, we know in part and we prophesy in part (1 Corinthians 13:9). Each prophet holds a key for portraying the full council of God according to His times and seasons. If one piece of revelation is dismissed or

omitted from portraying the Father's heart, the people can perish for lack of knowledge (Hosea 4:6).

Going Through the Swamp

On August 25, 2020 the Lord clearly said to me:

"The only way out of the swamp is to go through it. The conditions of the swamp are for enforcing the rise of the whistle blowers. The experience of navigating through the swamp is exposing the lying spirits operating throughout the land. The draining of the swamp is separating the wheat from the tares. And the debris [toxic words, false accusations, lying spirits, demonic agendas] of the swamp is reinstating the reign of justice and liberty in the land."

The civil unrest, the rude awakening of the Church, the phrase 'enough is enough!'-and the all-out war against the democracies of our nation are a sign that Immanuel, God With Us, is advocating on our behalf for the greatest outpouring of His Spirit we have ever seen! God is still at work, saints! Keep praying.

2021-the Rollover Year

On August 2, 2020, I was awakened at 2:22 AM by hearing the Spirit of God say,;

"The Year 2021 is a Rollover Year." When I first heard this phrase awaken my senses, I discerned that a year of God-sanctioned continuations and turnovers was in store. My immediate thought was that Holy Spirit was portraying a message regarding our presidential elections and the future of Donald Trump. I understood that these sanctioned continuations and turnovers were destined to align our nation and the Church with the heart of God for the coming years.

Along with hearing that the year 2021 would be a rollover year, I was given a dream on August 15, 2020. In my dream, I saw a threat to overturn a ruling that was in favor of the sanctity of life and family values-which released a spirit of fear in the state of North Carolina. Although North Carolina was highlighted in my dream, there was a national thread being weaved throughout this ruling, which shouted that God would have the last word.

Holy Spirit then showed me the month of February 2021, extending into the months leading up to February 2022, as a time stamp for watching what is quickly approaching its expiration date; a time involving these God-ordained rollovers, where everything is being turned upside down before being set up right again.

Several Scripture verses were highlighted to me when I asked the Father what He was speaking regarding this revelation:

"He changes times and seasons; He deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning. He reveals deep and hidden things; He knows what lies in darkness, and light dwells with Him." (Daniel 2:21-22)

" ... [W]hat He opens no one can shut, and what He shuts no one can open." (Isaiah 22:22)

The word "rollover" can be defined as a situation where the winner or the results of a competition roll over, or continue, into a second term or phase (or competition); an occasion when an arrangement is allowed to continue for a longer period of time than previously agreed upon (adapted from the Cambridge Dictionary).

When something is overturned, circumstances are turned upside down before being set upright once again. When a "rollover" occurs, in most situations, an action is taking place at the end of one time frame that is extending it beyond its original time frame.

The Hebrew word for "commit" is "gol," which means "to roll, roll up, roll away" (Strong's Concordance), is connected to Proverbs 16:3-where casting our cares or "rolling" our cares upon the Lord brings hope and peace in the face of adverse conditions.

Declare a holy fast; call a sacred assembly. Summon the elders and all who live in the land to the house of the LORD your God, and cry out to the LORD... 'Even now,' declares the LORD, 'Return to Me with all your heart, with fasting and weeping and mourning. Rend your heart and not your garments Return to the LORD your God, for He is gracious and compassionate, slow to anger and abounding in love, and He relents from sending calamity.

Global Time of Repentance: A Type of Solemn Assembly

Dear spiritual warriors for Yeshua:

The Lord's Ways are higher than our ways. The Lord changes the times and the

seasons. He removes kings and raises up kings.

He is using this election controversy in the USA to connect His repentance remnant across many nations. He is giving us a suggested daily process to continue to cleanse as His Bride using His gift of repentance.

To support the cry for His mercy, and to install a Presidency based on a Godly direction, GDR has made this Call for a Time of Repentance between now and Inauguration Day, January 20, 2021.

This graphic represents the United States Supreme Court. We believe a lawsuit contesting current election results will come before the Court, and its ruling may be part of the process by which God will "raise up kings" --selecting our next President. May His Will be done!

Our prayers and daily repentance will support this process for His Will to prevail. God willing, each day NDR will send out to the 900 or more of you intercessors in 38 nations, an encouragement regarding the gift of repentance, or a word which may be prophetic, or a testimony, an experience after repenting from any one of you. We welcome your comments which we believe will encourage all of us. From time to time we will also provide an update on the election contest.

It's all about Him governing our lands. It's about every nation's march towards Christ's Total Authority. Our grassroots daily repentance during this time, in a type of "solemn assembly" may allow the Lord to hear from heaven, forgive our sin, and heal our lands.

In 1 Samuel 7:2-12 Samuel honored God's call for Israel to repent. He required all of Israel to gather at Mizpah in a solemn assembly, a day of fasting and confession of sins. Thereafter the nation was immediately protected from the attacking Philistines: *"...the Lord thundered upon the Philistines that day, and so confused them that they were overcome before Israel."* ~ 1 Samuel 7:10

Repentance moves the Lord's Heart May repentance be quickened in every one of His nations! May this Global Time of Repentance grow into a type of Solemn Assembly, pleasing to the Lord, healing our lands.

What is our part? Where do you and I begin? It's entirely between you and the Holy Spirit, but here below is one suggested sin stronghold to remove, one personal, one national.

God willing, there will be one for each day between now and the January 20, 2021 Presidential Inauguration. These are only suggestions; nor will they be presented in any particular order. As you read His Word, add your own sin issues. Spend time alone with the Holy Spirit, your Teacher. His goal for you and me is that we would be zealous to repent!

WARRING WITH PROPHETIC DECREES FOR ELECTION DAY
SHIFTING EARTH WITH HEAVEN
DALE AND LUANNE MAST, CAMDEN, DELAWARE

There have been more prayers concerning this election than any previous elections to my knowledge. There is a tipping point that we have accessed through intercession and repentance. Yet, there are still many differing opinions on who should be the next president, even in the Church.

"And you will cry out in that day because of your king whom you have chosen for yourselves, and the Lord will not hear you in that day." (1 Sam. 8:18 NKJV)

As Believers, we need to discern the will of the Lord versus our opinions. I have not heard of any prophetic words concerning Joe Biden being chosen by God as the next president of the United States. God had Prophet Samuel anoint Saul as king of Israel because the people wanted a king.

"Now the Lord said to Samuel, 'How long will you mourn for Saul, seeing I have rejected him from reigning over Israel? Fill your horn with oil, and go; I am sending you to Jesse the Bethlehemite. For I have provided Myself a king among his sons.'" (1 Sam. 16:1 NKJV)

We do not want a president that the Lord has not chosen. We must look at the words the Lord: "For I have provided Myself a king." Saul was a king for the people, David was a king for the Lord.

There have been many words and dreams given to prophets that God desires President Trump to have a second term. We must fight the good fight of faith by the prophecies that have been spoken over President Trump to turn this election to God's selection. Prophet Kim Clement prophesied in 2007 and beyond about a man God was raising to be president of this nation, even speaking Trump's name. He did live to see Trump elected to be the next president of the United States of America, but he did not see him set into office as he died on November 23, 2016. Kim did not live to see this part of his word: "They will shout, 'Impeach, impeach, impeach, but this shall not happen.'" "This command I entrust to you, Timothy, my son, in accordance with the prophecies previously made concerning you, that by them you fight the good fight." (1 Tim. 1:18 NASB)

Just as Apostle Paul instructed Timothy to war with the prophecies that had been spoken over him about his destiny, we are taking the prophecies of Kim Clement to war over President Trump and this nation. He prophesied that he would be a man of "hot blood," but that he would "bring the wall so protection on this country in a greater way," and that they would try to impeach him but it would not work. He also prophesied there would be a second term.

There are some prophecies that come to pass as they are the will and determination of Father God, spoken so we know He is God. Other prophecies are windows of opportunity that we must access by our words, faith, and actions. God's prophetic word of promise was that Israel was going into a land of milk and honey, not the wilderness for forty years. Israel's rebellious response to the promises of God made the wilderness their destiny instead of a road into the new.

We war with prophecies by re-prophesying them just like we speak Scriptures to activate that particular truth and anointing. We must prophesy again what has been prophesied to release the shift that Heaven desires.

"Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways." (Job 22:28 KJV)

Now is the time to decree the third part of Kim Clement's prophecy and the prophetic words of many other prophets:

- "We decree President Trump will have a second term."
- "We decree the door to the White House is open to God's man and to His purposes."
- "We shut the door to him who opposes God and His purposes" (see Is. 22:22).
- "We decree that God's righteousness shall advance unhindered in the Supreme Court."
- "We decree that the United States of America will continue to bless Israel."

Let's declare the word of the Lord to establish His will in the earth!

WE MUST CONTEND FOR ONE NATION UNDER GOD
SUNI PIPER, IFA CONTRIBUTING WRITER

Father, continue to protect our nation and help us to call on Your name.

One Nation Under God. Let's pray into this. No matter how this election goes (as we are in a holding pattern amidst the investigation into egregious voter fraud), we are a nation more divided than ever before.

As events unfold, things are not going to get any easier in some of our already tumultuous relationships.

My heart is always drawn back to prayer. In the midst of this debacle, there are intercessors all over this country AND the world, praying against the deception, tampering, fraud...for the darkness to be brought into the light.

Lord, we pray that You would expose all that has been done in secret and bring it into the light! We pray that there would be a hunger and thirst for righteousness (integrity, virtue, purity of life, rightness, correctness of thinking, feeling and acting). We pray that NONE of us would be settled with a falsified outcome, but that we would instead pursue and pray for truth to be revealed! We pray for a nation that desires an election process that will be enveloped in integrity – that this present election would be exposed to the light, and that Americans will be able to trust that EACH voice counts. THAT is why we vote – and Lord, we pray that You would help this nation transform our democratic process to be one that is true.

During these last few months, I have come back again and again to the foundation of this country, the hallmarks that set this nation apart from others. I have researched and delved into history I never once before considered. And as I do, I find again and again a foundation to be proud of and in turn a nation to root for!

I pledge allegiance to the flag.

In August 1892, a former Baptist minister by named of Francis Bellamy penned words that would one day become part of a pledge that children all over this country recite every school day. Bellamy, a socialist in his time, penned the words to improve upon an earlier “pledge” written by Captain George Balch. It was published in a children’s magazine September of that same year, to celebrate the 400th anniversary of Christopher Columbus’ arrival to the Americas.

“I pledge allegiance to my Flag and the Republic for which it stands, one nation, indivisible, with liberty and justice for all.”

In 1923, words were added to make the pledge specific to this country: "I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one nation, indivisible, with liberty and justice for all."

And here is the part that speaks so loudly to me in regard to the time of history in which we now stand. In 1954, after lobbying from various groups, Congress approved the addition of the words "under God" and President Eisenhower signed the bill into law later that year.

"In 1948, Louis Bowman, an attorney from Illinois, was the first to suggest adding "under God" to the pledge. Bowman said that the words "under God" were said by President Lincoln in the Gettysburg Address. It was not until February 7, 1954 that the push to add "under God" to the pledge was successful. George MacPherson Docherty, a Presbyterian minister, gave a sermon based on the Gettysburg Address, entitled "A New Birth of Freedom," while honoring Lincoln's birthday with President Eisenhower present. Docherty argued that the country "might lay not in arms but rather in its spirit and higher purpose." He also stated that "there was something missing in the pledge, and that which was missing was the characteristic and definitive factor in the American way of life" and cited that that Lincoln's words "under God" as words that set the US apart from other nations." –"The History of the Pledge of Allegiance", (Flags.com, 22 December 2019)

"The bill's sponsors, anticipating that the reference to God would be challenged as a breach of the Constitutionally mandated separation of church and state, had argued that the new language wasn't really religious. "A distinction must be made between the existence of a religion as an institution and a belief in the sovereignty of God," they

wrote. "The phrase 'under God' recognizes only the guidance of God in our national affairs." –"The Man Who Wrote the Pledge of Allegiance", (Smithsonian Magazine, November 2003)

"Under God" was included, by law, while our nation was seeking to set itself apart from the Cold War era and the wide-spread secularization movement promoted by Marxist-Leninist countries.

According to the conventional narrative, the Soviet Union discovered the bomb and the United States rediscovered God," [Kevin] Kruse says. "In order to push back against the atheistic communism of the Soviet Union, Americans re-embraced a religious identity." "How 'One Nation' Didn't Become 'Under God' Until the '50s Religious Revival", (interview with author Kevin Kruse, NPR, March 30, 2015)

As a nation, we once must determine who we are as a people. Just yesterday, we commemorated the 400th Anniversary of the signing of the Mayflower Compact and "11-11 Yeshua," rededicating this nation as "One Nation Under God"!

We are in a season of SHIFT. We have a choice where we stand. We can be silent and stand on the sidelines, simply awaiting the details and results to unfold. OR we can take a stand and pray without ceasing until the tide turns. We were built on the foundation of the Living God! Will you make an appeal to heaven and recommit your heart to that endeavor? Will you pray that this nation, our churches, and God's people would turn back to the foundation we were built upon?

'Where is the Lord?' Those who deal with the law did not know me; the leaders rebelled against me. The prophets prophesied by Baal, following worthless idols... But my people have exchanged their glorious God for worthless idols. Be appalled at this, you heavens, and shudder with great horror," declares the Lord. "My people have committed two sins: They have forsaken me, the spring of living water, and have dug their own cisterns, broken cisterns that cannot hold water. (Jer 2:8, 11-13)

We have turned our eyes away from the ONE, the one who called the world into being, the one who gave each one of us life – what now will you do?

'Return, faithless Israel,' declares the Lord, 'I will frown on you no longer, for I am faithful,' declares the Lord, 'I will not be angry forever. Only acknowledge your guilt— you have rebelled against the Lord your God,

you have scattered your favors to foreign gods under every spreading tree, and have not obeyed me," declares the Lord.

"Return, faithless people," declares the Lord, "for I am your husband. I will choose you... Then I will give you shepherds after my own heart, who will lead you with knowledge and understanding. (Jer 3: 11-15)

There is ONE NAME! And His name is Yeshua!

Therefore God exalted him to the highest place and gave him the name that is above every name, that at the name of Yeshua every knee should bow, in heaven and on earth and under the earth, and every tongue acknowledge that Yeshua Christ is Lord, to the glory of God the Father. (Phil 2:9-11)

Let's go back to our roots. Let's reestablish this nation as ONE NATION UNDER GOD and recommit our hearts to the only one who has the power to save. Let's plead the blood of the risen Lamb over this nation. His sacrifice was made once and for all.

"Your Prayers Are Policing the Heavens!"
Russ Walden, Green Valley, Arizona

The Father says today, "Never lay down in a battle zone. Never take your eyes off the mark of the prize of the high calling that I have destined you for. You will not come to failure. You will not falter or be impacted in any way by the assault of Hell against you. Though Heaven and Earth pass away, My goodness and My favor in your life will be undiminished," says God. "I am in you and I will not be denied; therefore, you will not be denied.

"The season of delay is over. Angel marching orders have been issued, and this day you are going forth surrounded by the host of Heaven I have appointed to put you over and bring you into the fullness of all that I have promised.

"Know that I have called you and equipped you. Know that I have given you authority to police the heavens and pull down every high thing that exalts itself against the knowledge of My Kingdom. I have armed you this day with

My name and the power of Calvary's shed Blood to unleash My glory and devastate the plans of the enemy against you.

"You are not a victim; you are a victor! I have called you and anointed you, and this day I send you forth to do battle and see the forces of darkness defeated and sent into retreat, by the promise of My word and the strength of My right hand.

I Am Policing the Heavens This Day!

"Receive the mantling of My strength for the battle," says the Father. "This day the scepter of My Kingdom is lowered on your behalf. The signet ring of Calvary's entitlement is on your finger and the robe of My righteousness is on your shoulder. The days of second best and barely enough are at an end. No longer will the enemy take and rob and steal from you. Today is the day of your salvation, and now is the moment when everything turns in your favor.

"Put your hand to something and I will bless it—every place where your foot treads, I have given it to you. You are a territory taker and a king and priest before Me this day. See yourself as I see you. You are above only and not beneath. You are blessed coming in and going out. Nothing shall by any means hurt you. Every disease, germ and virus that touches your body dies instantly in My name.

"The lies of the enemy are exposed. The fullness of My glory is poured out. The reality of My Kingdom on the inside of you is coming forth, and you will not be disappointed on a single score. Open your mouth and shout the shout of one whose victory is assured. Lift up the hands that hang down and strengthen the feeble knees, for I am with you and will never leave you nor forsake you in any way.

My Victory Is Assured!

"The pillar of My glory is going before you this day to show you the way. Darkness is dispelling and the path of progress is becoming plain and clear, that you might know what to do next and what is on the morrow. The portal of My presence is leading you, even as the pillar of fire by night and the cloud by day followed the Israelites in the wilderness.

"No plan of the enemy against you will prosper. No strategy of Hell will prevail against you, so be bold and very audacious to believe and expect My highest and best in your situation.

"My Word is sure, and My promises are in the ascendancy in your life to break every curse of the enemy. Illegitimate authorities are being thrown down. Illegitimate words and judgments against you are rendered inert and incapable of affecting your life in any way this very day.

"You are the blessed of Heaven, and what I have blessed none can curse. What I have promised will surely come to pass. You are not left out! I have included you and established you and ordained you to go out conquering. The spoil is taken, the enemy is defeated, and you are left standing with your testimony intact and My promises manifesting in your life in radical measure.

I Am Following the Pillar of God's Glory!

"There is nothing ordinary or mundane about what I am doing in your life this day," says God. "The time of waiting is over. The days of mediocrity are in the past. You are moving with the gale-force wind of My goodness at your back that goes before you to blast the enemy's camp, plowing Him under till there is no evidence remaining that he even dared to set his forces in array against you.

"Go out rejoicing this day," says the Father. "Put your foot forward with expectation and lay your hand to the work with total faith believing. It is a new day and a new season. The evil report? It is as nothing! The threats and intimidation of satan? They disperse and are exposed as nothing more than smoke and mirrors, for it is you I have blessed, and I have chosen you and set My love upon you in extreme measure.

"Lay hold of the provisions of Calvary and believe for all that the Cross makes possible. The mountains in your way are moving. Obstacles and impediments to your destiny are cast up this day and thrown into the sea. As Miriam danced while Pharaoh's army perished, so you will dance, and you will rejoice over all of My good word that comes to pass in your life, bringing you out of Egypt's bondage and into the liberty that only My Spirit brings to all those who put their trust in Me!"

WHO YOU ARE ... "IN CHRIST": Pastor Steve Loopstra

One of the most profound mysteries of the scriptures is the truth of what the New Testament describes as being "in Christ." In his letters in the New Testament, the apostle Paul uses the words "in Christ" or "in Him" over 100 times. By the sheer number of times this truth is referenced, you begin to understand that this was a major part of the revelation that the Apostle Paul received from the risen Lord Yeshua, Yeshua, when he was in the Arabian desert after his conversion.

If the Apostle Paul would be led by the Holy Spirit to teach on this truth that much in his letters to the churches, we would do well to take time to study this theme, pray into these truths, and ask the Lord to help us to learn to live in these truths about who Yeshua says we are in Him. Why? Because this will affect how we see ourselves in our relationship with YHWH, how we relate to the Trinity, and how we relate to this world and those that God has put into our sphere of influence. The truth of who we are "in Christ" should shape and define who we are in every area of life. So, what does it mean that we are "in Christ"? Who are you, "in Christ"?

To be "In Christ" refers to, as we saw last time, an organic relationship with Yeshua. But there are so many dimensions to this organic relationship of being in Christ. Let's look at some of these truths together.

Yeshua told His disciples that when we place our faith in Him, we enter into a relationship that reflects the same relationship as that between the Father and the Son.

John 17:23 -- I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.

John 17:21 -- that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me.

This is incredible! Through the sacrifice of Yeshua on the cross to pay the penalty for sin, I would submit to you that the relationship has been restored between God and man to, as much as possible in this still fallen world, the relationship that existed in the garden before the entrance of sin. Yeshua is in us, as He is in the Father, and "just as" the Father is in the Son, and the Son is in the Father, so "THEY" are in US! I do not even pretend to understand all that is involved in this truth, but it is the truth about our

relationship with the Trinity and being “in Christ.” There are fundamental changes that take place when we are placed “into Christ” by faith, One that I would call a fundamental change of our DNA.

For many years in my ministry I trained and taught in the area of “transforming revival.” The work of God in answer to II Chronicles 7:14, where God enters into a locality, a city, a region, and not only are hearts transformed by the manifest presence of Yeshua, but the very ecology of that region. In 2008, I visited such an area in the Northeast of Brazil. I wrote about this transformation in a book I entitled, “When God Transforms the Desert.” My time there, and in other areas of Brazil were deeply powerful, spiritual encounters with the Living God. In trying to explain what happened to me as a result of these encounters, I said that it was as if my very DNA had been changed. As I did more research on this, I found that if a sample of DNA is taken from a host, and implanted into a recipient, the DNA of the recipient begins to change to reflect the DNA of the host. There it is! As we are “in Christ,” the very DNA of our spirits begin to be transformed to reflect the “DNA” if you will, of God. It is not just a theological concept, or a nice teaching. It is the essence of what God has done to restore our relationship to Him. He changes our very nature.

And of course, this has huge implications on how we view, and live our lives! And that is what Yeshua expects, right? In John 15, Yeshua talks about the fact that we are in Him, so that we can go and bear “much fruit.” Making disciples, answers to prayer as we saw the last time, being salt and light and being agents of reconciliation and transformation in our culture. Being Ambassadors of His Kingdom and advancing His Kingdom in this world just to mention just a few.

Being “in Christ” is full of very real and applicable real-life truths for us.

Being “in Christ” means that we have been crucified with Him, and with that we died in Him, and have been resurrected in Him to a new existence. Galatians 2:20 --*I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.*

Don't let this truth pass you by. The old self, the old nature was crucified. Christ is now your new life. You live a life where Christ lives in you to give you His life, His power, His perspective, His wisdom, His love, His grace... all of who He is, is yours!! And as Paul wrote to the Corinthians in 1 Corinthians 1:30 - *It is because of him that you are in Christ Yeshua, who has become for us wisdom from God—that is, our righteousness, holiness and redemption.* You do not strive to be holy. You ARE holy in Christ! In Him, you ARE righteous. Our issue is learning to let the life of Christ live out through us as

the verse in Galatians 2:20 states. *I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.* As Paul told the Romans 6:11 -- *In the same way, count yourselves dead to sin but alive to God in Christ Yeshua.*

We are adopted into His family as fully adult children with all of the rights and privileges of adult children. -- Ephesians 1:5 -- he predestined us for adoption to sonship through Yeshua Christ, in accordance with his pleasure and will. Galatians 3:20 -- So in Christ Yeshua you are all children of God through faith... This then is a continuing process of learning how to walk in the reality of this truth in our daily lives. And again, because we have the Holy Spirit as our indwelling teacher, and we have the Word of God, we are not left to our own imaginations of how to do that.

Because we are "in Christ", the Apostle Paul tells us that For no matter how many promises God has made, they are "Yes" in Christ. *And so through him the "Amen" is spoken by us to the glory of God.* This is not presumption, and we need to guard ourselves from fleshly presumption, but the promises of God are for our benefit, and for our living out, and establishing the Kingdom of God on this earth. Perhaps it would seem that maybe we need to acquaint ourselves with what those promises are. Oh my! We could fill pages on just this subject, and fortunately there are many who have gone before us to help us to learn and grow in these truths. Study and read for yourselves.

In addition to all the promises, Paul also says in Ephesians 1:3 -- Praise be to the God and Father of our Lord Yeshua Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ. How many is "every"? I have the idea that it will take all of eternity to discover every spiritual blessing in Christ. I think this may need to be the subject of another teaching it is so amazing.

One last subject, although there is so much more, but for our time here, Yeshua stated to His disciples that there is another very important aspect of being "in Christ". He states in John 17:23 -- I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.

Our union with the Father and Yeshua is that there might be such a palpable unity among His disciples, that it would be an unmistakable testimony to the world of God's love for them. I wonder if this might be one of the greatest sins of Yeshua's disciples, I'll call it here, "the church," over the centuries, and for us in our lifetimes. We have totally dropped the ball on this one. There is so much division among God's people because

we do not understand who we are "in Christ." If Sunday is still the most segregated day of the week, haven't we missed something here? Our pulpits have not taught what it means to be "in Christ" so the people who sit under their teaching never understand how this works its way out into their real, day to day lives at home, at work, in the community, in every area of life. But I'm not doing this to bash pastors. I am simply saying that this is a truth of Scripture, a truth of the economy of God that we need to apply to our lives and give ourselves diligently to learn. I have only skimmed the surface of this truth of being "in Christ" and there is much more, but I want to challenge myself and each of us to give attention to what this means for your life, the life of our family, your marriage if you are married, your relationships among those God has put in your sphere of influence. Answer each day this question, "who am I in Christ?" God bless you as you enter into this grand adventure.

A shout out to the many Australian prophetic voices speaking into America and the election during this season. For some time I have been seeing you as midwives to what God is birthing in and through this nation as you have known it is what will have positive global ramifications. Know assuredly that this is all going to come back on you in a massively beneficial way on your own nation of Australia. Sometimes some of the American prophets get stuck into seeing so many of the trees they can't see the forest. You are consistently showing them and us the forest. I wanted you to know your work is seen and appreciated and rewards are coming to you personally and as a nation for this. Australia's deliverance will be soon after America's present deliverance.

My Dream: John Rockwell

I had a dream about Yeshua's bride and she was asking if she was presentable enough and I said yes you are fine and beautifully adorned. I immediately was taken back to my own bride when we were married, when I saw her for the first time in her wedding dress there are no words that can describe her and how I felt that day.

As I was contemplating the events of the world and these came to mind especially the events in this country at the present moment people are fearful not knowing what will happen to them. You need to look to the ONLY ONE who knows the past, present and future. Put your faith and trust in the great I AM and be who He created you to be and

all fear will melt away! Look, listen, discern and pray. Our best days are ahead for us, our children, grandchildren and generations to come.

Things are coming that we can't even imagine, our world and country are changing before our eyes. Our forefathers dreamed of this day and they are watching with excitement. Look above the storm the noise and distractions and let the Spirit guide you. Look for the peace that passes understanding then you will know you are on the right path. We need to be a voice for the little ones that have no voice. We are being delivered from the greatest evil the world has ever known as in the days of Noah. As this deliverance comes about it will be hard for some to understand what is coming about because they have been lulled to sleep (by certain frequencies) in the world and that they can no longer think for themselves. The evil that will be exposed will be frightening, unreal and hard to understand for some that are not grounded in the great I AM. We need to prioritize the things that are most important in these final days and have hope and trust in the Savior of the world for "behold I AM is coming soon".

Blessings John

SMALL STRAWS IN A SOFT WIND by MARSHA BURNS:

Shore up places of vulnerability that could be exploited. Repent for all unrighteousness of thought or deed. Pay particular attention to prejudicial injustice. I tell you the truth that any place of weakness can and will be exploited by the enemy. Choose to walk in love towards everyone. 1 Corinthians 13:4-8a Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails.

I really felt I needed to re-share this FULL spoken word again today, in light of everything. I think it's worth noting something: we need to recognize WHAT voices we are listening to right now. The principality of the airwaves.... the main stream media & social media... or what GOD HAS SAID!!!

God is raising up His Esther's - his fiery ones who will stand in the face of Haman's plots and plead for victory to the King. This is bigger than about Donald Trump. This is a

battle for territory against the highest principalities of the land, don't succumb to the narrative of those very principalities in the media.

We WAGE WAR with the prophecies given to us. Don't forget that. It's not over until God says it's over.

Nate Johnston

I have been overwhelmed lately by the spirit of adoption that has been coming upon me when I least expect it. It's the Father revealing another flavor and major component of this move of God at our doorstep. It's the hearts of fathers turning to sons and sons to fathers. It's the nation shaking reset of homes, marriages, and families and the breaking off of generational dysfunctions that have been robbing people for decades and even centuries. It's the redefinition of the church's focus back to the simplicity of authentic family. It's the call to look after the orphan and the widow. It's the leaving the 99 for the one and sacrificing reputation to sit at a table of thieves like Yeshua did. Its getting behind people, lifting up their arms, and drawing out the gold. It's the intentional decision to love people into their best, break past every limitation and become who God called them to be. It's the heart of the father that bankrupted heaven to see His broken divided family reunited with him and become one. This is the move of God we are in and this is what we need right now. It goes beyond politics and cuts to the very longing of the human condition. It reminds blindfolds and let's them see properly for the first time.

Watch as every war on the home, against the family unit, against men, against women, upon the sanctity of marriage, against races and people groups, against the unborn becomes the fuel for the greatest TURNAROUND and recompense we have ever seen. Roe V Wade overturned will be the first of many dominoes that will come down in the nations that will be the catalyst for the HEALING of the land! Let it come..

Nate Johnston

THE NOISE OF THE AIRWAVES HAS NOTHING ON THE WAVE OF GLORY THAT IS COMING..

I've been kind of quiet for the last few days after having some dreams I will be sharing later, but let me just ask you this. Can you see the wave of glory right now or have the airwaves been taking you out?

I prophesy right now for the peace of God to hit you like a freight train, for every bit of noise, chatter, and confusion of the counterfeit wave to be cleared and for you to see beyond the swirl to the move of the spirit about to crash over the nations.

I prophesy you are coming out from under the weight of heaviness and weariness and tapping into the easy yoke and potency of your mantle. You are stepping out of the ring where you have been shadow boxing the enemy with every distraction and argument that comes to your door and stepping into your Davidic anointing to take down the giants and strongholds around you.

Many have been caught in the tide of 2nd heaven warfare and been throwing stones, but now it's time to step out of the trenches and wage war from a higher place. We are the army of God and today there is a repositioning and re-posturing coming to take you out of the confusion and opposition and into the current of His glory so you can speak what He is doing.
The wave is coming!!

"Now Is the Time to Pray and Praise!
His Higher Pressure Is Breaking Through!"
Helen Cobanov, Brisbane, Australia

Throughout this year, the Lord has been reminding me of some words He gave me for 2020. The first word was about how this is the year He is shining a light to expose the enemy's schemes-not to bring pain, shame or condemnation, but to bring FREEDOM to His people! Another word was about the Media Mountain, and how the Lord is exposing the wickedness and schemes of the enemy in the Media Mountain, bringing them to their knees. They will eat their words!

For many, this year has been one of deep INTERCESSION. Prayer and praise have personally gripped my heart and mouth. The Lord has been speaking to me about these 2020 words and about what has been taking place across the nations with COVID-19, politics, lockdowns, media and the rest!

Rise and Shine!

In the midst of so much distress, chaos and turmoil in the world right now, I felt a deep reassurance as He said, "I am using ALL of this to expose the enemy. What has been hidden in darkness IS coming into My light, so do not fear, panic or

doubt, for I WILL have the victory over the enemy, over death and over division!"

This is the year of clarity (2020 vision). Many are walking around blind-yes, even many Christians-unable to see past the troubles of this world! Now is the time to PRAY and PRAISE, friends, because the scales will fall from their eyes. They WILL SEE; they will come to their knees. He is setting the captives FREE from the enemy! He is AWAKENING His Bride! YES, it's time to RISE and SHINE!

2021: The Start of the Great Harvest

I saw the hand of the Lord coming down as I heard Him say, "ENOUGH!" I saw the four winds beginning to blow and a wave of Heaven coming to break the ground to usher in His Spirit with INCREASE like we have never seen before.

"YES," I heard the Lord say. "2021 will see the start of the Great Harvest!"

What we are feeling now is PRESSURE in the spiritual atmosphere as this wave from Heaven is rising up against the enemy. I heard the words "high pressure." Higher pressure is breaking through.

High Pressure System

The Lord prompted me to look up a high pressure system. This is what I found:

"A high pressure system occurs where the air mass above the earth is denser than surrounding areas, and therefore exerts a higher force or pressure on the earth's surface."

The Lord reminded me of Ephesians 6:12 and that our battle is not against flesh and blood but against spiritual wickedness in high places. There is an intense spiritual battle taking place right now ... BUT I heard the Lord say, "My ways are higher! My higher pressure system is rising up like a mighty wave against the enemy and his schemes!"

Now Is the Time to PRAY and PRAISE!

Then I heard Him calling out to His people, like a general in an army calling his troops, "Wake up! Get up! Now, now, now is the time to INTERCEDE-and with increase! Pray, pray, pray in the wave and praise, praise, praise My name!"

AWAKENING is upon us. There are many Believers who are already paving the way by rising up and partnering with the Lord to PRAY and PRAISE in this powerful move of His Spirit that is coming to take Kingdom territory on Earth.

RIGHT NOW is the time to pray and praise-whether it is over political issues, or your nation, or your community, or your personal life-because this is the KEY to ushering in all that is about to take place as we head into the year 2021! Heaven is on the move here on Earth, and KINGDOM TERRITORY is coming with INCREASE!

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight." (Proverbs 3:5-6)

I encourage you and even dare you to pray, "Lord, YOUR Kingdom come, YOUR WILL be done as it is in Heaven, in my life, in my family, in my nation, in my government, in my community, in my church!" I encourage you to SURRENDER your agendas, your opinions, your pride, and PRAY and PRAISE!

Get ready to catch the wave of awakening-of REVIVAL. The harvest is ripe! Open the floodgates of Heaven, Lord, and let it rain.

"If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from Heaven, and I will forgive their sin and will heal their land." (2 Chronicles 7: 14 NIV)

Prophetic words are invitations to partner and pray in what the Lord is doing. I encourage you to take these and start declaring them! PROPHECY HIS PROMISES! Click on the list below for a few of the words and prophetic promises for 2020:

- FREEDOM
- MEDIA MOUNTAIN
- UNITY

Prophecies coming to pass in America
Whistleblowers, where've they come from?
Veronika West

In response to posting 4 on CIA whistleblower, in which the reporter's opinion "traitors should hang on the gallows they've set for others" refers to scripture on the Jews' arch-enemy Haman, also alludes to a Veronika West prophecy, the prophet-seer writes last night (underlining mine): 'AMAZING!! Interestingly the Lord spoke to me specifically about "WHISTLE BLOWERS" ...!! Read the last paragraph of the prophetic word!!'

At His Kingdom prophecy she expands as follows:

'America: "Whistle blowers will rise that cannot be silenced!"

'America: "You will know him as 'Emmanuel'... Fear not! For God is with you..."

'This evening I was reminded of a powerful word I shared a few months ago about President Trump — "The restoration of The Rose Garden" and "Whistle Blowers who will rise that cannot be silenced"..."

See HKP's: AMERICA: THE RESTORATION OF 'ONE NATION UNDER GOD'

'SIGNS SHALL FOLLOW THE WORD OF THE LORD...AMERICA WATCH!! FOR A TIME OF BLOOMING HAS COME...; "I heard the Spirit say,

"I'M GOING TO MEET HIM IN THE ROSE GARDEN"...! AMERICA I hear the Spirit say,

"WATCH!! For My People in this Nation shall KNOW ME AS "EMMANUEL"...FOR I AM WITH THEM...For I shall NOT LEAVE THEM NOR FORSAKE THEM...But I shall SHOW MYSELF MIGHTY ON THEIR BEHALF IN THE DAYS AHEAD AND THAT WHICH THE ENEMY SOUGHT TO HIDE AND CONCEAL UNDER THE COVERS OF DARKNESS, I SHALL FULLY EXPOSE AND BRING INTO THE LIGHT, HA!! FOR EVEN NOW MY SPIRIT OF TRUTH IS MOVING UPON THE HEARTS OF MEN AND MANY WILL SAY, 'Where have all these whistleblowers come from?..How can they be silenced?'

"BUT I SAY, NO!! FOR THEY SHALL NO LONGER BE SILENCED, FOR AS THEY OPEN THEIR MOUTHS I SHALL FILL THEM WITH THE WINDS OF MY RESURRECTION POWER...SO WATCH AND LISTEN!! FOR AT THE SOUND OF MY MIGHTY ROAR THIS SLEEPING GIANT, THIS LAZARUS NATION SHALL COME FORTH FROM THE DARKNESS OF THE TOMB AND IT SHALL ARISE AND ADVANCE IN NEW AND GREATER LIFE"!

That word was published on 28 July 2020, the opening paragraphs of which read as follows (note well);

'SIGNS SHALL FOLLOW THE WORD OF THE LORD AMERICA WATCH!! FOR A TIME OF BLOOMING HAS COME...; "I heard the Spirit say, "I'M GOING TO MEET HIM IN THE ROSE GARDEN"!

'For those of you who follow me on Facebook you will recall a few weeks ago [27 June] I shared a powerful and poignant dream I had about the "PRESIDENT TRUMP, A DIVINE VISITATION AND THE RESTORATION OF THE ROSE GARDEN" 'I believe this dream speaks of A DIVINE VISITATION OF GOD'S GLORY AND THE RESTORATION OF "ONE NATION UNDER GOD"!

'Please see this News Release which talks about the First Lady announcing plans to RESTORE AND ENHANCE THE ROSE GARDEN...

'I submit to you that this announcement is a SIGN of the both the GOVERNMENTAL AND REDEMPTIVE HAND OF GOD MOVING ON BEHALF OF THIS NATION.'

Pat Francis: Breakthrough Glory

"So David went to Baal Perazim, and David defeated them there; and he said, 'The LORD has broken through my enemies before me, like a breakthrough of water.'" Therefore he called the name of that place Baal Perazim." (2 Sam. 5:20).

Baal Perazim means God of our Breakthrough. Breakthrough Glory creates sudden freedom from hard resistance; sudden enlightenment in challenging issues; sudden solution to a difficult problem; sudden penetration into a blockage; sudden favor in new possibilities.

God blessed David, promoted him as King of Israel, and anointed him with CHAYIL (powerful great breakthrough) Glory that made him King of Israel after being a fugitive for many years. When the Philistines heard that David was made king over Israel they sent an army to destroy him, "so David inquired of the LORD, 'Shall I go and attack the Philistines? Will you hand them over to me?'" The LORD answered him, 'Go, for I will surely hand the Philistines over to you.'" (2 Sam. 5:19).

Yeshua describes His Breakthrough Glory, "At that time they will see the Son of Man coming in a cloud with power and great glory." (Luke 21:27). Power and great in the Hebrew language is CHAYIL. The CHAYIL Glory of the Lord Yeshua Christ is Breakthrough Glory. Expect God's Breakthrough Glory in your life. That which has been stagnated, frustrating, stubborn and relentless is now going to yield to God's Breakthrough Glory in and for you.

Kingdom Declaration:

The Breakthrough Glory of the Lord Yeshua Christ is releasing sudden miracles in my life.

"A Word for the United States of America: He Who Sits In the Heavens
Laughs!'Justice Is Mine,' Says the Lord"

Lana Vawser

As I sat with the Lord this morning, watching the incredible battle that's taking place over the United States, I heard Psalm 2:4 resounding loudly in my spirit:

"He who sits in the heavens laughs, the Lord scoffs at them."

I then heard the Lord say, "JUSTICE IS MINE." There is going to be a divine demonstration of the justice of God that is going to be seen in the United States of America. The demonstration of the Lord's power and His justice to "OVERTURN" is upon the United States of America. "With My mighty hand, I shall overturn the plans of the wicked," says the Lord.

I then heard these words thundering around me: "My people, you are about to see a major demonstration of the POWER OF MY PROPHETIC VOICE in the earth."

I felt such a strong sense that the voice of God was manifesting in the earth like never before, and it was coming in explosive ways. I began to see a united Church that had arisen like never before, and they REFUSED to move from the Word of God and what the Lord had spoken. I heard their collection of voices thundering into the United States, and the Word of the Lord was shaking the nation; it was thundering upon the land like a hammer.

"THESE ARE THE DAYS OF MY MAJESTY & DIVINE JUSTICE"

I then heard the Lord say, "These are the days of My majesty. These are the days where I am revealed as the King of Glory. I am stepping in to reveal My majesty and that I am the One who laughs at the plans of the enemy.

"When the nations conspire against Me (Psalm 2:1-5) and My ways, I am about to demonstrate My JUSTICE, and there will be a major RIPPLE EFFECT of My JUSTICE in the United States of America. I am BRANDING the United States of America with My JUSTICE. Let the DAYS OF JUSTICE roll on in. Let the days of My DIVINE JUSTICE being manifested ROLL on in—THICK and FAST.

"I am coming! For the words of mere men, the pride and wickedness of men to come against My plan, are going to come tumbling down. The winds of My justice are blowing. I am not only bringing justice now, in this moment, but I am moving to overturn ERAS OF INJUSTICE!"

"MY VOICE WINS"

As I continued to seek the Lord, I heard Him say, "MY VOICE WINS."

I sensed that there are other narratives being spoken, which are not in line with the narrative of God and what the Lord has spoken. The invitation to the Church right now is to be FEROCIOUS in FAITH and FOCUS upon what the Lord has spoken and the decree of God in the United States.

Again, these words thundered around me: "MY VOICE WINS—MY VOICE WILL CAUSE THE NATION TO TREMBLE."

Then the words of Isaiah 55:11 surrounded me:

"So shall My word be that goes out from My mouth; it shall not return to Me empty, but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it."

"I AM RESTORING THE ROAR TO MY PEOPLE"

The Lord said, "Within My people I am raising up a ROAR of faith and conviction in what I speak. As My people PARTNER with My VOICE and decree, the demonstration of My power will be seen, and some of the greatest injustices, hidden agendas and evil will be overturned. The overturning will come with great shaking, but My SUDDEN demonstrations of JUSTICE will be seen and seen SWIFTLY!

"Do not be afraid of the battle; do not be discouraged by the rumbling and the onslaught of the enemy. Greater acceleration and increase of the TIDAL WAVE OF MY JUSTICE is being RELEASED into the United States.

"My people, LIFT UP YOUR VOICE and continue to intercede and decree that which I have spoken. For the greatest days of MY JUSTICE PREVAILING and the revealing of My Majesty—that I am the One who sits in the heavens and laughs—have ONLY JUST BEGUN!"

Keep standing and decreeing what HE has spoken. The POWER of the
PROPHETIC VOICE of God is about to be seen.

"Playing tag with the devils minions"
Sharon Kaseweter

In February 2006 I had visited a counselor for spiritual issues and had experienced great freedom in the Half hour appointment that went six hours. That should tell you something right there. That night I had a dream and when I awoke, like many dreams, it faded. It was one of the most real dreams I had experienced.

That morning I had called my mom to share with her my experience the day before with the counselor. My dream came flooding back as clear as it was when I was in it. In the dream I'm in a large building off from the church we attended where we had many gatherings and functions with our church family. Suddenly I find myself standing at one end of this large building and I am focused on something on the sleeve of my blouse when a woman walks up and screeches at me "There's someone I want you to meet" she jarred me with her voice as I was deep in thought and I looked up and said to her there's a much better way to address someone. She seemed to heed my words and pulled back somewhat only to jump toward me and screech the words again.

I looked up to meet this person for her and to show her how to be more calm and soft in approaching people. The person was very familiar to me but I couldn't place where I knew her from, she was telling me she wanted to get to know me and "let's party together sometime ", as I seemed to be a fun person to her. Something didn't feel right with her and I was on my guard toward her from that point on. She kept persisting that we should go out and have fun and I told her, "I don't go out and drink or party anymore. My fun is going to church and being with my church family".

At that point she started to turn it on with flattery telling me everyone knows Sharon Kaseweter and pouring on the compliments. It seemed odd to me that she would not

take my "NO" for an answer. All of a sudden she touched me with her hand as if to say tag you're it. It felt very real and that I was in fact "it". I quickly reached out and tagged her as if to say "no you're it" this went on for several back-and-forths. Then as I was reaching out to tag her back the same woman that screeched at me earlier walked right in front of us and I didn't get to tag her back. Instantly I felt like I had to get rid of whatever it was she had tagged me with, but the next thing I knew she was completely to the other side of this massive building the distance of a football field away, I had no recourse. When I looked at her she pointed her finger at me threw her head back and released a bone chilling maniacal laughter. I felt like I was had!

All of a sudden the words came out of my mouth "Greater is he that is in me then he that is in this world, no weapons formed against me shall prosper, I overcome by the blood of the lamb and the word of my testimony"! What happen next dropped my jaw. As soon as those words left my lips I watched her vanished in thin air! The space that she took up was now empty, nothing there. I began to feel a faith rise up in me I had never experienced in my life and I knew that I knew the word of God was real and powerful!

I was so full of faith I was about to rise up and shout to the people from a table top how real God's word was and I believed in my heart I was able at that moment to impart a faith into people they had never experienced in their lives! The moment I started to move toward the table I was tapped on my shoulder from behind and when I turned around to see who was there, our eyes met, it was the same person who had just vanished only she was two feet taller! I could feel my heart start to sink a little bit where that Faith had been and as I was trying to process what was actually happening; the game ensued! Back-and-forth we went tagging each other until a repeat of what happened earlier and I was not able to tag her before she got away, so once more I was "it".

Just like before she was completely at the opposite end of this massive building pointing her finger at me throwing her head back and laughing maniacally at my , I guess, failure. I remember the words I spoke the first time and decided that if they had worked the first time they should work the second time, right!

As the words left my lips, she vanished! She was not there, just empty space remained. I got so excited at that moment because there was no question in my heart the word of God works, and I was getting ready to once again jump on a table and let the people know "it's real folks" immediately I was grabbed from behind with such force I was thrown down to the ground and was being drug backward by some powerful force I could not even see. Panic began to rise up in me and the question screamed "What do I do"? The grip was around my biceps and over my chest it was so tight I could only turn my head a small ways. I was rendered in capable of defending myself whatsoever! As I turned my head to see what was at my shoulder I saw a massive muscular man's neck and envisioned him to look like Mr. Clean off of the product bottle he was a baldheaded biker type dude but huge like a mountain!

I felt like this was an impossible situation to get out of because in an instant I understood he was also being drug by an even greater force than he, so not only would I have to go back one, but if I got free of that one I still would have to get free of the one that he was bound by and it made no sense that I would get out of that hold.

Calmly out of my mouth, came the words "greater is he that is in me then he that is in the world, I overcome by the blood of the lamb and the word of my testimony, no weapons formed against me shall prosper.! I woke up... As I was sharing this dream with my mom on the phone the understanding came to me like a lightning strike. The lord said; "You were set free last night and now I'm going to show you how to stay free".

He said that the first familiar spirit, as these people were familiar spirit represented the spirit of manipulation and when I spoke the words out that he literally put in my mouth just like his word says that spirit fled, the second spirit was the spirit of intimidation and that is why it came back two feet taller it needed to make it look like not only did the word of God does not work but it just made things worse! The Lord said this is where my people get hung up quite often they need to realize my word will work no matter what comes at them. The enemy is a schemer and will always scheme but the word of God will always overcome the schemer! Just like the spirit of manipulation as soon as the word of God left my lips the spirit of intimidation vanished or fled as the Bible says! I tell you, "fled "happens pretty quick!

The Lord let me know the enemy will pretty much always come back that's just what schemers/scammers do! But both times I watch the word of God work instantly so I was somewhat up on my game when I was gripped from behind so forcefully the shock and awe of it caused me to focus so heavily on what was happening to me that I couldn't focus on the word of God that it was in me coming out of me. The Lord showed that this was the last attack and the devil had to make it look as hopeless as possible , He said it was a physical attack of the body which is usually the most successful of attacks because we tend believe what we see ! The schemer plans it that way catches you off guard!

I guess the most amazing aspect of this dream ,aside from watching spirits vanish before my eyes ,was the calm that came over me when I was being violently drug and totally incapable of defending myself. The Calm was a knowing that this thing has no power over the word of God. It was just another obstacle in my way!

The Lord took me to the gospels in Matthew 4:1-11 and Luke 4:1-13 ,He showed me the story of Jesus Yeshua after the 40 day fast in the wilderness ,and how Satan came with three Temptations and Jesus ONLY spoke the WORD OF GOD to him! Daddy showed me Satan can't just go around willy-nilly doing whatever he wants. He only got three chances the Bible says; then he left and waited for another opportunity which never came!

Daddy also showed me to Satan it's a game but to God its relationship with his children and his desire for us to walk and wholeness and fullness is more powerful than Satan's plan to rob kill and destroy... That's where the abundance of Yeshua Jesus comes in. I pray that this dream I was given gives you a faith that you've never had before because the word of God cannot will not and does not return void. I pray that he opens the eyes of your spirit vision so you can see what's truly happening in the realm that his word is operating in and to transcend it into this realm that we live in! The message that rings true still today through that dream are these words simply put" God cannot lie" I pray blessing over your souls hearts minds wills emotions as you experience the truth of God's word in your life through this very telling dream he gave me on a night that I had become so free in my soul and his desire was for me to remain fully free.

Blessings to you all my brothers and sisters in Christ

Pat Francis: God Promises Us His Peace

"Again, Yeshua said, 'Peace be with you! As the Father has sent me, I am sending you.'" (John 20:21).

God promise us His peace - a peace that is beyond understanding; a peace that holds you in times of trouble; a peace that keeps your mind when trouble tries to overwhelm; a peace that preserves and protects you when you are vulnerable; and a peace that keeps you amid a storm until it passes over.

With God's peace within us, we also become His agents of peace in a world that is filled with insecurities and fear. We become His voice that will share the good news of His love and forgiveness; His vessel of power that will set people free from their sins, failures and mistakes. What a privilege to be a vessel of God's hope, love, joy and peace.

Some of the most popular advice that people seeks from Professional Counsellors are about relationship turmoil; and fear and worry about health, money, and family. People are looking for peace but can't seem to find it. Peace is no longer common in hearts, families and nations. But there is an answer - Yeshua is called the Prince of Peace and His peace is available to all who needs it and asks for it. Believe and receive His Peace that is greater than all your fears.

Kingdom Declaration:

The peace of God in me is greater than all my fears.
