

The Biblical Month of "Nissan 5781", Chaplain Wade Butler

It is amazing how much Judaism has influenced our world. In every area we are influenced greatly. Without the Hebrew people we would not have much of our scientific accomplishments, modern medicine, transportation, education, art, music, entertainment, government and even the latest signs of the times. Most importantly HIS WORD which never changes. Isaiah 61:4 (AMPC) ⁴ And they shall rebuild the ancient ruins; they shall raise up the former desolations and renew the ruined cities, the devastations of many generations.

On March 9th I had the opportunity to be on a talk show that draws over 20 thousand people. I opened with the same words this ministry was founded on from the OLD Testament.

We are in the season of aligning your harvest for the future based on the WORD from the past. It all begins on March 28, 2021 when a New Spiritual Year begins with Nissan which means Miracles!!! It has begun and we are part of the generation GOD has chosen to be here during the greatest transition in the history of the world. But it is still based on the never changing WORD of God.

It is the time we celebrate Psalms 8:1 King James Version (KJV) O LORD, our Lord, how excellent is thy name in all the earth! Who hast set thy glory above the heavens?

The Amplified, King James, New American Standard and Passion versions of the WORD of GOD were used in this study. Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.

I often ask myself, do the readers understand how to pray after reading a text of prophesy. The answer is to ask the LORD how did this relate in the bible for then and how does it relate now? How would YOU have me to pray Lord?

In developing this devotional calendar prophets are used to bring current words from the LORD*. (See last page.) Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors which are included. 1 Thessalonians 5:20 Do not spurn the gifts and utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

THE PROBLEM IS STILL THE SAME. Do you want to know the truth?

The words of our mouth either establish us or condemn us or establish us.
The truth we seek is in our hearts and mouths instead of asking,
“What’s in your wallet? We need to ask;
“What is in your heart and mouth that you are agreeing too?”
See what Fred Mosely is teaching to get out of your mess.

The Law of Agreement: Fred Mosely

Everything we do or say places us in either expressed or implied agreement.

The foundational Scripture for this law was simply stated by the Prophet Amos. Can two walk together, except they be agreed? (*Amos 3:3*). The body of Christ is apparently unaware or has been deliberately ignoring the “Law of Agreement”. In life, I “walk” with everything whether by affiliation or association, I have set myself in agreement with everything I am involved with, including things in the educational, religious, or political realms. In worldly parlance, “birds of the same feather flock together”. Whatever flock I find myself, I am in some form of agreement. To try to convince myself that I may be there but not in agreement with it, is the deceiving myself. And everything we do and everything we say, we are either in expressed agreement or we are in implied agreement. That is why the Word admonishes us not to be unequally yoked together with certain groups.

We often times hear Believer’s say, “Well, I just work here. I do not know what they make, I do not necessarily know what they do, and I am not necessarily concerned about all that is going on in this company, I merely am an employee. I do my work and I draw a paycheck.” What a great fallacy and deception!

The fact that you are there as an employee of that establishment, automatically sets you in at least an implied agreement with that which goes on there! Even if you claim that you do not know what they are doing in this establishment, have you asked? Have you made inquiry? Under The “Law of Agreement”, we as Believer’s have a duty to inquire. We cannot plead ignorance in these situations. When you go out and apply for a job, the employer asks all about you. The employer requests references, credit checks, possibly even criminal background checks. The employer wants to know as much as possible about you to make a determination, whether or not the company wants to come into an employment agreement with you, whether written or verbal.

Well the employee has the same or similar responsibility, based upon The “Law of Agreement”. In the case of employment, we need to make inquiry. You may be

asking the question, "Suppose I am already there, what do I do now?" In our publication on The "Law of Agreement", we will give detailed instructions in that regard, relying on The "Law of Escape" another "Law of Life". Every fraternity that you are affiliated, you are in agreement with it. You are in direct or implied agreement with every sorority, Masonic group, club or profession that requires you to take an oath of office. When you take an oath, you have set yourself in agreement with that for which that profession or group stands.

We pray in the name Yeshua that the readers of this article will be better enlightened as to the numerous agreements that we become involved and whether or not they are Godly or Ungodly.

We must choose. Agree now with the truth of GOD'S WORD! And if it seems evil to you to serve the choose for yourselves this day whom you will serve, whether the gods which your fathers served on the other side of the River, or the gods of the Amorites, in whose land you dwell; but as for me and my house, we will serve the Lord. Joshua 24: 15 (AMPC).

Nissan: The Month of Passover

This month shall mark for you the beginning of the months; it shall be the first of the months of the year for you. Exodus 12:2

The upcoming New Year begins this Sunday and is listed in the calendar as "New year for Kings *Shekalim*, Festivals, and Vows." This title for the date is a reference to the description of the beginning of the month of *Nissan* in the *Mishnah* (oral law), which lists the first of *Nissan* as one of the four new years in the Jewish calendar.

The King's Calendar tracks all the activities that took place in the First and Second Temples and which will be performed again when the Third Temple is built. This includes the Biblical feasts that are observed today, but the calendar also has many surprises, holidays and events that are only observed when a Temple stands in Jerusalem.

In 2018 the third temple calendar began representing the building of the Third Temple, not all of the holidays are biblical in origin. The holidays pertaining to the modern state of Israel such as Israel Independence Day and Memorial Day appear on the calendar, as does Jerusalem Day.

In Jewish history and tradition

- 1 Nissan (3761 BC) – Creation of the World
- 1 Nissan (1638 BC) – Death of Abraham
- 1 Nissan (1533 BC) – Death of Isaac
- 1 Nissan (1506 BC) – Death of Jacob
- 7 Nissan (1416 BC) – Joshua sends two spies to Jericho.
- 10 Nissan (1417 BCE) – Death of Miriam, 39 years after the Exodus.
- 15 Nissan (1713 BC) – Birth of Isaac
- 15 Nissan (1456 BC) – The Exodus from Egypt
- 17 Nissan (24th century BC) – Noah's Ark came to rest on mountains of Ararat
- 21 Nissan (1456 BC) – The sea splits, allowing Israel to escape the Egyptian army.
- 26 Nissan (1386 BC) – Death of Joshua
- 28 Nissan (1415 BC) – Conquest of Jericho by Joshua.

The month of Nissan

As the first month of the year, *Nissan* is particularly packed. The Pascal offering is supposed to be performed on the 14th of the month, along with the Fast of the First Born, which is still observed today on the day before Passover. The calendar also notes that the barley for the Omer offering is reaped on the evening of the last night of Passover.

Passover

It is in this month that we celebrate the eight-day holiday of Passover, from the 15th through the 30th March. It commemorates the Jewish people's miraculous redemption from slavery in Egypt, and the birth of the Jewish nation.

We observe the anniversary of the Exodus each year by removing all leaven from our possession for this week, eating matzah and telling the story of the redemption to our children. By following the rituals of Passover, we have the ability to relive and experience the true spiritual freedom that our ancestors achieved.

It is mentioned in the Talmud that according to one tradition, the three patriarchs of the Jewish people—Abraham (1948–2123 from creation, 1813–1638 BCE), Isaac (2048–2228 from creation, 1713–1533 BCE) and Jacob (2108–2255 from creation, 1653–1506 BCE)—all were born and passed away in the month of Nissan.

Awakening from Above: The Month of Nissan and Passover

Nissan is called the Month of Miracles. On Pesach, Hashem displays transcendental miracles, and descends, so to speak, to take us out of our lowliness and slavery. This is called an 'awakening from above', for it is an unearned gift of kindness flowing down to us from Heaven. During the Seder, the joy of freedom that has been suppressed and hidden deep within us is released. As we sing Hallel, we reveal our joy and gratitude openly.

This is the month of Passover

It is in this month that we celebrate the eight-day holiday of Passover, from the 28th through the 30th of March or the 15th through the 18th of Nissan. It commemorates the Jewish people's miraculous redemption from slavery in Egypt, and the birth of the Jewish nation.

"It is the month of redemption. In which we were redeemed from Egypt, Jacob received the blessings, Isaac was born and was tied up on the altar, it is the month we will be redeemed in, and it is the beginning of salvation."

It is the time that the Lamb of GOD was offered as a onetime sacrifice for the sin of all man.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16.

Sense of the Month: Speech

The 'sense' or faculty corresponding to Nissan is speech. Just as Hashem created the world with speech, so do we create our world, or at least our experience of the world, with speech. A slave is someone who has no voice, nor the power to create his or her reality. We can only experience freedom when we can refer to ourselves as free. The word Haggadah means 'telling'. During the Seder we speak at length about our Redemption from collective and personal 'slavery'. Thus, each year we receive the ability to proclaim our freedom on higher and higher levels.

It is called the time of "The New Year of Kings". Recognize what our KING did in HIS sacrifice on the cross as the LAMB of GOD that takes away the sins of the world.

The archetype of kingship, King David, is a descendant of Yehudah. Kingship also alludes to speech, for a king rules over his people through his words, which are received as commands: "...for the word of the king is his rule." The Talmud says that Nissan initiates the "New Year of Kings". It is thus a new beginning for the power of leadership, for speech, and also for expressing thanks. Because of the Redemption in this month, "...it is our duty to thank, laud praise, glorify, exalt, adore, bless, elevate, and honor the One who did all these miracles for our ancestors and for us."

Time of the Year: Spring

Nissan is the first month of spring. When it arrives, something about the increasing light, the warmer air, and the sprouting vegetation, may enhance our feeling that life is a gift and a blessing. Deeper within this instinctual feeling is the recognition that life is given to us whether we 'deserve' it or not. This is a deep level of humility, and it brings forth a tremendous sense of gratitude. During the eight days of Pesach, as we eat matzah, the bread of humility, we should strive to internalize this idea. Life is a miraculous gift descending from above. It cannot be earned, only humbly received. According to one opinion, Nissan is when human life was created.

Tribe of the Month: Yehudah or Judah

Nissan is associated with the tribe of Judah, or Yehudah which means "praise" or 'to give thanks'. Judah would always be the first in battle or Judah goes first, therefore Nissan is Judah's month, the month of praise for what the LORD has done and is doing. It is the month of "Redemption and Miracles". As children of GOD we need to give thanks for the *Redemptive work of Calvary* and our FATHER'S great love for you.

BOOK OF JOHN

This Pesach season, may we experience the newness and freshness of life? May this year be a year of creativity and generosity and new beginnings! May we become leaders, humble and kind leaders, who 'skip over' the apparent ego in others. May the LORD bless us to witness the beginning of the miracle of all miracles, the Redemption of all humanity from all levels of slavery.

UNDERSTANDING THE SIGNIFICANCE OF THE HEBREW MONTH OF NISSAN

Nissan is a month of redemption and the month of Passover. As we gain an understanding of God's timing, we learn to "redeem" time.

Say this: "My blessings are not going to pass me by because I do not know the timing of them."

We know what time it is! It is time for our faith to go to work and see redemption manifest. That unredeemed stuff is about to shift. Nissan is a month of deliverance, restoration, revolution. It is all appropriated into our lives BY FAITH. This is a month where we connect our faith to our speech.

There's the "catch." But it can be as simple as speaking our thankfulness to God for our deliverance before we see it. Saying...then seeing.

- When I speak, my faith is heard.
- My words have the power to impact reality.
- The first words I speak in the morning set my day.
- My words have the capacity to bring change.

A man of God wrote a book I am reading about "Redeeming your Timeline." It falls into the category of redemptive when it has to do with our past, our destiny, our purpose or the purpose of a territory, business, ministry, etc. So when we talk about redemptive prophecy in the month of redemption, we release faith in a cycle of redemption as in no other timeframe. Wow.

That's a realm of covenant blessing that we must become aware of and walk in. Knowing about this incredible timing issue with God puts us in position for His blessings to overtake us.

Jesus did not die for us to live sick and tired, almost free, just getting by and unhappy. We can break out of that with knowing and applying faith to the principles found each month in God's calendar.

Passover goes from the 14th to the 30st of the Hebrew month Nissan, and this year, that translates to sunset on March 27 at sunset until sunset on April 4, 2021. It is a celebration designed by God. It's given to increase our faith and prepare us to enter into the fullness of His blessing. When we remember God's work of redemption and declare the power of redemption in lives, something always happens. Put your faith on that...something always happens.

For those unfamiliar with the meaning behind the sacred holiday, Passover is a time to celebrate and honor the liberation of the Israelites from over 400 years of slavery in ancient Egypt. The Hebrew word Pasach means to jump or pass over, and the holiday's name originated from the Jewish miracle in which God passed over the house of the Israelites during the tenth plague, sparing their first born sons, according to My Jewish Learning. For the first two nights of Passover, families and friends gather to eat a special meal called a *seder*. As Rabbi Norman R. Patz explained to *Reader's Digest*, "The word 'seder' means order. The Passover meal is an ordered meal, which includes reading the *haggadah*, the text that tells the story of the Israelites exodus from Egypt."

In the narrative of the Exodus, the Bible tells that God helped the Children of Israelescape from their slavery in Egypt by inflicting ten plagues upon the ancient Egyptians before the Pharaoh would release his Israelite slaves; the tenth and worst of the plagues was the death of the Egyptian first-born.

The Israelites were instructed to mark the doorposts of their homes with the blood of a slaughtered spring lamb and, upon seeing this, the spirit of the Lord knew to *pass over* the first-born in these homes, hence the English name of the holiday.

When the Pharaoh freed the Israelites, it is said that they left in such a hurry that they could not wait for bread dough to rise (leaven). In commemoration, for the duration of Passover no leavened bread is eaten, for which reason Passover is called the feast of unleavened bread in the Torah. Thus matzo (flat unleavened bread) is eaten during Passover and it is a tradition of the holiday.

Called the "festival [of] the matzot" (Hebrew: חג המצות *hag hamatzot*) in the Hebrew Bible, the commandment to keep Passover is recorded in the Book of Leviticus:

In the first month, on the fourteenth day of the month (April 8, 2020 this year) at dusk is the LORD's Passover. And on the fifteenth day of the same month is the feast of unleavened bread unto the LORD; seven days ye shall eat unleavened bread. In the first day ye shall have a holy convocation; ye shall do no manner of servile work. And ye shall bring an offering made by fire unto the LORD seven days; in the seventh day is a holy convocation; ye shall do no manner of servile work. (Leviticus 23:5–8)

The biblical regulations for the observance of the festival require that all leavening be disposed of before the beginning of the 15th of Nissan an unblemished lamb, known as the Korban Pesach or "Paschal Lamb", is to be set apart on Nissan 10 and slaughtered at dusk as Nissan 14 ends in preparation for the 15th of Nissan when it will be eaten after being roasted. The literal meaning of the Hebrew is "between the two evenings". It is then to be eaten "that night", Nissan 15, roasted, without the removal of its internal organs with unleavened bread, known as matzo, and bitter herbs known as maror. Nothing of the sacrifice on which the sun rises by the morning of the 15th of Nissan may be eaten, but must be burned. The sacrifices may be performed only in a specific place prescribed by God (for Judaism, Jerusalem, and for Samaritans, Mount Gerizim).

The biblical regulations pertaining to the original Passover, at the time of the Exodus only, also include how the meal was to be eaten: "with your loins girded, your shoes on your feet, and your staff in your hand; and ye shall eat it in haste: it is the LORD's Passover" Exodus 12:11.

The biblical requirements of slaying the Paschal lamb in the individual homes of the Hebrews and smearing the blood of the lamb on their doorways were celebrated in Egypt. However, once Israel was in the wilderness and the tabernacle was in operation, a change was made in those two original requirements (Deuteronomy 16:2–6). Passover lambs were to be sacrificed at the door of the tabernacle and no longer in the homes of the Jews. No longer, therefore, could blood be smeared on doorways.

The biblical commandments concerning the Passover (and the Feast of Unleavened Bread) stress the importance of remembering:

- And thou shalt remember that thou wast a bondman in Egypt; and thou shalt observe and do these statutes" (Deuteronomy 16:12).
- Exodus 12:14 commands, in reference to God's sparing of the firstborn from the Tenth Plague: And this day shall be unto you for a memorial, and ye shall keep it

a feast to the LORD; throughout your generations ye shall keep it a feast by an ordinance forever.

- Exodus 13:3 repeats the command to remember: Remember this day, in which you came out of Egypt, out of the house of bondage, for by strength the hand of the LORD brought you out from this place.

Encourage Yourself! God Is Opening You Up to Hear! Incredible Prophetic Word! Chuck Pierce

Dear Encouraging Ones:

I am so grateful for this prophetic portal! Several days ago, the Spirit of God spoke to me that "I want My people to encourage themselves." However, what broke forth in yesterday's Celebration Service was far beyond encouraging. From the first notes of worship, we were carried to a higher place of seeing, hearing and releasing Heaven's voice for today. This incredible prophetic word is just a portion of what was released to open up our recovery:

"This will be a time that I put shunts within you. For you have blocked off things that you are not aware have been blocked off. Watch as I penetrate and open up some blood flow within your body. This is a time of shunting what has been closing up on you, and because of that you will feel a rush you've not felt before!"

"As you stand in My presence and enter into My worship, there is a portal that is opening. The portal that is opening is releasing a new flow from heaven. As the deer pants for the water, let your soul long for Me. Do not be downtrodden, for deep calls unto deep. Listen to the voice on the sounds of worship and the waves of worship, for My voice is coming with a new portal that a new flow can occur. Not only will it bring you up, but it will bring you out and into an enlarged place.

"Portions of your soul have closed off the rush of the Spirit that I want to bring you. Let Me open them up! Let Me do the necessary surgery that needs to be done so the rush of My Spirit can go through you!

"There is a clarion call that will be so loud the next five days. You will hear a tone, you will hear a pitch, you will hear perfect tune – it is a clarion call. I Am saying, 'Come up higher! Open up your ears to hear! Be able to see what I will show you in the next five days because it will be so clear you won't be able to miss this!'

"Through this portal there is a rope coming down with knots on it. So many are hanging on at one place, but you've got to go up a rung. It's not by power or by might, but by My Spirit. Reach up and grab above the next rung. When you grab, I will infuse you! When you grab, I will infuse you!"

"Breathe in My Spirit in a way you've not breathed Me in before, and this will give you a new strength to lift up one more time. As you grab the knot above you, you will use the knot below you to stand on. What was yesterday's weakness has now grown weary, but tomorrow is today's strength. So breathe in, breathe in and breathe in again, and then lift one more time. You will come up and hold on, and your feet will be planted on yesterday that you may receive the fullness of My presence. Step into the vision of your tomorrow." (Shatece McLeod, Chuck Pierce, Keith Pierce, Stella Timmons)

A Time to Encourage Yourself in the Lord!

The new flow from Heaven that poured out upon us brought an incredible breakthrough anointing to see the best is yet ahead. The enemy would desire to keep us in a place where we fail to say what needs to be said, but yesterday our hearts and mouths were liberated with a call to rise up and RECOVER ALL. Be sure to watch this entire replay to learn the power of your words and how you can encourage yourself (and others). I declare your faith is being activated to encourage yourself in the Lord!

Post note: On Tuesday evening prior to the "Encourage" word from Chuck I was in prayer with several other men from around the world when the LORD opened the heavens and I saw a portal that HE was calling us up into. As we entered in, I passed what seemed like a water fall and was dropped into a raging river. The rapids moved me swiftly as I heard the LORD say "I'm washing you in the current of MY WORD. Things are going to accelerate rapidly, fear not you will not drown but you will move into MY FLOW in an instant. Get ready for a divine refreshing of MY HOLY SPIRIT!". Chaplain Wade Butler. The painting was given to him that morning from what I understand.

Intimacy Through Suffering: By Steve Loopstra, Director
Your servant in Christ Ministries

There is an important truth that is woven throughout Scripture and is attested to by saints down through the ages. It is perhaps one of the most difficult truths for us to truly embrace, especially in our day, in this country. That is the truth that deeper intimacy with God almost always happens through the means of suffering. Don't turn me off yet!

Americans are notorious for avoiding pain. We take 16 million prescription opioids every day to eliminate pain; that doesn't count over-the-counter drugs like Tylenol, Advil, and Motrin. We medicate ourselves daily with more than 1.6 trillion hours of shows and movies. And it seems like in our society we change relationships faster than we change clothes when someone hurts our feelings.

Yet, in the economy of God, suffering is the avenue through which we must travel in order to find Him and grow deep in our intimacy with Him.

This is probably not new insight for most of us, but there may be those who will listen to this call, and who have never heard these principles, so bear with me for just a moment.

Suffering was NEVER the original intent of God. When He spoke the words and created all of the universe and the earth, and Adam and Eve, His assessment of it all was that it was "very good." Genesis 1:31. Originally, there was never an intention for suffering. However, because Adam and Eve chose to disobey the express instructions of God regarding the tree of good and evil, sin came into the world. The intimacy that Adam and Eve had known originally was broken, and it began to be so that the only way to return to any form of that intimacy was through suffering. God demonstrated this immediately by slaying an animal and clothing Adam and Eve with the skin of that animal. Suffering.

This truth was understood to some degree or another and came into more clarity when God gave instructions to Moses to build the Tabernacle and instructed him in the

performance of the sacrifices that would need to be made in order for Israel to be in fellowship with God.

I am being very brief here, but the grand example of intimacy through suffering comes when the Lord Yeshua, the Christ, Perfect in His divinity, and Perfect in His humanity chose to suffer, yes, CHOSE to suffer in order to make a way for fallen humanity to come into deeper intimacy with Himself.

That is simply our background, because we realize that that did not end suffering, but it did open the door for our suffering to lead us into a deeper and deeper intimacy with our Holy YaHaVah. Jesus gave us the purpose and the means to no longer fear suffering, but to embrace it. In John 16:33, Jesus tells us that in this world we shall have tribulations / sufferings, but He has overcome the world, and that should give us reason of "be of good cheer" which really means to have peace and tranquility even in the midst of sufferings.

That seems preposterous to us at first, until we begin to understand how God has made this to work. When we begin more and more to understand the process that brings us into that greater intimacy, then we learn more and more how to embrace our sufferings because we understand the desired outcome (intimacy with Him) is of far greater worth than the price of our sufferings.

First, let's look, very briefly, at some of what another examples of intimacy through suffering, in the Scriptures.

The first person that usually comes to mind when we think of suffering is of course, Job. Although God points Job out as being a very righteous man (most of us would be content to stop there), God allowed Job to suffer extreme pain at every level to the point that his own wife said he should curse God and die. In all of that, Job remained steadfast in his faith in God, even when we had deep questions about why this was. Happening to him. But the outcome (remember we mentioned the outcome in reference the Yeshua's suffering?) was a relationship with God that he had never dreamed of. And his response at the end was:

You asked, 'Who is this that questions my wisdom with such ignorance?' It is I—and I was talking about things I knew nothing about, things far too wonderful for me. You said, 'Listen and I will speak! I have some questions for you, and you must answer them.' I had only heard about you before, but

now I have seen you with my own eyes. I take back everything I said, and I sit in dust and ashes to show my repentance.”

Here in Romans 5:3-6 Paul writes: We can rejoice, too, when we run into problems and trials, for we know that they help us develop endurance. ⁴ And endurance develops strength of character, and character strengthens our confident hope of salvation. ⁵ And this hope will not lead to disappointment. For we know how dearly God loves us, because he has given us the Holy Spirit to fill our hearts with his love.

And this amazing, remarkable passage from the letter of the Apostle Paul to the church in Philippi: Philippians 3:7-14 - I once thought these things were valuable, but now I consider them worthless because of what Christ has done. Yes, everything else is worthless when compared with the infinite value of knowing Christ Jesus my Lord. For his sake I have discarded everything else, counting it all as garbage, so that I could gain Christ and become one with him. I no longer count on my own righteousness through obeying the law; rather, I become righteous through faith in Christ. For God’s way of making us right with himself depends on faith. I want to know Christ and experience the mighty power that raised him from the dead. I want to suffer with him, sharing in his death, so that one way or another I will experience the resurrection from the dead! I don’t mean to say that I have already achieved these things or that I have already reached perfection. But I press on to possess that perfection for which Christ Jesus first possessed me. No, dear brothers and sisters, I have not achieved it, but I focus on this one thing: Forgetting the past and looking forward to what lies ahead, I press on to reach the end of the race and receive the heavenly prize for which God, through Christ Jesus, is calling us.

Let all who are spiritually mature agree on these things. If you disagree on some point, I believe God will make it plain to you. But we must hold on to the progress we have already made.

Here is a nugget from the Apostle Peter from I Peter 4:1-2 in The Message version: Think of your sufferings as a weaning from that old sinful habit of always expecting to get your own way. Then you’ll be able to live out your days free to pursue what God wants instead of being tyrannized by what you want.

The Process –

In all of these and so many more examples, there is a process that we must go through if we are to come to a place of greater intimacy with God, YaHaVah. That process involves:

- 1) Being confronted with who we are as God sees us. These are the walls, the barriers that keep us from going forward in intimacy and must be torn down in order for us to go deeper. Because most of the time we are not willing to tear these things down ourselves, God allows suffering in our lives to confront us with these barriers. Barriers such as pride, selfishness, jealousy, self-centeredness, elevated opinions of our own worth, and the list goes on. Read the Scriptures and you will not have to dig deep for examples and lists of these areas of our lives.
- 2) The arrival of the suffering in whatever form it may be is meant to direct our attention away from the issues and distractions of the world around us, and even in our own lives, and to draw our attention to our own helplessness to remedy the situation except to repent, humble ourselves and turn to Him. It is indeed the very familiar passage from 2 Chronicles 7:14 – “if my people who are called by my name will humble themselves and pray and seek My Face and turn from their wicked ways...”
- 3) The next step determines the outcome. If we repent, we enter into a whole new dimension of fellowship and intimacy with God that before we never knew was possible. And that is because we were blinded to it by those issues in our lives. As we embrace the process, and we understand more of this process as a gift from God to us, we learn, usually slowly, to cooperate with the process and reap the harvest of dying to ourselves and turning to Him.
- 4) The last point of this process is that it is really not all about us and our intimacy with YaHaVah, but that we then become vessels, agents to

I want to encourage you to not run away from your sufferings, but to embrace and cooperate with the Grace of God to go deeper into His love, or perhaps receive His love and salvation for the very first time.

Years ago, Amy Charmichael wrote a powerful poem that is so powerful on this subject: Hast thou no scar?

Hast thou no scar? No hidden scar on foot, or side, or hand? I hear thee sung as mighty in the land; I hear them hail thy bright, ascendant star. Hast thou no scar?

Hast thou no wound? Yet I was wounded by the archers; spent, Leaned Me against a tree to die; and rent by ravening beasts that compassed Me, I swooned. Hast thou no wound?

No wound? No scar? Yet, as the Master shall the servant be, And pierced are the feet that follow Me. But thine are whole; can he have followed far Who hast no wound or scar?

May God strengthen, enlighten and encourage you to enter into this amazing journey of walking into greater intimacy with the God of the universe through our suffering.

This Flag Is Symbolic of an Emerging Move of God

Dutch Sheets displays the Appeal to Heaven flag. (Dutchsheets.org)

Published 6 years ago. Author Dutch Sheets.

In my quest to gain a greater understanding of God's prophetic mandate upon my life, I have spent hours researching the historical significance of the "An Appeal to Heaven" flag. I'm amazed at how the message and symbolism of this flag was so deeply entrenched within America at the time of it's birthing.

I am not a historian, but I would like to share with you a synopsis of my findings, endeavoring to do so through the lens of divine Providence. I believe the hand of God has always been upon this nation. America was founded upon a covenantal relationship with God birthed by the power of prayer and was intended to be a light and an example to the nations of the earth.

Let's begin our historical journey in 1775. The American Revolution was under way. Though oppressed by the mighty British Empire, and occupied by it's powerful military, a remnant filled with hope for freedom arose. These colonists, however, understood

that victory against such a powerful enemy would be virtually impossible, and knew their only real hope of success was through an intervention from heaven.

General George Washington, leader of the American Revolution, commissioned six ships for the war efforts. Highlighting this dependence on providential help, each ship was to fly under the banner of a white flag, dawning an evergreen tree in the center and the phrase, "*Appeal to Heaven*" embroidered across the top. The following is a brief history and the significance of this flag.

The Evergreen Tree

The evergreen tree was an important symbol of peace in the tradition of the Iroquois Native American nation, and in the historical record of diplomacy between the Iroquois and colonists. Never losing its leaves, the evergreen tree also symbolized eternity. At a challenging time in their history, a peacemaker among the Iroquois united six great tribes, establishing unity among them. Their peace treaty and eternal covenant to work and fight together was sealed by burying their weapons underneath a great evergreen tree.

Our Founding Fathers were greatly influenced by Iroquois cultural traditions, their form of government, and this tree that symbolized peace and eternal covenant. The covenant they intended to honor was with God and one another. They would pledge their lives, fortunes and sacred honor to this agreement. But the symbol of the evergreen tree on Washington's flag was not inspired only by the Iroquois' tradition. The "tree of peace" would soon become known also as the colonists' "liberty tree." This new meaning evolved from a conflict with the King of England.

The colonies depended heavily on the wood from these massive evergreen trees for their livelihood, using them to build homes, furniture, boats, fires, tools, and much more. Measuring up to 6 feet in width and exceeding heights of 250 feet, these "New World Pines" were considered some of the best in the world. The king of England, therefore, established the "Broad Arrow Act" as a way to harvest American pines for constructing vessels for the British Royal Navy.

Regardless of the trees' importance to the colonists, British soldiers were ordered to mark the best evergreens—even those on personal property—for only the king's use. This was done with an arrow symbol axed into them. Thus the name, Broad Arrow Act. This of course, infuriated the colonists and was used as a rallying cry of sorts for several years leading up to the war.

An Appeal to Heaven

The evergreen tree of the Iroquois and the colonists' (their liberty tree) became an important symbol for the colonists. A flag bearing its representation would soon be seen throughout all 13 colonies. Designed and commissioned for use on General Washington's navy vessels, this white banner with an evergreen tree became the symbol of the colonists unwavering spirit of liberty.

But, as we know, the tree was only part of the flag. General Washington, the Continental Army, and the colonists at large, recognized that the liberty they sought could never be attained through their abilities and strength alone. Their only hope for defeating the British was divine help from the God they were in covenant with. For this reason, the evergreen tree on the white flag was crowned with the phrase, *"Appeal to Heaven."*

Where did this interesting phrase originate? The phrase "Appeal to Heaven" was written by an Englishman, John Locke, in his "Second Treatise of Government." One of the great philosophers of his time, Locke presented a system of justice that God intended for all humankind, and spoke of inalienable rights that were derived from our Creator, rather than from the laws of civil government.

"And where the body of the people, or any single man, is deprived of their right, or is under the exercise of a power without right, and have no appeal on earth, then they have liberty to appeal to heaven." —John Locke, *Second Treatise of Government*

Locke's phrase, *"Appeal to Heaven,"* connotes that when all resources and the ability to attain justice on earth are exhausted, an "appeal to heaven" still remains. This concept would become a foundational philosophy in American society used even in the Declaration of Independence.

By raising the "Appeal to Heaven" flag, the general of the Continental Army prophetically proclaimed that, despite being grossly outnumbered, inexperienced and under-resourced, with God's help they would triumph over injustice. Like David raising his tiny sling against a great giant, with heaven's aid, they would prevail against their oppressors. And they did, becoming a powerful, free republic and a light to the nations, undeniably raised up by the arm of Almighty God.

Today, the future of this great Christian nation, formed under this banner, symbolizing eternal covenant, liberty and the power of prayer, is in jeopardy. We are perilously close to losing our freedom and destiny. Yet my conviction is strong: There is still hope

for America! We can emulate the strategy of our Founding Fathers and make "An Appeal to Heaven!" If we do, we, too, will experience God's supernatural intervention. We can. We must.

Veronika West: "A SIGNET RING NATION WILL ARISE AND BECOME A NATION OF DIVINE SIGNIFICANCE IN THE DECADE AHEAD"!

Early hours of this morning I was woken with an urgency in my spirit to pray again for the Nation of the USA. A Nation that I saw standing on the threshold of the greatest awakening and harvest the world has ever seen, and suddenly I heard these words, "A signet ring nation will arise and become a nation of divine significance in the decade ahead, watch! For I shall raise this nation up as a sign and a wonder among the nation's for even as I chose my servant Zerubbabel for a noble and a unique purpose, so I have chosen this nation for a noble and unique purpose among the nations of the earth, watch! For over the next (10) months and the next (10) years/decade there shall be a divine reinstating and a renewing of the covenant of David with this nation, watch! For in the days ahead all eyes shall see and behold my governing hand moving to overthrow, overturn and utterly shatter the powers of foreign and demonic kingdoms that seek to rule and reign over this land, for it shall not be by the might, nor by the power of man's hand, but it shall be by my sovereign spirit", says the Spirit of God.

On hearing those words, Holy Spirit took me back to a powerful word I shared concerning A SIGNET RING AND THE NATION IN AUGUST 2020. I believe the Spirit of the Lord is speaking LOUD AND CLEAR IN THIS HOUR....please stand and believe with me!!!

AMERICA: "WATCH AND PRAY!

For the Spirit of Haman Lurks in the Shadows and The Spirit of Jezebel Seeks to Rule; A SIGNET RING GOVERNMENT THAT SHALL CARRY THE POWER AND AUTHORITY OF TRUTH, RIGHTEOUSNESS, UNITY, MERCY AND PEACE".

A few nights ago, I had a powerful encounter that I am not yet released to share fully, but I will share in part of what I heard during this visitation. I heard the Spirit say, "Watch and pray for the spirit of Haman seeks to rule and reign from the shadows in the days ahead, yes! And from the shadows this spirit seeks to form an alliance with the spirit of Jezebel to govern over this nation, for truly I tell you, the stage has been set and the puppet masters plan has been put in place and a treacherous trap has been laid to further enslave my beloved African Americans with promises of greater freedom, equality and prosperity...but watch! For a great awakening has already begun to take place in this nation for the blind eyes will see and the deaf ears will hear watch! For now the tide is turning and those who were lost will suddenly and swiftly come to their senses...therefore, I say watch and pray!, as my governing hand of justice moves to pull back the covers to fully expose the works of wickedness and corruption in this land, for I tell you the thief shall be caught and the fowler shall fall into his own trap and the devourer shall pay back seven times what he has stolen!

America, I say to you in this hour look up listen and pay close attention!, for your redemption draws nigh the cry of the great eagle shall be heard over this land and the roar of the lion of Judah shall pierce and penetrate the veil of darkness that has bewitched the people, so I say again, watch and pray in this hour be vigilant and alert, for the gallows have been prepared and the serpent spirit lies in wait....but I say to you fear not!! For my great mercy will make a way and my spirit of truth will shine a light in the midst of the deep darkness for the times of doing deals behind closed doors and secret transactions under the table shall no longer take place in this nation no! For the workers of wickedness and corruption shall not rule from their high places, nor shall they govern from the shadows for in this new era there shall be a government firmly set in place, a government that shall be like a precious stone set within a gold signet ring placed upon my finger, yes! A triumphant government who will carry upon its shoulders the power and authority of the spirit of truth, righteousness, unity, mercy and peace...and the sound of great victory shall trump the voice of the enemy that seeks to rule and reign over the airwaves in this nation"!!!

America, I decree; he shall make you like a signet ring among the nations...! "I will make you like my signet ring, for I have chosen you," declares the LORD Almighty. (Haggai 2:23)

AMERICA, I DECREE; "ITS NOT BY MIGHT NOR BY POWER, BUT BY MY SPIRIT", ' says the Lord Almighty.

What are you, mighty mountain? Before Zerubbabel you will become level ground. Then he will bring out the capstone to shouts of 'God bless it! God bless it!'" (Zechariah 4:6-7).

Sylvia Gunter: You Are Blessed With The Seal Of His Pleasure
Ephesians 1:5-14

Your Father recorded in His Word the intention of His pleasure in you. Hear and receive His heart for you in Ephesians 1:5-14 (paraphrased from NLT and personalized for you).

5 God's unchanging plan has always been to adopt you into His own family by bringing you to Himself through Jesus Christ. This is what He wanted to do and it gave Him great pleasure. 6 So praise God for the wonderful kindness He has poured out on you, because you belong to His dearly loved Son.

7-8 He is so rich in kindness that He purchased your freedom through the blood of His Son, and your sins are forgiven. He has showered His kindness on you, along with all wisdom and understanding.

9-10 God's plan has now been revealed to you; it is a plan centered on Christ, designed long ago according to His good pleasure. At the right time He will bring everything together under the authority of Christ, everything in heaven and on earth.

11-13 Furthermore, because of Christ, you have received an inheritance from God, for He chose you from the beginning. God's purpose was that you who trust in Christ should praise your glorious God. When you believed in Christ, He identified you as His own by giving you the Holy Spirit, whom He promised long ago.

14 The Spirit is God's guarantee that He will give you everything He promised and that He purchased you to be His own. He did this so we would praise and glorify Him.

This, beloved one, is the pleasure your heavenly Father has in you. Receive these words your Father speaks to you. Be blessed with being settled in the eternal goodness and kindness of your Father and in the authority of who He is. He has sealed you in His pleasure and for His glory.

Be blessed with the seal of His pleasure and glory in His promised Holy Spirit, guaranteeing your place in your Father's heart. Ephesians 1:13-14

Are you ready to receive your healing? By Lesli White

Are you in physical, mental, emotional or spiritual grief and searching for help? God is with you and has the power to heal you from the inside out. The Bible tells us, "The earnest prayer of a righteous person has great power and produces wonderful results" (James 5:16). There are countless verses in the Bible that will give you solid reasons to talk to God and trust His healing power. If you're in need of God's miracle power, know that the Great Physician is eagerly awaiting your prayers. If you are internally or externally and are ready to ask God for healing, turn to these prayers. While we may never understand why God allows some of us to go through certain trials, we all can know for certain that God is sovereign and that He loves us through all of the storms in this life. Never underestimate the power of prayer and faith. Say these five healing miracle prayers daily.

Giver of Life

Hope comes when you trust in God and tell Him all your problems, knowing He is your protector. It's OK to tell Him you are angry, scared, or that you feel numb. In those moments when you feel numb, when you feel like you've lost His love, go to God and tell Him that. Hebrews 10:23 teaches us, "We can trust God to do what He promised" and He promises to pour His love into our hearts. Trust in His love and His healing power in all circumstances:

Lord, my eternal relationship with You began from the moment I first believed. I don't need to work for it, and I don't need to hope it will come to pass someday. My life in You is a done deal. It is not based on my feelings, my struggles, or even this ailment. I have life only because I have You! In You, I live and move and have my very existence. Thank You for Your assurance that I am Your child and You will never leave or forsake

me. Help me to comprehend what this new life in You actually means, through good times and bad, in health and in sickness. Thank You, Lord, the Giver of Life! Amen.

By Faith Alone

God has a reason for allowing things to happen. The Bible tells us, "For I know the plans I have for you declares the Lord. Plans to prosper you and not to harm you, plans to give you hope and a future (Jeremiah 29:11). We may never understand His wisdom, but we simply have to trust His will. God has a plan for your life. Pray for His direction to follow it, patience to wait on it and knowledge to know when it comes:

God, You had a simple plan to save me. Thank You that my faith alone makes me right in Your sight! Unlike all other religions, I don't have to do anything to earn my salvation. Help me to accept and believe that what I'm going through in this very moment is not the result of my not doing enough to be a good person or falling short of Your standard. My relationship is made right with You from start to finish, only by believing and trusting in You. Thank You that I am made righteous by faith alone. Thank You for coming to save me. Amen.

His Word Brings Life

God's Word says the prayer of faith shall heal the sick. Go to God today in faith and ask that He heals you from sickness. We receive healing by faith. Open yourself up today to God's blessings, healing and miracles. Let all worries leave your heart. Don't forget that you have a God who cares, who loves you so deeply and will never let you go:

Lord, Your Word is the true medicine that heals. It is the source of my hope and my every breath. Help me to listen carefully and never lose sight of Your Word through the distractions of the world. Lord, I want Your word to penetrate the depths of my heart. I want to live by Your word and receive all the benefits of knowing You. Thank You that Your word brings life and healing to my whole body.

Healing Your Body

It can be difficult to keep your faith when you're going through trials, but it is important that you trust in God during hard times. The Bible tells us, "Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him and He will make straight your paths" (Proverbs 3:5-6). The storms of life may be raging around you in this present moment, but God is always there to bring you

through. God will shine His light on us and when we ask, He will help us through the hard times:

Father, You are present in the eye of the storm, always guiding and directing my path. There is so much information and so many decisions! It overwhelms me, Lord, especially when the world's wisdom and my own understanding are at odds with Yours. Lord, help me to bring every decision to You and follow Your lead. Help me not to be wise in my own eyes, but to trust You completely. Then I will have healing from my body and strength for my bones. Amen.

Compassion For Pain

God has the power to restore you. Scripture reminds us that He is our refuge and strength, a very present help in trouble. The Lord said, "My grace is sufficient for you, for my power is made perfect in weakness" (2 Corinthians 12:9). God has the power to turn your trials into a foundation of strength and with every weakness, you have an opportunity for God to show You His strength in your life.

You know I am weak, Father. My body aches, my pain is excruciating, and my bones are in agony. How long must I wait for You to heal and restore me? Yet, You are holy. Have compassion on me, Lord. Comfort me in this affliction! You are the God who heals all my diseases. Please take this pain away. Heal me, Lord! Make me whole again.

These healing prayers will help you as you pray for His will, grace and presence. When you're battling any internal or external condition, knowing exactly what to say to God can be difficult. You may even feel lost and alone. Yet, God knows where you are and has a good plan for your future, even if you don't understand it. Trust in the Holy Spirit to guide your words as you seek God. No matter what you're facing today, His glory can be proclaimed. If you know someone going through a trial in their life, share these prayers to encourage them today!

Dutch Sheets: Can Our Dry Bones Live?

Author and lecturer Leo Buscaglia once talked about a contest he was asked to judge. The purpose of the contest was to find the most caring child. The winner was a four-year-old boy whose next-door neighbor was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman's yard,

climbed onto his lap, and just sat there. When his mother asked him what he had said to the neighbor, the little boy said, "Nothing, I just helped him cry."

On Wednesday, October 4, 2000, God somehow powerfully touched my heart with His, and for three and a half hours, God allowed me to help Him cry over our nation. Though I have often asked God for His heart toward America, I was in no way ready for the intensity with which it came that night. As I felt God's aching heart for America, I thought my own heart would break in two. I didn't know it was possible to weep from so deep within. It was not from my head or my emotions; it was from deep in my heart. An important result of my experience was a fresh awareness of the incredible passion of the Lord to save. I already knew God desired to save America. He had been challenging me for the past few years to believe Him for the saving of this nation, for genuine revival and a great harvest of souls. But on this particular evening, it was different. I literally felt God's breaking heart aching to save and heal America.

In my prayers for our nation, the Lord has often led me to Ezekiel 37. In this passage He uses a graveyard of dry bones to reveal Israel's spiritually dead condition to the prophet Ezekiel. As the prophet gazed upon these dry bones, the Lord asked him an interesting question: "Can these bones live?" Ezekiel, not knowing how to respond, simply said, "Oh Lord God, You know" (see Ezek 37:3). God's response was to have Ezekiel prophesy to the bones, declare to them, and later to have the wind of Holy Spirit breathe life into the bones. In the vision, the bones came together, and the wind – or breath – of God's Spirit came to them, bringing life.

As I said, God has often led me to this passage. It seems I am prompted with the same question about America that God asked Ezekiel regarding Israel: Can these bones live? I have always tried to summon faith and believe America will indeed receive a revival resulting in Resurrection life. But I must admit, there have been times of wavering in which I've found it difficult to believe.

However, on that aforementioned evening, something changed. I actually felt God's passion to save our nation. I identified with His aching heart so strongly that my faith was lifted to a new level. I knew beyond any doubt that the dry bones of America could live, because God desperately wants to save this nation.

I am fully persuaded that millions of people will be saved in America over the next several years. As God comes to bring salvation to our nation that salvation, however, will come one individual at a time. Those born again will be our fathers, mothers, sons,

daughters, husbands, wives, friends, neighbors, and leaders. They will have names and faces known personally by God.

I want to encourage your faith that God really does want to save those dear to you. I want your faith to be lifted to a new level. I have found that where faith for the salvation of the lost is concerned, unbelief controls much of the church. We ask God to send revival and save people but deep in our hearts find it hard to believe. Perhaps it's because we've prayed and waited so long we are no longer convinced God really will do it.

I want you to be so convinced God will save the one for whom you pray that you would be shocked if they didn't get saved. I want you to believe God is so passionately in love with people that when you cry for those you love, you realize you're really helping Him cry.

Pray with me:

Father, we thank You for Your heart to save. You are gracious, so kind and it is not Your will for any to perish. You loved the world so much that You gave your Son to save us. And Jesus, You loved us so much that while we were still sinners, You died for us. Greater love hath no man than this, that he lay down his life for his friends. We pray for those who do not yet know You. We are certain You want to save and heal them. Even those who are enemies of Yours, You love them and want to save them. We ask You to send Holy Spirit, draw each of them and open their eyes. We ask that angels be sent to minister to them. We pray to the Lord of the harvest that He would send laborers to them, just as You instructed us.

We refuse to believe that You cannot do this. We also refuse to believe that You cannot save our nation. We have already aligned ourselves with Your decree: America shall be saved. And now we ask You for signs, wonders, and miracles to begin in order to awaken this nation. Give us a great, great wave of supernatural manifestations of who You are. Demonstrate to the world the truth of who Jesus is by healing, working miracles in His name. We thank you for these things, Father, and we believe them. In Jesus' name we pray them. Amen.

"Then he said to me, 'Speak a prophetic message to the winds, son of man. Speak a prophetic message and say, 'This is what the Sovereign Lord says: Come, O breath, from the four winds! Breathe into these dead bodies so they may live again.'" So I spoke the message as He commanded me, and breath came into their bodies. They all came to life and stood up on their feet—a great army. (Ezekiel 37: 9-10)

Our decree:

We decree that God is coming to save millions of people in America, and a billion people around the world!

"The Lord Says: I Am Bringing Inner Turmoil to Rest"

Lana Vawser, Brisbane, Queensland, Australia

Over the last few weeks, I have been hearing the Lord speaking about "inner turmoil" that is taking place in the hearts of many Believers right now. The Lord showed me that this "inner turmoil" has been stemming from many different things in the hearts of His people. Some are experiencing turmoil from pain, trauma, grief and disappointment. Others are facing turmoil because of circumstances they are finding themselves in. Still others are facing turmoil because of weariness and burnout. The list of areas of "inner turmoil" that the Lord showed me went on... The Lord was revealing that His focus is on ministering to those that are finding their hearts in a place of inner turmoil.

A Call to Go Deeper into the Secret Place

There is a call to go deeper into the secret place that these Believers are sensing and feeling, because the Lord is going to bring a rest, a deep rest, that they have not known before. The Lord spoke to me and said that as they lean in—as they lay themselves down before the Lord and allow the Holy Spirit to come and minister into those areas of turmoil within, as they partner with Him in the leading of His Spirit in dealing with this—they will move into a realm of supernatural peace that surpasses all understanding (Philippians 4:6-7).

The Lord showed me that in this place of encounter, He was also bringing them into a place of deeper understanding of what it is to trust in Him—of "casting cares" upon Him; a deeper place of prayer, a deeper place of surrender and allowing His Spirit to heal, restore, and put turmoil to rest.

The Lord showed me that many who were carrying this turmoil have been carrying it for a long time. They have lived with it, continually swirling within their hearts, for many, many years. They have learned to "live" with this constant feeling of "wrestle" and turmoil within them. Some of them are now beginning to see the inner turmoil manifesting in greater ways in their bodies, through physical

ailments and physical symptoms; but take heart if that is you, because the Lord is bringing healing to you!

"I Am Going to the Root"

I heard the Holy Spirit say, "I am going to the heart. I am going to the root. I am going to heal them from the inside, out. This is their year of wholeness, this is their year of healing, this is the year where they will step into a greater understanding and manifestation of what it is to live FULLY ALIVE in Me (John 10:10), and to not live with constant concern. They will walk in supernatural peace that I purchased for them at Calvary, and they will no longer be weighed down and marked by constant cares. I am decreeing that a major shift is taking place in their lives by the power of My Spirit, bringing that inner turmoil to rest and marking them with My peace."

The level of turmoil that I saw many people carrying brought tears to my eyes. Even though they had smiles on their faces for all to see, they were carrying such a heavy weight, battling a level of inner torment and turmoil that no one else could see. *But HE has seen.* He is coming as the relentless pursuer to love them to life.

"I Am Loving Them Back to Life!"

I continued to hear these words surrounding me loudly: "I am LOVING THEM BACK TO LIFE! No more broken hearts." When the Lord spoke those words, I saw the broken hearts all across the Body of Christ, and I saw the hidden, broken hearts—those that were carrying broken hearts which no one knew about. They would cry and battle alone behind closed doors. The sadness they carried was deep. But then, Jesus stepped in... I watched as He breathed upon their hearts and their deep mourning was healed and turned to great joy (Isaiah 61:3).

He whispered again to each one: "REST IN MY BREATH! REST IN MY RHEMA."

He began to speak words of life over them. Each word was full of His love, hope, and piercing truth to shatter strongholds and ignite life. They had been weighed down; they had felt like shells of their former selves because this turmoil that had been eating away at them day by day. But as He spoke, with each word He spoke, they were breathing in His breath, His life, His rhema, and they were being loved back to life. They were coming back to life and into the deepest rest in Him

and His rhema that they had ever experienced, rebuilding them from the inside out. The "great awakening" to their identity as a new creation (2 Corinthians 5:17), and a son and daughter of the Most High, was being ignited in them like never before.

They Began to Remember Again...

As Jesus spoke, as He was loving them back to life, they began to remember again...they began to remember the dreams and all the promises laid down. They began to remember the joy of first love. They began to remember the joy of abundant life before the inner turmoil began to steal hope, peace, joy and life from within them. They began to enter the divine dance with the Beloved again in the steps of joy and deep peace.

Friend, today, if you are one struggling with deep inner turmoil, take heart, the Lord has seen the turmoil, the wrestle, the struggle, the pain that no one else has seen in its fullness—the tears you have cried—and He has not turned a blind eye or deaf ear. Jesus is here and He is drawing you deeper into the secret place, into His heart, to embrace you and bring you back to life, to love you into wholeness and healing.

Surrender into His arms and allow Him to work deeply on your heart. Allow His Spirit to minister to you. Partner with Him in your yielding. He is bringing that inner turmoil to rest; you will not know it any longer, but in your encounter with Jesus, you will be marked by peace, joy and hope. Where that inner turmoil used to be, LIFE will now reside, HEALING will reside. You will begin to BELIEVE again. You will begin to DREAM again. You will begin to HOPE again. You will not walk around carrying deep sadness within but explode with joy in the abundant life that is yours in Christ.

This is your time, your divinely appointed moment for wholeness. This is your time of encounter with Jesus to become FULLY awake and FULLY alive, and to rediscover, again, the amazing "YOU" that He created you to be.

"OPEN YOUR MOUTHS WIDE AND I WILL FILL IT, SPEAK IT, BELIEVE IT AND YOU SHALL SEE IT"! Veronika West

I heard the Father say, "Daughter In this hour, I am removing the gag and muzzle that has silenced My people, I am calling them to Arise and Advance forward as Mighty Warriors who I have been anointed and appointed to speak forth My Word with a loud voice and with great boldness and conviction....For I have put My ROAR within their mouths and MY SEVEN SPIRIT WINDS BENEATH THEIR WINGS,...FOR NOW IS THE TIME TO SPEAK FORTH MY WORD WITH A ROAR,...AND NOW IS THE TIME TO SOAR UPON THE HIGH PLACES WITH THE POWER AND MIGHT OF MY SEVEN SPIRIT WINDS,...For have I not said,....DECREE A THING AND IT SHALL BE ESTABLISHED FOR YOU", says God.

"Sons and Daughters, OPEN YOUR MOUTHS WIDE AND I WILL FILL IT, SPEAK IT, BELIEVE IT AND YOU SHALL SEE IT. Say again speak freely and boldly and that which is decreed shall come to pass quickly and shall manifest mightily in the midst of you, for I am now releasing the power of Supernatural Momentum and Acceleration upon My Word,...for surely I tell you the time is short", says God .!

"Therefore, WATCH AND PRAY! For as YOU SPEAK MY WORD,...the enemy goes running and fleeing in terror in 7 different directions,...AGAIN I SAY,...SPEAK IT, BELIEVE IT AND YOU SHALL SEE IT, FOR IT SHALL COME TO PASS AND NOT DISAPPOINT,...For even NOW I am gathering together a scattered remnant that have been purified and prepared by the fires of My Glory and they shall go out in Power and in Praise from the North, South, East and West,...and they will move as ONE, speak as ONE and CONQUER AS ONE,...for these are My Chosen Glory carriers mandated and mantled to move, shake and shift the Kingdom of heaven upon the earth,... these are MY KINGDOM AMBASSADORS WHO LEGISLATE AND ESTABLISH MY WILL WITH THE AUTHORITY AND ANOINTING OF MY WORD UPON THE EARTH,...And just Like the walls of Jericho that crumbled to dust so shall it be at the sound of My ROAR going forth from the mouths of My Remnant in this NEW KINGDOM ERA".

"YES!....My Beloved For Even now in this New kingdom Era,....I am releasing Mantles of old, ANCIENT MANTLES THAT WILL MARK A NEW GENERATION FOR KINGDOM ADVANCEMENT IN THE NATIONS OF THE EARTH,...For My chosen David's shall Arise to Slay the Giants in the land,....and My Jeremiah's and Jehus shall Uproot and Tear down,...My Deborah's and Esther's shall take their place in My courts with a cry for the Freedom and Liberty of Prodigal Nations that are standing in the valley of decision,...and Watch! For the Mighty Whirlwind of My Seven Spirits shall come, for the spirit and power of Elijah shall now blow forth upon the Nations bringing a divine rearrangement, realignment and a reordering of things in the earthly realm.

"LISTEN AND INCLINE YOUR EAR,...for there is now a sound that is rising, a sound of a SUDDEN TURNING, TURNING, TURNING can be heard in the Spirit realms, a sound of an unlocking of lands held captive, and a sound of the uncapping of Ancient Wells of Wisdom and revelation in this moment that will cause a SUDDEN SHIFTING AND SEPARATING, for the time of birthing is now upon the Nations, a Kairos time of Divine Transformation and Supernatural Change within the Nations of the Earth", says God.

"BUT LISTEN AND HEAR WHAT I AM SAYING TO YOU, Do not be moved or intimidated or controlled by the voices of fear and discouragement that seek to distract and derail your Faith, Hope and Expectation for the future plans I have for you, DO YOU NOT TRUST ME? HOW LONG MUST MY SPIRIT OF TRUTH STRIVE WITH YOU, ARE YOU STILL SATISFIED WITH THE MILK OF MY WORD?, AND DO YOU NOT YET HAVE AN APPETITE FOR THE STRONG MEAT OF MY WORD?, WHEN WILL YOU GO ONTO MATURITY AND TAKE ME AT MY WORD?, Is My Governing hand to short or to slow for your liking, has your double mindedness made your faith weak and ineffective and leaning on your own understanding made My Anointing and Authority of no effect, powerless to push back the darkness that surrounds you? OH, MY BELOVED COME UNTO ME. AND LET US GO UP HIGHER. and YOU WILL SEE THINGS FROM MY HEAVENLY PERSPECTIVE AND THUS YOU WILL FIND YOU ARE LACKING IN NOTHING, BUT HAVE BEEN GIVEN EVERYTHING PERTAINING TO LIFE AND VICTORY"

" WHY ARE THERE SO MANY DOUBTS, DOUBLE-TALK AND DOUBLE STANDARDS AMONG MY PEOPLE? AND YET THEY SEEK ME FOR A DOUBLE PORTION ANOINTING?"

"For I tell, You have not discerned the times and the seasons correctly and you have become blinded and blindsided to the subtle tactics of Satan that desires to dismantle the Spirit Unity in the midst of you with back biting and gossip, for he knows a house divided cannot stand when will you rise above your own self-importance and your hunger for fame and fortune that will only rot and perish when you fade like a flower in the field? Do you think I do not see that you have sought to build yourselves a house of grander and a name for yourselves by making the power of the gospel just a mere commodity that is bought and sold like the worldly systems do? For surely the spirit of this world has crept into the hearts of many in my house where now a brother and sister in Christ is seen as a threat to the building of your ministry businesses and the establishment of your household names among men, surely i see how you have rejected and despised one another, and you have seen your brothers and sisters as business competitors rather than a co-laborer's in the gospel of Christ, this has grieved my heart and I shall surely deal with this demonic spirit that has infiltrated my house, did I not warn you of the spirit of the lust of the eyes, the lust of the flesh and the pride of life that will seek to lay hold of even the very elect from among you? This competitive spirit of the flesh must be uprooted and torn down in the

hearts of my people if true revival is to be made manifest in the midst of you".

SO WATCH! As I now bring forth swift Vindication and Justice for MY PEOPLE, But, Fear Not Mighty Warriors for My eyes are upon YOU, My Righteous Ones and My ears are inclined to your Cries for Mercy and Divine Deliverance. DO NOT BE MOVED BUT STAND, AND BE STILL AND KNOW THAT I AM GOD, Be of good Courage in the face of great opposition and persecution, for I have not left you as fatherless orphans, but I have Promised to bring you forth in Great Victory and Great Deliverance, you shall surely enjoy the spoils of war, which I the LORD your God shall give to you in this season, have I not Promised to make you Fruitful, Abundant and Overflowing in Goodness and Mercy"?

"Even in this hour, I am exposing the ravenous wolves that walk amongst you, nothing shall be concealed or hidden from the Light and Brilliance of My Glory, My Spirit of Truth is exposing and uncovering the spirit of deception and division in the midst of you, FOR I AM TURNING OVER THE TABLES ON THOSE THAT HAVE DEFILED MY FATHERS HOUSE,...Even now I AM SHAKING THE FOUNDATIONS TO REVEAL THE DEEP CRACKS AND I AM LIFTING THE VEIL OF DECEPTION THAT HAS CONCEALED THE STENCH OF PERVERSION AND HIDDEN THE CORRUPTION THAT HAS POISONED AND INTOXICATED THE INNOCENT, For My Spirit of Revelation and Wisdom is now unveiling that which has clothed itself in darkness, For Who shall be able to stand in the Power of My Presence and not be utterly undone, changed and transformed?", says God.

"Beloved, I speak to you not as Children that can only comprehend childish things but I speak to you as MATURE SONS AND DAUGHTERS, LOVERS THE OF TRUTH THAT HAVE FULLY SURRENDERED YOURSELVES TO MY WILL, THEREFORE OPEN YOUR MOUTHS WIDE, AND EAT OF MY WORD, AND THOUGH IT BE SWEET TO THE TONGUE AND BITTER TO YOUR STOMACHS, YOU SHALL SURELY LIVE AND NOT DIE, For Word will not return to Me void, but it will accomplish that which I desire and it shall achieve the purpose for which I have sent it", says the Spirit of God.

Nissan 10, 5781: (Tuesday) March 23, 2921

- 10 Nissan (circa 1417 BCE) – Death of Miriam, 39 years after the Exodus.

Veronika West: "WATCH! WHAT SHALL EMERGE FROM A TIME IN EXILE....TRUMP AND HIS MIGHTY MEN".

HA! To all my incredible American Friends and Family that are STILL STANDING ON THE FRONTLINES WITHSTANDING THE HEAT OF THE BATTLE FOR THE BIRTHRIGHT AND DESTINY OF THE NATION...I suddenly heard the Spirit say these words to me, "WATCH!! WHAT SHALL EMERGE FROM A TIME IN EXILE...TRUMP AND HIS MIGHTY MEN"as I heard those words,'2 Samuel 23'was quickened to me by the Spirit of Revelation and then again, I clearly heard the Spirit say, "WATCH! WHAT SHALL EMERGE FROM A TIME IN EXILE....TRUMP AND HIS MIGHTY MEN".

As I heard those Words, suddenly,...I was then shown the hand of God moving strategically and with divine precision and accuracy behind the scenes of chaos and confusion that swirled over the Nation,...and just like the steady and skillful hands of a heart surgeon who meticulously moves to cut and severe,...and to reattach and realign the smallest and most vital of veins, arteries and muscle tissue during an intricate open heart procedure....I saw the Governing hand of God moving over the Nation,...I saw His Righteous Right Hand of Justice moving in yet even more strange and mysterious ways in the affairs of the Nation,...

THE HAND OF GOD MOVED SLOWBUT IT WAS SURE, MOVING IN a highly calculated and methodical way,...nothing was rushed Nor pressured, every movement

was divine and sovereign,...I knew and felt by Revelation that every movement of His hand was not only effecting time and space in the present,...but the eternal destiny of all the nations of the earth were being brought into divine alignment....and god was not in a hurry...!

As I watched Him move, I heard these words, "America do not loose heart or become impatient with my timing, but like an expectant mother who feels her baby move and kick in the womb and for nine months she waits patiently and yet with great expectation she wonders and day dreams of what the face of her precious child will look like when its born and she waits with a longing in her heart what it will feel like to touch, to feel and to hold her new born baby for the first time in her arms her heart is full of hope, faith, love and expectation for what is surely going to come forth, and so it is with you my beloved remnant warriors in the nation of America, For you are surely like this expectant mother called and anointed to carry and steward the new life and kingdom destiny of a nation under god my beloved, though it tarries wait for it, for surely it shall come to birth and when it comes, it will not disappoint but will outweigh your greatest hopes, dreams and expectations,!

Then again, I heard the Spirit say, "So wait, wait, wait upon me and do not grow weary in the waiting for I am moving, shifting, separating, sifting and lifting for I am moving strategically and powerfully in this season, so fear not! For I will not let you down but rather I am moving sovereignly to set you up for good and not for evil, for an expectant end, and a prosperous and greater future, for surely, I tell you the truth, I am working all things together for the good of those that love me therefore watch! I say watch and pray, and do not grow weary in the waiting look!! For what shall emerge from a time of exile, watch! what shall suddenly arise from the place of momentary obscurity and isolation, for out of nowhere shall come something that shall shake and shift this nation again and again, for now a divine dismantling is taking place over this land.

"WATCH! AS A SOVEREIGN MOVE OF MY SEVEN SPIRITS COMES LIKE A MIGHTY WHIRLWIND TO THIS NATION TO SWEEP CLEAN AND TO SCATTER, TO SIFT AND TO SEPARATE, BE OF GOOD COURAGE! FOR WHEN MY WHIRLWIND COMES WHO WILL I FIND STILL STANDING AND BELIEVING".

Isaiah 50:6

I gave my back to the smiters, and my cheeks to them that plucked off the hair: I hid not my face from shame and spitting.

Isaiah 53:3-12 King James Version (KJV)

³ He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not.

⁴ Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted.

⁵ But he was wounded for our transgressions; he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

⁶ All we like sheep have gone astray; we have turned everyone to his own way; and the LORD hath laid on him the iniquity of us all.

⁷ He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth.

⁸ He was taken from prison and from judgment: and who shall declare his generation? for he was cut off out of the land of the living: for the transgression of my people was he stricken.

⁹ And he made his grave with the wicked and with the rich in his death; because he had done no violence, neither was any deceit in his mouth.

¹⁰ Yet it pleased the LORD to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hand.

¹¹ He shall see of the travail of his soul, and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities.

¹² Therefore will I divide him a portion with the great, and he shall divide the spoil with the strong; because he hath poured out his soul unto death: and he was numbered with the transgressors; and he bare the sin of many and made intercession for the transgressors.

Nissan 12, 5781: (Thursday) March 25, 2021

Johnny + Elizabeth Enlow: Raging Nations are Our Inheritance.

Reading this morning Psalms 2 and it is such a chapter for us at this time and season. The very nations that rage and plot against God through their rulers are the very ones He asks us to ask HIM for as an inheritance.

"Why do the nations rage, and the people PLOT a vain thing? The kings of the earth set themselves, and the rulers take counsel against the Lord and against His anointed." (v.1,2)

"Ask of Me, and I will give you the nations for your inheritance, and the ends of the earth for your possession." (v.8)

Conspiracy Reality

As this scripture makes clear, EVERY nations' "kings" and "rulers" who are not under allegiance to the Lord ("Kiss the Son" of verse 12) will be in a conspiracy reality against God. For all who warn of "conspiracy theories", you have been played if you don't know of the "conspiracy realities". The term "conspiracy theory" was literally invented as a deflector and squelcher of those looking behind the curtain of staged productions. The Hebrew word for PLOT used here literally means "to scheme how to be free of God's DOMINION". It is not coincidental that a software tool of the same name has been the instrument of choice for removing God's "cords".

We have been awakened to the reality that most of the "raging" of the "rulers" of nations is much more evil and sinister than most of us understood. Globally over 90% of the "rulers" are either instruments or victims or both, of a blackmail so dark that it is almost incomprehensible. A luciferian cult, that has bought news and big tech, has chased off inquiring minds by tagging all who don't drink the cool-aid of their staged productions as "conspiracy theorists". Anyone who has ever done a search on information that these have not carefully crafted is branded as "dangerous". It is literally their number one assignment on the planet right now and it is so thorough that this very post, though worded discreetly, is likely to have some level of censoring done to it.

From Frustration to Asking

The word for us today is let us use all the frustration at seeing the plot and experiencing the false dominion and let us boldly press into our Father and ask, and ask, and ask, and insist and insist and insist-- that these very raging nations be given to us as inheritance. The right of sons and daughters is the right to inheritance AND possession that belongs to one's Father. Today, knowing what we know about the most vulnerable let us raise the level of our ASK to the Father. Let us knock on the door of

justice until it flings wide open. Don't stop with one knock. When you know Father is in and justice is with Him, you don't stop until the rulership of nations has shifted.

Sharon Kaseweter: Oregon City, Oregon

Who do you say I am?

Most of my posts I share on the calendar come to me when I am on the phone with my girlfriend or just doing things around the house, happily chatting away with Daddy. This one is no exception!

This revelation came through another conversation over the phone and the LORD just jumped in with what he wanted to share, because HE knows HE'S always welcome and he wants to be with us every second of the day.

As I sensed his presence and desire to share, we focused our conversation to what he wanted to say, and boy were we ever glad we did.

HE brought back a memory of the post I had submitted to the calendar in the month of Av 5781. It's all about our identity and much of what we don't understand about who we really are. The amazing architect that HE is HE began to build on that word with this recent download.

I began to see the ark of the covenant in all its glorious splendor, and he wanted us to see that we don't really "know" the ark of the covenant and we unconsciously let fly those words out of our mouth without even really thinking of what it stands for and what it really means.

As the conversation ensued, I was seeing that beautiful gold chest that HE was willing to live in just to be near his children. I thought of the children of Israel selecting just the right wood, Building the box, smelting the mineral to produce the purest gold possible for covering the box and pouring the cherubim that sat on top and flanked the mercy seat.

The Ark of the Covenant was a sacred chest built by the Israelites, under exact specifications given to them by God. It included a pledge by God that he would dwell among his people and give them guidance from the mercy seat on the top of the Ark. Made of acacia wood, the Ark was covered inside and out with pure gold and measured two and a half cubits long by a cubit and a half wide by a cubit and a half high (45" x 27" x 27"). Near its four feet were gold rings, through which wooden poles, also covered with gold, were inserted, for carrying the Ark.

Special care was taken on the lid: solid gold with two hammered gold cherubim, or angels, on it, facing each other, with their wings overshadowing the lid. God told Moses:

"There, above the cover between the two cherubim that are over the ark of the Testimony, I will meet with you and give you all my commands for the Israelites." (Exodus 25:22, NIV)

As we begin to get the Fuller picture the unraveling had us awestruck as to what he was showing us. All the care that went into creating this earthly dwelling place for HIS heavenly presence was not missed by us as he took us on this journey. With everything we read about the ark of the covenant or, ark of the testament as it sometimes referred to We see it needed to be perfect in its craftsmanship, For the One who would be dwelling in it was perfect from the beginning. It is really quite jaw-dropping when you

realize that he no longer lives in that ark but within us, we are now the ark of the covenant, so to speak. What does that say about who we are? Profound truth! Selah

How this ties in to our true identity is incredible!

What it says about us, to me, is that with all the care and deliberation that went into building, forging, and formulating that gold chest of his presence says to me that we are pure and perfect in our spirit where he dwells now. That because of our savior Yeshua Jesus, one third of us is without question, as pure gold! Have you ever thought of your spirit like that? It's another part of our identity that we have overlooked because we're too busy trying to make our self perfect for God, which is totally unnecessary since we already are! He as much is said so when he moved into our spirit through salvation in Yeshua the Christ.

Now that you know what will you do with it? It's to each one their own individual journey of learning who they are, because in finding that answer we find who God is, as we have been made in his image! The more you think about it the more you see yourself as he sees you, and you are perfect in his sight! As we begin to digest this revelatory nugget of truth, we will be transformed from glory to glory, all our being will align with the perfection that dwells within our spirit man.

I titled this "Who do you say I am "for the sole Purpose of really examining the scripture in 1 John 4:17. "Because as he is so are we in this world".

May you never again look in the mirror and see anything less than perfection, it's who you were created to be!

I believe it is his greatest desire for us to know our true Identity because all of creation is groaning for us to rise up and take our rightful position in this earthly kingdom of ours as the manifested sons of God. As the song says " To know, know, know him is to love, love, love him and I do" now how about this version "To know, know, know me is to love, love, love me and I do" only when we learn our true identity will we learn to truly love ourselves as he loves us because our mission in this realm is to go into that world out there and love the hell out of those lost souls!

Father I pray that all who read this are touched by the stark and undeniable truth of who they are, let them see themselves as the royalty they are, let them see themselves through your eyes as you gaze on them with enraptured love and let them go out and change the world with this knowledge! In Yeshua's name amen.

Matthew 28:1-8 Jesus Is Risen!

Now after the Sabbath, near dawn of the first day of the week, Mary Magdalene and the other Mary went to look at the tomb. And a great earthquake had occurred, for an angel of the Lord descended from heaven and came and rolled away the stone [from the opening of the tomb], and sat on it.

The angel's appearance was like lightning, and his clothes were as white as snow. The guards shook, paralyzed with fear [at the sight] of him and became like dead men [pale and immobile].

But the angel said to the women, "Do not be afraid; for I know that you are looking for Jesus who has been crucified. He is not here, for He has risen, just as He said [He would]. Come! See the place where He was lying. Then go quickly and tell His disciples that He has risen from the dead; and behold, He is going ahead of you into Galilee [as He promised]. There you will see Him; behold, I have told you."

So the women left the tomb quickly with fear and great joy, and ran to tell [the good news to] the disciples.

Matthew 28:9-17 Amplified Bible

⁹ And *as they went*, suddenly, Jesus met them, saying, "Rejoice!" And they went to Him and took hold of His feet [in homage] and worshiped Him [as the Messiah]. ¹⁰ Then Jesus said to them, "Do not be afraid; go and tell My brothers to leave for Galilee, and there they will see Me [just as I promised]."

¹¹ While they were on their way, some of the [Roman] guards went into the city and reported to the chief priests everything that had happened. ¹² And when the chief priests had gathered with the elders and had consulted together [to develop a plan of deception], they gave a sufficient sum of money [as a bribe] to the soldiers, ¹³ and said, "You say this, 'His disciples came at night and stole Him while we were sleeping.' ¹⁴ And if the governor (Pilate) hears about it, we will calm him down and keep you out of trouble." ¹⁵ So they took the money [they were paid for lying] and did as they were instructed; and this [fabricated] story was widely spread among the Jews, and is to the present day.

The Great Commission

¹⁶ Now the eleven disciples went to Galilee, to the mountain which Jesus had designated. ¹⁷ And when they saw Him, they worshiped Him; but some doubted [that it was really He]. Matthew 28:18-20 Amplified Bible

¹⁸ Jesus came up and said to them, "All authority (all power of absolute rule) in heaven and on earth has been given to Me. ¹⁹ Go therefore and make disciples of all the nations [help the people to learn of Me, believe in Me, and obey My words], baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ teaching them to observe everything that I have commanded you; and lo, I am with you always [remaining with you perpetually—regardless of circumstance, and on every occasion], even to the end of the age."

Nissan 15, 5781: (Sunday) March 28, 2021

And!!! Luke 24:1-50 Amplified Bible

The Resurrection

24 But on the first day of the week, at early dawn, the women went to the tomb bringing the spices which they had prepared [to finish anointing the body]. ² And they found the [large, circular] stone rolled back from the tomb, ³ but when they went inside, they did not find the body of the Lord Jesus. ⁴ While they were perplexed and wondering about this, suddenly, two men in dazzling clothing stood near them; ⁵ and as the women were terrified and were bowing their faces to the ground, the men said to them, "Why are you looking for the living One among the dead? ⁶ He is not here, but has risen. Remember how He told you, while He was still in Galilee, ⁷ saying that the Son of Man must be handed over to sinful men, and be crucified, and on the third day rise [from death to life]." ⁸ And they remembered His words, ⁹ and after returning from the tomb, they reported all these things to the eleven [apostles] and to all the rest. ¹⁰ Now they were Mary Magdalene and Joanna [the wife of Chuza, Herod's steward] and Mary the mother of James; also the other women with them were telling these things to the apostles. ¹¹ But their report seemed to them like idle talk and nonsense, and they would not believe them. ¹² But Peter got up and ran to the tomb. Stooping [at the small entrance] and looking in, he saw only the linen wrappings; and he went away, wondering about what had happened.

The Road to Emmaus

¹³ And then, that very day two of them were going to a village called Emmaus, which was about seven miles from Jerusalem. ¹⁴ And they were talking with each other about all these things which had taken place. ¹⁵ While they were talking and discussing it, Jesus Himself came up and began walking with them. ¹⁶ But their eyes were [miraculously] prevented from recognizing Him. ¹⁷ Then Jesus asked them, "What are you discussing with one another as you walk along?" And they stood still, looking brokenhearted. ¹⁸ One of them, named Cleopas, answered Him, "Are you the only stranger visiting Jerusalem who is unaware of the things which have happened here in these [recent] days?"

¹⁹ He asked, "What things?" And they replied, "The things about Jesus of Nazareth, who was a prophet powerful in deed and word in the sight of God and all the people, ²⁰ and how the chief priests and our rulers handed Him over to be sentenced to death, and crucified Him. ²¹ But we were hoping that it was He who was going to redeem Israel and set our nation free. Indeed, besides all this, it is the third day since these things happened. ²² And also

some of the women among us shocked us. They were at the tomb early in the morning, and they did not find His body. Then they came back, saying that they had even seen a vision of angels who said that He was alive! ²⁴ Some of those who were with us went to the tomb and found it just exactly as the women had said, but they did not see Him." ²⁵ Then Jesus said to them, "O foolish men, and slow of heart to trust and believe in everything that the prophets have spoken! ²⁶ Was it not necessary for the Christ to suffer these things and [only then to] enter His glory?" ²⁷ Then beginning with Moses and [throughout] all the [writings of the] prophets, He explained and interpreted for them the things referring to Himself [found] in all the Scriptures.

²⁸ Then they approached the village where they were going, and He acted as if He were going farther. ²⁹ But they urged Him [not to go on], saying, "Stay with us, because it is almost evening, and the day has just about ended." So He went inside to stay with them. ³⁰ And it happened that as He reclined at the table with them, He took the bread and blessed it, and breaking it, He began giving it to them. ³¹ Then their eyes were [suddenly] opened [by God] and they [clearly] recognized Him; and He vanished from their sight. ³² They said to one another, "Were not our hearts burning within us while He was talking with us on the road and opening the Scriptures to us?" ³³ They got up that very hour and went back to Jerusalem, and found the eleven [apostles] gathered together and those who were with them, ³⁴ saying, "The Lord has really risen and has appeared to Simon [Peter]!" ³⁵ They began describing in detail what had happened on the road, and how Jesus was recognized by them when He broke the bread.

Other Appearances

³⁶ While they were talking about this, Jesus Himself [suddenly] stood among them and said to them, "Peace be to you." ³⁷ But they were startled and terrified and thought that they were seeing a spirit. ³⁸ And He said, "Why are you troubled, and why are doubts rising in your hearts? ³⁹ Look at [the marks in] My hands and My feet, [and see] that it is I Myself. Touch Me and see; a spirit does not have flesh and bones, as you see that I have." ⁴⁰ After saying this, He showed them His hands and His feet. ⁴¹ While they still did not believe it because of their joy and amazement, He asked them, "Do you have anything here to eat?" ⁴² They gave Him a piece of broiled fish, ⁴³ and He took it and ate it in front of them.

⁴⁴ Then He said to them, "This is what I told you while I was still with you, everything which has been written about Me in the Law of Moses and the [writings of the] Prophets and the Psalms must be fulfilled." ⁴⁵ Then He opened their minds to [help them] understand the Scriptures, ⁴⁶ and said, "And so it is written, that the Christ (the Messiah, the Anointed) would suffer and rise from the dead on the third day, ⁴⁷ and that repentance [necessary] for forgiveness of sins would be preached in His name to all the nations, beginning from Jerusalem. ⁴⁸ You are witnesses of these things. ⁴⁹ Listen carefully: I am sending the Promise of My Father [the Holy Spirit] upon you; but you are to remain in the city [of Jerusalem] until you are clothed (fully equipped) with power from on high."

America: An Oyster of The LORD: Veronika West

America! "Only look to the Oyster in the shell that lies in the depths of the sea!" While in prayer this morning The LORD showed me the Oyster in its shell and I clearly heard The Spirit say over America, "Watch!, For pearls of great price are being produced in this time of great pain!"

And then I heard him say these Words....

"America," I hear The Spirit say, "Fear not! But only look to the Oyster in the shell that lies in the depths of the sea, deeply buried and surrounded by the stillness and the darkness of the great deep.

I say it's time to look and look again, for My Seven Spirits are now brooding and hovering over you. So open your eyes My Beloved and come up higher, and you will see beyond this place of testing and momentary tribulation. For in this time of relentless irritation, constant aggravation and Divine Disruption that is taking place in this nation. Fear not! For even though all hope may seem lost and there are little signs of new life, and seeming destruction surrounds you. Know this, My Heart toward you is for good and not for evil — not to harm you, nor to destroy you — nor to punish you. And if you think that it is, surely you do not know Me, nor do you discern correctly the times nor the seasons that you are in. For My Face is turned toward you and My mighty Governing Hand of Justice and Righteousness is moving on your behalf. Yes! For My Thoughts towards you are more numerous than the grains of sands on the seabed from where you lay! For surely, I know and I have heard of the dreams and the visions that is in the heart of My Remnant Bride for this great nation.

And this has moved and ministered to my heart, but My Beloved know this, I too have a dream and a vision for this land, a dream and a vision so great and so wondrous that the eyes of men have not yet seen, nor hearts or minds of men yet comprehended, a Dream and a Vision that I, and only I, The Great I AM, shall bring to pass in the days ahead.

So I say again to you My Beloved America, do not lose heart in this hour of great upheaval, change and transition, but know this, I AM changing and transforming your heart in the midst of the pain and the pressures. For truly I tell you, in this time of great trial that is now upon you, it is not unto death, but for The Divine Purpose of producing pearls of great price that will impact and influence the nations of the earth for an eternity!"

Nissan 18, 5781: (Wednesday) March 31, 2021

In the past fifteen years I have been prophesied over no less the 50 times that "It was bigger than I thought". I always believed it was about my work, business and life. Finally, someone put it all together for me; "The Vision is bigger than what I thought." I write large business perspectives for companies and help develop those projects so I always felt if I can design a city why is it so much bigger? Actually, it is bigger. I have seen glimpses of Heaven; the universe and our LORDS plans for all of us. Believe me it is bigger than what we think, realize, or imagine. Chaplain Wade Butler

Lana Vawser: I HEARD THE LORD SAY "THE VISION IS BIGGER THAN YOU REALIZE"

Recently, I heard the Lord say, "The vision is bigger than you realize" and I began to see many had written down into their journals "vision" that the Lord has spoken to them for right now and for what is to come. Suddenly, I began to see a mighty wind that began to blow around them, but what I realized was that it was an "opposing wind". The Lord showed me that many have been receiving greater clarity and definition to the vision that the Lord has for them for this season and for their lives and then out of nowhere, there has been an 'opposing wind' that has come to attempt to hinder the vision.

I heard the Lord speaking over these ones and He said "This opposing wind has come to knock the wind out of their sails' because they are about to fly higher with Me than they have ever flown. The vision is about to take off into new heights and new ways and the enemy has come to hinder the place of soaring and keep many contained, constricted, confused, and feeling like they are living in a place of chaos. The vision is bigger than they think, the vision is SO much bigger than they think and the enemy has come with an opposing wind to knock the wind out of their sails, but I am coming with a mighty second wind to cause them to fly higher, see further and partner with Me in such deeper ways in all that I am doing in and through them."

The Lord continued to speak "It's time for EAGLE EYED FOCUS. It's time for eagle-eyed vision. There is such extension and depth of vision that the Lord is bringing, there is such an extension of vision that is taking place right now that as My people spend time at My feet and make room to be ferociously focused on Me, that I am bringing HIGHER DEFINITION to the vision and the enemy is TERRIFIED. The movement of vision was beginning to take greater traction and the opposing wind then came to attempt to knock the wind out of many of My people's sails, but I am saying that movements that are being deposited and birthed within them is going to come forth in such explosive ways in clarity of vision and breakthrough."

I HEARD THE WORDS "HARVEST, HARVEST, HARVEST"

I heard the words surrounding me "harvest, harvest, harvest" and the Lord showed me that the vision He has given to many, the specific strategies contained within the vision, and partnering with His wisdom and His ways was leading many into new realms of harvest in their own personal lives, they were being led into their place of greater inheritance of the promises spoken to them by the Lord and the enemy is opposing it greatly, but the Lord is faithful to do what He said He is going to do and as these ones partner with the vision that the Lord has given them and refuse to move and refuse to bow from what He has said and entertain the 'opposing wind', that there is such a breaking of the opposing wind and a second wind of the Holy Spirit is blowing strongly to bring forth greater empowerment, strengthening and refreshing to hearts as they RUN into the harvest of His faithfulness manifested and promises fulfilled.

The enemy has fought hard at the gates of many of your harvest, but you are overcoming by the empowerment of the Holy Spirit as you ferociously focus on the vision/s He has given you. I heard the Lord say "Be like a dog with a bone with the

vision I have given you, ferociously guard the vision, ferociously protect the vision, ferociously focus on the vision I have given you and listen nor look at the opposing wind, follow what I have spoken to you, you are moving into a great harvest. (Song of Songs 2:11-13)

THE VISION/S ARE NETS FOR HARVEST

The Lord showed me that the vision/s He has been releasing, divine strategy, and wisdom are nets for harvest. In the partnering with the vision/s the Lord has been releasing and remaining firm upon them and moving in obedience to what He is saying, He has been creating nets for harvest. Some of these areas where the enemy has come with an opposing wind against the vision/s the Lord has given you, these are very areas where you will see a great harvest of souls come into the Kingdom and MANY come to know Jesus. The vision/s He has given you is not only connected to the harvest of His promises for your own life but the harvest of souls that are going to come in and come to know Jesus through what the Lord has you build with Him and through your testimony.

THE DEEPEST WELL OF VISION

This encounter with the Lord started with the Lord saying "The vision is bigger than you expected or realized." It's bigger in its outworking, it is bigger in the plans that He has for it and the way He is going to unfold it, but I also heard the Lord say "You have just scratched the surface. The deepest well of vision is before you. I have so much more to show you and reveal to you. As you draw close to Me in the secret place I am going to take you into the depths of My Word and My heart to show you depths to the vision/s that I have spoken to you that are beyond what you have seen.

There are mysteries and revelation and levels to the vision/s that I have given you that I am about to unveil. It's time to be focused and be really focused upon Me and My Word and make room to truly listen to Me and make more time and more room for Me to speak and reveal because I am not just leading you into just a 'moment' of encounter, I am bringing you into a place where I am showing you just how deep the revelation of this vision goes. It is not just a vision, for many of you, it's a movement I am birthing and there are many levels and strategies and wisdom for the outworking of My vision in and through your life, so come away and listen.

The fierceness of the battle against the vision I have given many of you has been relentless, but the well you are standing in now is the deepest well of My vision that you have ever been in. So dive in. Dive in through your positioning before Me, your listening ear towards Me, your marinating in My Word, and ferocious focus on Me and what I have spoken. The battle is breaking and the DAM of My revelation and vision is bursting forth and bubbling up in this well, drink deep, the depth of encounter in this deep well of My vision, it WILL CHANGE EVERYTHING."

"God Says: Ready or Not, Here I Come!" Nathan French, Gig Harbor, WA

Giant Slayers

"I am breaking down the systems that hinder My movement. I am releasing, by My Spirit, a tidal wave – not for destruction but for cleansing and empowerment. I will build up My fearless giant slayers in this hour.

Political Scene

"The political scene has been overtaken by fake news and information whores; those who prostitute the truth for lies because they love money and power. The love of money, as a root, is being dug out in this season. I am going after everything that is false and revealing, to those who want truth, how to work with Heaven. Companies of people that come against My established truth and attempt to sensor Me, the Lord GOD, have picked a fight with Heaven, and I tell you the truth, I am not going down.

Repent

"Hear the sound of many waters. Quickly repent if you have stood against Me, the Lord God Almighty. This dam is about ready to break. I replace every curse with blessing and destroy what the enemy sets up, as I use those chosen based on many factors.

"No one is perfect, and I am gracious, but I am not leaving My throne. It's not over. This battle has just begun and I will always seek to minimize

causalities. There are reasons I wait for timing. Because I live outside of time, I see what affect [that] moving too soon could have. I use delay and I operate with the desired end in mind.

Faith and Love

"I have given free will because I love, and My love works by your faith. My faith works by love. My love in you brings My faith in you. Your faith in Me brings My love to you. Have faith and pray. Prayer prepares the way. Be ready to move as an individual. Every individual that follows My Spirit begins to connect with others who follow My Spirit. Many parts working together multiply the impact. You are not meant to work with everyone so be sensitive on the who, the what, the when, and the where – not so much on the why.

Follow Me

"Following My Spirit is, in itself, an act of surrender and a point of divine connection bringing expansion. I am bringing together My tapestry, building up persons who will yield to My will to call on helpers to build the nets for the catch that is My harvest. Is it Trump? Is it Biden? What I am doing is much bigger than any one man or single woman.

"Look how I have used so many individual people in the past, and I shall continue to use each one who partners with Heaven's army. One obedient servant can change the whole world, but remember that it is I who works in you both to will and to do according to My good pleasure."

"Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling; for it is God who works in you both to will and to do for His good pleasure." (Philippians 2:12-13 NKJV)

A Massive Harvest

"Is it this group or that? People want to know and understand but many are missing the deeper meaning. I am using all things to work for good."

"And we know that all things work together for good to those who love God, to those who are the called according to His purpose." (Romans 8:28 NKJV)

"Yes, I have a plan to bring in a massive harvest of souls. He who wins souls is wise. Kingdom funding is for souls and the wealth transfer is coming for this purpose. I am not just trying to provide comfort. I am releasing a revolution! [Revolution definition: a sudden, complete, or radical change in something.] Big names will fade, but My name as the King of kings will not, for I am with My Father and He is with Me. The Holy Spirit is with you and all who will believe and receive and respond in faith and obedient willingness to yield to My will.

Third Great Awakening

"You shall be the partakers in this third great awakening! Live like you know Heaven is at hand."

"And as you go, preach, saying, 'The Kingdom of Heaven is at hand.'" (Matthew 10:7 NKJV)

My Kingdom has no end, and My hosts are here to do business with those who think partnering with a defeated foe is the way to win. The reigning champion is about to make an appearance. There's fire in My eyes and power in My wings. Angels are rushing forward to the assigned posts. Welcome to the ring! Choose your side.

"Heaven is open and this earth and all that is in it is My creation, and My creation must look to Me, the Creator, for salvation, because the fate of those who do not shall be sealed. Grab My hand while you still can. I am the Lord and I have a plan!"

OVERCOMING YOUR GOLIATHS: TROY BREWER, BURLESON, TEXAS

The most notable giant in the Bible is Goliath. Even the word “Goliath” has become a synonym for the word “huge.” How huge was Goliath? Goliath was 6 cubits and 1 span. A cubit varied in length between different ancient people groups; it is estimated to be somewhere between about 18 and 21 inches, and a span is 9 inches; so Goliath was well over 9 feet at his shortest and over 11 feet at his tallest. What an intimidator. What a monster. Goliath was not only big, he was supernatural – a hybrid – half demon, half human. This meant that he could do things that he shouldn't have been able to do, and he knew stuff, dark stuff, bad stuff. He's was ungodly, and he loved to kill people and destroy lives. He was good at it.

Aligned with the evil Philistines, he was keeping the children of Israel from advancing forward. He was single-handedly holding King Saul's armies at bay. Israel was supposed to wipe out the Philistines. The Philistines were really evil folks who worshiped the false god of perversion and child sacrifice. They kept pushing their way into Jewish society and Samson failed to wipe them out.

Every day, Goliath stood in front of the armies of Israel and taunted them. He threw insults at God Almighty and nobody, not even King Saul, had the guts to take this demonic punk on because they refused to believe in the power of their own God. What is the Goliath in your life? Is it anger? Jealousy? Depression? Or despair? Is the giant of unemployment, debt, or poverty looming over you? Does fear of failure or the fallout of a divorce have you in its grip? Fear is how he gets you to run out of your Promised Land.

Like David, the scrawny shepherd boy, stand up and say, "Not today! You will not defeat me and you are not bigger than my God who's reputation I stand for." Pick up your 5 smooth stones – your identity and who God says you are – and cast them at the devil's head. Do this day after day until you see that you've killed your giant and cut off his head with his own sword. God has called you to be an overcomer, so overcome your giants, one Goliath at a time.

"Your servant has killed both the lion and the bear; and this uncircumcised Philistine will be like one of them, seeing he has defied the armies of the living God. The Lord who delivered me from the paw of the lion and the paw of the bear, He will rescue me from the hand of this Philistine." (1 Samuel 17:36-37)

Nissan 21, 5781: (Saturday) April 3, 2021

21 Nissan (1456 BC) – The sea splits, allowing Israel to escape the Egyptian army.

Inspiration Ministries: Outnumbered

"He took six hundred select chariots, and all the other chariots of Egypt with officers over all of them." – Exodus 14:7 NASB

Pressured by the results of the plagues, Pharaoh finally agreed to give the Israelites their freedom. Then, he changed his mind. He was so serious that he pursued them with a mighty army, including hundreds of "select chariots." The size and firepower of that force filled the Israelites with fear. They must have felt overwhelmed! Trapped, they had no other choice but to depend on God.

We all know what it is like to feel overwhelmed, especially when facing strong opposition that is well-equipped, able to draw from abundant resources. Like the Israelites, we may feel vulnerable, inadequate, and hopeless. It's easy to be

discouraged or filled with despair. But these are moments to turn to God, cry out for His wisdom, stand on His Word, believe His promises, and trust Him to provide everything we need.

The Bible teaches that He is the God of miracles. He may allow us to experience seemingly impossible situations, so we learn to depend on Him and not on ourselves.

No matter what you face today, don't allow fear or doubt to cripple you. Commit the situations you face to God. Then have faith. Believe His Word. He is on your side. With His help, you can be victorious in any situation. That was true for Israel as they faced Pharaoh's army. And it's true for you in all of the circumstances you face.

Prayer

Father, I commit these situations to You: _____. I depend on You. Thank You for bringing me peace and victory. In Jesus' name, amen.

Dutch Sheets: Taking Cities and Nations for Christ

"The Lord said to Joshua, 'See, I have given Jericho into your hand, with its king and the valiant warriors.' . . . Joshua said to the people, 'Shout! For the Lord has given you the city,'" (Joshua 6: 2,16).

Jericho. What a great story! Also a source of tremendous encouragement, it has for centuries spawned many wonderful, faith-inspiring sermons and songs. It seemed so easy: march, shout, gather the spoils. Your Town, U.S.A. – what a different story. March, shout, no spoils . . . march, shout, no spoils . . . march, shout, no spoils.

Frustration, Disillusionment. Unbelief. Despair.

May I remind you that in both of the above verses God said He had given Jericho to Israel before there was any change whatsoever. Has He done that with you? Has He given you your city, and yet it still looks the same?

I have good news for you. When God states He has done something, from then on, as far as He is concerned, it is a done deal – He has given.

It is well worth considering that events in Scripture did not always happen as quickly as it appears they did. Though the book of Joshua can be read in a couple of hours, the conquest of Canaan under Joshua's leadership took about seven years. The entire book covers a period of approximately 25 years. And at the end of the book, all the tribes of Israel still had not fully conquered all of their territories (see Judges 1:27-36). Later in Israel's history, after a grand and glorious beginning, they experienced a sixteen-year delay in the rebuilding of the Temple (see Ezra 3-4). Through the ministry of the prophet Haggai, courage and faith to continue came.

Delays, setbacks, and long-term campaigns are not uncommon in the Kingdom of God. Though God has facilitated an acceleration in the pace of world evangelization, endurance and patience are still very key factors. You may not be as far behind as you think! Hang in there! We play until we win. God has given us our cities and nations, even though it may not yet look like it.

Is this comparison with Joshua and Israel valid for us today? Can we really take our cities and nations, or is that a lofty but unattainable goal? Consider this report of a city-taking shared by George Otis, Jr., in his book *Informed Intercession*.

In the 1970s Almolonga, Guatemala, was idolatrous and economically depressed. Alcoholism was rampant, poverty and violence the norm. Families suffered terribly due to the depravity that ruled. The Gospel did not prosper; persecution of Christian leaders was common.

In 1974, a series of five-hour prayer vigils began, and shortly thereafter, God began to move. Deliverance and healings began to break forth, even resurrections from the dead. Conversions began to take place at such a rate that 90 percent of the 19,000 people in Almolonga became evangelical Christians.

The revival impacted every area of life: families, businesses, even the produce of the land. Nicknamed "America's Vegetable Garden," the fields produced three harvests per year, with five-pound beets, carrots bigger than a man's arm, and cabbages the size of basketballs.

Crime disappeared so much that, in 1994, the last of the four jails closed. Aftershocks of the revival in Almolonga continued for years.

"Great!" you may be saying. "But what do those places have to do with my city, and what do they have to do with the watchman anointing?" Everything. First of all, the Bible states, "What God has done for one city, He'll do for another." You didn't know this was in the Bible? Sure you did. You just did not recognize the Sheets paraphrase. Most translations read something like, "God is no respecter of persons," (Acts 10:34 KJV).

Another verse says, "God wants to save people in your city just as much as those in Almolonga." You probably caught on by now. This is an interpretation of 2 Peter 3:9 (KJV): "The Lord is . . . not willing that any should perish, but that all should come to repentance." Yes, there is hope for your city and mine, and there is hope for America. We are not at the mercy of sin, sinners, politicians, satan, or demons. Refuse to place control of your destiny in any of these! Choose to believe God is wiser and more powerful than the devil. If He wants to bring revival to America – and He does – then we can have revival, if we do our part.

No one said it would be easy. On the contrary, words such as persecution, tribulation, fight, warfare, wrestle, endurance, and others like them are all applied to us in Scripture. But so are such as victory, faith, overcomer, conqueror, power, authority, harvest, and miracle. If we are willing to obey God fully, walk in faith, and never give up, we can have anything God wants us to have. And that includes revival.

Pray with me:

Father, we have moved into the era of taking cities and nations for You. Revival will take place on a never-before-seen scale. Your love for people, even those who are Your enemies is beyond our ability to comprehend. While we were yet sinners, Christ died for us. Open our eyes to see that this love has not waned, that You are just as passionate to save the lost as You were the day Jesus was crucified.

Awaken passion and faith in Your people to believe for this revival. We know You can bring it – Your arm is not too short that You cannot save. You have prepared the soil, sown the seeds and the earth is ripe. Now, You are coming with the combined efforts of Holy Spirit, the angel armies, and the church. Hell has never seen anything like the triumphant campaign about to be unleashed on the earth.

We ask You to bring a fresh baptism of fire to us. Infuse us with holy zeal. May we be consumed with Your heart to save. In fact, we boldly ask You for a movement generating the most radical evangelists the world has ever seen. Baptize them with power and faith to do incredible signs and wonders to raise the dead, cast out devils,

and set the captives free. That was Your mission statement when You walked the earth and it will now become ours.

We call forth this world-changing revival in the all-powerful name of Jesus Christ.
Amen.

Today's decree:

We decree the great harvest fields of the earth are ripe and WILL NOW BE REAPED!

Johnny + Elizabeth Enlow: THIS PRESENT TEST

Unbelief is not humility: Faith is not Pride

There are some matters that can only be addressed during a test itself. Once the test is over key lessons to be learned can be forgotten. Presently there is a need to process the reality that unbelief is not humility. It masquerades as humility but God actually calls it "an evil heart of unbelief" (Heb. 3:12). In that chapter, God speaks of how displeased He was with Israel being delayed 40 years from entering in their Promised Land because of that "evil heart of unbelief".

Unbelief Instigators?

Remember who the instigators for that unbelief were? It was the 10 spies/seers who perhaps even in their own minds were just being "humble". "We are like grasshoppers compared to the giants in the Promised Land". That doesn't SOUND evil— and one could say it was just being either "realistic" or "humble". Suddenly all the promises and words from God on a new hopeful reality for them were thrown out the door. Forget being "the head not the tail", forget jubilee possibilities, forget "a land that flows with milk and honey". No, these 10 spies/seers were sparing the people from getting their hopes up by modeling "humility" and "realness". Hey, yes the Bidenites had stolen the election, but what can you do about it when you are just little grasshoppers? The Mediaites know we are grasshoppers as well they said, and so, let's not keep contending for something impossible.

Clearly, we heard wrongly from God about this Promised Land thing and let's show the "humility" to just acknowledge it now, and save ourselves from having to exercise

radical faith. Thanks to the "humble" 10 spies the new enemies of the people were the prophets Joshua and Caleb who kept saying "let's keep believing our God", "no we didn't hear Him wrongly", "the giants will be bread for us". This lack of prophetic accountability was the biggest church crisis of their day now and needed to be quickly nipped in the bud. I mean who ever heard of God removing a Bidenite AFTER an inauguration date? God can only do that type of thing BEFORE an inauguration date. Inaugurations tie His hands up and He can't just write on the wall Mene MeneTekel Upharsin and oust an impostor. He can't just send an angel to take out and give to the worms an already inaugurated Bidenite. I mean what size God do you think He is? He is God of the improbable not God of the impossible. Clearly the latter would not be possible and we need to be "humble" enough to just accept that.

Stoning the Prophets?

In the book of Numbers, it says the people would have stoned Caleb and Joshua to death had not the glory of God descended to save them. Wow huh? Their faith was perceived as pride and the 10 spies expertly convinced the people they zealously needed to eliminate that. Prophets who don't back down on what God has said must be reined in. These "humble" 10 spy/seer instigators stirred the entire congregation into crying out loud "oh that we could go back to Egypt rather than keep believing in such steadfast faith". It is best to go back to serving Pharaoh, the communists, Planned Parenthood, very restricted freedoms, pedos etc, etc., they said. The 10 spies sent out open letters to Caleb and Joshua and asked them to please just admit they had heard wrong. How could God remove the Bidenite giant once he had already been inaugurated?

Do they not realize that if God really wanted to give them this territory that He would have removed impossible scenarios first? Come on Caleb! Show some humility! Deal with the reality of the giants! Let's return to the slave-masters. Back in Egypt, we can still be loving to people and who really cares if they are cheating us, stealing from us, killing us with their shots and FDA-approved food and drugs, taxing us, restricting us from worship, taking our children etc. etc. We can "humbly" still be loving to people and that's what it is all about anyway. Don't let faith get in the way of you patting people on the back and saying "Oh I am so sorry things are hard. When we die Santa Claus, er I mean God, will provide a better life".

The Test is Still Ongoing: You Can Still Choose to Believe

One of the saddest things for me was to go back into words in 2020 from so many who had dreams, visions, words, hopes and faith of so much more than seems reality right now. Many have backed off their words. Most are afraid to broach the subject again. They can't be a part of still provoking the people to believe God will keep His Promised words now that we are so close that we can actually see the giants' eyeballs. That would put a burden of uncomfortable faith on the people. You can't just tell people to STILL BELIEVE God just because He spoke it through scores and scores of His prophets and prophetic people. Well, guess what, Body of Christ? That is EXACTLY what I am asking of you. STILL BELIEVE!!! Proud of the 1000's of you who have held the line. WE BELIEVE and it is HIS responsibility HOW He takes care of the Bidenites. Faith is not pride.

PROPHETIC DECLARATION OVER YOU: YOU ARE COMING OUT OF WORD-WARFARE & GETTING BACK THE UPPER HAND! Nate Johnston

I prophesy that the tide of the spirit-war that has been against you is turning, and you are about to come out of word-warfare being your norm. You are about to feel God shift you out of feeling helpless and powerless to block the chatter that constantly

affects your home and keeps you in defeat. Where you were constantly attacked and plundered, you will move out of survival and daily fighting for your life and get the upper hand.

You are coming up higher in this season above the assignments of character assassination and verbal arrows sent to manage you, contain you, and derail your purpose. Where you have faced years of critical words, judgments, accusations, labeling, and ownership God is canceling their hold on your life. Where you have had your dreams and sleep robbed, your peace and clarity robbed, feeling foggy, confused, and heavy, God is right now bringing freedom back. Where you have wanted to give up your purpose and hide, had doors blocked, answers delayed, and your name dragged through the mud God is justifying you and vindicating you!

Where your home was constantly under fire, your marriage targeted, dealing with strife and restlessness, your kids sick, and never feeling rested or refreshed God is clearing the air and bringing recompense to you. Right now God is declaring a "No access zone" around you and your enemies will no longer have any entry point into your life.

He is revealing hearts and showing you the people who have been speaking against you to trip you up, usurp you, and speak demonically into your life.

He is giving you discernment to see the areas you have cast your pearls and given information and opened doors to the wrong people and alignments.

The words were sent to shut down your prophetic words because the enemy could sense the purity of your own voice and wanted to kill it in its infancy, but the words are lifting and the muzzles and silence that have shrouded you are coming off.

The control, manipulation, and queen bee syndrome that has kept you on the sidelines is being dealt with. God is shattering their insecure words and jealousy and restoring what was lost, delayed, and held back. Healing is coming to you where the wounds were so deep you haven't been able to see beyond them. But the oil is being poured over you to restore the years the locust ate and give you back your passion. This is where you feel a fresh roar begin to erupt from your inner being and a call to leave the trenches behind and begin your odyssey in your kingdom without the restraints you have been used to. This is where you leave the battlefield behind, shake off the dust, and leave the lifestyle of bloodied battle and survival behind.

This is where you leave your victim mentality in the dust and your tattered cloak, and watch God settle the score you have been trying to do on your own.

This is where you leave the trenches and scale the mountain to fight from a different place, from victory, from peace, and from rest. You have been lost in the storm, fighting the wrong fight, fighting fire with fire, but now you will clearly see the smoke and mirrors that were set to distract you and you will disengage. Now watch as God leads you up higher above all the noise, above all the chaos, and seats you with Him in heavenly places where you are UNTOUCHABLE. This is where you leave the soul fight, and the mind battle, and learn to fight differently.

Watch now as God takes you above the snake-line where nothing can bite you and poison you anymore. In the days to come you will no longer be affected by the warfare you once faced – it will no longer even be on your radar. You will know how to live like an eagle and lead others to the same place of safety and protection God led you to that broke you out of the silent prison you were in.

This is your moment of freedom where the Lord is changing your address,

showing you that peace is your birthright, victory your normal and that your legacy doesn't have to be one of constant hardship. Even right now the Holy Spirit is healing you, severing every tie and emancipating you from every word curse and demonic torment that has shut you down and kept you in a rut. I command you to be FREE now in Jesus' name!

Many of you will feel the fire of God over your body, some will feel peace, some will feel like oil flooding over the mind, but many will know there has been a shift. Something has lifted. As word assignments lift, doors will open, healing will come to bodies, and clarity will be restored. This is your deliverance from warfare moment! Forgive those that have spoken words over you. Bless those who persecute you. Stay out of chatter and talking about people. Live a worship lifestyle and non-reactionary to the enemy. Take communion often – the blood speaks a better word! Put your war boots on as a fight-back! Refuse to lay down – get out of bed and rebuke what is coming at you. Remember where you are seated and live from that place. I prophesy that you are coming up higher in Jesus' name!

Esther 9:1 – On the thirteenth day of the twelfth month, the month of Adar, the edict commanded by the king was to be carried out. On this day the enemies of the Jews had hoped to overpower them, but now the tables were turned, and the Jews got the upper hand over those who hated them.

The Intensifying Presence: By Francis Frangipane

We all know the unrepentant world is destined for the Great Tribulation, but as far as the living, praying church is concerned, if we continue to climb toward the standard of Christlikeness, prior to the rapture there will be a season of great glory for true Christians.

In support of this holy goal, let me submit to you an encounter I had with the Lord in 1973. I was pastoring a small church in Hawaii and had been in a month of intense prayer and extended fasting, a time of drawing near to God. At the end of this period, I found myself awakened during the night by a visitation of the Lord. It was not as though I saw His physical features; I saw His glory and was overwhelmed by the intense fire of His presence. Immediately I was like a dead man, unable to move so much as a finger. Spiritually, however, my consciousness was heightened beyond anything I have known since. I was like one of those "living creatures" in the book of Revelation with "eyes around and within" (Rev. 4:8).

With my "inner eyes" I saw the truth about my personal righteousness. Recall, I had been in prayer and fasting; I felt good about myself. Yet suddenly the flaws in my life became unbearably vivid and utterly sinful. My iniquity was not as something I occasionally committed but as something I perpetually was. I saw many times when I could have been more loving or kind or sensitive. I also saw how selfish nearly all of my actions were.

Yet for all that was dark within me, I felt no rebuke from the Lord nor condemnation. No voice came from Heaven to convict me of my wrongs. The only voice condemning me was my own; in the light of His presence, I abhorred myself (Job 42:6 KJV).

Without any buffer of self-justification or deceit, I saw how far short of His glory I truly was. I knew why mankind needed the blood of Christ, and no amount of personal attainment in and of itself could ever make me like Jesus. In the most profound way I understood that only Christ could live like Christ. God's plan was not to improve me but to remove me so that the Lord Jesus Himself could actually live His life through me (Gal. 2:20). In His indwelling would rest my hope of becoming like Him.

Outwardly, with "eyes around," I realized that the electrified atmosphere I felt in my bedroom was actually being broadcast from a very distant reality. Yet, though distant,

the emanation of Christ's presence was like a burning fire upon my consciousness. A great procession of heavenly beings was descending through a night sky; I knew that this was a glimpse of Heaven coming to Earth.

In the forefront were angels of every class and order, each group in a splendor all its own. About a third of the way back was the Lord, and behind Him were innumerable saints. Yet I could not see into the depth of the Lord's glory, for those following Him had become part of His being.

The Lord was not only coming to judge the Earth but to fill this world with His glory. Let me repeat that, even though the Lord was far away, the radiance of His presence was a living fire upon my consciousness. The energy was almost painful.

Then, without warning, the procession came closer, not just to me but to our dimension. It was as though a mark in time had been crossed. Instantly I was utterly overwhelmed by the intensity of the Lord's presence. I felt that I could not - no, not for another moment - bear the increase of His glory. It was as though my very existence would be consumed by the blast furnace of His radiance. And in the deepest prayer I have ever uttered, I begged the Lord to return me to my body. Instantly, mercifully, I was cocooned once again in the familiar world of my senses and my bedroom.

What it Means

Night passed into dawn and I rose early, dressed, and went outside. With each step, I pondered the vision. The Lord brought my attention to the sun as it ascended above the eastern horizon. As I looked, I saw parallels between the radiance of the sunlight and the glory of the Lord. I realized in a new way that "the heavens are telling of the glory of God" (Ps. 19:1).

I saw that even though the sun is 93 million miles from the earth, we feel its heat and live in its light. It is inconceivably far away, yet its energy is also here. It warms us and in its light our life exists. So also the expanse of the Lord's presence emanates from His glorified body in Heaven. Physically He is distant, yet at times we actually feel the out-
raying of His presence here; we are, in truth, warmed by His love. The glory of Christ, like the out-
raying of the sun, is "safe" as long as He remains distant from us in Heaven.

But imagine if, with each successive decade, the sun were to steadily move closer to the earth. Radiation, heat, and light would increase dramatically. With each stage of its approach, the world as we know it would radically change!

So also will this world change spiritually as the person of the Lord Jesus and His millennial reign draw near. The radiance of His presence will increasingly pour into the spiritual realms surrounding our world. And not only the "powers of the heavens will be shaken" (Matt. 24:29; Heb. 12), but the very world as we know it will experience dramatic changes.

If the sun drew closer, the increasing heat and light would soon be all we would think about. While the righteous are experiencing "glory and honor and peace" from His presence (Rom. 2:10), the same glory will cause terrible "tribulation and distress" to the unrepentant world (v. 9). The wicked will cry to the mountains and rocks, "Fall on us and hide us." From what? "the presence" of the Lord (Rev. 6:16).

Those hardened in sin will either find grace and repent or their hardness will deepen like Pharaoh's. Yet the same sun that hardens the clay also melts the butter. So as the Lord draws nearer, the prayer of the righteous will be, "Fill us with the presence of the Lamb!" The presence of Christ will be all that fills our minds. Those who love Him will experience the increase of His pleasure; they will taste the nectar of Heaven. Whether we are for or against the Lord, everyone's mind will be flooded with thoughts about God.

As it is written,

"For behold, the day is coming, burning like a furnace; and all the arrogant and every evildoer will be chaff; and the day that is coming will set them ablaze," says the Lord of hosts, "so that it will leave them neither root nor branch. But for you who fear My name the sun of righteousness will rise with healing in its wings; and you will go forth and skip about like calves from the stall. You will tread down the wicked, for they shall be ashes under the soles of your feet on the day which I am preparing," says the Lord of hosts" (Mal. 4:1-3).

Simultaneously two events will manifest on earth, they will be the result of one, eternal source. The same increasing presence that causes wrath to descend upon the wicked will cause God's glory to be seen upon the righteous. For we who fear the Lord, the "sun of righteousness" will rise with healing in its rays.

"Deliverance Is Here! The Enemy Will Reap What He Has Sown"

Amanda Grace, Fishkill, New York

Word from the Lord released on Purim – February 25th, 2021:

Praise be to the Lord God, Ruach Elohim, the Spirit of the Living God...who is everlasting, omniscient, omnipotent, the Alpha and Omega, the King of kings and Lord of lords! And to His Kingdom, there is no end.

Rise Up!

The Spirit of the Lord says this day, "RISE UP, MY CHILDREN! RISE UP! For in this hour, My children need to RISE UP [and] STAND FIRM in Whom they have believed; for deliverance is coming, help is arising, and I, the Lord, your God, am leading you in this battle in the political arena – in the judicial.

"And," says the Spirit of the Lord this day, "as it was in the book of Esther, so shall it be, so shall you see the same come forth before your very eyes. For there are those I have chosen in this hour, in the political arena, in the judicial arena, in the prophetic; lawyers with a calling, and those over the airwaves...men and women in this hour I have chosen to rise up and speak truth, and lead My people through this very narrow way, a path, being carved in order to snatch the country back from the grasp of the serpent, from the grasp of the dragon, from the grasp of Baal, from principalities and rulers of darkness in high places," says the Lord of Hosts.

Warring Angels Have Been Dispatched

"And," says the Spirit of the Lord this day, "the captain of the army of the Lord of Hosts has been dispatched, along with the warring angels, to do just that – war and cut the serpent that has intertwined itself around the feet and the wings of the eagle, attempting to squeeze and constrict it until there is no life left.

"However," says the Lord, "I have given the command from My throne, and I have dispatched the captain and the warring angels in this hour to lead you in this battle as they cut, in pieces, the serpent from the eagle.

For I, the Lord, have taken mercy on the eagle for the sake of My children – a remnant crying out, repenting, seeking My face; a remnant crying out in the wilderness saying, 'Prepare ye the way of the Lord in this hour!'

"And a way I shall make," says the Lord of Hosts. "For as in the book of Esther, there was a sudden change of events as a brave few I had chosen within the Kingdom for such a time as this – [they] submitted and listened to their Father in Heaven and petitioned the king, exposing the plots of the wicked Haman, of Lucifer, [with] another attempt to destroy the Jews so the seed of My son Jesus Christ would not come forth.

A Plot Shall Be Exposed! Look for an Unusual Sign in the Spring

"And," says the Spirit of the Lord this day, "there is a plot with currency, dirty money, laundered through China and back, laundered through Iran and back, laundered through Germany and back," says the Lord of Hosts. "The plot shall suddenly be exposed!

"I, the Lord, your God, have a plan and a purpose in this hour, and you shall see an unusual sign in Spring to confirm this, as I am putting hooks in their jaws and leading them out to be judged and removed, like roaches – unclean in the political arena, judicial arena, corporate arena, the Church – roaches and rats," says the Lord of Hosts. "And now there shall be an extermination that is beginning. Pest control is beginning and shall take place in the most unusual of ways, for when I the Lord act – when I the Lord demonstrate MY power – it is unprecedented," says the Lord of Hosts.

God Is Turning the Tables

"And," says the Spirit of the Lord this day, "a major earthquake in the part of the world where Turkey lies shall shake that area, and leadership shall be exposed," says the Lord of Hosts this day.

"And," says the Spirit of the Lord this day, "I am turning the tables over, for there is much evidence hidden under the tables. Secret compartments shall be found," says the Lord, "and evidence shall come forth as there [are] rumblings within the government, and disloyalty to a fallen Biden is growing," says the Lord of Hosts.

"And," says the Spirit of the Lord this day, "another dark surprise shall spring forth as Spring approaches... and even more shame shall cover the Biden family. As they challenge, I, the Lord, shall expose. For they are contending with ME, the Lord Almighty God.

The Lord Is Your Deliverance!

"And now, My children, I shall contend with those who contend with you. I shall fight against those who fight against you! My children take up the shield and buckler and STAND UP for your help. Draw out the spear and close up the way of those who pursue and persecute you. THE LORD IS YOUR DELIVERANCE!

"The word 'DELIVERANCE' shall be echoed in this hour, as a major blow to Washington DC and its internal workings, and a major breach shall send them scrambling," says the Lord.

"And," says the Spirit of the Lord this day, "to those who speak blasphemies against Me and against My children, who are SUPPOSED to be public servants – you wicked servants," says the Lord, "you wicked servants! I gave time, I gave mercy in good measure. However, now is the hour," says the Lord, "where you will see those 'public servants' suddenly fall. Such disgrace shall cover some. They shall hide their faces and the word 'RECALL' shall be shouted in this hour by the people. The word 'IMPEACH' shall be shouted by the people in this hour. The words 'MURDERER' and 'THIEF' shall be echoed in this hour," says the Lord of Hosts.

"And," says the Spirit of the Lord this day, "the people are restless. I see the restlessness," says the Lord. "In this hour, stand firm in your FAITH and in TRUTH; cling to [them], as [they've] become a rare commodity. And those filled with TRUTH shall boldly speak MY WORDS in this hour, and you shall see what they speak happen in a way that [will] even strike fear in the hearts of the wicked, [the] indignant who think their god can protect them.

"HA!" says the Lord, "for I laugh at the wicked, and I am laughing from MY throne, for the hour is upon them where their demons and gods will run with fear and trembling, as I the Lord, and MY Spirit, completely consume these circumstances.

Tearing the Curtain Over Hidden Acts

"And," says the Spirit of the Lord this day, "the people are perplexed. The people are perplexed as they see a show being acted out when there is a whole other ACT being perpetrated behind the curtain," says the Lord. "And I the Lord shall grab ahold of that curtain and tear it, and expose the dark side of their show business that they have scrambled in the dark to continue," says the Lord of Hosts.

"And," says the Spirit of the Lord this day, "this is only being allowed for a short time, for their runaway train will crash as it is just that – a train wreck – reckless decisions, [and] reckless orders upon orders. Whatever a man sows, [that] he shall reap," says the Lord. "And the season of reaping is here.

"For men shall be given their wages, in full, for the engineered and manipulated seeds they have planted; for the documents they have forged – duplicates shall appear, and it shall become clear – a GIANT forgery has taken place, and there shall be even more pressure upon the judges to act uprightly or step down, as the Supreme Court is no longer supreme," says the Lord. "For they have allowed darkness to rule over them, and I, the Lord, your God, shall expose this and shake the courts," says the Lord. "Many courts shall shake and quake as their dirty dealings fall to the ground.

The Word Is Your Sword - Use It!

"And," says the Spirit of the Lord this day, "I am moving MY children. I AM *I AM* – the WORD. In the beginning was the Word, and the Word was with God and the Word was God, that is your sword. Utilize it in this hour and drive back the enemy. For the enemy is attacking the peace, and the mind. Rebuke distractions in Jesus' name, as the enemy attempts to get you caught up in the frivolities, for he is running out of options," says the Lord. "And when I SAY 'ENOUGH,' there is nothing the enemy, nor his puppets, nor his followers can do about it," says the Lord of Hosts.

Congress Has Been Desecrated

"And," says the Spirit of the Lord this day, "they have desecrated Congress...a stench [is] covering the entire chamber. [They are] nothing more than Shakespearean performers caught up in their own

delusions," says the Lord. "Persecutions have gone forth against the few who are standing boldly for truth, and they shall be vindicated, as a mockery shall be made against the elephants and donkeys barking the loudest to drown out the truth. A.O.C, watch," says the Lord of Hosts, "just watch..."

Outpouring of Provision, Boldness, Wisdom, Council & Might

"And," says the Spirit of the Lord this day, "those I have ANOINTED I, the Lord, am protecting and shielding in this hour. They shall not be harmed as they go forth, being filled with a boldness, wisdom, council, and might that comes from MY Spirit," says the Lord.

"And those in other countries in Europe shall be filled with the boldness to speak out, as the Euro will crash," says the Lord, "as will the Yen. For I, the Lord, am toppling the women with the stars...and I the Lord am speaking forth MY WORD IN THIS HOUR, AND IT SHALL BE. FOR I AM THE ALPHA AND OMEGA, THE BEGINNING AND THE ENDING. I AM HOLY. I AM YOUR GOD.

"In this hour you shall know your God, MY CHILDREN. You shall know that I am far above every power, principality and 'might.' You shall know that I provide. You shall know that I AM. That deep-rooted faith shall come forth, [and] from its wellsprings of insight that I shall give, which will have such a power upon them [when] spoken, that it will make the kingdom of darkness tremble and their cohorts quake.

Many Quakes, the Revealing of the 'Lots,' the Statue of Liberty & Discovery of a Mine

"For many quakes in this hour shall break forth in different forms," says the Lord, "as I the Lord am compelled to act for the sake of Israel, My firstborn, for the sake of My precious children. And," says the Lord, "because the enemy SHALL NOT AND WILL NOT ADVANCE BEFORE HIS ALLOWED TIME, and a barrier shall be placed and time shall stop for them, as they shall be sent in retreat – the whole LOT. You shall know the 'LOTS' in this hour; they shall be revealed," says the Lord.

"Watch the Statue of Liberty," says the Lord. "Just watch..."

"And," says the Spirit of the Lord this day, "a mine shall be discovered in this country. I shall lead the one searching to it and it shall provide a resource to help many, for I am opening up the earth and revealing the good and the wicked," *says the Lord*. "For they [the wicked] shall attempt to hide in caves and catacombs, but I the Lord shall open up the earth, and they shall be yanked forth from their bunkers," says the Lord of Hosts.

A Restless Military and a Humble Trump: "My Trumpet Shall Not Be Silenced!"

"And," says the Spirit of the Lord this day, "the military is getting restless. Many have not bowed the knee to Baal. There are MANY more than they know within the government, who are not loyal to a tainted, smeared-with-deception, administration.

"...I, the Lord, am not done with the one called TRUMP. They have attempted to silence a trumpet. However, I, the Lord, shall blow the shofar in the heavenlies, and the muzzles shall fall off of those afraid to speak, and they shall speak with a loud voice as the resistance is being mounted.

"I, the Lord, am calling your nation to humble themselves before ME, for I, the Lord, will put on a demonstration for MY people in ways unseen, for if Pharaoh so chooses to contend, if Haman so chooses to contend...I, the Lord, shall answer and cause a shaking and a loss of power in multiple ways. They, the wicked, the corrupt, the darkest of men – shall not be able to resist, as their resistance is being toppled; and I, the Lord, shall and will have the victory for My Kingdom, for My glory, for My children, for there are still souls that need to be saved." Thus sayeth the Lord of Hosts, the everlasting King of kings, in the name of Jesus, amen and amen.

Manna from Heaven & a Newfound Freedom

"Manna and relief [are] coming to My children. Their bondage, their chains, the heaviness, will be broken... And freedom – let freedom RING. [There will be] a newfound freedom for MY children as the battle for this nation rages. They shall be set free and they shall receive a greater anointing and power.

"Watch Philadelphia!

"My children will move about more freely under My protection to do My will. They shall have favor with leaders in business, in finances, [and] in personal situations. They shall receive favor that will baffle those around them, for they shall easily walk through doors that have remained locked for others.

[There will be] a double portion for the people of Texas and Oklahoma for what they lost. The Lord shall restore greater than before out of the devastation; [there will be] new growth and a bumper crop," says the Lord.

God Is Dealing with Those Who Have Gone Too Deep

"The Deep State does NOT protect My children. I, the Lord, your God, protect [you]. There are those who have gone too DEEP into the Deep State and stepped out of the confines of their calling and have made a 'brambled' mess of confusion and agitation. They shall be dealt with," says the Lord.

"The Rod of correction has gone out against the rage-filled shepherds and the snake oil salesmen, sneaking, slithering, in selling their delicate dainties; capitalizing on deceit and the political atmosphere. The 'I told you so' preachers [who have] come lately will be left speechless, as they have missed a crucial point and have moved people into doubt and anger as they peddle their self-worshiping books and antidotes," says the Lord.

"I am God. I will NOT be mocked, and those who have dared to shall now be ensnared with the word 'fool' written across their heads. I AM making a mockery of their delicacies; humiliation shall be their portion as they have bowed to a constricting, greedy, deceptive spirit that dwells in the political arena.

"And that spirit is being sent in retreat, as they fumble their words and expose the deeds done in the back office of chambers and airstrips. The deals, the fine print, shall now be exposed as I, the Lord, know the hiding places of their sin, and it shall now find them out in the most unexpected and unusual of ways. They will fumble," says the Lord. "I will act..."

Lana Vawser: I HEARD THE LORD SPEAKING OVER MANY "I AM CHANGING THE PACE TO PREPARE YOU FOR THE NEW SPACE! PAY ATTENTION TO THE PACE!"

Recently, I heard the Lord speaking over many in the body of Christ "I am changing the pace to prepare you for the new space! Pay attention to the PACE". When the Lord spoke this, I felt that the Lord was highlighting strongly right now to pay attention to "His pace" and not just run at the pace that you are "used to" because that's what you are accustomed to and used to.

The Lord showed me that He is leading many into a time of 'pulling back' but it is not 'decrease', it is to move into the development room with Him, deep into the secret place to be prepared for the 'new space'.

When the Lord showed me the 'development room' it was like the dark room where you develop film and photos are developed. It wasn't a heavy room of darkness, it was a room of such deep hiddenness with Jesus to see some of the deepest secrets that are upon His heart and see the strategies and revelation of what is to come, that is in the mind and heart of God. A greater revelation of His ways and His wisdom. It was also a place of deep 'development' for these ones into greater depths of healing, deliverance, refreshment, clarity, the conviction of what they are called to, and the new assignments

ahead. It was a deep reset on a level that I had not seen before. It was happening in this deep, hidden place with Jesus.

The Lord showed me that there is going to be deep work done in the heart in this place with the Lord. There are things the Lord is wanting to work on in this 'development room' to prepare many for what they are about to step into. It is an intentional coming deep into the heart of the Lord, for some, it is a deeper place of hiddenness. It is not a place of isolation. It is not a place of 'coming away' because of intimidation, it is by the call of the Lord to come deeper still and into a hidden place to be developed for the "new thing" He is going to do that is up ahead. (Song of Songs 2:13)

The Lord also spoke to me "I want to quiet the noise, and I want to quiet the voices. For many have been too influenced by other voices and I am bringing them into this development room to hear My voice again and to hear that which I am speaking over them and what I am calling them to in this new era. There has also been a constant barrage of the enemy's voice within their life that has wearied them greatly and in the development room with Me, I am going to bring them into a place of great refreshment and great revelation that will cause them to come back to life in the areas where weariness has almost suffocated them."

The Lord spoke again "Do not be afraid of the silence". The Lord showed me that many of these ones that He is drawing into a hidden time with Him are very used to 'busyness'. They are used to the 'going to and fro' and they are used to 'building much with their hands'. The Lord is bringing them into this development room to bring them into a greater place of divine rest in the Lord and a place of stillness of soul. There are many inner turmoil's that will be put to rest in the development room.

The Lord whispered again:

"I will forge within these ones in the development room with Me what is needed for the journey ahead. Deliverance will take place in the development room with Me as I free these ones from burdens, expectations, and weights that they have lived under and carried that are not from Me. I am stretching out many of their broken and crippled wings and from this deep place with Me they will then come out ready to fly higher and further than they have ever flown with Me, soaring into all that I have for them."

"Let Me set the pace for the new space. Do not run with what always was but seek My heart for the new pace. For I am shifting calendars, schedules, and paces of life to make room for what I am going to do in the lives of these

ones. In the development room, they will come into a place of such deep wisdom, revelation, and understanding of what I am going to do in the coming months as they yield to My process. This is a time to LISTEN to Me more than speaking, more than building, more than “doing”. This is a time to re-examine by My Spirit the ‘pace’ of your lives and move to the PACE of My heart. For in this ‘development room’ MOVEMENTS will be birthed and these ones will emerge from this time with Me to host MIGHTY MOVES of My Spirit that have not been seen or experienced before. They will come forth with a roar of authority, authenticity, creativity, purity, and vision to create, build and run with Me in what has NOT BEEN DONE BEFORE. They will know how to move in what has not been done before as they discerned My call to come deep into the development room with Me, yield and create the space to silence all the noise, let go, unplug and LISTEN.”

“My Glory that will be upon the birthing that will take place in the development room for these ones, as they come out of this time with Me, will draw in the harvest of souls and mighty miracles, signs and wonders that will be unprecedented for these ones. My Glory and fire upon these ones will burn and shine brightly as they responded with their yes to run to My invitation to ‘come away’ and listen to what I am saying and in the quietness listen to the beating of My heart and partner with the rhythm of My heart. The fire will burn within them deeper than ever to move at the beat of My heart and these movements and mighty moves of My Spirit that will flow through them, the sound of My heart and heartbeat will resound. They will not bow to the crowd; they will move to the beat of My heart and all of heaven will back them as they go forth from the development room with Me to partner with My Spirit for the uncharted territories.”

Nate Johnston:RISE UP FROM THE BATTLEFIELD CHURCH!

I feel like the Lord is looking throughout the earth right now for who will be fully abandoned to Him in a time when the temptation is to be in survival mode, hold onto what ground you have left, shove your last few dollars in the safe, retreat to a comfortable cave, and just wait out the storm.

Something in my spirit says "No! I must advance!" and there is right now a collective cry in the body of Christ that we just can't be survival focused but REVIVAL focused. There's a stirring in us that we have to push ahead and take ground when all indicators show that it's the worst time to do so.

The Holy Ghost is us rumbling, causing us to feel like wild horses at the gate that have to charge regardless of what others say, regardless of what we will look like, or what credibility or reputation we will lose for doing so.

All we know is we can't stay tamed in a time like this. We can't stay still, lifeless, motionless, or speechless. There's a SHOUT in our bones that must come out. There's a victory cry and a laughter that is building from the ashes and ruins of defeat and our past seasons battles that is going to make demons confused and start running in every direction.

The church has been pushed into a corner and I won't have coffee and biscuits in a time like this... I'm getting out my war boots, shaking off the ash, putting on my new jacket, and standing to my feet.

I see it! I see the battlefield. Still and eerily quiet but then suddenly one by one weary and bloodied warriors start to stand up. One by one the battered bride begins to get off the ground yet now there is no fear in their eyes, but an intimidating silence and composure. This is the church realizing who she is and that she has been beaten for far too long by an inferior enemy!

We have been bullied by witchcraft, illegitimate bondages, and muzzles that in our folly we have allowed to be placed on us - but no more!! We have accepted labels that have limited us and worldly distinctions of identity that have further divided us. But no more! So let me ask you.. you going to stay down or will you stand?

Arise and shine church.

Then Jesus said to him, "Get up! Pick up your mat and walk." John 5:8
"Enlarge the place of your tent, stretch your tent curtains wide,
do not hold back; lengthen your cords, strengthen your stakes" Isaiah 54:

IN THE NEXT THREE MONTHS YOU WILL FEEL A DEPARTURE FROM THE
TRENCHES OF THE BATTLE & ENTER A SEASON OF ENCOUNTERS & PURPOSE

- In the next 3 months there are coming significant encounters that will bring CLOSURE to the burnout and release a FRESH BURNING.
- Many will have face-to-face moments with Jesus that will loose every burden and debris from the battle, cut the cords of unshakeable hardship, and ignite a fresh cry and a Macedonian call to places and assignments not previously on the radar.
- There will be dreams that untangle you, heal you, and impart to you. There will be visitations in the night that rekindle lost love and clear you of every other affection and desire.
- You will feel like you can breathe again, dream again, and laugh again. The wounds you endured in the past will close up and you will no longer live defined by who cursed you, usurped you, or warred against you.
- You will get up, pick up your bed and walk into the new day without even one arrow in your side or roadblock at your feet.
- You will feel like you stepped out of the fiery furnace and were given a burning torch for the nations and a longing to see the harvest you were created for.
- Where you were in survival mode unable to pierce through the veil you will feel the victory in your spirit and a fresh shout to take the land.
- Joy will be so deep, like a fresh well springing up inside of you and you will be led forth in wonder.
- The road behind you will begin to feel like an old story or an old song you used to sing but no longer do, and you will be consumed by the new anthem of heaven and the fresh wind in your sails.
- Right now it may look like seeds are falling to the ground and dying and an old way and season are drawing to an end, but as you lay down your backpack at his feet you will begin to pick up the new.
- So lay down your unfulfilled promises and unfinished business. Lay down the mess and what you have tried to reconcile and simply surrender to the new chapter.
-

I PROPHECY THAT A GOLD RUSH IS ABOUT TO BE DECLARED!

- I have been hearing for weeks now. "Wait for it.. the shout of a gold rush is about to be declared!"
- A shout of victory and fresh hope is about to be broadcasted. It's the trumpet call of the tree of life in a time of hope-deferred. It's the shout of justice where there has been delay. It's the announcement of a SHIFT in a

time where hearts have let go of the promise and are bracing themselves for a grim future and settling their losses.

- But as a panner pans for gold, right now God is panning the nations and He says it's time to strike the ground for revival and harvest.
- But many are saying "Did you hear the news? This is not the time to dig wells or advance, but we must lockdown, stay still and brace ourselves!" but it is NOT what heaven is saying.
- Many are also saying "It is over for me. I have seen my best days come and go. I am now barren, battered, broken, and bitter from what I have endured" but the Lord is about to reveal His hand.
- In the midst of turmoil comes the shout from the heavens of a STRIKE. The Lord says "This will be a gold rush revival season for the church. Your long overdue vindication is here. Your restoration is here. Your BREAK-OUT is here!
- Where you have been hitting the ground hoping to find hope and found none, now a new vein of hope will emerge. It will start off small then more will come.
- You will know God as faithful in this season. You will know God as your promise keeper and your kinsman-redeemer. He is giving the dishonored and ashamed a new name and the cast-off a robe of double honor.
- Personal and family revival are going to erupt from the ruins of the deepest failures and darkest nights of the soul. The Lord is going to reveal his REDEMPTION to counteract the hardest blows from the greatest trial season of your life.
- I heard the Lord say "Watch who leaves the grave in this season. Look who I am bringing back from the brink".
- He is showering mercy while the religious shout "judgment". He is resurrecting the fallen while the accuser says "guilty!" For the panning has also revealed hearts and shaken the agenda of men.
- The shaking in the earth is going to increase to expose the enemy's hand and reveal the gold underneath He was wanting to conceal. The enemy is afraid of a hopeful, unwavering church and we are at the dawning of a new day.
- Just as water washes away the debris and silt, there is a flood of the spirit that is right now washing away the wounds and afflictions from the past season and UNEARTHING what has been hidden until now.
- The fake, the false, the fluff, hype, and religious meandering that hasn't led people to Jesus is over, and the gold is emerging. True revival is here and it will come with or without permission.

- It is here to set the record straight and announce to the earth "God is still on the throne and He is MOVING!"
- And in the shaking, we are coming back to our roots, back to ground zero but we are also coming back to being a people that follow the glory and nothing else.
- This is the new day, the new chapter, and the new beginning. The best isn't over. We haven't even begun! So get ready for it. Turn off the news and your victim reel, and ask God to show you the gold that is about to emerge!

I PROPHECY DELIVERANCE IS COMING TO YOUR HOUSE & LIFT YOU ABOVE THE SNAKE LINE!

- There is an abrupt end coming to every afflicting, heavy yoked assignment that has been warring against you for years.
- Every source of constant setbacks and robbery is going to be suddenly cut off.
- There is closure coming to every area you have been drained of your joy, peace, and fire/passion.
- In this season you will feel the deliverance of the Lord warring FOR you and brooding over your home.
- You will feel the reinforcements of heaven coming to cover, protect, and slam the door shut to every access point of opposition.
- Where there was once chaos and unrest you will start to feel life and health breaking out in and around you. This is the deliverance of the Lord.
- Where you were stuck, unclear, and bound by fear – you will suddenly feel the freedom to move forward.
- Where you were bound to your past season of unfinished business, ends that weren't tied up, and unfulfilled promises, you will wake up with joy for the new and unknown for the first time.
- Where the enemy tried to steal your future by trying to keep you broken and decommissioned in the battlefield, you will feel a fresh strength surge through you. You will get up and leave that old battle behind.
- God is bringing closure to relationships that haven't been for you, but secretly competing and warring against you to usurp you.
- Every hidden assassin is going to be cut off, and all words spoken against you in secret is going to be shut down and all access will be severed.

- Your tribe is going to be brought to you. Authentic, covenant family that aren't after what you have, but champions in your corner.
- I prophesy that this will be the year that you feel the Father's hand on your shoulder and His voice that cuts through the lies that have been trying to derail you.
- This will be the year that you leave every cycle of defeat behind and ascend above the snake-line and stop being tripped up by the words assignments of the enemy.
- This year you are moving higher, OUT OF the realm of constant defense and battles and being seated with Jesus in heavenly places where the victory is sure in Jesus' name!

"The Lord Says: I Am Bringing Inner Turmoil to Rest"
Lana Vawser

Over the last few weeks, I have been hearing the Lord speaking about "inner turmoil" that is taking place in the hearts of many Believers right now. The Lord showed me that this "inner turmoil" has been stemming from many different things in the hearts of His people. Some are experiencing turmoil from pain, trauma, grief and disappointment. Others are facing turmoil because of circumstances they are finding themselves in. Still others are facing turmoil because of weariness and burnout. The list of areas of "inner turmoil" that the Lord showed me went on... The Lord was revealing that His focus is on ministering to those that are finding their hearts in a place of inner turmoil.

A Call to Go Deeper into the Secret Place

There is a call to go deeper into the secret place that these Believers are sensing and feeling, because the Lord is going to bring a rest, a deep rest, that they have not known before. The Lord spoke to me and said that as they lean in—as they lay themselves down before the Lord and allow the Holy Spirit to come and minister into those areas of turmoil within, as they partner with Him in the leading

of His Spirit in dealing with this—they will move into a realm of supernatural peace that surpasses all understanding (Philippians 4:6-7).

The Lord showed me that in this place of encounter, He was also bringing them into a place of deeper understanding of what it is to trust in Him—of "casting cares" upon Him; a deeper place of prayer, a deeper place of surrender and allowing His Spirit to heal, restore, and put turmoil to rest.

The Lord showed me that many who were carrying this turmoil have been carrying it for a long time. They have lived with it, continually swirling within their hearts, for many, many years. They have learned to "live" with this constant feeling of "wrestle" and turmoil within them. Some of them are now beginning to see the inner turmoil manifesting in greater ways in their bodies, through physical ailments and physical symptoms; but take heart if that's you, because the Lord is bringing healing to you!

"I Am Going to the Root"

I heard the Holy Spirit say, "I am going to the heart. I am going to the root. I am going to heal them from the inside, out. This is their year of wholeness, this is their year of healing, this is the year where they will step into a greater understanding and manifestation of what it is to live FULLY ALIVE in Me (John 10:10), and to not live with constant concern. They will walk in supernatural peace that I purchased for them at Calvary, and they will no longer be weighed down and marked by constant cares. I am decreeing that a major shift is taking place in their lives by the power of My Spirit, bringing that inner turmoil to rest and marking them with My peace."

The level of turmoil that I saw many people carrying brought tears to my eyes. Even though they had smiles on their faces for all to see, they were carrying such a heavy weight, battling a level of inner torment and turmoil that no one else could see. *But HE has seen.* He is coming as the relentless pursuer to love them to life.

"I Am Loving Them Back to Life!"

I continued to hear these words surrounding me loudly: "I am LOVING THEM BACK TO LIFE! No more broken hearts." When the Lord spoke those words, I saw the broken hearts all across the Body of Christ, and I saw the hidden, broken hearts—those that were carrying broken hearts

which no one knew about. They would cry and battle alone behind closed doors. The sadness they carried was deep. But then, Jesus stepped in... I watched as He breathed upon their hearts and their deep mourning was healed and turned to great joy (Isaiah 61:3).

He whispered again to each one: "REST IN MY BREATH! REST IN MY RHEMA."

He began to speak words of life over them. Each word was full of His love, hope, and piercing truth to shatter strongholds and ignite life. They had been weighed down; they had felt like shells of their former selves because this turmoil that had been eating away at them day by day. But as He spoke, with each word He spoke, they were breathing in His breath, His life, His rhema, and they were being loved back to life. They were coming back to life and into the deepest rest in Him and His rhema that they had ever experienced, rebuilding them from the inside out. The "great awakening" to their identity as a new creation (2 Corinthians 5:17), and a son and daughter of the Most High, was being ignited in them like never before.

They Began to Remember Again...

As Jesus spoke, as He was loving them back to life, they began to remember again...they began to remember the dreams and all the promises laid down. They began to remember the joy of first love. They began to remember the joy of abundant life before the inner turmoil began to steal hope, peace, joy and life from within them. They began to enter the divine dance with the Beloved again in the steps of joy and deep peace.

Friend, today, if you are one struggling with deep inner turmoil, take heart, the Lord has seen the turmoil, the wrestle, the struggle, the pain that no one else has seen in its fullness—the tears you have cried—and He has not turned a blind eye or deaf ear. Jesus is here and He is drawing you deeper into the secret place, into His heart, to embrace you and bring you back to life, to love you into wholeness and healing.

Surrender into His arms and allow Him to work deeply on your heart. Allow His Spirit to minister to you. Partner with Him in your yielding. He is bringing that inner turmoil to rest; you will not know it any longer, but in your encounter with Jesus, you will be marked by peace, joy and hope. Where that inner turmoil used to be, LIFE will now reside, HEALING will reside. You will begin to BELIEVE again. You will begin to DREAM again. You will begin to HOPE again. You will not walk

around carrying deep sadness within but explode with joy in the abundant life that is yours in Christ.

This is your time, your divinely appointed moment for wholeness. This is your time of encounter with Jesus to become FULLY awake and FULLY alive, and to rediscover, again, the amazing "YOU" that He created you to be.

Nissan 30, 5781: (Monday) April 12, 2021

Bear one another's burdens, and so fulfill the law of Christ. ...Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap. For he who sows to his flesh will of the flesh reap corruption, but he who sows to the Spirit will of the Spirit reap everlasting life. And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith. *Galatians 6:2,7-10*

FROM PROMISE TO FULFILLMENT: LORILEI COOLEY, SCOTTSDALE, AZ

What has felt like a pause, or a standstill, will only last for a moment. Many are about to shift and transition out of that place and into their place of "promise fulfilled," "domino" breakthrough, and their next assignments.

There are some divine appointments which are about to happen as you come out of this long time of transition. There is greater clarity and direction coming forth to not only see what is now here, but to also see what is coming.

Many of you are being prepared right now for that moment when your promise is fulfilled. There is an anticipation and expectation being formed in you as the Lord prepares you.

Many of you are being healed, refreshed and delivered from the past seasons, for the season you are now stepping into will be unlike any other season you have ever been in before. The Lord is going to fill your heart once again with the awe and wonder of who He is as He brings to pass just what He has promised you. Hold on, as you are at the cusp; it is about to come expeditiously.

It is almost incomprehensible that the Supreme Court could summarily dismiss the final election fraud case from President Trump, as well as the one from Lin Wood-- and do so with NO COMMENT. That reveals the epitome of arrogance, cowardice and compromise and puts the final nail in the coffin as to their viability as an instrument of justice. The "mainstream media" is complicit in their silence and has also completed their full measure of failure and even treason as well. That assignment now fully defaulted on now must be picked up on by what's left of natural institutions-- the military, and the heavenly supreme court that will not fail.

Amazing all this, as we remember that so recently Ruth Bader Ginsburg passed away allowing Amy Comey Barrett to give our nation an "overwhelming" conservative majority at the highest court level. Yet somehow she and Kavanaugh and Gorsuch (the 3 brought in by Trump) are all either so cowardly, blackmailed or threatened that they refused over and over to even LISTEN to any of the evidence of what the whole world knows is the most corrupt election in history. Is this nation supposedly to stand down and just take this level of Supreme Court grand malfunction and incompetence-- if not absolute treason?! Can this court be trusted for ANY purpose of justice after these rulings? I think not!

I call upon the JUSTICE of God to now be superimposed over this court that has representatively failed Him and may the JUSTICE of God dismantle the foundations of compromise and be inserted into His rescue operation for our nation. May We the People raise our voices imploring both the military, as well as God Himself to come in with JUSTICE. May it not be said of us as in Isaiah 59:4, that there was no one who cried for JUSTICE or pleaded for TRUTH. TRUTH AND JUSTICE MARCH IN NOW!
